Re: Alonzo C Jeter III v State (PCR)
Case: 2016-CP-11-0293 (Cherokee County)

Dear Mr. Epps:

I am writing to you today in regards of our last correspondence, as I have been anxiously waiting for your reply. In the meantime, I have written to South Carolina Law Enforcement Division (SLED) seeking to be provided with the results of the (3) Best Bags which were submitted to SLED for Analysis. However, I have not yet been provided with these results. Will you please contact SLED and obtain these results and please send a copy to me? I would like for you to see what I know concerning these.

I am also desperate to know if you are gonna obtain the documents in which I've mentioned to you thus far, I would also like to be provided with my complete case file from Mr. Kennedy as well as Rule 5 discovery. Mr. Epps, again, the burden of proof is on me, and without these things I will be unable to provide the facts needed in setting forth my grounds for PCR.

Case: 2016-CP-11-0293 (Cherokee County)

FILED IN THE OFFICE
CLERK OF COURT
2017 MAR - 1 A 11: 14
CHEROKEE COUNTY, SC

Dear Mr. Epps:

I would like to incorporate and add the following grounds and facts to my PCR Application by way of amendment. I do not wish to vacate nor abandon any of the grounds that have already been asserted, which are also already in my PCR application. Please amend by adding the following:

- 1) Charges were erroneously enhanced - Prior marijuana conviction should not have been used to enhance my charges. It also had been 11 years since my first conviction and therefore should not have been used to enhance.
- 2) Erroneously charged with 44-53-445. proximity - I should not have been charged with proximity to basketball goal located at a church.

- 3) Attorney did not consult with me regarding a defense to the charges
- 4) Failure to investigate - Failed to notice that there were only two controlled buys and not three.
- 5)

Thanks for your time and attention.

Regards,

Alonzo C Jeter III

RE: Alonzo C Jeter III v State (PCR)
2016-CP-11-0293 (Cherokee County)

Dear Mr Epps:

I have received your letter dated April 19, 2017 in which you have notified me that there are two convictions for cocaine possession in 2004. I do remember handling the convictions and the plea agreement was that they would be consolidated and merged as only one charge and conviction. This was the agreement and if you notice on my NCIC Report there is only one conviction from 2004. Also, if you would notice my City & County Background report you will find that there is only one conviction. Note also that the charge is over ten years old and it should not be used as an enhancer. I have read your letter and my main focus is on the trafficking charge. All of the charges allow for parole except for the trafficking charge.

Only trafficking 1st Offense is parolable. I seek to have the trafficking charge dismissed. At that ~~point~~ point, at least, I will be eligible for parole. Even if I were sentenced to trafficking 1st and sentenced to the maximum sentence that it carries which is ten years, I would still be eligible for parole. It's not right, and I know that they know that it's not right, but I would not further pursue any ineffective assistance claim.

The allegation that there are two possession of cocaine charges on my record other than them being consolidated and merged as one charge, I haven't had the opportunity to address that in PCR, so therefore it leaves a reason for a Rule 59(a)(2) motion to be filed for a new PCR hearing so that I have the opportunity to address the issue.

I certainly do look forward to hearing from you soon.

Thanks for your time, attention, and all that you do.

Alonzo C. Jeter III
