1 OFF-THE-RECORD DISCUSSION.

2 DEFENDANT SANDERS ENTERS COURTROOM.

3 THE COURT: Good morning, Mr. Sanders.

4 DEFENDANT SANDERS: Good morning.

5 THE COURT: I'm Carmen Mullen. I'm the judge
6 that's going to be trying your case here today. He's
7 fine. He can keep his seat. Sir, at this time, what
8 we're doing is pretrial motions. The jury is not here
9 yet. They don't come in until 11:00 o'clock, and at
10 that point, they will be brought in, roll call will
11 happen, and I will qualify the jury. But at this point,
12 this is just for pretrial motions in your case. All
13 right?

14 So, with that said, Solicitor, why don't you go
15 ahead and call your case, and let's go ahead and see
16 what motions we can take care of before the jury comes
17 in.

18 SOLICITOR LEGETTE: Thank you, your Honor. May it
19 please the Court. The State's ready to proceed, your
20 Honor, in 2016-GS-25-00177, State versus Gregory
21 Sanders, for possession of a weapon during a violent
22 crime; and also 2016-GS-25-00178, the State against
23 Gregory Sanders for murder. And he has pled not guilty;
24 he is asking for a trial, your Honor.

25 THE COURT: Okay. And we are up for trial. Mr.

1 A. Something to the effect of he didn't -- he didn't
2 know who she was -- or something like -- something to
3 that effect. He was unaware of what we were talking
4 about.

5 Q. So basically, he didn't want to make a statement.

6 A. No, ma'am.

7 Q. All right. Did he ever agree to waive his rights
8 and speak with an attorney and talk with you?

9 A. No, ma'am.

10 Q. Did he appear to be under the influence of any
11 alcohol or drugs?

12 A. No, ma'am.

13 Q. Now, so he didn't waive his rights, but he did say
14 something. What did he say?

15 A. Something to the effect of she was a -- if I don't
16 know her, she was a nobody, or something to that effect.

17 Q. Now, at any point, did you begin questioning him
18 after he told you he did not want to make a statement?

19 A. No, ma'am.

20 Q. The statement that he did make, how was it made?

21 Of his own volition or --

22 MR. PLEXICO: Your Honor, I object to the leading.

23 SOLICITOR LEGETTE: Thanks, your Honor.

24 THE COURT: Sustained.

25 BY SOLICITOR LEGETTE:

5-7-18 STATE V SANDERS OPENING STATEMENT - STATE - LEGETTE

1 SOLICITOR LEGETTE: No, your Honor.

2 THE COURT: Anything from the Defense?

3 MR. PLEXICO: No, your Honor.

4 THE COURT: Ladies and gentlemen, at this time we
5 are going to begin the trial of this case. If you would
6 give your attention to Ms. Legette, please.

7 SOLICITOR LEGETTE: Thank you, your Honor.

8 THE COURT: Thank you.

9 SOLICITOR LEGETTE: May it please the Court?

10 THE COURT: Yes, ma'am.

11 OPENING STATEMENT ON BEHALF OF THE

12 STATE BY SOLICITOR LEGETTE:

13 SOLICITOR LEGETTE: Mr. Plexico, ladies and
14 gentlemen, good afternoon. A deadly promise. A deadly
15 promise. That what's this case will come down to, a
16 deadly promise. May 7, 2016, two years ago this very
17 day, Greg Sanders made Marilyn Garvin a deadly promise,
18 telling her you better buy a black dress, because I'm
19 going to kill your daughter. Buy a black dress; I'm
20 going to kill her.

21 Three days later, Tyhira Harrington, on May 10,
22 2016, was gunned down by Gregory Sanders. That's a
23 deadly promise. And that's why we're here today, ladies
24 and gentlemen. Mr. Sanders, for his actions on May 10,
25 2016, has been charged with murder of Tyhira Harrington,

5-7-18 STATE V SANDERS - OPENING STATEMENT - STATE - LEGETTE

1 here in Hampton County, over in Estill, near the
2 Fairwood Apartments; and also, with possession of a
3 weapon during the commission of a violent crime. That's
4 why we're here.

5 Now, during this trial, you may hear testify or
6 evidence about it being possibly self-defense. It was
7 not self-defense, ladies and gentlemen. It was simply
8 Greg Sanders carrying out the threat, the deadly promise
9 he gave to Marilyn Garvin on May 7, 2016.

10 Ladies and gentlemen, we'll hear from these
11 witnesses. Some of you may not want to be here, but I
12 want you to listen. And I want you to listen, and I
13 want you to remember the deadly promise made by Gregory
14 Sanders. That's what it'll come down to. When all of
15 the evidence is in, I will come back before you, and I
16 will ask you to render a true and just verdict. Verum
17 dictum speaks to truth. I will ask you to find Gregory
18 Sanders guilty of these crimes, where he carried out his
19 deadly promise to Marilyn Garvin to murder her daughter.
20 And I'll ask you to find him guilty of possession of a
21 weapon during the commission of a violent crime. Thank
22 you.

23 THE COURT: Mr. Plexico.

24 MR. PLEXICO: Your Honor, Madam Solicitor.

25 SOLICITOR LEGETTE: Mr. Plexico.

5-7-18 STATE V SANDERS OPENING STATEMENT - DEFENDANT - PLEXICO

1 OPENING STATEMENT ON BEHALF OF THE

2 DEFENDANT BY MR. PLEXICO:

3 MR. PLEXICO: I'm delighted to be here today to
4 defend my client. The State has the burden, as the
5 Judge has stated, and I just want to reiterate. They're
6 going to have the burden of proving self-defense or
7 disproving self-defense beyond a reasonable doubt. That
8 may sound a bit odd, because, usually, in a criminal
9 trial, they have to prove the defendant, through
10 evidence produced from this witness stand, to prove the
11 defendant guilty beyond a reasonable doubt. And in a
12 self-defense case, they also have a legal duty and the
13 burden and responsibility to disprove self-defense
14 beyond a reasonable doubt.

15 And if this is from zero to a hundred, and this
16 little line here is saying no, this is unlike a car case
17 where you get out your checkbook when it's all said and
18 done. If they find that you're liable for a fender
19 bender, you get out your checkbook and you write the
20 price of a new fender or whatever the damages are to the
21 insurance company. No, this is criminal court, so we
22 have a different standard in criminal court. It's not
23 51/49. It's guilt beyond a reasonable doubt, and that's
24 a doubt for which you have a reason. Now, that's a
25 heavy burden, and I think it will be undisputed that my

5-7-18 STATE V SANDERS OPENING STATEMENT - DEFENDANT - PLEXICO

1 client is out that night walking with his girlfriend,
2 and listen for this evidence, and he's totally without
3 fault in bringing on this difficulty; that a car
4 approaches; passes him and his girlfriend; backs up and
5 comes down the street that they're on; and they get out;
6 then they accost with a goal of attacking my client, is
7 apparently what's going on to me.

8 Remember, it is a reasonable person's expectation
9 of what's going to happen when you walking with your
10 friend, the defendant, and your girlfriend at night, and
11 a car zooms up, backs up, whips around, and people get
12 out. I think you know what's coming next. Okay?

13 Now, the State's going to have to disprove self-
14 defense beyond a reasonable doubt. Every defendant
15 comes in this courtroom with a cloak of innocence, a
16 presumption of innocence, and that presumption of
17 innocence by itself is oftentimes enough to set a
18 defendant free. The State has all the burdens here.
19 And most importantly, they have to disprove self-defense
20 beyond a reasonable doubt. You give the reason and say,
21 yeah, just, you know, look at the whole situation, this
22 is reasonable, then, then the State has failed in their
23 burden to proffer a verdict, at that point, guilty
24 verdict.

25 People can't just go out and run amok. We have a

5-7-18 STATE V SANDERS OPENING STATEMENT - DEFENDANT - PLEXICO

1 right, we have a *Second Amendment* right, and you know, I
2 guess that that was put there for a reason. You know.
3 You don't have to let yourself go out and get hurt.
4 Okay? You don't have to stand there and get hurt.
5 That's the most ridiculous thing you can think of. And
6 I hope the State doesn't argue that, but we'll have to
7 see how the information develops. We have no duty to
8 prove anything, and that's the important idea is, who
9 has the burden of proof. And do remember? Yes, indeed,
10 the Solicitor was correct on that point. This is a
11 self-defense case. Thank you.

12 COURT REPORTER: I'm sorry, this is a what?

13 MR. PLEXICO: Self-defense case.

14 THE COURT: Thank you. All right. State will call
15 their first witness.

16 SOLICITOR LEGETTE: Thank you, your Honor. State
17 calls Katherine Bozard.

18 THE COURT: Go ahead and swear her in, if you
19 would.

20 MADAM CLERK: Raise your right hand. Do you swear
21 or affirm to tell the truth, the whole truth, and
22 nothing but the truth, so help you God?

23 KATHERINE BOZARD: I do.

24 MADAM CLERK: You may be seated.

25 THE COURT: Go ahead.

1 SOLICITOR LEGETTE: Thank you, your Honor.

3 Q. And you also assist with emergency medical

8 A. Correct.

9 Q. -- for the 911 calls?

10 A. Correct.

11 Q. What does that mean?

12 A. That means that all records that are recorded,
13 which all records are recorded at E911, only I have
14 access to them to make recordings, not only for the
15 Court but for law enforcement.

16 Q. And is it proper to make a recording whenever
17 someone calls E911?

18 A. In certain circumstances, yes, ma'am.

19 Q. All right. So are recordings made when they call
20 911?

21 A. Yes.

2 Q. I'm sorry. When were they made?

3 A. I don't know the exact date. It was a few days or

5 Q. Well, let me ask -- let me back up. So, on May 10,
6 2016, did any 911 calls come into your dispatch center?

7 A. Yes.

8 Q. Are those calls recorded as they come in?

9 A. They are recorded as they come in.

10 Q. Are they recorded simultaneously, or at the same
11 time as they come in?

12 A. The same time as they come in.

13 Q. Now, at some point during, I guess, your being the
14 coordinator at the E911 for Hampton County, were you
15 asked to make recordings?

16 A. Yes.

17 Q. Okay. Did you make recordings of specifically any
18 calls from May 10, 2016?

19 A. Yes.

20 Q. Okay. Now, are these recordings kept, or the calls
21 kept, in the normal course of business?

22 A. Yes.

23 Q. Okay. At our request, have you previously reviewed

4 Q. Now, did you respond to that location?

5 A. Yes, ma'am.

6 Q. Did you find anything, or what did you find when
7 you arrived at the location?

8 A. Upon my arrival, I observed a large puddle of blood
9 laying in front of the Fairwood Apartments sign, close
10 to the laundromat area.

11 Q. Did you find anything else while you were
12 responding?

13 A. Once -- upon arriving on the scene, I also observed
14 earrings laying in that large puddle of blood, as well
15 as some -- two -- one pair of pink flip-flop laying in
16 front of that Fairwood Apartments sign, lying back
17 there.

18 Q. Did anyone respond with you?

19 A. Yes.

20 Q. Who responded with you?

21 A. Marvalette Griffin.

22 Q. Now, once you arrived and you found --

23 MR. PLEXICO: I didn't hear what he said who he
24 responded with.

25 BY SOLICITOR LEGETTE:

1 A. Marvalette Griffin. Officer Griffin.

2 Q. And does he also work -- where does he work?

3 A. Estill Police Department at that time.

4 Q. Okay. Now, when you responded to this location in
5 the town of Estill -- is this in the town of Estill?

6 A. Yes.

7 Q. So, when you responded to the location, what, aside
8 from finding evidence, what did you do?

9 A. I secured the crime scene, tried to -- tried to
10 find what witnesses who were available at the time,
11 which there were none available or accessible to law
12 enforcement. Upon my arrival, I then contacted command
13 staff, and --

14 Q. And --

15 A. -- and waited for -- for further instructions.

16 Q. And who was the command staff?

17 A. That consisted of Chief Mark Collins, who then
18 notified the investigator Michael Thomas.

19 Q. So upon notifying your supervisor or the chief, you
20 actually secured the scene. Did you find any other
21 evidence?

22 A. Other than the earring and the one -- the one flip-
23 flop, no. A pair of flip-flops, that's all. I did also
24 notify -- not notify -- also noticed there were nine --
25 what appeared to be .40 caliber shell casings close to

1 the scene.

2 Q. And upon noticing the calibers with the shell
3 casings, did you do anything with the shell casings?

4 A. Yes, I did. Marcum photographed them and placed
5 the property into evidence.

6 Q. Now, did you take any other photographs? You
7 indicated you took photographs of the shell casings.
8 Were there any other pictures taken?

9 A. Yes.

10 Q. And what, overall, did you take pictures of?

11 A. Of the scene itself. Upon arriving on scene, we --
12 we blocked off the area with my patrol car, as well as
13 Officer Griffin's patrol car. We photographed the
14 scene, took a variety of pictures of the puddle of
15 blood, the flip-flops, as well as the -- what appeared
16 to be the two shell casings that were there on the
17 scene.

18 Q. Thank you. In a moment I'm going to hand you

2 Q. So what are State's 3 through 16?

3 A. These are pictures of the crime scene that I

5 Q. And are State's Exhibits Number 3 through 16 a fair
6 and accurate reflection of the crime scene as it existed
7 on May 10, 2016?

