Re: Blanding v. Lott, Appellate Case No. 2017-001124

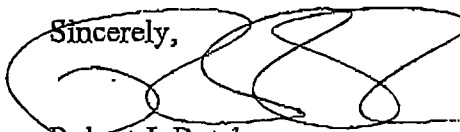

Dear Ms. Kitchings:

I am writing to clarify the April 25, 2019 order requesting deposition excerpts from the Adam Cornwell Deposition. See attached order. After speaking with the case manager in the clerk's office on April 29, 2019, I received a return call with instructions to supplement the Adam Cornwell deposition excerpts, page 19 of the Ricky Johnson deposition, and a copy of the search warrant.

If I have misinterpreted this request, please let me know.

These documents are prepared and ready for filing. Mr. Lindemann and I would feel more confident, however, if there an amended order were issued by the Court specifically identifying the requested documents. If the record is reviewed, either by new counsel or a higher court, it may look like one of the attorneys decided to send additional documents on his own. This would look unprofessional and possibly create unnecessary conflict down the road.

Sincerely,

Robert J. Butcher
