Re: *Trident Medical Center, LLC, d/b/a Trident Medical Center
vs. South Carolina Department of Health and Environmental
Control, and Roper St. Francis Hospital – Berkeley, Inc.,
d/b/a Roper St. Francis Hospital – Berkeley County*
Appellate Case No.: 2019-000358

Dear Ms. Kitchings:

Enclosed please find an original and seven (7) copies of *Appellant's Motion to Ascertain Order for Appeal, Extend Time for Initial Filings, and Correct Case Caption* in the above captioned matter to be clocked and filed, together with a Proof of Service. Please return a file-stamped copy of each document to me via our courier. I have also enclosed our check in the amount of \$50.00, which represents the filing fee for the same.

As background, this Motion is being filed following a discussion with your office regarding the uncertainty of which of two Orders issued by the lower court is subject to appeal. I conferred with counsel for both Respondents prior to filing and they had no objections to the relief sought. Because the transcript from the final hearing is already in the possession of the parties and does not need to be ordered, the Motion also asks for an extension of the initial filing deadlines under Rule 208 and Rule 209, SCACR.

By copy of this letter, I am hereby serving a copy of the same on counsel of record. Please contact me if your office has any questions related to these filings.
