

STATE OF SOUTH CAROLINA
IN THE COURT OF APPEALS **RECEIVED**

Appeal From Greenville County
Honorable, Michael Nettles, Circuit Court Judge
MAR 18 2019
SC Court of Appeals

Terry Edward McCall Appellant

v.

Barnes Towing Respondent

Appellate Case No: 2018-001020

Appellant's Opposition Motion To Dismiss
To Respondent's Motion To Dismiss

The Appellant moves this Court for an "Order Dismissing" Respondents Motion to Dismiss for allegations unsupported. This Court has received numerous Motions to Dismiss by Respondent, And everyone the Court has dismissed,

The Appellant states that his record on Appeal is timely, As through and by the Courts own instructions The Court struck down Appellants Record on Appeal and informed Appellant by writing to file an Amended Record on Appeal, which the Appellant did do, and timely did.

The Respondent has incorporated a letter from Appellant, which Appellant informs the Respondent in this letter concerning some issues that "Occurred" with both parties at Magistrate Court, and "nothing to do with" this case. The Magistrate Court dismissed Respondent's Motion for Sanctions in that case. The Court instructed Respondent that the Appellant is Not bound to the Rules as he is, as a Pro Se litigant, and we are not issuing sanctions. As he falsely accused the Appellant for not complying to the Rules. Same as he has again for the 3rd time in Court of Appeals, trying to use this letter of Appellant.

The Appellant has certificate of service filed with the Court. And served on Respondent where he served the complete record on Appeal and Amended Record on Appeal, with All the record as required by the S.C.A.C. Rules

This Respondent has fail to prevail and has had Orders Vacated set aside by Appellant in Magistrate Courts. Which has basically "be littled him as a Private Attorney, from a Pro Se

(b)

litigant. And he cannot except it.
The Appellant has complied with the
Court's instructions from its last letter
requiring Appellant to file Amended Record
on Appeal, and serve Respondent.

Therefore, Appellant has followed all
instructions by the Court timely and
complied to the S.C.A.C. Rules,

Wherefore, Appellant prays the Court issues its
Order dismissing for the 3rd time Respondent's
Motion to dismiss, and proceed with
this Appeal, or as the Court deems
proper.
