Re: Jennifer McFarland and Carlton Holcombe v. Thomas Morris and David Hammeman
Appellate Case No. 2019-000644
Case No.: 2012-CP-18-02583
YCR File: 15508-20150492

Dear Ms. Kitchings:

I have received your letter dated May 6, 2019 regarding the ordering of transcripts in the above-referenced matter. Please be advised that we received all necessary transcripts before the filing of the Notice of Appeal. As such, by our calculations our Initial Brief is due today, May 13, 2019.

In that regard, and pursuant to Rule 263(b), SCACR, I hereby respectfully request a 30-day extension of time to file/serve the Initial Brief of Appellants and the Appellants' Designation of Matter to be Included in the Record on Appeal in the above-referenced matter. Our firm's check in the amount of \$50 is enclosed to cover the cost of this request.

Additionally, I would ask that the Court hold the present deadline in abeyance until the Court acts upon this request. This request is made in light of work-related and other time commitments, and I believe it to be consistent with the interests of justice and not unduly prejudicial to the Respondents. By my calculations, with the requested extension, the Appellants' initial brief and designation of matter will be due on or before June 12, 2019.

Of course, if you have any questions or concerns or if a formal motion is required for the Court to consider the requested extension, please just let me know. With best wishes and kindest regards, I am

Sincerely,
