Appellant, through the undersigned, moves the Court of Appeals for an additional 30 day extension to file Appellant's Designation of Matter to be included in the Record on Appeal and file Appellant's Initial Brief if the Court Determines the matter is not stayed by the Bankruptcy, to commence on the date Appellant receives written notice of same from this Court.

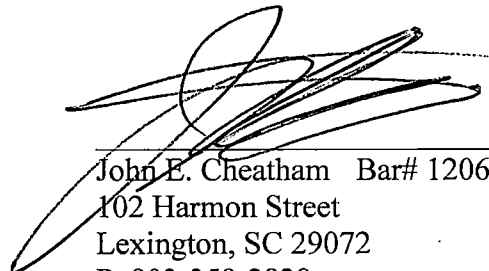

Appellant's Attorney believes this Appeal is stayed by the bankruptcy Filing by Robert G. Bone, who could be held personally responsible for any malfeasance by him established in this Appeal, and that theoretically since Liberty Mutual could be treated as a co-debtor for such liability, it could also be protected by the bankruptcy filed by Robert G. Bone, as could also Albert D. Bone.

Alternatively, if stayed by Bankruptcy, Appellant would request an extension of 30 days from the date Appellant receives written notice of the filing of the Bankruptcy Court concerning this matter before such above stated items are required to be filed with this Court.

Respectfully submitted,
