Re: City of Greenville, Mayor Knox H. White, and The Cliffs at Glassy, Inc. Of Whom City of Greenville and Mayor Knox White are the Respondents/Appellants v. South Carolina Public Interest Foundation, Edward D. Sloan, Jr., Robert M. Lloyd, individually and as taxpayers of the City of Greenville, SC, and on behalf of others similarly situated, Appellants/Respondents

Appellate Case No.: 212137

Dear Ms. Kitchings:

I am enclosing the City's (Respondents'/Appellants') Initial Brief and Designation of Matter to Be Included in the Record on Appeal and Proof of Service.

I had requested an extension of time for an additional 40 days to file the Respondents'/Appellants' Initial Brief and Designation of Matter to be included in the Record on Appeal because I was out of the country until January 7, 2013. That requested extension would have run until January 14, 2013. The attorney for the other side recently requested additional time due to a calendar error. These extensions, if granted, will put us on the same time track and thereby allow us to work toward a more efficient way to proceed since the parties are appealing the same issue.

I have enclosed another check in the amount of \$25.00 for my earlier petition dated December 13, 2012 for the extension until January 14, 2013, in the event it is needed for the requested extension.

Sincerely,

  
Kathleen G. Kempe  
Assistant City Attorney
