RE: Appellate Case No.: 2017-002290 Conversation Today (February 11, 2019) regarding last week's requested actions

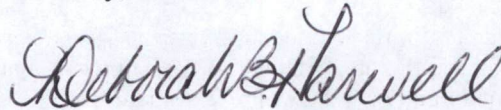

Dear Miss Singleton:

Thank you for taking my telephone call today. As I stated in my letter to you dated last week; I would like to file a Motion prior to entering a final Appeal with the Court of Appeals. You asked me to write you and state such and I complied. Before I could hear back from you, a letter crossed in the mail, stating that February 11, 2019, would be the last day for filing my final appeal. I thought we had an organized plan to do as the court directed; until I received a letter from someone else; I believe it was an Assistant Clerk in direct opposition of how we were proceeding.

I realize that there are a number of cases and it's hard to keep it straight; but I faxed and mailed a letter stating my concerns of this over the weekend. Since that fax or mailed letter still has not made it to C-track; I will follow your directions and give you a call back when you can figure out the current status of the case.

Thank you for helping me with this complex matter. I hope you cold gets better and doesn't turn into the six-weeks of congestion that I and other friends have experienced.

Sincerely,

Deborah B. Harwell, Pro Se (unwillingly)

CC: Honorable Jenny Abbott Kitchings
