Date of Hearing: May 14, 2014
Special Referee: Jerry M. Angelo
Plaintiff's Attorney: George Jebaily
Defendant, Jerry
W. Page's, Attorney: Pro Se

This matter comes before me as Special Referee by appointment of the Honorable Paul M. Burch, subsequent to an Order of Default pursuant to §14-11-60 and §15-31-150 and Rule 51, South Carolina Rules of Civil Procedure. The Summons and Complaint were filed with the Dillon County Clerk of Court on February 7, 2012. The Defendant, Jerry W. Page, was personally served on February 15, 2012, as evidenced by the Affidavit of Service filed with the Court. By Order of Judge Burch, in his Order of April 11, 2012, this Defendant was found to be in default. Judge Burch referred the matter to the undersigned as Special Referee for a hearing on damages.

This case arises from an accident that occurred on April 12, 2009 in which one of the Defendant's cattle ran across Highway 55 and caused a collision with Plaintiff's automobile.

The hearing was scheduled for July 26, 2012 at the Jebaily Law Firm in Florence

 #1

South Carolina. The Notice of Hearing on Damages was served on this Defendant. At the time of the hearing, the co-defendant, James Page d/b/a James Page Farms, had not been served. The hearing was then continued until James Page was served.

The undersigned was then informed on February 18, 2014 that James Page was dismissed from this action without prejudice as evidenced by the Stipulation of Dismissal executed on February 18, 2014.

A second hearing on damages was scheduled for May 14, 2014 at the Jebaily Law Firm. The Notice of Hearing on Damages was served on the Defendant, Jerry W. Page, on March 25, 2014.

The hearing was scheduled to begin at 10:00 a.m. At that time, the undersigned inquired as to the Defendant's presence. The Defendant was not present nor had he contacted the Plaintiff's attorney, anyone at the Jebaily Law Firm or the Special Referee. The Court waited 15 minutes prior to beginning the default hearing. The Defendant finally made an appearance at approximately 10:35 a.m. He then participated in the proceedings.

Testimony was taken and documents were offered into evidence.

It should be noted that the Defendant, Jerry W. Page, was given every opportunity to have consulted with an attorney prior to the hearing and to have an attorney present with him at the hearing. He chose not to. In fact, he chose to participate in the hearing. He was given specific instructions by the Court with regard to what his role would be limited to and the fact that he would be held to the same standard as an attorney. He participated in the hearing.

FINDINGS OF FACTS

After hearing testimony and reviewing the evidence offered, I make the following

findings of fact:

1. This matter comes before me by Order of the Honorable Paul M. Burch subsequent to an Order of Default pursuant to §14-11-60 and §15-31-150, South Carolina Code of Laws (1976, as amended), and Rules 53 and 55(b)(2), South Carolina Rules of Civil Procedure.

2. Jurisdiction of this entire matter was vested in the Special Referee as of the date of the Order to determine any and all matters that might arise concerning this case thereafter. Jurisdiction and venue are proper.

3. The Defendant was notified of the hearing by United States Mail and was present at the hearing.

4. On April 12, 2009, the Plaintiff was driving his vehicle along Highway 55 in the evening when one of the Defendant's cows ran across the highway and collided with Plaintiff's van. The collision forced the van off the road into the shoulder where it hit a tree head on. The collision was so severe that it caused the Plaintiff to be thrown through the windshield. The cow belonged to the Defendant, Jerry W. Page.

5. Plaintiff's vehicle, a 1997 Dodge Van, was totalled with property damage estimated at \$4,500.00. The vehicle was sold for salvage for \$800.00.

6. The Plaintiff was severely injured as a direct and proximate cause of the Defendant's negligence. Plaintiff was treated for his significant, traumatic injuries to his head, neck, back and right leg.

