Re: Timothy Zinn v. CFI Sales & Marketing
Appellate Case No.: 2012-213193

Dear Ms. Kitchings:

As a follow-up to my letter to Claire Allen dated January 3, 2013, it appears a copy of the trial transcript was delivered on December 31, 2012. I did not learn of that delivery until after the January 3rd letter had been sent. This date of receipt would make the initial appellant's brief and designation of matter of Appellant/Respondent CFI Sales & Marketing ("CFI") due on January 30, 2013.

By this letter, however, CFI respectfully requests that the Court extend the deadline for filing its initial appellant's brief and designation of matter 30 days. Such an extension would establish a new due date of March 1, 2013. Gene Connell, counsel of record for the Respondents/Appellants has consented to this extension request, which is the first one for this brief. I have enclosed a \$25 check to cover the filing fee for this request.

Thank you for your kind consideration, and please do not hesitate to contact me if you need any additional information.