8 A. Yes, ma'am.

9 Q. Have they been changed or altered in any way?

10 A. No, ma'am.

1 Q. All right. Officer Bennett, can you see the screen

4 A. I can see it.

5 Q. You can see it? Okay.

6 A. Yes, ma'am.

7 Q. All right.

8 THE COURT: His is not on.

9 SOLICITOR LEGETTE: Oh, is it -- oh, it has a

11 THE COURT: It's on.

12 SOLICITOR LEGETTE: All right. Well.

13 THE COURT: And if not, you can step down if you

18 THE COURT: Thank you. I appreciate it.

19 BY SOLICITOR LEGETTE:

20 Q. All right. Now, I'm actually getting ready to hand

23 SOLICITOR LEGETTE: May I approach the witness,
24 your Honor? May I approach?

25 THE COURT: Of course.

1 BY SOLICITOR LEGETTE:

2 Q. I hand you now State's Exhibit Number 3. Can you
3 tell us what we're seeing in State's 3? And if you
4 don't mind holding it up for the jury, because it's so
5 difficult to see on the ELMO. What are we seeing on
6 State's Exhibit Number 3?

7 A. This is the intersection I responded to, close to
8 where the incident occurred at Grawson [sic] Street and
9 Lawton.

10 Q. Okay. Is it Grawson or Grayson?

11 A. Grayson and Lawton Street, the intersection there.

12 Q. Okay. All right. Now, I'll direct your attention
13 to the ELMO, and this is State's Exhibit Number 4. What
14 is State's Exhibit Number 4?

15 A. That's the Fairwood Apartments, close to that same
16 intersection that I arrived to on that night, where I
17 observed the puddle of blood and the actual other
18 evidence that was documented in police department
19 evidence.

20 Q. Okay. And State's Number 5, what are we seeing in
21 State's Number 5?

22 A. Same sign again, Fairwood Apartments, close to that
23 same incident location.

24 Q. Okay.

25 A. On Grayson Street.

5-7-18 STATE V SANDERS

BENNETT - DX - LEGETTE

1 Q. All right, now, State's Number 6.

2 A. That's the laundromat. A little to your right
3 would be the pair of flip-flops that were located. And
4 a little further up towards Grayson Street there is the
5 large puddle of blood, which was observed once I
6 arrived.

7 Q. Okay. And so, now, if you orient us -- so puddle
8 of blood is in what proximity to the laundromat?

9 A. It's right in front of the laundromat. If you go
10 further up, where you see the -- where the apartments
11 are, that's the road, that's Grayson Street, so it's
12 actually in the road.

13 Q. In the road? Okay. All right. Now, State's
14 Exhibit Number 7, I think, is that just a side view of
15 the same --

16 A. Of the laundromat, yes, ma'am.

17 Q. Okay. And now, State's Number 8.

18 A. That's the puddle of blood in front of the
19 laundromat.

20 Q. Okay. And so, back to our, I guess, back in this
21 area right here in the picture, that's the laundromat?

22 A. Yes, ma'am.

23 Q. All right. And is that a parking lot pretty much
24 in front of the laundromat?

25 A. That's correct.

5-7-18 STATE V SANDERS

BENNETT - DX - LEGETTE

1 Q. All right. And State's Number 9.

2 A. That is, from a different angle, the -- actually
3 the puddle of blood on Grayson Street. And the
4 laundromat itself would be further back on that, which
5 is different angle, but it's the same location.

6 Q. And is there a person standing in that picture?

7 A. Yes.

8 Q. Who is that person standing in that photograph?

9 A. Officer Griffin.

10 Q. All right. And is that the vehicle?

11 A. That we blocked off, yes, the road, yes, ma'am.

12 Q. Okay. Now, back in the distance, back in this area
13 right here, what are we seeing?

14 A. That's the apartment complex.

15 Q. So the laundromat, tell us, what is the proximity
16 of the laundromat to the actual apartments?

17 A. It's maybe a couple of feet. It's not even a mile.
18 It's right across the street, Grayson Street. Be
19 actually on the private property of the apartment
20 complex itself.

21 Q. So they're located in the same area, pretty much?

22 A. Yes, ma'am.

23 Q. And now, State's Number 10, which might just be a
24 different shot of the same?

25 A. That's correct.

5-7-18 STATE V SANDERS

BENNETT - DX - LEGETTE

1 Q. Okay. And now, State's Number 12.

2 A. That is the pair of flip-flops that were located on
3 scene once as I arrived. And if you look further -- if
4 you're looking to your left, that's going to be the
5 laundromat itself. So it's actually up on the steps
6 there, right -- to your right's going to be an extra
7 parking space.

8 Q. Okay. Now, State's Number 13.

9 A. Yes. That's the shell casing. What appeared to be
10 a .40 caliber shell casing that I observed on scene once
11 I arrived, which was -- would have been on Grayson
12 Street.

13 Q. Now, you indicate that it appeared to be a .40
14 caliber shell casing. Were you familiar with the actual
15 -- had you examined it to see what kind of shell casing
16 it was?

17 A. No, ma'am.

18 Q. And now, State's Number 14.

19 A. That was the other shell casing that was located on
20 the scene, in close proximity to the puddle of blood on
21 Grayson Street.

22 Q. Now, you indicated that you actually collected the
23 flip-flops, as well as the shell casings in this matter?

24 A. Um-hmm.

25 THE COURT: That's a yes, for the record?

1 BY SOLICITOR LEGETTE:

2 A. Yes. Yes. Yes, ma'am.

6 SOLICITOR LEGETTE: May I approach, your Honor?

7 THE COURT: You may.

8 BY SOLICITOR LEGETTE:

9 A. Yes, ma'am.

10 Q. And what is State's 23?

11 A. That is the evidence bag that I used to gather this
12 evidence on the scene, where I'd signed and initialed,
13 and where it also states the chain of custody form on
14 the bag itself.

15 Q. And State's 23, are those the shell casings that
16 you collected?

17 A. Yes. Yes, ma'am.

18 Q. And what did you do with those shell casings once
19 you collected them?

20 A. I collected them; I placed them into the evidence
21 locker there at the Estill Police Department.

22 Q. And to your knowledge, is State's 23 in fairly
23 substantially the same condition today as it was when
24 you collected them on May 10, 2016?

25 A. Yes, ma'am.

5-7-18 STATE V SANDERS

5 would offer State's 23 for admission into evidence?

6 THE COURT: Without objection? State's 23?

7 MR. PLEXICO: I don't believe that chain of custody
8 is proper yet, your Honor, so I would object to it.

9 SOLICITOR LEGETTE: Your Honor, he collected these
10 particular items, and so.

11 THE COURT: This is State's 23, right?

23 Q. And were they then turned over to the evidence

25 A. Yes, ma'am.

5-7-18 STATE V SANDERSBENNETT - DX - LEGETTE

1 Q. Now, you indicated that you responded to the crime

5 A. Once the arrival of the chief of the department,
6 Chief Mark Collins, I was advised to convene with

8 and the Hampton Regional Medical Center.

9 Q. And did you meet with any witnesses at the Hampton

24 Q. What did you take pictures of?

25 A. Took photographs of the inside of his vehicle,

12 A. That is the puddle of the blood stains that were --
13 that came from the victim as he was transporting her
14 from the incident location to the Hampton Regional
15 Medical Center in Varnville.

16 Q. And this is the picture of Johnny McKnight's car?

17 A. That's correct.

18 Q. And now I direct your attention to State's Number

20 A. That is the cab of Mr. McKnight's car on the night

14 THE COURT: Ladies and gentlemen of the jury, we

17 up this afternoon.

18 Mr. Foreperson, is starting at 9:30 a.m. okay with

20 We can start at 10:00 if you want to, but I really would

22 all are here at 9:30, we will start at 9:30.

23 I will tell you that, based on my schedule, as I
24 told you, my daughter has a playoff game, and she is the
25 star pitcher, so it's a big deal. So I have to leave

4 that, ladies and gentlemen. If anyone needs a ride, let
5 me know. Okay?

6 Is everyone all right? We are on schedule, and
7 we're doing fine as far as for finishing on Wednesday,
8 so I feel pretty good. I just want to make sure you all
9 are okay? Good? See you tomorrow morning at 9:30.

10 JURORS LEAVE COURTROOM 5:16 P.M.

11 THE COURT: All right. Before we break, so I need
12 Mr. Sanders here by about 9:20 tomorrow. Okay? I want
13 to start on the dot, at 9:30. No one be late. Okay?

14 I know we need to put something on the record, Mr.
15 Plexico, for you, in reference to the text message. So
16 let's go ahead and do that and anything else we need to
17 take up today if we can, because I intend on -- if this
18 jury is all here at 9:30, we will start at 9:30. Okay?

19 MR. PLEXICO: Yes, your Honor. The text message
20 that was admitted, I objected on the grounds that it
21 wasn't from Johnny McKnight. It was from somebody named
22 Blaze, Johnny Blaze. That she could not quote what he
23 said and bring that into the record and offered for the
24 truthfulness of the matter asserted, Judge, and that is,
25 my client and his girlfriend are around her apartment.

5-7-18 STATE V SANDERSBY THE COURT

1 I believe that just -- that just stokes the fire of fear
2 that my client is up to no good somewhere, and there's
3 -- there's no basis for me to be able to cross-examine
4 the truthfulness of that, Judge. And it is a violation
5 of 802. If she could not read a letter from him in
6 prior texting days, or she could not quote what he said,
7 I don't think she should be able to reprint it and read
8 it out of a text. I think that's a hearsay violation.
9 Thank you, Judge. Because she didn't create it.

10 THE COURT: Mr. Hollen?

11 MR. HOLLEN: Thank you, your Honor. I think what
12 the issue was, is, I think texts are clearly not
13 confrontational, so that's not a confrontation clause
14 violation. As far as hearsay, the rule says that if
15 they fall into their firmly-rooted hearsay exception, or
16 there is an adequate admission of the liability. She
17 knew Mr. McKnight; she had his phone number in her
18 phone; he sent the text; she still has that phone; and
19 she's able to look at it. And it is basically part of
20 the hearsay law, the main problem with hearsay that we
21 have is that it's not reliable. This is written down,
22 it can't be misconstrued, and can only be read the way
23 it is, which is exactly what she did. And that is the
24 State's position, your Honor.

25 THE COURT: Thank you.

5-7-18 STATE V SANDERS

BY THE COURT

1 MR. PLEXICO: But we don't know who sent it. We
2 just don't know who was using that phone at that time,
3 nor do we know if it was a joke, but it's being offered
4 for the truth of it, though. And he's right, I can't
5 control it, Judge. He's denied that right.

6 MR. HOLLEN: Your Honor, if I may, just very
7 briefly. That's always the issue with text messages.
8 You can't say that a particular person had a phone any
9 particular time, but it doesn't go to the
10 authentication. It's a jury argument, as far as whether
11 or not Mr. McKnight sent that text.

12 THE COURT: Okay. All right. We're going to go
13 ahead and take a break, then, for the evening. I expect
14 the attorneys to be here no later than 9:15 tomorrow

21 CROSS-EXAMINATION BY MR. PLEXICO:

22 Q. Okay. Do you remember talking to Officer Alexander

24 A. Yes.

25 Q. You gave a video statement.

5-8-18 STATE V SANDERS

RANDY WHITE - CX - PLEXICO

1 A. Yes.

2 Q. Okay. Do you remember using the term *full effect*
3 in reference to Tyhira Harrington? Did you say she went
4 into full effect? Do you remember telling --

5 A. That happened two years ago. It's kind of hard for
6 me to remember, but yes, I remember me saying that.

7 Q. And that was describing Tyhira Harrington, correct?

8 A. Yes.

9 Q. All right. Now, were you all -- so how long were
10 you all over at your place with Tyhira Harrington,
11 Marquis Alston, and Yhantyse Priestly?

12 A. I could say about twenty minutes.

13 Q. Okay. Were you all consuming alcohol?

14 A. No.

15 Q. Had Tyhira Harrington been drinking?

16 A. I can't remember. I can't remember.

17 Q. Okay. Were you all going to get something to
18 smoke?

19 A. No.

20 Q. Now, when she got the phone call and left, you said
21 she stomped the car.

22 A. Yes.

23 Q. Okay. All right. What did she say she was going
24 to go do?

25 A. She didn't say. She was just full of rage, and she

5-8-18 STATE V SANDERS

RANDY WHITE - CX - PLEXICO

1 stomped the car a little bit.

2 Q. All right. So she was full of rage? Is that part
3 of what you mean by full effect?

4 A. Yes.

5 Q. Okay. All right. Now, when you all are driving
6 down the street, don't you all actually pass my client
7 and his girlfriend, and then back up and turn into the
8 street they're on?

9 A. I can't remember.

10 Q. She was driving fast and had to stop. And didn't
11 she drive past them and then back up, and turn into the
12 street they were on?

13 A. That sound correct. I can't remember, but that
14 sound correct.

15 Q. You believe that's correct?

16 A. Yes, I believe that's correct, but I can't remember
17 full.

18 Q. So my client was completely without fault in

20 SOLICITOR LEGETTE: Objection, your Honor.

21 THE COURT: Okay. He can ask the question.

22 BY MR. PLEXICO:

24 Q. So my client was completely without fault in

2 A. I can't understand what you mean with that

4 Q. Did he flag her down or do anything to start that

6 A. No, sir.

7 Q. So he was completely without fault in causing that
8 confrontation, correct?

9 A. Correct.

10 Q. Okay. All right. Now, you've had an opportunity
11 to review the statement, correct?

12 A. Yes.

13 Q. All right. And Tyhira actually told you herself
14 that she was in a gang called Folk Nation, correct?

15 A. She didn't tell me herself. I heard that from
16 somebody.

17 Q. Did you ever tell the Solicitor's Office that you
18 knew Tyhira was in a gang because she had previously
19 told him so? Would you like to review the statement?

