Appellate Case No. 2009-144389

ORDER

On September 13, 2012, this court issued an order directing a private court reporter to deliver a transcript within 20 days or to provide a written explanation of why that could not be done. The order also directed Appellants/Respondents to serve the order on the court reporter. On January 14, 2013, the court issued an order giving Appellants/Respondents until Friday, January 18, 2013, to provide verification that the order had been served upon the court reporter in a timely manner. On January 18, 2013, this court received a faxed letter from counsel for Appellants/Respondents. In the letter, counsel admitted that they had not complied with the order. Counsel has not offered a sufficient explanation for the failure to comply with the order. Accordingly, this appeal is dismissed for Appellants/Respondents' failure to comply with the September 13, 2012 order directing service of the order upon the court reporter.
