Re: Jamesetta Washington, as Guardian ad Litem for Jayden Washington, a minor v. Edmund Rhett, Jr., M.D., Low Country Obstetrics & Gynecology, P.A., Tenet South Carolina, Inc., d/b/a East Cooper Regional Medical Center  
C/A No. 07-CP-10-1553, Charleston CP

HLF File No. 2.100

Dear Ms. Kitchings:

We are in receipt of another motion from the Plaintiff/Appellant requesting a further extension to prepare the Record on Appeal. As we have previously advised the Court, we will not consent to any request for yet more time, given the Appellant's own responsibility for the size and difficulty of this project. The Appellant apparently just realized that they needed to obtain the redacted medical records entered as exhibits from the trial court. In hopes of avoiding any further requests for more time, at this point we would remind the Appellant of the Court's standing order regarding the redaction of personal information as these records, as well as other designated matters, will need additional redactions before they can be included in the Record.

Kind regards,

Yours truly,

Molly H. Craig
