Re: Appellate Case No. 2018-001535

Dear V. Claire Allen:

I am writing in response to the answer to the Motion to Compel Creel Reporting, Inc. for transcripts. Motion was submitted to the Court of Appeals by me on November 6, 2018 (please see attached). The answer to Motion states "denied" based on the following: "if Appellant has not received the transcript within the allotted time nor received notification of an extension within ten (10) days after the allotted time, appellant shall notify the Office of Court Administration, the clerk of the appellate court, and the court reporter in writing, Rule 207 SCACR" (please see attached). As of this date, January 17, 2019, I am still not in receipt of the transcripts from Creel Reporting, Inc., in which initial request was made by me on September 7, 2018 in writing. Payment for the transcripts in the amount of \$176.00 was sent to Rob Fitzgerald, Creel Reporting, Inc., 1230 Richland St., Columbia, SC (please see attached). This agency's name, contact name, and address was provided to me by SC Workers' Compensation Commission. A follow up letter was written by me on October 9, 2018 to acknowledge proof of service regarding parties involved (please see attached). Again, Motion to Compel for release of transcripts was submitted to the Court of Appeals on November 6, 2018. Based on Rule 607 (d)(e)(g) SCACR, the transcripts have not been released within 60 days upon written request, no notification has been received that extension has been filed, and no notification has been received that notice of extension has been granted as of this date, January 17, 2019. Thank you for your assistance.