20 A. No. I -- no. I know she was in a gang, but I
21 heard that from somebody, just like I said.

22 Q. All right.

23 MR. PLEXICO: May I approach the witness?

24 THE COURT: You may, to refresh his recollection,
25 if he needs to.

1 MR. PLEXICO: Right.

2 BY MR. PLEXICO:

3 Q. Could you read the top part of that. Not out loud.

4 THE COURT: Okay. Not to publish it; just to

6 BY MR. PLEXICO:

7 Q. Did you have an opportunity to read the first --
8 the top paragraph?

9 A. Yes, sir.

10 Q. Does it: *he knew Tyhira was in a gang because she*
11 *had previously told him so?*

12 A. Yes, sir, it says that.

13 Q. -- Okay. Then, you were being truthful, you think,
14 when you talked to the prosecutor, for the most part?

15 A. Yes.

16 Q. Okay. All right. So you all pull the car -- stop
17 the car, back up, pull up. And you all pull up in the
18 road, correct?

19 A. Correct.

20 Q. And you stop in front of my client and his
21 girlfriend, correct?

22 A. Correct.

23 Q. My client and his girlfriend back up at this point.
24 You all get out of the car, all four of you, right?

12 A. Correct.

13 Q. All right. His girlfriend's behind him. Is that

20 Q. Okay. All right. Tyhira's coming forward,

3 RE-CROSS-EXAMINATION BY MR. PLEXICO:

4 Q. Okay. All right. Now, so Gregory and Tyhira were
5 arguing. Is that what you said?

6 A. Yes.

7 Q. Okay. So the girlfriend never said anything? Is
8 that correct?

9 A. The girlfriend -- Tyhira approached the girlfriend
10 first. Just like you said, the girl didn't want to
11 fight. Then, Tyhira approached Gregory, and then, them
12 two was arguing. Nobody else was arguing.

13 Q. So Tyhira just wanted to do violence to anybody,
14 correct?

15 A. Correct.

16 Q. All right. And then, you're moving right up with
17 her?

18 A. Correct.

19 Q. And your two buds, Marquis Alston and Yhantyse
20 Priester are right there, correct?

21 A. Not really.

22 Q. Well, the car is parked in the middle of the road.

23 A. Marquis -- Marquis was around us, and Daisy
24 Priester, I don't know how to pronounce her first name,
25 but Daisy was standing near the car. She was a few

3 Q. Okay. A few steps away?

4 A. Yes.

5 Q. Okay. So it would have been two seconds for her to
6 be involved in a jumping over there?

7 A. Yes.

8 Q. On those people, correct?

9 A. Yes.

10 Q. All right. So she was close by. Okay. All right.
11 And nobody was saying there wasn't going to be any
12 violence, correct?

13 A. Correct.

14 Q. All right. And you appeared to all be there
15 together, and you had stopped the vehicle in front of my

17 A. Correct.

18 Q. Wasn't that a threatening act to do that?

12 Q. Okay. Well, if it's not normal behavior, it would
13 abnormal behavior, correct?

14 A. Correct.

15 Q. Would it fall in the category of threatening
16 behavior?

17 A. No.

18 Q. So the words of violence and the way the car came
19 up and stopped in the middle of the road, those aren't
20 combined to be -- to increase the threat?

21 A. No.

22 Q. It lets those people know, that would be Gregory

8 SOLICITOR LEGETTE: I would ask that the other

11 THE COURT: I don't necessarily think that is a

17 A. Me, Tyhira, and Yhantyes, we was at a club. And
18 her mother had called her and said that --

19 Q. Don't tell us what she said, but tell what happened

21 A. We came to the house and came back.

22 Q. Okay. So Mom called Tyhira?

17 Q. Okay. Do you remember telling the Solicitor's

21 A. It was calm at first.

22 Q. Okay. You said at first. Did it ever change?

23 A. Yes, ma'am. They -- the -- somehow they got off

5 A. Marilyn's boyfriend.

6 Q. Okay. Would that be Samson?

7 A. Yes, ma'am.

8 Q. Okay. All right. And so, at some point -- did

10 to get Kywana from out the house. Time passes by, and,

2 A. Okay. Okay, so we got out of the car, the

4 you want your stripe, so you going to get your stripes.
5 So he was like, she doesn't want to fight, let it go.
6 She didn't -- basically she didn't say that. He was
7 saying that she didn't say it. But what -- what we got
8 was that she want her stripes off Tyhira, so. So
9 Tyhira's walking around the car. She's -- the girl is
10 walking off the sidewalk. That's how we ended up in the
11 road. That's how everybody ended up in the road.

12 Q. Okay.

13 A. Because she was actually trying to get around, get

4 A. It is.

5 Q. What did you mean?

6 A. I mean that Marquis walked over there to the

8 Q. Okay. And not Randy?

9 A. And not Randy.

10 Q. Okay. Because you also -- did you also meet with

13 Q. And did he indicate what you wrote in that

10 CHIEF MARK COLLINS

11 DIRECT EXAMINATION BY MR. HOLLEN:

12 Q. Chief Collins, how are you?

13 A. All right, sir. How are you?

14 Q. Doing well, thank you. We're referring to you as
15 Chief. Who do you work for?

16 A. I am Chief of Police of Estill Police Department.
17 That's in South Carolina.

18 Q. And how long have you been with the Estill Police
19 Department?

20 A. I have been there since October 2013.

21 Q. How long have you been the chief of the Estill
22 Police Department?

23 A. Since January 2016.

24 Q. All right. What about previous law enforcement
25 experience?

5-8-18 STATE V SANDERS

CHIEF MARK COLLINS - DX - HOLLEN

1 A. I started my law enforcement career in 1996 in
2 Suffolk, and stayed there until 2013, until I left to
3 come to Estill as the Deputy Chief there.

4 Q. So you were the chief of the Estill Police
5 Department in May of 2016?

6 A. Yes.

7 Q. Do you remember an incident that occurred on May
8 10th of 2016?

9 A. Yes.

10 Q. What kind of call did you get on that day?

11 A. Early morning hour, Officer Bennett called me in
12 reference to a shooting in the town limits. Upon
13 arrival, he and Officer Griffin saw what appeared to be
14 a pool of blood in the middle of the street, with no
15 victim; as also, no bystanders standing around to get
16 any information. I told him to lock the scene down as
17 best he could; I was getting dressed; I was coming to
18 work; and to keep me filled in on anything else
19 happening.

20 As I did that, I called Lieutenant Thomas; told him
21 to be able to stand by. There was no victim, and I
22 wanted to make sure that we had realtime information
23 before I started sending people around. I can't really
24 say exactly where I was at, but between leaving the
25 residence and halfway getting to Estill, Officer Bennett

5-8-18 STATE V SANDERS

CHIEF MARK COLLINS - DX - HOLLEN

1 called me and told me that he had advised Dispatch to
2 call all the surrounding hospitals if anybody came in
3 with any kind of shotgun wounds. By the time that I
4 arrived, he told me that Hampton Regional had called,
5 said they had a female that had a shotgun wound.

6 Upon me arriving, they had already photographed the
7 scene, collected what little forensic evidence was
8 around. I held his post, and I sent him to the
9 hospital.

10 Q. And who is that?

11 A. Officer Bennett.

12 Q. Okay.

13 A. I sent him to the hospital in reference to
14 witnesses and/or people that helped. I didn't want them
15 to get away, so they can get the information. By that
16 time, I called Lieutenant Thomas, sent him to the
17 hospital as well, and they got all the information, as
18 we -- me and Officer Griffin stayed and maintained the
19 area and maintained the scene.

20 Q. Okay. You said a couple of times shotgun wounds.
21 Was there any indication it was a shotgun?

22 A. Officer Bennett had found, I believe, one spent
23 shotgun casing.

24 Q. A shotgun casing?

25 A. I mean, excuse me. I mean, a bullet casing.

5-8-18 STATE V SANDERS

CHIEF MARK COLLINS - DX - HOLLEN

1 Q. Okay.

2 A. A bullet casing, excuse me.

3 Q. I wanted to make sure.

4 A. Yeah. Excuse me.

5 Q. All right. So you basically dispatched Officer
6 Thomas to investigate this.

7 A. Yes.

8 Q. Sent Officer Bennett to the hospital.

9 A. Yes.

10 Q. And remained at the scene.

11 A. Yes.

12 Q. At some point, did you clear up the scene?

13 A. After they called me and told me that they had got
14 all the information that they had, and according to what
15 they told me, and me walking the grid of what we thought
16 the crime scene was, it was determined that there was
17 nothing else to process and get. So we released the
18 scene, and I went back to the office and waited for them
19 to come in and give me all the real-time information
20 that they had.

21 Q. Great. At some point, did you get some more --
22 personally get some more information about this case?

23 A. That morning, and again, I can't give you an exact
24 time, somewhere 8:00-ish 30-ish, almost 9:00-ish, maybe
25 somewhere in there, I was filling up my car with gas at

5-8-18 STATE V SANDERS

CHIEF MARK COLLINS - DX - HOLLEN

1 the Shell gas station right across the street from the
2 Police Department. A young lady came up. I don't know
3 her name, but I know her by sight. She's always riding
4 a moped through town. She approached me and said, hey,
5 the guy that shot that girl last night is over there at
6 the tree.

7 MR. PLEXICO: That's hearsay, your Honor. I would
8 move to strike.

9 MR. HOLLEN: Okay. Let's back up.

10 THE COURT: Okay. You learned.

11 MR. HOLLEN: Right.

12 BY MR. HOLLEN:

13 Q. So you got some information.

14 A. Yes.

15 Q. You learned that a -- at this time, the next
16 morning, did you have a suspect?

17 A. Yes.

18 Q. Who was that suspect?

19 A. Gregory Sanders.

20 Q. Now, did you get some information about the
21 whereabouts of Mr. Sanders?

22 A. Yes.

23 Q. What did you do next?

24 A. After getting that information, myself, then-
25 Sergeant Williams and Sergeant Thomas, because I hadn't

5-8-18 STATE V SANDERS

CHIEF MARK COLLINS - DX - HOLLEN

1 promoted him yet, we went towards that area, which was
2 the Keene, Third, and Second Avenue area. Williams was
3 in the lead. I came behind him. He went down and came
4 through the back way. We came around the Third Street
5 way. As we passed the area, which is a open lot with a
6 tree where people gather, and they cook and do all --
7 just -- just hang out, I guess a gathering spot, we
8 didn't see them. As we turned the corner on -- from
9 Keene onto Second, Williams saw Mr. Sanders standing on
10 the side of the house. I'm not sure if it was vacant at
11 the time or lived in, but he was on the side of the
12 house beside a green Herbie Curbie trash can, with his
13 leg in one leg of pants, and I'm not sure if he was
14 taking the pants off or putting them on.

15 Q. So, when you arrived, what are your observations?
16 You said Officer Williams gets there first?

17 A. Yes.

18 Q. And so, when you get there, what do you see?

19 A. Officer Williams was out the apex of his door. He
20 had Mr. Sanders at gunpoint, giving him directions to
21 get on the ground. As I got out of my car, I had my
22 weapon pulled, instructing him to do the same. He went
23 to the ground, he was handcuffed.

24 Q. Got it. So, at that point, is it safe to say that
25 Mr. Sanders was under arrest?

5-8-18 STATE V SANDERS

CHIEF MARK COLLINS - DX - HOLLEN

1 A. Correct.

2 Q. Did you all attempt to elicit any statements from
3 him? Did you *Mirandize* him?

4 A. He was *Mirandized* by Officer Williams.

5 Q. Okay. Now, was anything found in the area where
6 Mr. Sanders was located?

7 A. It was a bundle of clothing. And then, wrapped up
8 in the bundle of clothing was a firearm.

9 Q. What did you do then?

10 A. Upon finding that, Thomas came over with the
11 camera. We photographed everything where it was at,
12 where it came from, and all that was turned over to him.

13 Q. All right. In just a second I'm going to hand you
14 items that have been marked for identification as
15 State's Exhibit 32, 33, 34, 36, 37, 38 and 39. For the
16 record, that's 32 through 39, with the exception of 35.
17 I'm asking you to take a look at these and tell me if
18 you recognize them. Okay?

19 A. Yes, sir.

20 MR. HOLLEN: Your Honor, may I approach the
21 witness?

22 THE COURT: You may.

23 MR. HOLLEN: Thank you.

24 BY MR. HOLLEN:

25 Q. So, if you'd just flip through those for me. Do

5-8-18 STATE V SANDERS

CHIEF MARK COLLINS - DX - HOLLEN

2 A. Yes, sir.

3 Q. And what are they?

4 A. These are the items that were found that were in
5 the little area of Mr. Sanders was apprehended.

6 Q. Are those photos a fair and accurate depiction of
7 the evidence that you found on that day?

8 A. Yes, sir, it is.

9 Q. Have they been changed or altered in any way?

10 A. No, sir.

11 MR. HOLLEN: Your Honor, at this time -- and I'll
12 show these to Defense Counsel -- I would ask to admit
13 32, 33, 34, 36, 37, 38, and 39.

14 THE COURT: Without objection?

15 MR. PLEXICO: I have no objection.

16 THE COURT: Without objection, they're in evidence.

17 MR. HOLLEN: Thank you. May I publish to the jury?

18 THE COURT: You may.

21 33, 34, 36, 37, 38, AND 39

22 ADMITTED AS EVIDENCE.

23 BY MR. HOLLEN:

24 Q. Now, Chief, I don't know what the easiest way is
25 for you to do this. You can either grab the item in

5-8-18 STATE V SANDERS

CHIEF MARK COLLINS - DX - HOLLEN

1 front of you, or look at -- you've got a screen. But
2 I'm going to ask you, if you would, to describe those
3 pictures. Okay? First off, let's start, for the
4 record, with State's 32.