7. Plaintiff's medical procedures and treatments included the following:

Dillon County EMS -	\$ 579.08
Marion County Medical Center -	8,640.61
Caladonia Financial ER Physician -	460.00
Radiology Associates of Marion -	1,059.24
CareSouth Carolina, Inc. -	233.00
Medications -	<u>52.00</u>

Total -

\$11,023.94

8. Plaintiff still suffers from right leg pain. Plaintiff has a permanent raised scar on his lower right leg approximately 4 to 6 inches long.

9. Plaintiff continues to have severe anxiety attacks that significantly diminished his ability to travel.

10. At the time of the accident Plaintiff was working 40 hours a week earning \$8.50 per hour. In addition, it should be noted, that the Plaintiff was a volunteer fireman engaged in training to become a full-time firefighter. The injuries sustained by Plaintiff at the time of the accident restricted him from preparatory firefighter training. The severe anxiety attacks caused by the accident prohibit Plaintiff from becoming a full-time firefighter.

11. Plaintiff's medical condition with regard to anxiety attacks continue to this day which affect his ability to work, travel comfortably and conduct his normal daily activities as before the accident.

12. Plaintiff is 42 years old with a life expectancy of 32.26 years.

13. Plaintiff sustained net property damage in the amount of \$3,700.00.

14. Defendant, Jerry W. Page, has a long history of similar negligent behavior regarding his farm animals getting loose and causing property damage and accidents. The Court has in Plaintiff's Exhibit 9, twenty-six (26) Incident Reports dating from August 22, 2006 through August 13, 2008. All of these reports deal with Defendant's farm animals getting lose and causing damage. They also clearly indicate that Defendant has no intent on remedying this danger. It is apparent to this Court that punitive damages are in order after careful consideration of existing case law regarding the awarding of punitive damages. It is the hope of this Court that these punitive damages, otherwise known as exemplary damages, will actually deter the Defendant

from further negligent behavior and act as an example to deter others. The Defendant will pay punitive damages in the amount ordered below.

CONCLUSIONS OF LAW

The matter which is before this Court is governed by the general principals of common law negligence as exist in the State of South Carolina. Accordingly, there is well established case law to support an award of actual damages in this instance. Attention, therefore, is given to the issue of punitive damages.

It is well established in South Carolina law that punitive damages are allowed in the interest of society in the nature of punishment and as a warning and example to deter the wrong-doer and others from committing like offenses in the future. This legal notion is established in *Gamble vs. Stevenson*, 406 S.E.2d 350, 305 S.C. 104 (S.C. 1991) and its progeny i.e. *Cook-N-Bull Steak House, Inc. Vs. Generali Insurance Company*, 466 S.E.2d 727, 321 S.C. 1 (S.C. 1996). The Court states clearly in *Gamble* citing *Haslip* that "we cannot say that the common law method for assessing punitive damages is so inherently unfair as to deny due process and be *per se* unconstitutional." The Court went further and noted there is no bright line mathematical test that can be drawn to determine punitive damages, but that an award of punitive damages should be sufficiently reasonable to withstand constitutional challenge. *Gamble* establishes three factors in reviewing punitive damage awards: the first deals with understanding the nature, purpose and basis for the award; second, post-trial procedures to scrutinize the award; and third, an appellate review process to insure that the award is reasonable and rational. The Court went further to state that each and every procedural protection may not be afforded to all Defendants in all cases. The *Gamble* Court noted that it was sufficient that the protections meet "general concerns of reasonableness" and "are

allowed by adequate guidance" from the Trial Court. The Supreme Court of South Carolina established in *Cook-N-Bull Steak House, Inc. Vs. Generali Insurance Company* that the Trial Court "may consider" factors as listed in *Gamble*, but is not required to do so.

This Court finds in the instant case that there is clear and convincing evidence that the damages sustained by the Plaintiff were caused by willful, wanton, reckless, careless and negligent action on the part of the Defendant and warrant an award of punitive damages. Specifically, the major findings of fact that contribute to and support the substantial punitive damage award are the numerous incident reports regarding Defendant's continuing negligent behavior. These reports are replete with complaints about Defendant's farm animals getting loose and damaging crops. The reports also indicate that various law enforcement individuals contacted the Defendant on numerous occasions about containing his farm animals. Law enforcement has taken pictures of Defendant's farm animals on complainant's land causing damage to crops. There is even one report regarding approximately forty (40) of Defendant's cows in a neighbor's yard, under her carport and on her back porch causing damage to her property, including her vehicle.

