Re: Motion To Relieve Appointed Counsel
(Susan B. Hackett)

SC Court of Appeals

The court notes exceptions to the rule for pro se motions seeking to relieve counsel and for a party's right to file a pro se brief pursuant to Anders and Johnson, I.D. at 58, 508 S.E. 2d at 565.

I ask for an order relieving appointed counsel, and for this court to comply with the procedure in Anders v. California.

Sincerely
Emory W. Roberts Jr.

I would also request that you may send to me "A copy" of my petition for a writ of mandamus and all attachments/enclosures dated 3-26-19, that was sent to you by the Supreme Court, doesn't have to be stamped or filed, I would just like a copy, thanking you in advance.

Sincerely,
Emory W. Roberts
