Re: Charles Tyson v. SCDPPPS
Appellate Case No. 2019-000532

Dear Mr. Tyson:

Upon reviewing your initial brief of appellant, the following deficiency or deficiencies have been noted under the South Carolina Appellate Court Rules (SCACR), and any deficiency must be corrected within ten (10) days of the date of this letter or this appeal may be dismissed:

- It is not the time to file a record on appeal. The record on appeal is due once all initial briefs have been filed by both parties, pursuant to Rule 210, SCACR. Therefore, your filed record on appeal is being returned with this letter.
- The initial brief is not accompanied by a designation of matter to be included in the record on appeal. See Rule 209, SCACR.
- The certificate of service has not been signed as required by Rule 267(b), SCACR.
- The certificate of service does not state the date the initial brief of appellant was served upon the respondent.

Attached is a copy of the letter sent May 1, 2019 concerning deficiencies with your motion for an extension to file the appellant's initial brief and designation of matter.

Very truly yours,

V. Claire Allen, Deputy

CLERK

cc: Tommy Evans, Jr., Esquire
