Re: Odis D. Simonds, Respondent v. State, Petitioner  
Case No. 2011-CP-46-0995

Dear Mr. Shearouse:

I am writing to inform you the State received the August 13, 2012 PCR hearing transcript in the above-captioned case on December 27, 2012. However, upon my review of the transcript, I found it to be incomplete. The record was reopened on August 14, 2012 and subsequent testimony was taken on the record. I have just received the complete transcript with the remainder of the testimony. I will calendar my time for appeal according to today's date unless instructed otherwise. Thank you very much.

Sincerely,

J. Rutledge Johnson  
Assistant Attorney General
