

I have addressed this issue with you before in the matter of Appellate Case 2015-001997; the fact that Wanda Carter at the Office of indigent defense had not pushed this matter with Berkeley county to get me a court date, to hear the matter that the Justices remanded. (See Attachment) of the Justices order.

Mrs. Carter has since written me, i produced clock stamped documentation i emails to Berkeley County, where she has been contacting them since July 2017, but Berkeley county refuses to respond or honor our request for a hearing on this matter. My issue is that at some point your office must step in i intervene because an order of South Carolinas highest court is not being carried out. This is a break down of the South Carolina Constitution & the United States Constitution, i if I was in Berkeley Counties direct violation or any other citizen was, we would be held in contempt of court on this order i either jailed or fined serious debts for our contempt which is Criminal.

At this point I dont know if I can but I want to move forward with a federal Habeas Corpus, because Berkeley county will not respond to myself, Mrs. Carter or maybe even Jesus Christ himself. This 378 days Im requesting credit for I feel Im duly owed, because I had it ordered by a Judge, as a condition of my bond i house arrest with outlined rules of notify solicitor Benjamin Stetten of all my locations, of work i home, down to the pacific job site addresses, I was working at. I could not go to my public places but church for 2 hours on Sunday. I had to pay \$70.00 per week non-refundable, with a \$500 down payment just to get the ankle monitor on the deposit had to be paid 1st to Robison bonding on Leeds Ave in Charleston SC. 1 year later on the day I went to court I had a letter which should be in my case file you have from Robison bonding stating that I had been successful on the program for 378 days.

Sir please as you can see on the attached motion, my case is almost 2 years old with no action taken yet this has to be illegal on some ones behalf, what should I do??
