SC Court of Appeals

Dear Ms. Kitchings:

On behalf of Appellants in the above-referenced matter, and pursuant to Rule 263(b), SCACR, I hereby respectfully request a 30-day extension of time to file/serve the Initial Brief of Appellants and the Appellants' Designation of Matter to be Included in the Record on Appeal. Our firm's check in the amount of \$50 is enclosed to cover the cost of this request.

The present deadline is Wednesday, April 10, 2019, and I would ask that the Court hold this deadline in abeyance until it acts upon this request. This request is made in light of work-related and other time commitments, and I believe it to be consistent with the interests of justice and not unduly prejudicial to the Respondent. By my calculations, with the requested extension, the Appellants' initial brief and designation of matter will be due on or before Friday, May 10, 2019.

Of course, if you have any questions or concerns or if a formal motion is required for the Court to consider the requested extension, please just let me know. With best wishes and kindest regards, I am

Sincerely,

YOUNG CLEMENT RIVERS, LLP