5 A. 32 we have a firearm, a towel, a pair of
6 binoculars, a blue and white polo shirt, and I don't
7 know, if that's the side of the pair of pants or not.

8 Q. That's okay. We'll move on. I think we have a
9 better shot of it. What about 33?

10 A. It's a pair of jeans.

11 Q. All right. What about 34?

12 A. Jeans and the binoculars.

13 Q. And we skipped 35, so 36?

14 A. We have a pair of jeans and blue pair of pants and
15 the binoculars.

16 Q. And 37?

17 A. Is the firearm and side view of the pair of jeans.

18 Q. 38?

19 A. We have the firearm with action open clip with
20 bullets in it, and one bullet that was left out. I
21 believe it came from the chamber.

22 Q. Okay. So you -- that was not the state the gun was
23 in when you found it?

24 A. No.

25 Q. So you emptied the chamber?

5-8-18 STATE V SANDERS

CHIEF MARK COLLINS - DX - HOLLEN

1 A. Yes.

2 Q. Okay. Thank you. 39?

3 A. Polo shirt, belt with a white pair of jeans, and
4 the wheel of the Herbie Curbie trash can.

5 Q. Okay. So that was -- that's the lower right-hand
6 corner of that picture?

7 A. Um-hmm.

8 COURT REPORTER: Is that yes, no?

9 A. Yes, ma'am.

10 Q. Chief, you said earlier, I think, that Mr. Sanders
11 had one leg in some pants. Was it --

12 A. Yes.

13 Q. -- was it one of the pairs that we're seeing there,
14 or is it --

15 A. I can't remember exactly, but I remember when I
16 came out of the car, he was holding the pants, and he
17 was trying to either -- it looked like he was either
18 trying to take it off, or he was trying to put the pants
19 on.

20 Q. Okay. So you're not sure exactly?

21 A. I'm not sure which one.

22 Q. Okay. So, after those items are photographed, what
23 happens to them?

24 A. They were taken up by Thomas, they were bagged, and
25 they were taken back to the office to be inventoried on

1 the chain of custody.

2 Q. And at some point, were those submitted to be
3 tested?

4 A. Yes.

5 Q. Okay. Chief, I'm just going to hand you a few
6 items that have been marked for I.D. as State's 40, 41,
7 42, and 44. I'm going to ask, if you would, to take a
8 look at these and tell me if you recognize them. If I
9 can get them to you.

10 A. Black trousers.

11 Q. Well, just -- I tell you what. Take a look at each
12 one and tell me if you recognize it, and then we'll get
13 into what they are. Okay?

14 Chief, do you recognize each of those items?

15 A. Yes, sir.

16 Q. And what are those items?

17 A. We have here the gun that was boxed up. It has not
18 been altered by us. It was sent to SLED.

19 Q. What number is the gun, for the record? Sorry.

20 A. 44.

21 Q. Okay.

22 A. This is the black trousers. This is Number 40.

23 Q. Okay.

24 A. This is the black denim jeans. It's 41. And this
25 is the blue polo shirt with the light blue stripes.

6 Q. Did you change or alter those items in any way when
7 you had them?

8 A. No, sir.

9 Q. Do they appear to be in substantially the same
10 condition they were when they were collected in your

12 A. Yes, sir.

13 MR. HOLLEN: Your Honor, I would ask to admit

2 A. Yes, I was.

3 Q. Did you become involved in a case in the town of
4 Estill with regard to a murder?

5 A. Yes, I did.

6 Q. Can you tell us about your involvement,

7 A. Well, I was advised of the incident. At
8 approximately 9:00 o'clock that morning, we were advised
9 that the suspect in that incident was located at a area
10 of Keene Avenue and Third Street.

11 Q. And what town is this in?

12 A. The town of Estill.

13 Q. And what county?

14 A. Hampton County.

15 Q. So, upon being advised of this information about a

17 was this suspect supposed to have done?

18 A. He was a suspect in a murder incident that occurred
19 earlier that morning.

20 Q. So, upon being advised about his whereabouts, what
21 did you do?

22 A. I was at the office, and I proceeded to that area.
23 I proceeded to -- down on Second Street, near Keene
24 Avenue.

25 Q. So you went to the area where he was supposed to

5-8-18 STATE V SANDERS

CAPTAIN A. WILLIAMS - DX - LEGETTE

1 be?

2 A. Yes, ma'am.

3 Q. What did you find, if anything, in that area?

4 A. As I was -- he was actually loc -- he was -- we
5 were told he was on Keene Avenue and Third Street. I
6 was coming up the back side to that area. However, as I
7 passed the residence on Second Street at Keene Avenue, I
8 observed a black male behind a trash can at the back of
9 a residence.

10 Q. Now, had you already been apprised or given the
11 name of the suspect?

12 A. Yes, I had.

13 Q. What was that name?

14 A. Gregory Sanders.

15 Q. Okay. And so, were you familiar with Gregory
16 Sanders?

17 A. At that -- at that point in time, no, ma'am.

18 Q. Okay. So you're on, I believe you said, Second
19 Street?

20 A. Second Street, yes, ma'am.

21 Q. And you saw a black male?

22 A. Yes, ma'am.

23 Q. What did you do, if anything?

24 A. Well, I passed the house. I made a u-turn in the
25 roadway, and then I positioned my vehicle to exit in a

5-8-18 STATE V SANDERSCAPTAIN A. WILLIAMS - DX - LEGETTE

1 manner of a felony. I exited in a manner with my
2 firearm drawn, because of the possibility of him being
3 the suspect and being involved in the murder incident.
4 Upon exiting my vehicle, I observed a black male. With
5 my gun drawn, I asked him to let him -- let me see his
6 hands, and which he did comply. But then, I asked what
7 was his name, and he stated his name was Gregory
8 Sanders, and I advised him to get on the ground at that
9 point in time.

10 Q. And did he comply with your command?

11 A. Yes, he did.

12 Q. Okay. So once you got him on the ground, what
13 happened next?

14 A. Chief Collins and Sergeant Thomas arrived in the
15 area to the -- well, to the scene, where I was, and Mr.
16 Sanders was taken into custody.

17 Q. Now, while he was taken into custody, was anything
18 located near him?

19 A. He was on the ground. There was nothing on him, on
20 his person. However, there was some items located in
21 that general area where I first observed him near the
22 trash can, behind -- well, behind the trash can.

23 Q. Now, in a moment, I'm going to hand you some
24 exhibits.

25 SOLICITOR LEGETTE: Begging the Court's indulgence.

6 SOLICITOR LEGETTE: May I approach, your Honor?

7 THE COURT: You may.

8 BY SOLICITOR LEGETTE:

9 A. Yes, ma'am, I do.

10 Q. And Captain Williams, what are State's 26 through

12 A. That is the area -- that is the residence at which
13 I located Mr. Sanders on the morning of May 10th.

14 Q. Do you recall the address loca -- or the physical
15 address of that location?

16 A. [REDACTED].

17 Q. Now, are State's Exhibits 26 through 30 a fair and
18 accurate reflection of the area where you located Mr.
19 Sanders on the morning of May 10, 2016?

20 A. Yes, ma'am.

21 SOLICITOR LEGETTE: Your Honor, at this time I
22 would offer State's Exhibits 26 through 30 [sic] for

6 SOLICITOR LEGETTE: Thank you, your Honor.
7 Permission to publish?

8 THE COURT: You may.

9 BY SOLICITOR LEGETTE:

10 Q. I'm going to direct your attention -- you can look
11 at your pictures. We have it on the screen here, but
12 you can also look at the photographs before you.

13 A. Okay.

14 Q. So we're now looking at, I believe, this is State's
15 26. Is that correct? State's 26?

16 A. Yes, ma'am.

17 Q. Okay. So State's 26, please tell us what we're
18 seeing in State's 26.

19 A. That is the approximate location of my vehicle when
20 I turned around in the roadway and exited with my gun
21 drawn.

22 Q. Okay. And now going to State's 27. In State's 27,
23 what are we seeing?

24 A. That is the area in which Mr. Sanders -- the
25 officer behind the trash can, that's the area in which

5-8-18 STATE V SANDERS

CAPTAIN A. WILLIAMS - DX - LEGETTE

1 Mr. Sanders was located.

2 Q. So, in this photograph, there's a person standing
3 behind that trash can?

4 A. Yes, it is.

5 Q. Is that approximately where you saw Mr. Sanders?

6 A. Yes, it is.

7 Q. Okay. And now, on State's 28. What are we seeing
8 in State's 28, Captain?

9 A. That's the same -- that's the same picture of the
10 approximate area in which Mr. Sanders was standing when
11 I passed him on that roadway.

12 Q. Okay. All right. Now, State's 29. Is that a
13 closer view of where Mr. Sanders was standing?

14 A. Yes.

15 Q. Now, State's 30.

16 A. Also the same approximate area which he was
17 standing.

18 Q. Do you have another picture there?

19 A. 31, yes, ma'am.

20 Q. 31.

21 SOLICITOR LEGETTE: If I haven't already, your
22 Honor, I would offer State's Exhibit 31 for admission
23 into evidence.

24 THE COURT: I think you did.

25 SOLICITOR LEGETTE: We did? Okay.

5-8-18 STATE V SANDERSCAPTAIN A. WILLIAMS - DX - LEGETTE

1 BY SOLICITOR LEGETTE:

2 Q. All right. Now, State's 31. I apologize. State's
3 31, Captain?

4 A. Yes, ma'am. That's -- that's the location --
5 that's where Mr. Sanders was located.

6 Q. All right. Is that approximately where you told
7 him to get on the ground?

8 A. Well, at first, I advised him to let me see his
9 hands, because he was behind the trash can, and which he
10 did. And then, he stepped out and got on the ground in
11 that area.

12 Q. Okay. Thank you. Now, Captain Williams, after Mr.
13 Sanders was taken into custody, did you do anything?
14 Did you talk to him in any way?

15 A. I advised him of his *Miranda* rights.

16 Q. How did you advise him of his *Miranda* warnings?

17 A. I advised him verbally.

18 Q. Okay. Can you briefly describe how you advised
19 him.

20 A. Yes. I told him he had the right to remain silent;
21 anything he said can and would be used against him in a
22 court of law; he had the right to have an attorney, and
23 to have that attorney present before any questioning if
24 he wished; if he could not afford one, one would be
25 appointed to him at no cost, if he wished, before

5-8-18 STATE V SANDERS

CAPTAIN A. WILLIAMS - DX - LEGETTE

1 answering any questions or making any statements.

2 Q. Did Mr. Sanders appear to understand his rights?

3 A. Yes, he did.

4 Q. Did he say anything at that time?

5 A. Only thing he said, it seemed, was don't Trayvon on
6 me. That was pretty much it.

7 COURT REPORTER: Don't what on me?

8 A. Trayvon on me.

9 BY SOLICITOR LEGETTE:

10 Q. So nothing else?

11 A. That's it.

12 Q. All right. And so, once you *Mirandized* Mr.
13 Sanders, what did you do next?

14 A. He was placed in my vehicle, and then he was
15 transported to the Estill Police Department.

16 Q. Now, at the Estill Police Department, was anything
17 -- was he talked to again? What did you do at that
18 time? Take him to the jail? What happened?

19 A. Well, we -- first, we provided him first aid,
20 because, as he was exiting the vehicle, he opened a
21 wound on his shoulder, and we provided first aid and
22 cleaned him up for that wound that was scabbed over. So
23 we -- once we did that, we -- he was given his *Miranda*
24 rights again, and then he was subsequently transported
25 to the Hampton County Detention Center.

5-8-18 STATE V SANDERS

CAPTAIN A. WILLIAMS - DX - LEGETTE

1 Q. So you said that he was *Mirandized* again?

2 A. Yes, he was.

3 Q. Who *Mirandized* him at that time?

4 A. At that time, Sergeant Thomas.

5 Q. Did you witness him being *Mirandized* at that time?

6 A. Yes, I did.

7 Q. Can you briefly describe how -- I'm sorry. Was he
8 *Mirandized* similarly by Captain -- Sergeant Thomas, the
9 same way he was with you?

10 A. Yes, he was.

11 Q. At some point, did you sign a *Miranda* warning, or a
12 *Miranda* waiver of right form?

13 A. Yes, we did.

14 Q. When was that done?

15 A. Mine was done after we got to the office, while we
16 were at the police department.

17 Q. And did anyone witness yours?

18 A. Yes, Sergeant Thomas.

19 Q. And the one that you witnessed by Sergeant Thomas,
20 who signed that one?

21 A. Sergeant Thomas signed that one.

22 Q. And who witnessed it?

23 A. I did.

24 Q. Now, after the second *Miranda*, did Mr. Sanders make
25 any statements?

5-8-18 STATE V SANDERS

CAPTAIN A. WILLIAMS - DX - LEGETTE

1 A. Other than she must've been a nobody, when he was
2 advised of the incident.

3 Q. So you had already -- so tell us about you advising

5 A. He was -- yes, he was read the warrant before we
6 went to the jail. And he said she must've been a
7 nobody.

8 Q. All right. I hand you now what's been previously
9 marked as State's Exhibit Number 45 and 46. Take a

12 THE COURT: You may.

13 BY SOLICITOR LEGETTE:

15 Q. And what are State's 45 and 46?

16 A. The *Miranda* rights form that was completed by
17 myself and Sergeant Thomas.

18 Q. And are State's 45 and 46, a fair and accurate
19 reflection of the *Miranda* warnings that you completed by
20 -- that were completed by yourself and Sergeant Thomas?

