Case No. 2018-001083

I was advise by Mr. Gilliam my
appeal lawyer that I could send
a copy of Mrs. Johnson Affidavit to
the Supreme Court for the Court to
consider. also this Affidavit was
mention in the Appendix on page 59
line 4 through 6 Mrs. Johnson stated
to the Court that she had filled out
an sign a Affidavit saying she did
not want the case prosecuted.

This is a copy of the Affidavit that Mrs. Johnson had filled out and sign saying she did not want to prosecute the case.

The solicitor's knowingly and willingly withheld this information from me even my public defender didn't bring this to my attention it was never brought before the court or mention in court the day I was sentence neither did they put it in my motion of discovery this information was withheld from me it could of clearly made a great difference in my case and pointed me in the right direction but instead I was constantly told by my public defender that I was guaranteed to lose if I took a jury trial
