Carrie Morris, Appellant

vs

S.C. Dept. of Probation, Parole, Pardon, & Pardon

Motion To Proceed
with limited copies

The appellant Carrie Morris #227226 respectfully request/motion this Honorable Court to allow appellant to proceed in this cause of action with limited copies for the following reasons:

1) Appellant is unable to provide this Honorable Court the necessary copies required by the Appellate Court Rules due to SCDC's

restrictions, and SCDC policy Ga. 01.03 which state in part, SCDC will photocopy legal material and documents to support a pleading that have not been solely originated, generated, written, typed or created by an inmate.

2) All of the appellant's filings and pleadings are hand written by appellant and cannot be copied per policy Ga. 01.03

3) The legal officer at Perry Correctional have been given a directive by general counsel and the Associate warden here at Perry to adhere to the policies and procedures in place.

4) Appellant do not have the means nor finances to provide the full amount of copies to this Honorable Court

5) Appellant pray that this State (SCDC) created hinderance does not deny me proper access to this Honorable Court.

6) Appellant have submitted this motion to proceed with limited copies and a petition for Rehearing, one of each.

Appellant hope and pray that this motion is accepted and granted out of the interest of justice.

Appellant further request that his pleadings and motion be construed liberally and held to less stringent standard than formal pleadings drafted by lawyers. Appellant is unfamiliar with pleading requirements because of non-consultation with a trained legal officer and trained attorney.

I, Carrie Morris #207226 certify and verify under the penalty of perjury that the foregoing is true and correct.
