SC COURT OF APPEALS

My name is Clifford Thompson, I am the Appellant in the case Clifford Thompson v. State of South Carolina, 2010161446. I am writing you this letter to get a status update on my case, the last correspondence I received from your office was a copy of a letter you sent to the S.C.

Attorney General's Office instructing them to file an Appeal Brief to your office and for them to serve me a copy of their appellate brief.

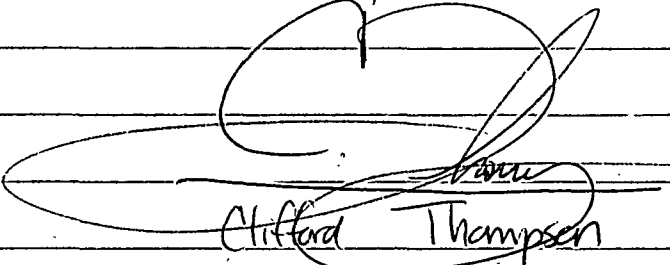

To this very day I have not been served with a copy of Respondent's appellate brief. The Respondent has failed to comply with your instructions and they have failed to comply with S.C. Appellate Rules.

I respectfully ask you and your office to allow my appeal to process and be docketed expeditiously. I have the full intentions to prosecute my case fully

and I have every intentions on complying with the S.C. Appellate Rules. It's nearly two and one half years I've been pursuing my rights on this appeal and I will not allow the Respondent's failure to exercise due diligence regarding thier appellate rights to hamper my right to exercise my due process rights to be heard by the Court of South Carolina.

I do appreciate your professionalism in filing and docketing and processing throughout the litigation of this case. I sincerely thank you for your time and energy on this matter. Have a good day.

Sincerely,

Clifford Thompson