21 A. Yes, ma'am, they are.

22 Q. Have they been changed or altered in any way?

23 A. No, ma'am.

24 SOLICITOR LEGETTE: Your Honor, at this time, I
25 would offer State's Exhibit 45 for admission into

9 BY SOLICITOR LEGETTE:

10 Q. Now, Captain Williams, after the second *Miranda* you
11 said you transported Mr. Sanders to the county jail?

12 A. Yes.

13 Q. All right. When you got to the county jail, did
14 anything -- was Mr. Sanders, did he make any other
15 statements?

16 A. He made a statement regarding his eye; that he got
17 caught cheating by his girlfriend.

18 Q. What seemed to be the condition of his eye?

19 A. It was bloodshot. It had a -- there was bloodshot
20 in it. It was a little swollen.

21 Q. And what did he say?

22 A. He got caught cheating by his girlfriend.

23 Q. Now, Captain Williams, did you ever try to force
24 Mr. Sanders to make any of these statements?

25 A. No, ma'am.

5-8-18 STATE V SANDERS

CAPTAIN A. WILLIAMS - DX - LEGETTE

1 Q. Did you or anyone else with you try to force him to
2 make any statements?

3 A. No, ma'am.

4 Q. Did you ever promise him or threaten him to make
5 any statements?

6 A. No, ma'am.

7 Q. Did you try to coerce him to make a statement?

8 A. No, ma'am, I did not.

9 Q. Did anyone with you try to coerce him into making
10 any statement?

11 A. No, ma'am.

12 Q. How many statements made by Mr. -- and ones that he
13 did make, how were they made?

14 A. Voluntarily.

15 Q. Now, Captain Williams, did you have any other
16 involvement in this case?

17 A. No, ma'am. After that, no, ma'am.

18 Q. Did you talk to any witnesses?

19 A. His -- at the time, his girlfriend, and that was

10 A. Myself and Sergeant Thomas.

11 Q. Was anyone else present with her?

14 Q. And how many times did you all talk to Ms.
15 Forrester?

16 A. I believe we spoke to her twice.

17 Q. And was anyone present, aside from yourself and
18 Sergeant Thomas, when you spoke to her the second time?

19 A. I don't recall right offhand, but I do believe her

21 Q. Okay. All right. Did you collect any items in

23 A. Yes.

24 Q. Okay. What type of clothing did you collect?

4 Q. At some point, how did you come to know about these
5 items?

6 A. From Ms. Forrester.

7 Q. And that was from her interview?

8 A. Yes.

9 Q. And what was supposed to be the significance of any
10 of the items that you were collecting?

11 MR. PLEXICO: That's hearsay, your Honor. I
12 believe that would come from Ms. Forrester.

13 THE COURT: Say, is there any.

14 BY SOLICITOR LEGETTE:

15 Q. Is there any significance in these items that you
16 knew of?

17 A. We -- at the time, no, ma'am, we didn't. We just
18 -- we were looking for the clothing, any and all
19 clothing he may have been in possession of.

20 Q. Okay. To your knowledge, after you collected this
21 clothing -- his clothing, what happened to that
22 clothing?

23 A. It was submitted to -- it was submitted to the
24 State Law Enforcement Division's forensics lab.

25 Q. Captain Williams, I hand you now what has been

5-8-18 STATE V SANDERSCAPTAIN A. WILLIAMS - DX - LEGETTE

1 previously marked for identification at State's 56.

2 Please take a moment and tell me if you recognize

11 SOLICITOR LEGETTE: Thank you, your Honor.

12 BY SOLICITOR LEGETTE:

13 Q. Captain Williams, do you recognize State's 56?

14 A. Yes, ma'am.

15 Q. What is State's 56?

16 A. That's the green tee-shirt.

17 Q. And is that the green tee-shirt that was provided
18 to you?

19 A. Yes.

20 Q. And how did you come in contact with it?

21 A. From Ms. Forrester's aunt.

22 SOLICITOR LEGETTE: Your Honor, I offer State's

2 A. Yes, ma'am.

3 Q. Does it appear to have been changed or altered in

5 A. No, ma'am.

6 SOLICITOR LEGETTE: Your Honor, at this time, I
7 would offer State's 56 for admission into evidence.

14 SOLICITOR LEGETTE: Thank you, your Honor.

15 BY SOLICITOR LEGETTE:

16 Q. Now, Captain Williams, at some point in this case,
17 did you become the case officer?

18 A. Following Sergeant Thomas' going to another job, I
19 was responsible for picking up and -- picking up all the
20 evidence from the State Law Enforcement Division for
21 him.

22 Q. Okay. And did you also come in contact with the
23 gun that was located in this case by Chief Collins?

24 A. Yes.. I picked it up from the lab, yes, ma'am.

25 Q. At some point, did you run an ATF trace?

5-8-18 STATE V SANDERSCAPTAIN A. WILLIAMS - DX - LEGETTE

1 A. Yes, I did.

2 Q. And what is an ATF trace?

3 A. ATF trace basically gives you the origin of the
4 gun, where it was first -- what's the first
5 manufacturer, or where the manufacturer was selling it
6 to, such as a gun store or whatever. And it kind of
7 follows it if it's -- if it's properly documented
8 through authorized dealers.

9 Q. And upon running that ATF trace, were you able to
10 determine who the purchaser was, original purchaser?

11 A. I believe I --

12 MR. PLEXICO: Your Honor, I object. None of this
13 is relevant, your Honor. It's absolutely not relevant.
14 I believe there's been a prior ruling. I think I have a

2 A. Yes, ma'am.

3 Q. Who owned it?

4 A. I would have to look at --

5 Q. Who was the original purchaser? I should say.

6 A. I would have to look at the documentation I have.

7 SOLICITOR LEGETTE: May I approach, your Honor?

8 THE COURT: You may.

9 BY SOLICITOR LEGETTE:

10 Q. To refresh your memory, do you recognize your
11 report?

12 A. Yes, I do.

13 Q. Who was the original purchaser of the gun?

14 A. It would be Brian Thomas Blair of [REDACTED]

15 [REDACTED] in Clemson, South Carolina.

16 Q. Okay. Thank you.

17 SOLICITOR LEGETTE: Begging the Court's indulgence.

18 Captain Williams, I have no further questions. Please
19 answer any questions from the Defense.

20 CAPTAIN ALEXANDER WILLIAMS

21 CROSS-EXAMINATION BY MR. PLEXICO:

22 Q. So you arrested my client, took him to the Estill
23 Police Department, and served the warrant on him that
24 you had, correct?

25 A. Yes, sir.

5-8-18 STATE V SANDERS

CAPTAIN A. WILLIAMS - CX - PLEXICO

1 Q. Okay. So you already had a murder warrant on him,
2 correct? To serve him?

3 A. Yes, sir.

4 Q. In order to serve it, you had to have it, right?

5 A. Yes, sir.

6 Q. So that's the first thing you did when you got
7 there, right?

8 A. Yes, sir.

9 Q. Okay. All right. And this firearms trace taking
10 this gun to Thomas Blair, do you know Mr. Blair?

11 A. No, I do not.

12 Q. Do you know how many times that he has bought and
13 sold that gun?

14 A. No, I do not.

15 Q. Since he bought it?

16 A. No, I do not.

17 Q. Do you know anything about the history of the gun,
18 this gun?

19 A. He was the original purchaser.

20 Q. Aside from that, do you know anything about anybody
21 who's bought and sold that gun over the years?

22 A. No, sir, I do not.

23 Q. Okay. Can you go to any gun show in America and
24 buy a gun, as long as you're of legal age?

25 A. I believe so.

5-8-18 STATE V SANDERS

CAPTAIN A. WILLIAMS - CX - PLEXICO

1 Q. And you don't report those sales, do you? And you
2 don't report the purchases? Is that correct?

3 A. I wouldn't know. I'm not schooled in that subject
4 matter.

5 Q. Okay. So, if you go out and buy a gun from your
6 neighbor, do you have to call the government and say,
7 hey, I've got -- I bought this shotgun from my neighbor,
8 I'm going to go deer hunting?

9 A. No, sir.

10 Q. Okay. If you bought a pistol to shoot snakes with
11 that's climbing up the tree that you happen to be
12 sitting in that day, would you have to call the
13 government and say, hey, I bought this pistol?

14 A. No, sir.

15 Q. Okay. All right. Now, if you sold that gun to
16 your neighbor, who liked to turkey hunt, okay? so he was
17 sitting around and a rattlesnake rolled up on him, you
18 wouldn't have to call the government and report that
19 sale, either, would you?

20 A. No, sir.

21 Q. Okay. So you have no idea how many different hands
22 that gun has gone into since the original purchaser,
23 correct?

24 A. No, sir, I do not.

25 Q. I am correct?

5 THE COURT: All right. Any objection to this
6 witness being excused?

7 SOLICITOR LEGETTE: None, your Honor.

8 MR. PLEXICO: None, your Honor.

9 THE COURT: All right. You're excused, sir. Thank

10 A. The Hampton County Hospital.

11 Q. And so, as a result of the contact -- being told to

13 A. I verified that the individual was deceased, made

15 those witnesses back to the police department, and began
16 my interviews.

17 Q. And where did you actually locate these witnesses
18 when you said you verified that they were witnesses?

19 A. At the emergency room.

20 Q. Okay. And who did you speak to specifically?

21 A. I spoke to Yhantyse Priester.

22 Q. Okay. All right. Did you actually speak with her
23 at the hospital, or did you take her back to the Estill
24 Police Department?

25 A. I made contact with her at the hospital, and I

5-8-18 STATE V SANDERS

INV. M. THOMAS - DX - LEGETTE

1 transported her back to the police department. And as a
2 result of talking to her, did you learn the suspect's
3 name?

4 A. Yes, I did.

5 Q. What was the suspect's name?

6 A. Gregory Sanders.

7 Q. And as far as Ms. Priester was -- well, never mind.
8 Once you learned the suspect's name, what did you do?

9 A. I informed the Chief of Police.

10 Q. Okay. And upon informing the Chief of Police, what
11 was your next step in this matter?

12 A. I continued to get information from the officers,
13 looked at the initial reports, their supplemental
14 reports, and forwarded them to the Chief of Police.

15 Q. Now, at some point were you in the town of Estill
16 on or about May 10th?

17 A. Yes, ma'am.

18 Q. Tell us about did you have anything unusual happen
19 the morning of May 10th.

20 A. Yes. We apprehended Gregory Sanders.

21 Q. All right. So tell us about how you came in
22 contact with him originally.

23 Q. Chief Mark Collins, Chief of the Estill Police
24 Department, he gave me a phone call to meet him at the
25 Shell station in Estill. Once making contact with him,

1 he informed me that a concerned citizen gave him the
2 whereabouts of Mr. Sanders.

3 Q. And upon getting this information, were you able to
4 locate him?

5 A. Yes, ma'am.

6 Q. Once you located him, what happened, I guess,
7 during your location and arrest of Mr. Sanders?

8 A. Upon making contact with Sanders -- well, myself,
9 Chief Collins, and now-Captain Alex Williams, they
10 initially made physical contact. I came around the
11 rear, at which point in time, I noticed that Chief
12 Collins had Mr. Sanders at gunpoint, and now-Captain
13 Williams was placing him into handcuffs.

14 Q. All right. And so, after being placed in
15 handcuffs, did anyone *Mirandize* him?

16 A. Yes, ma'am.

17 Q. Who *Mirandized* him?

18 A. Captain Williams.

19 Q. Did you watch Captain Williams *Mirandize* him?

20 A. Yes, ma'am.

21 Q. And once he was *Mirandized*, did he make any
22 statements at that time?

23 A. No, ma'am.

24 Q. So you said that he was *Mirandized* and placed into
25 custody. What does that mean?

INV. M. THOMAS - DX - LEGETTE

1 A. He was read his -- he was verbally read his rights.

2 Q. And did you also put him in a patrol car, or?

3 A. Alex Williams transported him, yes.

4 Q. All right. So now, while you're still at the
5 scene, do you locate, or does anyone locate, any items
6 of evidence?

7 A. Yes. A firearm, some clothing items, and a towel
8 were located at the scene.

9 Q. All right. And who located those items?

10 A. Chief Collins.

11 Q. And so, when Chief Collins located the items, did
12 he give you any directions?

13 A. Yes. To photo document them, as well as write them
14 down, and package them and bring them back to the police
15 department.

16 Q. And what did you do?

17 A. I photographed each item; I packaged each item by
18 wearing gloves; placed them in the trunk of my vehicle;
19 and placed them in our evidence locker.

20 Q. All right. At some point, were those items taken
21 after that to SLED for processing?

22 A. Yes, ma'am.

23 Q. All right. As far as you know, who actually took
24 them to SLED?

25 A. Now-Deputy Ira, with the Hampton County Sheriff's

1 Office.

2 Q. And was Deputy Ira working for you at the time, or
3 the Estill Police Department?

4 A. Yes, ma'am.

5 Q. Now, once the items were collected by you and
6 placed into your patrol car, where did you go next?

7 A. To the police department.

8 Q. And what happened at the police department, if
9 anything?

10 A. I -- I *Mirandized* Mr. Sanders.

11 Q. Okay. How do you *Mirandize* Mr. Sanders?

12 A. Verbally. We have a form that we have that we read
13 directly from.

14 Q. Briefly describe how you *Mirandized* him.

15 A. I read him his right to remain silent; I read him
16 his rights that he has a right to have an attorney; that
17 he didn't have to answer any of my questions; if he
18 chose to answer any questions, he could stop at any
19 time.

20 Q. And at that time, did he seem to understand his
21 rights to remain silent?

22 A. Yes, ma'am.

23 Q. And who was present with you when you *Mirandized*
24 him?

25 A. Now-Captain Alex Williams.

8 A. I received a bachelor's of science in biological

10 A. Upon starting at SLED, I also completed the Class

9 Q. And have you ever been qualified to testify as an

8 Q. Okay. All right. And to compare the toolmarks
9 that are on cartridges requires toolmark competence. Is
10 that correct? And certification?

