Motion/Petition for Rehearing

Pursuant to Rule 201(a), SCACR, I Anthony D. Wilder, Appellant, now comes before ~~the~~ Honorable Court to request for a rehearing in the Appellate Court.

I would also like to ask the court may I be permitted to have an extension of time (an additional (15) days) so I may prepare a proper petition to the court. I would appreciate the opportunity to have this rehearing to look at some facts that may have been overlooked or not considered by the court. Thank you and God Bless.

ORDER DENYING PETITION FOR REHEARING

PER CURIAM: After a careful consideration of the Petition for Rehearing, the Court is unable to discover that any material fact or principle of law has been either overlooked or disregarded and hence, there is no basis for granting a rehearing.

It is, therefore, ordered that the Petition for Rehearing be denied.
