**RE/ FEE WAVIER REQUEST FOR PAUPERS FEES \$250.00**

Dear South Carolina State of Appeals Office,

I appeal to your office requesting a pauper's fee waiver in the amount of \$250, 00. Currently, I am a single parent receiving public assistance of food stamps of \$350.00 a month, child support of 350.00 and a scarce business income. It is with grave importance to me and my minor children that our final appeal for housing be granting with filing and appeal with your office. Attached I have provided your office with a copy of my food stamp card cashed received from child support is in cash payments each month, and business income has been minimal has been very slow due to the decrease market trends.

Respectfully

Jacqueline Jones
