Dear Mr. Boseman:

- The caption/title does not comply with Rule 267(a), SCACR. Specifically, the notice of appeal does not list the case number on appeal, the name of the judge, the title of the document.
- The proof of service should be a separate document, not included on the same page as the notice of appeal.
- The notice of appeal fails to include a statement of when you received written notice of entry of the order or judgment from which this appeal is taken.
- The required filing fee has not been submitted. The correct filing fee is \$250.00.

Very truly yours,
