Re: Burns v. Greenville County  
Appellate Case No.: 2018-002255

Dear Ms. Kitchings,

Due to my case load, court appearances and client related travel I have yet to complete the Appellant's initial brief and designation in this case. As a result I am in need of additional time. I have enclosed a motion requesting an extension of thirty days in which to serve and file the Appellant's Initial Brief and Designation of Matter in this case. I have included a filing fee for this request.

Sincerely,

  
J. Falkner Wilkes, 12893

MOTION

---

The Appellants move this Court for an extension of thirty days in which to file and serve the Appellant's Initial Briefs and Designation of Matter.

Counsel is currently engaged in the briefing of several cases and has devoted extensive time over the past thirty days to client related trial work and other matters. As a result additional time is needed to complete the briefing in this case. This request is necessitated by current work load and is not intended for unnecessary delay.

Counsel therefore moves the Court for an additional thirty days in which to file and serve the briefs and designation of matter in the above captioned case.

Respectfully submitted,

J. Falkner Wilkes, 12893
