S.C. SUPREME COURT

Dear Sir or Madam:

I am writing seeking to know:

1) If I am attempting to compose and compile documents that are to be included in the Appendix which is to accompany the Petition for Writ of Certiorari appealing an PCR action; who provides me the records from the lower court (e.g. filed PCR Application, Court transcripts, exhibits, etc)? If the clerk of Court is to provide these filings could I be charged for them?

2) Letters which were written by the PCR Applicant to the PCR attorney and filed with the clerk of court under the PCR Applicant's PCR Case Number - are they also considered a part of the lower court record and can therefore be included in the Appendix?

I do understand that the court cannot give legal advice, however, I seek clarification as a pro se litigant as RULE 212, SCACR, does not make this clear. Therefore, I must look to the court for this clarification.

Thank you for your time, attention, and all that you do.
