OPINION BELOW

The opinion of the State of South Carolina Supreme Court appears in Appendix B at the end of this Writ of Certiorari to the United States of America Supreme Court.

JURISDICTION

The State of South Carolina issued its jurisdiction in the matter on February 16th, 2018. A copy is attached in Appendix B. The State of South Carolina issued its final judgment on February 16th, 2018.

STATEMENT OF CASE

The trial of *State of South Carolina v. Glynndeavin von Fox* Case No. 2013A1010200095-96 started on the 17th of July, 2017 and ended on the 18th of July, 2017 in the Charleston County Judicial Center on Broad Street in the Carolina Wren and Yellow Jessamine State of South Carolina. The issue of the opening statements of the 9th Circuit Asst. Solicitor Charles W. Patrick mimicked the same pre-trial violations as the trial under the Hon. Judge Couch. The case was argued with the result by jury to be guilty, and sentencing to have taken place shortly after the jury verdict. The petitioner was placed in the Kirkland R&E Center with filings of appeal done before transfer at the Charleston County Detention Center under *Non-Violent* Classification with Mental Review by the State of South Carolina Department of Mental Health for the third review of *No Mental Illness/Non-Violent* Status, and served required access with current probation requirements of the State of South Carolina. The Writ of Certiorari is made while awaiting departure under *United Nations Charter Treaty* for Political Asylum under federal training from the United States of America's United States Air Force for downed aircraft pilots Domestic or International after probation.

REASONS FOR GRANTING THE PETITION

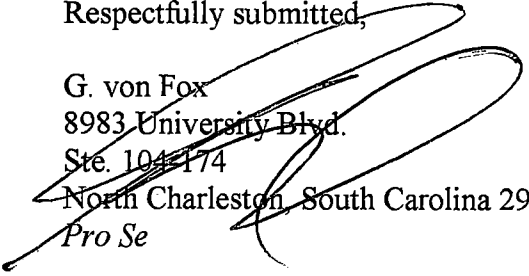

The reason for granting the Writ of Certiorari is regarding a clear violation of the United States of America Constitution through a State Recognize Native American by the State of South Carolina government regarding the Country of Japan documents invoked by the State of South Carolina in clear tone of violations of federal constitution provisions of a State of the Union government within the United States of America with the International community in the United Nations Charter Treaty signed by the United States of America within the Treaty of Paris of 1947 in the creating of the United Nations by sovereign state governments of the world.

CONCLUSION

The Petition for a writ of certiorari should be granted.

Respectfully submitted,

G. von Fox

Request Number: 2-19104724955

Dear Recipient:

Thank you for contacting the National Personnel Records Center.

We are pleased to provide the enclosed document(s). We have placed a seal on the document to show it is authentic.

A *Report of Separation* (DD Form 214 or equivalent) is issued to document periods of active duty military service. Veterans serving in the National Guard or Reserve will not receive a separation document for active duty training unless the active duty is 90 consecutive days or greater. Since September of 1979, most military personnel discharged for immediate reenlistment were not issued the Report of Separation until their final release from active duty.

A Report of Separation may include the following information: the type and character of discharge, authority and narrative reason for separation, reenlistment eligibility code, and separation program designator/number. If you need copy of the separation document without this information, request a "*deleted*" copy from this office.

If you have questions or comments regarding this response, you may contact us at 314-801-0800 or by mail at the address shown in the letterhead above. If you contact us, please reference the Request Number listed above. If you are a veteran, or a deceased veteran's next of kin, please consider submitting your future requests online by visiting us at <http://vetrecs.archives.gov>.

Dear Clerk of Court,

I have filed this Writ of Certiorari from an appeal that was started in a detainment at Kirkland R&E SCDC facility under complete state governmental control. I spoke to a clerk at the desk of the United States of America Supreme Court on January 19th, 2018 from Delta Airlines 2594, and he instructed me that the prisoner packet filing format may be used as a probatee with the South Carolina Department of Parole, Pardon, & Probation.

Also in concern with Appendix B, I went to the South Carolina Court of Appeals in person for a certified copy of the lower court of appeals order in South Carolina, and this is the document that they gave me. I have a current lawsuit with them concerning the giving of a document that was not requested after repeated questioning for a simple certified copy of an order by mail and in person, and this is in regard to the constant harassment by that lower court of appeals in South Carolina regarding due process.

All correspondence and case files will be given to the United Nation Charter Treaty countries regarding my political asylum request with all of the United Nations Charter Treaty Countries as a Santee (Santé)—Edisto Indian of South Carolina under governmental recognition by the State of South Carolina within the United States of America Constitution allowance by a state government that receives United States of America funding.

Sincerely,

G. von Fox
