Re: Edward Green v. Mark Keel
Appellate Case No. 2019-000088

Dear Counsel:

Upon reviewing your second motion for extension for the appellant's initial brief, the following deficiencies have been noted under the South Carolina Appellate Court Rules (SCACR), and must be corrected in their entirety within ten (10) days of the date of this letter or your request will not be considered:

- The accompanying proof of service is not in compliance with the SCACR. Your proof of service should be substantially in the format shown by Form 7 in Appendix C to part II of the SCACR. Your proof of service states that you served the notice of appeal, rather than the motion for extension.
- Your motion requests an extension for the brief and "record on appeal". This is not the appropriate time to serve the record on appeal. You must file an amended motion to request an extension for the correct document. An additional filing fee will not be necessary.

Very truly yours,

V. Claire Allen, Deputy

CLERK
