Re: Margaret Carr v. TW Graham and Company, LLC
Appellate Case No.: 2018-001738

Dear Mrs. Kitchings:

Upon receiving a letter dated April 10, 2019 from your office, I immediately contacted a clerk at your office. The clerk indicated that several pages following the end of the transcript were not paginated in the Record on Appeal. I replied that I had a copy of the Record on Appeal in front of me, and all pages were paginated including the pages following the end of the transcript, which would be page number 29.

Additionally, the letter further stated the required Certificate of Counsel was not accompanied with the Record on Appeal. I informed the clerk that the Certificate of Counsel is on page 59 of the Record.

I have enclosed a copy of the Record on Appeal that I referred to as I spoke to the clerk.

I would appreciate it if you would explain what I need to do for the Record on Appeal to comply with the South Carolina Appellate Court Rules.

With kind regards, I am

Sincerely,

C. Mac Gibson, Jr.