13 a screwdriver or a crowbar, in that aspect.

14 Q. A firearm is a tool that strikes a cartridge that
15 ejects ammunition.

16 A. Yes, sir. The firearm will access the tool to mark
17 the ammunition.

18 Q. Do you not identify similarity in cartridges

20 A. Yes, sir, in the aspect. As the firearm working as

5 Q. Not for toolmarks, correct?

6 A. Not of the tool being something like a hammer that
7 we would associate as being a tool, or a crowbar to

9 the training.

10 Q. Okay. All right. So you -- you have not completed

19 Q. Okay. All right. And who certified you as

10 Q. You have another AAA driving training four-hour

13 Q. You were trained how to give courtroom testimony in

21 BY SOLICITOR LEGETTE:

22 Q. Briefly, Agent Greer.

23 A. Yes, ma'am.

24 Q. What is firearms identification?

25 A. Firearms identification is a discipline in forensic

5-8-18 STATE V SANDERSPAUL GREER - VOIR DIRE - PLEXICO

1 science where our main objective is to try to examine
2 the fire ammunition components, whether that be the
3 cartridge case or a bullet, in order to link it back to
4 a specific firearm in which it may have been fired.

5 Q. And what makes the identifications possible?

6 A. The cartridge case or bullet, those firing
7 ammunition components are marked as they are being fired
8 in the gun, where they're traveling down the barrel of
9 that gun, or down the breach face. And we're looking at
10 those tiny little scratches that are left as they are --
11 are fired through that firearm.

12 Q. And did you receive any evidence in the case that's
13 before the Court today?

14 A. Yes, ma'am, I have.

15 Q. What items of evidence did you receive?

16 A. I received two fired .9 millimeter Luger-caliber
17 cartridge cases, one pistol with a magazine and unfired
18 cartridges, and one fired bullet.

19 Q. And from whom did you receive the evidence, and
20 what was its condition when you received it?

21 A. I received the evidence from Chad Smith, and they
22 were all in sealed containers.

1 me if you recognize these.

2 A. Okay.

3 SOLICITOR LEGETTE: May I approach, your Honor?

4 THE COURT: You may.

5 BY SOLICITOR LEGETTE:

6 A. I recognize these.

7 Q. And what are State's 44 and 23?

8 A. 44 is a pistol, and that is a Taurus -- Taurus PT
9 111 Millennium Probe pistol, with a magazine and unfired
10 cartridges. And I was -- State's Exhibit 23 is the two
11 fired .9 millimeter Luger-caliber cartridge cases.

12 Q. I hand you now what's been previously marked as
13 State's Exhibit Number 66, for purposes of
14 identification. Take a moment and tell me if you
15 recognize State's 66.

16 SOLICITOR LEGETTE: May I approach?

17 THE COURT: You may.

18 BY SOLICITOR LEGETTE:

19 A. I recognize this.

20 Q. And what is State's 66?

21 A. That's one fired bullet.

22 Q. And did you receive that item?

23 A. Yes, ma'am.

24 Q. Okay. Now, have any of those items been changed or
25 altered in any way?

5-8-18 STATE V SANDERSPAUL GREER - VOIR DIRE - PLEXICO

1 A. No, ma'am. They are still in the sealed containers
2 in which I returned them.

3 Q. Now, please tell us in detail what examinations you
4 made of State's Number 44 and 23 and 66.

5 A. Yes, ma'am. Upon receiving the evidence, I would
6 have documented what I received through photography. I
7 would have opened all the containers, making sure to
8 document all of the containers and packaging on
9 departmental worksheets. I would also have taken any
10 notes of the evidence, trying to pay attention to any
11 trace material that may be there, or anything that may
12 be of interest. After documenting the evidence, I would
13 have checked the firearm to make sure that it was safe
14 to test-fire. I'm looking for any kind of safety issues
15 that may be there, and just making sure it was just safe
16 for me to shoot test-firing it.

17 I test-fired the firearm in our bullet recovery
18 tank. That is a two-story vertical tank that we have in
19 our laboratory that is filled with water. I test-fired
20 into the tank and retrieved my bullets and my cartridge
21 cases. I then looked at those test specimens on a
22 comparison microscope. The comparison microscope is
23 just basically two microscopes that are joined together
24 through an ocular bridge. So it allows me to look at
25 two separate items at one time, so I can manipulate

5-8-18 STATE V SANDERS

PAUL GREER - VOIR DIRE - PLEXICO

1 those on those stages and look at all the
2 characteristics of those two items that I -- I'm trying
3 to see.

4 After that, I would compare those test specimens to
5 the two cartridge cases that I have in the case, as well
6 as the bullet, to look for any similarities. Then I
7 would note my conclusions on those departmental
8 worksheets. An examiner would come in behind me after
9 I've come to those conclusions and microed those
10 results, and the report would have been sent through the
11 technical and administrative reviews at that point.

12 Q. And what were your conclusions with regard to
13 State's 44, 23, and 66?

14 A. My conclusions were, State's 23, the two fired
15 cartridge cases, were fired by the State's Exhibits 44
16 pistol; and the State's Exhibit 66 bullet was fired by
17 the State's Exhibit 44 pistol.

18 Q. So the shell casings were fired by the gun that you
19 have?

20 A. Yes, ma'am, that's correct.

21 Q. And the bullet from the autopsy was fired by the
22 gun that you have?

23 A. Yes, ma'am.

24 SOLICITOR LEGETTE: I have no further questions.

25 Thank you. Answer any questions Mr. Plexico has.

2 CROSS-EXAMINATION BY MR. PLEXICO:

3 Q. Do you have your worksheets with you?

4 A. I do have a copy.

5 Q. Could I see your worksheets.

6 MR. PLEXICO: May I approach the witness?

7 THE COURT: You may.

8 BY MR. PLEXICO:

9 Q. What was the black piece of rubber you found inside
10 of Item 2?

11 A. That was just a piece of black rubber material that
12 was inside the cartridge case. It did not seem,
13 necessarily, to me -- or it was not vital to my
14 examination; and an investigator was contacted, and I
15 was informed that it should not be collected.

16 Q. You did not collect the rubber out of the
17 cartridge?

18 A. No, sir, I did not. I was informed by the
19 submitting agency that it did not need to be collected.

20 Q. Were there any marks on Item 2 that could explain
21 how a piece of rubber -- is rubber common in a bullet?

22 A. Not to find it in the cartridge case, but I don't
23 know what happened at the scene that the rubber could
24 have gotten there.

25 Q. Was the cartridge run over at any time?

5-8-18 STATE V SANDERS

PAUL GREER - CX - PLEXICO

1 A. The cartridge was -- may I refer to my notes?

2 Q. Sure. Just a moment. There you go.

3 A. Item 2 was damaged. I don't know if it was run
4 over or not, but it was damaged as I received it.

5 Q. Did you see where it's much shorter than the other
6 one? It looks like it's something unusual that happened
7 to it? I don't know if you have it. Is it there beside
8 you?

9 A. Yes, sir.

10 MR. PLEXICO: May I approach and get that, Judge?

11 THE COURT: You can hand it to him, please.

12 MR. PLEXICO: Thank you.

13 BY MR. PLEXICO:

14 Q. That does appear to be misshapen and a piece
15 missing, correct?

16 A. Yes, sir.

17 Q. All right. And you didn't note that -- did you
18 note that in the little report that you sent out?

19 A. The damage was not noted, but it was noted on my
20 worksheet that there was some tearing of the casing out
21 to the cartridge.

22 Q. Did you, on these two pages that you sent out, did
23 you notice there was some kind of -- did you note there
24 was rubber in it, and inform the Solicitor's Office of
25 that?

5-8-18 STATE V SANDERS

PAUL GREER - CX - PLEXICO

1 A. No, sir. I had contacted the submitting agency to
2 see if that should be collected, as it was not vital to
3 my examination in the firearms department.

4 Q. Okay. And I noticed in your notes that you said
5 that the actual bullet that you examined was misshapen.
6 Is that correct?

7 A. Yes, sir.

8 Q. Is the bullet actually fired into the two-story
9 tank mis-shapen when you get it out?

10 A. It depends.

11 Q. It's fired into water.

12 A. It's fired into water. That bullet could hit the
13 bottom of the tank. It could hit something at the
14 bottom, and -- and could be mis-shapen.

15 Q. Did you note that in your notes this time?

16 A. In my test specimens?

17 Q. Yes.

18 A. That is not documented.

19 Q. Okay. And these are made out of lead, correct?

20 A. I'm sorry, sir?

21 Q. These are made out of lead? Lead? Bullets made
22 out of lead?

23 A. Yes. Yes, sir, that could be part of the
24 construction.

25 Q. So, if they hit a bone or something, they're

5-8-18 STATE V SANDERS

PAUL GREER - CX - PLEXICO

1 easily, grossly mis-shapen? Is that correct?

2 A. It depends. It just depends on how that bullet
3 travels through the body. These -- the bullet that I
4 received actually had a copper jacket, so it was not
5 just a lead bullet.

6 Q. Okay.

7 COURT REPORTER: It's not just a what bullet?
8 Lead?

9 A. A lead bullet. Yes, ma'am.

10 Q. All right. All right. So how many -- how many did
11 you -- do you have a -- you said you had a -- you looked
12 at it as -- at the -- at the double microscope where it
13 made it one picture?

14 A. Yes, sir. We're able to look at two different
15 items at one time on the comparison microscope.

16 Q. Did you click a picture of that?

17 A. I do document what I see through the microscope
18 sometimes through photography.

19 Q. Okay. Did you in this case?

20 A. I did.

21 Q. You did not?

22 A. I did document that.

23 Q. Okay. Do you have that?

24 A. I have just the thumbnails as part of my case file.

25 Q. Thumbnails?

5-8-18 STATE V SANDERS

PAUL GREER - CX - PLEXICO

1 A. The smaller pictures, yes, sir.

2 Q. Could I see them?

3 MR. PLEXICO: May I approach?

4 THE COURT: You may.

5 BY MR. PLEXICO:

6 Q. These?

7 A. Yes, sir.

8 Q. Don't these look, actually, quite different?

9 A. Those are different areas on those cartridge cases.

10 Q. And don't these look quite different?

11 A. Yes.. Those are different areas on the cartridge
12 cases that I'm photographing.

13 Q. Okay.

14 A. As well as different items.

15 Q. Isn't it true they don't have any on here that look
16 the same?

17 A. Those are photographs of different areas that I was
18 comparing, that I was able to make the identification
19 on.

20 Q. Thank you. You don't have any there that look the
21 same. Is that correct? That was the question.

22 A. I have documented what I saw on the cartridge
23 cases, and those areas are different on each cartridge
24 case. The areas that I did find agreement are
25 documented.

5-8-18 STATE V SANDERS

PAUL GREER - CX - PLEXICO

1 Q. So the pictures comparing the two are pointless,
2 because they don't match. Is that correct?

3 A. No, sir.

4 Q. You just -- you just said they didn't match. I've
5 asked you about the pictures of the two cartridges of
6 the cases side-by-side now, and you said they didn't
7 match.

8 A. Those are different areas that I documented.

9 Q. So you didn't document the stuff that was
10 important. Is that correct?

11 A. No, sir.

12 Q. That's wrong? That's correct, isn't it?

13 A. The areas that I documented on the cartridge cases,
14 I took those images of. When I took those pictures, I
15 would look for that same area on the other item. I also
16 would find other areas of similarities, so that's why
17 the pictures may appear different.

18 Q. So it's whole -- wholly on your opinion, correct?

19 A. It's my opinion.

20 Q. Your professional opinion, correct?

21 A. Yes, sir.

1 RE-DIRECT EXAMINATION BY SOLICITOR LEGETTE:

2 Q. Agent Greer?

3 A. Yes, ma'am.

4 Q. Does SLED have a peer review process?

5 A. Yes, ma'am. We have a one hundred percent micro
6 verification review process.

7 MR. PLEXICO: Your Honor, I object to any hearsay
8 about any -- any peer review. That would be what
9 somebody else says.

10 THE COURT: Overruled. You can ask it.

11 BY SOLICITOR LEGETTE:

12 Q. Do you have a peer review process, Agent Greer?

13 A. Yes, ma'am. We have a 100 percent micro-
14 verification process in which another examiner will
15 reach the conclusion and agree with my results, as well
16 as that process which carries on into the technical and
17 administrative review of the case.

18 Q. And is your peer review done by an agent who is
19 more seasoned?

20 A. Yes, ma'am. It's a court-qualified examiner.

21 Q. Who's already been qualified in court.

22 A. That has been qualified in court, and signed off
23 for firearm and toolmark examination.

24 Q. And before your report can be issued, must they
25 agree with your opinions?

5-9-18 STATE V SANDERS

PAUL GREER - RCX - PLEXICO

1 A. Yes, ma'am, they must.

2 Q. If they don't agree, what happens?

3 A. If they don't agree with my opinions, then the
4 micro review process will be taken to the supervisor to
5 see what may be the disagreement, and it will be
6 situated and handled from there.

7 Q. And was there agreement in this particular case?

8 A. There was agreement.

9 Q. And you issued a report?

10 A. Yes, ma'am, I issued the report.

11 Q. Your findings were that the gun fired the bullet
12 and the shell casings?

13 A. That is correct.

21 Q. Okay. All right. When you have your review
22 process, do you mean thirty percent of the time, your --

7 A. If there's a --

8 Q. Conclusions in agreement the vast majority of the
9 time, so.

10 A. In this case, my reviewer did agree with my
11 conclusions. If there was a disagreement, it would have
12 gone to the supervisor to see what the issue may be with
13 the results and why there is a disagreement.