In *Gamble*, the Court suggests eight (8) factors that may be reviewed in order to determine whether the Defendant's due process rights have been violated. The Court may consider the Defendant's degree of culpability. In the instance case the Court is convinced of the Defendant's culpability since it was Defendant's animal that got loose and caused Plaintiff's damages. Moreover, the numerous incident reports of Defendant's animals causing other property damage over a period of years indicate a reckless disregard for others' property and safety.

The Court may consider the duration of the conduct. As mentioned previously, the Court is aware of at least two years of consistent negligent behavior by the Defendant involving the containment of his farm animals in a secure setting. In other words, the accident on April 12, 2009, was certainly not an isolated incident.

The Court may also consider the Defendant's awareness or concealment. In this case, the Defendant was not only aware of his farm animals getting out of their confined space, but was constantly being confronted by neighbors and law enforcement regarding these dangerous conditions.

The Court may also consider the existence of similar past conduct. It goes without saying, in this instant case, that there is clear and convincing evidence of similar past conduct stretching over a period of at least two (2) years.

The Court may consider the likelihood that any award would deter the Defendant or others from like conduct. In this case, Defendant's continuing disregard for the safety of others and a continuing pattern of negligent behavior certainly warrants a punitive award in order to set an example not only to this Defendant but to others.

The Court may consider whether the award is reasonably related to the harm likely to result from such conduct. Again, in the instance case, the Court is confident that the award is reasonable and reasonably related to the harm likely to result from such conduct as evidenced by the Defendant's continuous negligent behavior.

The Court may consider the Defendant's ability to pay. In this case, Plaintiff's exhibit 2 indicates that over and above whatever Defendant's net worth may be, he does receive yearly subsidies from the USDA that are substantial.

Based upon the foregoing Findings of Fact and Conclusions of Law, it is therefore

ORDERED, ADJUDICATED AND DECREED that Plaintiff, Jammie Anderson, be and is hereby granted judgment against the Defendant, Jerry W. Page, in the amount of \$3,700.00 for property damage, \$60,000.00 in actual damages to Plaintiff's physical body and health, \$4,000.00 to compensate for Plaintiff's permanent scarring, \$1,360.00 in lost wages, and \$100,000.00 in lost career opportunity. The Court therefore awards the Plaintiff total actual damages in the amount of \$169,060.00. It is further

ORDERED that the Defendant, Jerry W. Page, pay punitive damages in the amount of \$100,000.00. The total judgment to Plaintiff is \$269,060.00. It is further

ORDERED that this decision be filed with the Dillon County Clerk of Court.

AND IT IS SO ORDERED.

1 MR. JEBAILY: Yes, sir. We have
2 presented -- prepared, Your Honor, for the Court a
3 list of exhibits that we would like to introduce
4 in this case. There's a index that's behind the
5 first page there. And then there's the accident
6 report as the first tab. There's a diagram at the
7 second tab along with a -- a summary and
8 supplemental remarks there. That's all part of
9 that second tab. Then there's photographs that
10 are part of the tab -- come in. Thank you. There
11 are photographs that are part of 3A and showing
12 the scene. Again 3B shows pastures and property
13 with the cows, etcetera, on it, as well as area
14 along side the road and it shows a van. At the
15 end of 3, which is the vehicle that Mr. Anderson
16 was driving. I think that would be before that.
17 It's --

18 THE COURT: I've got those.

19 MR. JEBAILY: Right. Right. So it
20 shows pictures of -- of the van as well. Then
21 there's other pictures that show the injuries to
22 his body and photographs of that. Then going to
23 tab four is a summary of the medical bills, which
24 a little over 11,000 dollars, plus there's wage
25 loss in addition to that. Then tab five with the

1 Mr. Jacobs accident that involved one of your
2 livestock, etcetera, will be referred in
3 Mr. Anderson's case. Is there any objection to
4 that?

