MOTION FOR THIRTY DAY EXTENSION

The appellants, Wilbert Roller Jr. and Betty V. Roller, request a thirty day extension to file and serve their initial brief and their designation of contents of record on appeal. This motion is based on the ground that appellant's counsel became seriously ill on February 5, 2019, which required appellant's counsel to miss an extended period of time from the office and a trip to the hospital. Appellant's counsel has only recently returned to the office on a full time basis. This request makes the Appellant's initial brief due on or before Friday, April 26, 2019.

Dear Ms. Kitchings,

I am requesting a thirty day extension to file appellant's initial brief. Enclosed please find a motion for extension, our firm's check, and a certificate of service.

As to the transcript of record, I have verified that there was no court reporter present during the arguments leading to the Orders now on appeal. However, these appearances did not involve testimony, so I do not believe that the absence of a transcript will be an impediment to the Court taking up this appeal. Please let me know if you have any other questions regarding the transcript. With kind regards, I am

Very truly yours,  
BELK, COBB, INFINGER & GOLDSTEIN, P.A.