14 Q. Okay. All right. Now, would you answer my

16 THE COURT: Okay. There is not a question in that.

17 MR. PLEXICO: Okay.

20 BY MR. PLEXICO:

21 Q. The vast majority of the time, are your conclusions

23 A. In my experience, I -- there has been agreement.

24 Q. But your experience is extremely limited, correct?

25 A. I have been employed and been trained for three

12 Q. Good morning, ma'am.

13 A. Good morning.

14 Q. Could you please state your first name and last

16 A. My name is Ila Simmons, and my first name is

18 Q. Thank you. Now, Ms. Simmons, or Agent Simmons,
19 where do you work?

20 A. At the South Carolina Law Enforcement Division,
21 also known as SLED, in the Forensic Services Trace
22 Evidence Department.

23 Q. Okay. How long have you worked for SLED?

24 A. Fifteen years.

25 Q. And you said earlier you worked in the Trace

5-9-18 STATE V SANDERS

AGENT ILA SIMMONS - DX - LEGETTE

1 Evidence Department. Can you tell us about the Trace
2 Evidence Department, what you do in the Trace Evidence
3 Department.

4 A. Trace Evidence encompasses several areas of
5 forensics. We analyze gunshot residue, gunpowder
6 residues, as well as comparing fibers, paints, glass,
7 and also analyzing post-blast explosives and arson.

8 Q. Now, please tell us about your educational
9 background and training as it relates to working in the
10 Trace Evidence Department at SLED.

11 A. I have a bachelor's of science degree in chemistry.
12 After completing that, I came to work at SLED, where I
13 went through a three-year intensive training program,
14 where I had to take written and practical examinations,
15 and pass them all with 100 percent efficiency, and then
16 I was deemed competent to analyze trace evidence cases.

17 Q. And after being deemed competent to analyze trace
18 evidence cases, have you ever been called by a court to
19 testify in the area of trace evidence?

20 A. Yes, ma'am, I have.

21 Q. And specifically, how many times?

22 A. Probably over 300 times.

23 Q. Have you ever been qualified to testify as an
24 expert in the area of gunpowder analysis?

25 A. Yes, ma'am.

5-9-18 STATE V SANDERS AGENT ILA SIMMONS - VOIR DIRE - PLEXICO

1 Q. How many times?

2 A. A hundred times, maybe.

3 Q. And what about the area of muzzle-to-distance --
4 I'm sorry -- muzzle-to-target distance? Have you ever
5 been qualified as an expert in that discipline?

6 A.. Yes, ma'am. Probably around the same time, a
7 hundred times.

8 Q. Okay. So you've been qualified as an expert
9 hundreds of times?

10 A. Yes, ma'am.

11 SOLICITOR LEGETTE: At this time, your Honor, I
12 would offer Ms. Ila Simmons as an expert in the area of
13 trace evidence, along with muzzle-to-target distance and
14 gunpowder analysis.

15 MR. PLEXICO: May I, briefly?

16 THE COURT: Of course.

17 ILA SIMMONS, VOIR DIRE

18 BY MR. PLEXICO:

19 Q. I see your resume says that you are -- you're --
20 2000 to 2013, you're listed as a forensic scientist at
21 SLED. Is that correct?

22 A. Yes, sir.

23 Q. And then, in 2016 to present, you're listed as a
24 Forensic Tech 3.

25 A. Yes, sir, I am a forensic technician, yes, sir.

5-9-18 STATE V SANDERS AGENT ILA SIMMONS - VOIR DIRE - PLEXICO

1 Q. Okay. Was that a promotion?

2 A. No, sir. I went away because I had some medical
3 treatment that I had. I had cancer. And when I came
4 back, I just took a temporary position as a technician,
5 rather than coming back full-time, because of my medical
6 condition.

7 Q. Okay. I don't see any muzzle-to-target distance
8 specific training in the list of training courses that
9 you have.

10 A. It's also called gunpowder analysis.

11 Q. Would that be the GSR Analysis Symposium in 2007?

12 A. Yes, sir. In fact, that was where we all went,
13 where the FBI invited people from around the world to
14 come and set the standards, the ASTM standards. I was
15 on that symposium for analyzing gunshot residue. I
16 would actually help develop the standards that are now
17 practiced in gunshot residue analysis.

18 Q. I don't see anything in the eleven-years since that
19 you had specific training in that field.

20 A. I have just been continuing on. I have to take the
21 proficiency tests every year, and that makes us
22 proficient and competent in gunshot residue.

23 Q. So you're teaching yourself?

24 A. No. I've already completed the training that's
25 required of it. I did that in my first three years at

5-9-18 STATE V SANDERS

AGENT ILA SIMMONS - DX - LEGETTE

1 SLED.

2 Q. Are they testing you to see if you're maintaining
3 enough?

4 A. Yes, sir. They're testing us to ensure that we are
5 still proficient in the area of gunshot residue.

6 MR. PLEXICO: I do have an objection, your Honor.
7 I just don't think she's had training for the last
8 eleven years.

9 THE COURT: Okay. All right. Well, respectfully,
10 ladies and gentlemen, in this case Special Agent Simmons
11 is being qualified in -- as an expert witness in the
12 area of trace evidence and gunshot residue analysis.
13 That allows her to give her opinion and the reasons for
14 her opinion. Again, that's for you to use as you see
15 appropriate, and as compared to other evidence in the
16 case. Solicitor.

17 SOLICITOR LEGETTE: Thank you, your Honor.

18 CONTINUE DIRECT EXAMINATION

19 BY SOLICITOR LEGETTE:

20 Q. Now, Ms. Simmons, what is gunshot residue?

21 A. Gunshot residue is a mixture of chemicals that come
22 out of a gun when it's fired, and it can get on anything
23 in close proximity to the gun, including the skin of the
24 victim, or the hands of someone shooting the gun, or the
25 clothing of someone who is shooting a gun or sustains a

5-9-18 STATE V SANDERS

AGENT ILA SIMMONS - DX - LEGETTE

1 gunshot wound.

2 Q. Now, how is gunshot residue collected?

3 A. It is collected on a piece of stick tape that has a
4 handle attached, and the sticky tape is dabbed over the
5 hands of the person or on the clothing of the person
6 that they suspect may have been in the presence of a gun
7 that was fired.

8 Q. What is the consistency of gunshot residue?

9 A. It has the consistency of flour.

10 Q. So like flour, can be easily removed. How easy is
11 it to remove gunshot residue?

12 A. It's very easy to remove gunshot residue. If you
13 wipe your hands, if you wash your hands, if someone were
14 to take a shower or begin sweating profusely, those
15 kinds of things can all remove gunshot residue.

16 Q. So now, given how easy it is to remove gunshot
17 residue, how long will gunshot residue remain on a
18 person who is alive, on their hands?

19 A. At the most, six hours.

20 Q. And what about a deceased person?

21 A. It will remain indefinitely on someone who's
22 deceased, because they're no longer making contact with
23 objects and no longer moving about, and their skin stops
24 absorbing materials, as well as they stop sweating.

25 Q. So how long will gunshot residue remain on an

5-9-18 STATE V SANDERS

AGENT ILA SIMMONS - DX - LEGETTE

1 inanimate object, like a car?

2 A. Indefinitely, until it's acted upon by outside
3 source. If the car's driven around, it can blow away,
4 or if the car's washed, it would be washed away.

5 Q. What about clothing?

6 A. The same. Same situation.

7 Q. So now, would your agency -- does your agency have
8 policy about the time length for which they will analyze
9 gunshot residue kits?

10 A. Yes, ma'am.

11 Q. And what is that policy?

12 A. On a living individual, we will not analyze gunshot
13 residue kits that are collected beyond six hours after a
14 shooting.

15 Q. So, if a person is not apprehended for a shooting
16 until nine hours after the shooting occurred, what would
17 your agency do with that GSR kit?

18 A. We wouldn't analyze that kit.

19 Q. So, in other words, no reason to actually submit
20 it?

21 A. That's right.

22 Q. Are the agencies around the state advised of your
23 policy regarding gunshot residue kit?

24 A. Yes.

25 Q. I'm sorry. Gunshot residue kits?

5-9-18 STATE V SANDERS

AGENT ILA SIMMONS - DX - LEGETTE

1 A. Yes, ma'am.

2 Q. Now, Ms. Simmons, did you receive evidence before
3 the Court today?

4 A. Yes, ma'am.

5 Q. What evidence did you receive?

6 A. I received several garments analyzed for the
7 presence of gunshot residue.

8 Q. Okay. In a moment, I'm going to hand you what has
9 been previously marked for identification and entered
10 into evidence as State's Number 42, State's Number 56,
11 State's Number 41, and State's Number 40. I want you to
12 take a moment and tell me if you recognize these
13 exhibits.

14 SOLICITOR LEGETTE: May I approach, your Honor?

15 THE COURT: You may.

16 BY SOLICITOR LEGETTE:

17 A. Yes, ma'am. I recognize all of these items.

18 Q. And what are State's 41, 40, 42, and 56?

19 A. I believe State's -- State -- State's Exhibit 40 is
20 a -- a pair of black Carter pants. State's Exhibit 41
21 is a blue shirt with white stripes, a polo-style shirt.
22 State's Exhibit 42 is a pair of black denim pants, like
23 jeans. And State's Exhibit 56 is a green tee-shirt.

24 Q. Okay. Thank you. And what was the condition of
25 State's 40, 41, 42, and 56 when you received them?

5-9-18 STATE V SANDERSAGENT ILA SIMMONS - DX - LEGETTE

1 A. They were all sealed in a container.

2 Q. Okay. Now, Agent Simmons, when you received
3 State's 40, 41, 42, and 56, did you make any analysis of
4 them? What did you do with them?

5 A. Yes, ma'am. I processed them for the presence of
6 gunshot residue.

7 Q. And I forgot to ask you, can you tell us from whom
8 you received State's 40, 41, 42, and 56?

9 A. I would have received them from our central login
10 person, probably Jackie Davis, I believe it may have
11 been, or one of the technicians that are in our login
12 department.

13 Q. And Agent Simmons, how are you able to recognize
14 State's 40, 41, 42, and 56?

15 A. They are each marked with our laboratory
16 identification number, my initials, the date that the
17 analysis was performed, and an identification number
18 that is specific to this case.

19 Q. And are State's Exhibits 40, 41, 42, and 56 in
20 substantially the same condition today as when you last
21 saw them?

22 A. Yes, ma'am.

23 Q. At this point, Agent Simmons, what did you do with
24 State's 40, 41, 42, and 56?

25 A. I processed them for the presence of gunshot

5-9-18 STATE V SANDERS

AGENT ILA SIMMONS - DX - LEGETTE

1 residue.

2 Q. And how did you do that?

3 A. I took one of the double-sided tape that I was
4 telling you about earlier, and I dabbed it over the
5 areas of the garment.

6 Q. And after you dabbed it over the areas of the
7 garment, did you create any evidence from -- or create
8 any, I guess, kits from States 40, 41, 42, and 56?

9 A. Yes, ma'am, I did.

10 Q. And did you come up with numbers or SLED item
11 numbers for those items?

12 A. Yes, I did.

13 Q. Now, in a moment, Agent Simmons, I will hand you
14 what has been previously marked for identification as
15 State's 57. Please take a moment and tell me if you
16 recognize State's 57.

17 SOLICITOR LEGETTE: May I approach?

18 THE COURT: You may.

19 BY SOLICITOR LEGETTE:

20 A. Yes, ma'am, I do.

21 Q. And what is State's 57?

22 A. These are the double-sided sticky tape that I took
23 from each garment that was submitted in this case; and
24 it's also marked with my initials, a laboratory number,
25 and the item numbers, and the date of analysis.

5-9-18 STATE V SANDERS

AGENT ILA SIMMONS - DX - LEGETTE

1 Q. Agent Simmons, is State's 57 in substantially the
2 same condition today as it when you previously saw it?

3 A. Yes, ma'am, it is.

4 Q. And how are you able to recognize it?

5 A. Because it has all of my -- it has a marking on it
6 with the laboratory number. It also has my initials,
7 the date, and it -- the item numbers of each.

8 Q. And you said it is in substantially the same
9 condition today as it is when you previously saw it,
10 correct?

11 A. Yes, ma'am.

12 Q. Has it been changed or altered in any way?

13 A. No, ma'am, not that I can see.

14 SOLICITOR LEGETTE: At this point, your Honor, I
15 would offer State's Exhibit 47 -- I'm sorry -- State's
16 Exhibit 57 for admission into evidence.

17 THE COURT: Any objection?

18 MR. PLEXICO: None, your Honor.

19 THE COURT: Without objection, it's in evidence.

20 SOLICITOR LEGETTE: Thank you.

21 ITEM IDENTIFIED AS SEVEN GSR KITS

22 MARKED STATE'S EXHIBIT NUMBER 57

23 ADMITTED AS EVIDENCE.

24 BY SOLICITOR LEGETTE:

25 Q. Agent Simmons, would you please tell us, after you

5-9-18 STATE V SANDERS

AGENT ILA SIMMONS - DX - LEGETTE

1 took the particles from State's 40, 41, 42, and 56, and
2 created State's 57, were you able to do an analysis of
3 State's 57?

4 A. I was.

5 Q. Okay. What analysis -- what were your results?

6 A. I found one particle characteristic of gunshot
7 powder residue on each item, except for the item that
8 was the green tee-shirt that I mentioned, and then no
9 particles characteristic of gunshot residue were found.

