

DEAR - Clerk of Court

This is the 2nd time of me filing this Paper work
So that the Court can see what grounds that I'm trying
to bring in to court for my case. I do not know if this
will help out but it is what the state court made a
error in on my behalf. so I hope that you may take
this under consideration and look more in to my case.
Thank you for your time and help and may God Bless you.