5 MR. PAGE: No.

6 THE COURT: With--- without objection
7 then.

8 MR. JEBAILY: Okay. So I would then
9 just --

10 THE COURT: And I'm sorry. What was
11 the date of accident in this one?

12 MR. JEBAILY: This one -- if you look
13 back on the accident report --

14 THE COURT: I'm sorry. It's
15 April 12 --

16 MR. JEBAILY: 2009.

17 THE COURT: Okay.

18 MR. JEBAILY: And the one involving
19 Mr. Ja--- Mr. Jacobs was November 21, 2008.

20 THE COURT: And so --

21 MR. JEBAILY: So for purposes of the
22 record, we would just by reference include the
23 documentation from the 2008 wreck as a part of
24 this matter.

25 THE COURT: Okay.

1 you end up not -- no longer working there?

2 A It was -- it was -- business was
3 getting slow, and they was thinking about selling
4 the business.

5 Q Okay. Did you miss any time from work
6 as a result of injuries from this work?

7 A Yes.

8 Q How much time did -- from work did you
9 miss?

10 A I think it was almost a month.

11 Q Okay. And 40-hour work week?

12 A Yes.

13 Q What were you earning per hour?

14 A I think it was eight -- \$8.50 an hour
15 a day.

16 Q \$8.50 an hour for 40 hours for
17 basically, what, four weeks?

18 A Right.

19 Q Okay. Any other lost time -- lost
20 time from work as a result of this wreck?

21 A Yes. I also was employed at the fire
22 department as a volunteer. And I never able --
23 was able to finish my training cause of the -- the
24 wreck.

25 Q Okay. So tell us about the -- what

1 you were doing at the fire department?

2 A I was a volunteer fire--- firemen.

3 And we started the training.

4 Q What kind of training?

5 A Training to drive the fire trucks and
6 enter the house and search for victims.

7 Q Okay.

8 A And while we was doing the training, I
9 got in the wreck and wasn't able to finish the
10 training.

11 Q Okay. Were you hoping to further your
12 work with fire department as a career option for
13 you?

14 A Yes.

15 Q Okay. In what way?

16 A I was going further my training
17 because later on I was going to move to a bigger
18 city and -- and work with the fire department3.

19 Q Okay. So your hope was that you would
20 work one day with a city fire department as an
21 official employee, employed by that fire
22 department?

23 A Right.

24 Q And you have -- have you gone on and
25 concluded your training?

1 A No.

2 Q Okay. Have you had physical problems
3 that have restricted you from concluding that
4 training?

5 A Yes.

6 Q Okay. And those problems -- tho---
7 those restrictions came as a result of the
8 injuries in this wreck?

9 A Right.

10 Q Okay. Well, we'll talk about that in
11 just a minute. Let's go back. Do you recall when
12 this wreck occurred?

13 A It was April.

14 Q April the 12th of 2009, does that --

15 A Yes.

16 Q -- sound right? Okay. And do you
17 remember the time of day or night this was?

18 A I think it was around nine.

19 Q In the...

20 A At night.

21 Q Nine at night. So it was --

22 A Nine p.m.

23 Q So what -- it would have been dark
24 out?

25 A Right.

1 A Well one -- one of the -- the -- the
2 main problems that they was -- after the accident,
3 it was just kind of hard to get back to driving.

4 Q Okay. Ho--- wha--- talk -- tell us
5 about that.

6 A I mean I felt like I was going back
7 through the accident over again. And then I would
8 almost lose my breath or something. I had to take
9 time and then calm down and -- and catch my
10 breath.

11 Q Okay. And so that anxiety or your
12 heart racing and --

13 A Right.

14 Q -- and all that, that anxiety that you
15 felt, is that something that you still continue to
16 have problems with?

17 A Yes.

18 Q And has that been a difficulty -- I
19 guess the idea of being a first responder --

20 A Right.

21 Q -- with the fire department, whatever,
22 is that what has been a limitation in you being
23 able to go be a first responder as a result of
24 this anxiety?

