SC Court of Appeals

Re: State of South Carolina v. David Harold Campbell
Appellate Case No. 2017-001229

Dear Ms. Kitchings:

The Initial Brief of Appellant in the above captioned appeal is due for service and filing today. Unfortunately, due to some ongoing issues with a hip injury, I have not yet been able to complete this brief. My schedule is particularly hectic right now as I am trying to clear my calendar before my surgery which has now been scheduled for June 7, 2019. The good news is that I am expected to be able to resume working within a few days of the surgery. For now, I need to request a second thirty (30) extension for this stage of this direct appeal. I have contacted the state concerning this request and they have advised me that Respondent has no objection to my request. Under the circumstances, I am particularly appreciative of the Court's consideration in this matter. As always, I remain,

Yours sincerely,