25 A Yes.

1 fire and they're running in.

2 Q And before this wreck, did you have
3 any of this anxiety? Did you have any of these
4 fears? Did you have any of this sort of -- these
5 problems that you have had since the wreck?

6 A No, I didn't have any of them. I
7 was -- go to jet skiing and, I mean, bungy
8 jumping. I was going to do skydiving in
9 Fayetteville at the military base. So...

10 Q Did you -- speaking of military, do
11 you have any military background?

12 A No.

13 Q Okay. Did -- with your volunteer work
14 with the fire department, did you actually go work
15 any fires as a part of your build up to your
16 training?

17 A Yes.

18 Q Okay. Did you have -- in that build
19 up to your training, did you have any problems
20 when you were actually working a fire?

21 A No.

22 Q Okay. Did you have any anxiety, any
23 issues or any concerns or -- that would make you
24 wonder whether or not you would ever be able to be
25 a fireman?

1 leg.

2 A Right.

3 Q Okay. And the -- but the an--- the
4 biggest problem that you had, that you've had to
5 deal with as a result of this, has been this
6 anxiety issue? Is that --

7 A Right.

8 Q Is that right? Okay. And that has
9 affected your ability to go and move into a career
10 that you were hoping for, which is the -- the
11 fire -- first responder area?

12 A Right.

13 Q Okay. Are you working at all
14 presently?

15 A Yes.

16 Q Where are you working?

17 A Technimark in Asheboro.

18 Q Okay. And what do you do there?

19 A I do -- make the bottom parts for
20 Renuzit Air Freshener.

21 Q Okay. Is it a manufacturing facility?

22 A Right.

23 Q Okay. And you're a production worker?

24 A Right.

25 Q Okay. And you're able to do that?

1 A Yes, but with help.

2 Q Okay. All right. I guess being on
3 your leg a long time, if you're --

4 A Yes.

5 Q -- standing up for a long period of
6 time, that can bother you?

7 A Right. It's a -- it's a one-man job,
8 but they give me some assistance.

9 Q Okay. All right.

10 THE COURT: Excuse me, George.

11 MR. JEBAILY: Yes. Go ahead.

12 THE COURT: What was the name of the
13 company again, sir.

14 THE WITNESS: Technimark.

15 THE COURT: Can you spell that for me.

16 THE WITNESS: T-E-C-H-N, M-A-R-K.

17 THE COURT: Thank you, sir.

18 BY MR. JEBAILY:

19 Q And that's in Asheboro?

20 A Right.

21 Q North Carolina?

22 A Right.

23 Q Okay. But you've seen the medical
24 summary of the bills of a little over
25 11,000 dollars, plus your wage loss. Is that an

Note: The information on conservation spending for 2010 is incomplete due to missing data from USDA's Natural Resource Conservation Service. Payment data currently are not included for the Environmental Quality Incentives Program, but will be added once NRCS makes it available.

The information provided for the Wetland Reserve Program (WRP) provides an inaccurate picture of how WRP payments are distributed. USDA's Natural Resource Conservation Service uses title companies as intermediaries to finalize wetlands easements under the Wetlands Reserve Program. As a result, the data provided to us shows large sums of money going to these title companies. In reality, the payments are ultimately distributed to landowners participating in the WRP.

Unfortunately, NRCS has not provided the data to show where these farms and wetlands are located or which farmers or landowners are enrolling in the program, so EWG is unable to allocate these large sums of money to individuals beyond the title companies. Therefore, these companies skew the conservation rankings and payment concentration, which EWG cannot avoid unless and until NRCS makes available the additional farm attribution data. Therefore, we have not included WRP payments in the 2010 data update.

Finally, we have separated data on farm commodity, disaster and conservation payments in order to provide a more accurate picture of top recipients and concentration of payments among the three main categories of USDA programs.