10 Q. Now, to find a particle of GSR on an item, so
11 you're saying on State's 40, which I believe you
12 testified earlier, State's 40 is the black trousers, and
13 State's Number 41 are the black denim jeans, and State's
14 42, the blue polo shirt with light stripes. As it
15 relates to those items where you found GSR, what does
16 that mean?

17 A. It means that that item could have come in contact
18 with something that had gunshot residue on it, or could
19 have been near a gun when a gun was discharged.

20 Q. As part of this case, Agent Simmons, what else did
21 you do for your review of this case before the Court
22 today?

23 A. I have also reviewed the autopsy report, and then,
24 the autopsy photos.

25 Q. And what part of your expertise does that relate

5-9-18 STATE V SANDERS

AGENT ILA SIMMONS - DX - LEGETTE

1 to?

2 A. To the gunpowder analysis.

3 Q. Can you tell us, from reviewing the autopsy report
4 in this case and the photo, what were you able to
5 determine from -- about the victim, if anything?

6 A. I looked at a photo of the victim's gunshot wound,
7 and around the wound are -- were small burns, and what
8 that is called is stippling. And what happens is, when
9 a gun is held close to the skin and is discharged, the
10 gunpowder comes out so fast and so hot that it actually
11 burns the skin, leaving small dots and small marks
12 called stippling.

13 Q. And as part of the stippling, what would you expect
14 to find -- if you find stippling on a victim, what would
15 that tell you about the rest of the gunpowder, if
16 anything?

17 A. That most of it would have gone into the wound, the
18 gunpowder, as well as most of the gunshot residue as
19 well, the gun primer part.

20 Q. And would that leave -- what would that mean about
21 anything else coming in contact with the actual gunshot
22 residue?

23 A. It would greatly reduce the possibility that
24 something else could have come in contact with gunshot
25 residue, because most of it would have been in the wound

5-9-19 STATE V SANDERS

AGENT ILA SIMMONS - CX - PLEXICO

1 of the victim.

2 Q. Does it also tell you anything about distance?

3 A. It indicates that the gun was very close to the
4 skin of the victim.

5 SOLICITOR LEGETTE: Begging the Court's indulgence.

6 Thank you, Agent Simmons. I have no further
7 questions. Please answer any questions Mr. Plexico has.

8 AGENT ILA SIMMONS

9 CROSS-EXAMINATION BY MR. PLEXICO:

10 Q. Okay. All right. Now, you're not saying this was
11 a -- was a direct contact shot, correct?

12 A. No, sir.

13 Q. All right. So we're talking up to a number of feet
14 away, correct?

15 A. Probably within inches, just because the stippling
16 doesn't go much farther than inches away.

17 Q. What's -- what is -- well, it's about a four-inch
18 spread?

19 A. It's --

20 Q. Two on either side?

21 A. It's probably going to be within about two inches,
22 one to two inches, or closer to the skin, yes, sir.

23 Q. Okay. All right. So, but that could be up to a
24 foot or two feet?

25 A. No, sir. It's going to be within one or two

5-9-19 STATE V SANDERS

AGENT ILA SIMMONS - CX - PLEXICO

1 inches, the muzzle of the gun, would have been within
2 one or two inches of the skin.

3 Q. So, in your professional opinion, if somebody said
4 they were standing three feet away, that wouldn't be
5 possible?

6 A. If the person was standing three feet away, it
7 would depend on how far they had the gun extended,
8 because my test would be from the end of the gun to the
9 skin of the victim. So, if someone's arms is this long,
10 you know, then you have to take into the account how
11 long their arm is. Their body would be three feet away,
12 but their arm could be very close. What I'm saying is
13 that the gun had to have been within about two inches of
14 the skin.

15 Q. Okay.

16 MR. PLEXICO: May I approach?

17 THE COURT: You may.

18 BY MR. PLEXICO:

19 Q. Let me give you a demonstration. If somebody's
20 standing here, okay, and the hand's out, and the victim
21 is standing here, could you expect the same results?

22 A. If some -- if --

23 Q. In your professional opinion?

24 A. If the muzzle of the gun was about right here?

25 Q. They're here.

5-9-19 STATE V SANDERS

AGENT ILA SIMMONS - CX - PLEXICO

1 A. Um-hmm.

2 Q. Okay?

3 A. Yes, sir.

4 Q. All right.

5 A. No, sir, I would not expect the same physical
6 characteristics.

7 Q. And they were standing here?

8 A. Yes.

9 Q. That wouldn't be --

10 A. No, sir, that would not be consistent with that.

11 Q. So, but your science is not infallible, is it?

12 A. The science is infallible. Sometimes the
13 interpretations aren't.

14 Q. Okay. So you could be wrong?

15 A. From what I've seen in the experience of over a
16 hundred cases, probably 200 cases that I've analyzed,
17 it's within inches of when a gun is discharged and
18 stippling is present on the skin of the victim.

19 Q. It's clearly not in contact.

20 A. It doesn't appear to be, no, sir. Not a hard
21 contact. A hard contact one would be if the gun was
22 pressed directly into the skin as far as they could
23 press it in.

24 MR. PLEXICO: I don't have anything further, Judge.

25 THE COURT: Ms. Legette, anything further?

17 DIRECT EXAMINATION BY SOLICITOR LEGETTE:

18 Q. Good morning.

19 A. Good morning.

20 Q. Dr. Riemer, could you please say your first and
21 last name, and spell your last name.

22 A. Yes. My name is Dr. Ellen Riemer, R/i/e/m/e/r.

23 Q. Thank you, Dr. Riemer. Dr. Riemer, where do you
24 work?

25 A. I work at the Medical University of South Carolina,

5-9-18 STATE V SANDERSELLEN RIEMER - DX - LEGETTE

1 where I'm a forensic pathologist.

2 Q. Now, what is a forensic pathologist?

3 A. A forensic pathologist is a physician, a medical
4 doctor, who specializes in determining cause and manner
5 of death by performing autopsies on deceased
6 individuals.

7 Q. And are you a licensed medical doctor in South
8 Carolina?

9 A. Yes.

10 Q. Now, how long have you been licensed in South
11 Carolina, or in general?

12 A. Yeah. Since February of 2009.

13 Q. And please tell us about your educational
14 background and experience as it relates to being a
15 forensic pathologist.

16 A. So I got my doctor of medicine, M.D. degree, in
17 1997. And then, I did a pathology, general pathology
18 residency, which is a training program, and I did that
19 at Columbia Presbyterian Medical Center in New York City
20 between 1997 and 2001. Following that, I did a sub-
21 specialty fellowship year of training in forensic
22 pathology at the Office of the Chief Medical Examiner of
23 the State of Maryland. That was in Baltimore. That was
24 from 2001 to 2002. And then, I did an additional year
25 of sub-specialty training in cardiovascular and

5-9-18 STATE V SANDERS

ELLEN RIEMER - DX - LEGETTE

1 pulmonary pathology at Johns Hopkins Hospital. And
2 then, I took a faculty position at Wake Forest School of
3 Medicine, where I was -- as a forensic pathologist. I
4 worked there for six years before moving to Charleston.

5 Q. So, Dr. Riemer, in all of your experience, how long
6 have you been a medical doctor?

7 A. It's been over twenty years.

8 Q. Okay. And I think I asked you earlier about the
9 duties of a forensic pathologist?

10 A. Yes. So the duties of a forensic pathologist are
11 to perform complete autopsies, and make sure to examine
12 a body in totality. That's any kind of injury or
13 natural disease, and any findings whatsoever. After
14 performing the autopsy, which is a specialized surgical-
15 type procedure, and then interpreting any results that
16 -- that I find, any findings, and to make a
17 determination, to the best of my ability, on the cause
18 and manner of death.

19 Q. And Dr. Riemer, what is pathology?

20 A. Yes.

21 Q. What does pathology involve?

22 A. Okay. So pathology is actually a specialty of the
23 field of medical practice. So it's -- pathology is kind
24 of a general -- it's a general -- it's a field sort of
25 like cardiology, pathology, surgery, all these different

5-9-18 STATE V SANDERSELLEN RIEMER - DX - LEGETTE

1 areas of medicine that's a -- that a physician can focus
2 on. No one person can do everything, so pathology is
3 focused on making diagnoses. So, you know, identifying
4 disease based on evaluation of tissue and fluids. And
5 forensic pathology is even a smaller sub-specialty of
6 pathology. So every forensic pathologist already is a
7 pathologist. And forensic pathology is -- is
8 specialized in examining injuries, not just disease. So
9 disease, plus injuries.

10 Q. Thank you. Dr. Riemer, are you a member of any
11 specialized boards?

12 A. Yeah. Well, I'm board-certified in -- by the
13 American Board of Pathology, which is the organization
14 that determines your qualifications to perform pathology
15 services at a very high level.

16 Q. And is that beyond of over basic -- a basic license
17 to practice medicine?

18 A. Yeah. So a license to practice medicine is
19 administered by the state, but board certification is
20 the pathology specialty board that has -- that, you
21 know, I have to take lots of exams to prove that I have
22 had a very high level of understanding of pathology.
23 So, you know, anytime you go to the doctor, you want to
24 find out, make sure they are board-certified in whatever
25 field that they -- they practice. Like, if you go to a

5-9-18 STATE V SANDERS

ELLEN RIEMER - DX - LEGETTE

1 dermatologist, you want to make sure that they're board-
2 certified in dermatology. So I'm board certified in
3 pathology and forensic pathology.

4 Q. Thank you. Dr. Riemer, in your career, how many
5 autopsies would you say you've performed?

6 A. Well, I haven't kept exact track. I'm over 4,000
7 by this point, so probably 4,100 or something.

8 Q. Thank you.

9 SOLICITOR LEGETTE: At this time, your Honor -- I'm
10 sorry.

11 BY SOLICITOR LEGETTE:

12 Q. And Dr. Riemer, have you ever had occasion in your
13 practice as a forensic pathologist to perform autopsies
14 on bodies where the cause of death was a gunshot wound
15 to the head?

16 A. Yes, unfortunately, many times.

17 SOLICITOR LEGETTE: At this time, your Honor, I
18 would offer Dr. Riemer as an expert in the field of
19 forensic pathology.

20 THE COURT: Okay. Any objection?

21 MR. PLEXICO: No objections, your Honor.

22 THE COURT: Ladies and gentlemen, in this case, Dr.
23 Riemer is being qualified in the area of forensic
24 pathology as an expert, and she is allowed to give her
25 opinion and the reasons for her opinion. And again,

5-9-18 STATE V. SANDERS

ELLEN RIEMER - DX - LEGETTE

1 that's for you to use as you see appropriate as compared
2 to other evidence in the case.

3 SOLICITOR LEGETTE: Thank you, your Honor.

4 BY SOLICITOR LEGETTE:

5 Q. Dr. Riemer, can you please educate us. How many
6 manners of death are there?

7 A. Okay. Well, I'll tell you there's natural. Okay?
8 So, if somebody dies of cancer or a heart attack, that's
9 a natural cause of death. Okay. Then, there's
10 homicide, which is death at the hands of another person.
11 Okay. Then, there's suicide, which is death at your own
12 hands. Then, there's accident. So, if like, a brick
13 falls and it hits you in the head and you die, that
14 would be an accident. There's lots of different ways
15 you can die of an accident. There're an accidental drug
16 overdoes. An accidental drug overdose. All sorts of
17 things can, you know, sort of -- it's kind of logical.
18 An accident, motor vehicle crash. You know, some kind
19 of work injury that causes some kind of damage to your
20 body. And then that's -- so that's four.

21 And then, the final category is undetermined. So
22 there are some cases where, even after complete autopsy
23 and, you know, all sorts of investigations on what's in
24 the blood, and examining tissues under the microscope,
25 where a cause of death could not be determined, and

1 those are classified as undetermined.

2 Q. Thank you. Dr. Riemer, were you working for the
3 Medical University of South Carolina in May of 2016?

4 A. Yes.

5 Q. And during the month of May, did you perform one or
6 more autopsies?

7 A. Yes.

8 Q. And specifically, on or about May 10, did you
9 perform an autopsy on the body of Tyhira Harrington?

10 A. Yes.

11 SOLICITOR LEGETTE: Begging the Court's indulgence.

12 BY SOLICITOR LEGETTE:

13 Q. I show you now what has been previously marked as
14 State's Exhibit Number 58. Please take a moment and
15 tell me if you recognize State's 58.

16 SOLICITOR LEGETTE: May I approach, your Honor?

17 THE COURT: You may.

18 BY SOLICITOR LEGETTE:

19 A. Yes. That's a photograph that I took at the
20 autopsy of the gunshot wound to the head of Ms.
21 Harrington.

22 Q. And Dr. Riemer, is State's Number -- I think it's
23 Number 56? 58?

24 COURT REPORTER: 58.

25 Q. 58. Is State's 58 a fair and accurate reflection

5-9-18 STATE V SANDERS

ELLEN RIEMER - DX - LEGETTE

1 of the injury and person of Tyhira Harrington that you
2 took on or about May 10, 2016?

3 A. Yes.

4 SOLICITOR LEGETTE: At this point, your Honor, I
5 would offer State's 58 for admission into evidence.

6 THE COURT: Okay. Subject to prior objection, it's
7 in evidence.

8 SOLICITOR LEGETTE: Thank you, your Honor.

9 ITEM IDENTIFIED AS AUTOPSY PHOTOGRAPH

10 MARKED STATE'S EXHIBIT NUMBER 58

11 ADMITTED AS EVIDENCE.

12 BY SOLICITOR LEGETTE:

13 Q. Now, Dr. Riemer, when did you first see the person
14 of Ms. Harrington?

15 A. On the morning of -- I'm going to have to refer to
16 my notes.

17 Q. That's fine.

18 A. All right. May 10, I conducted the autopsy at
19 11:30 a.m.

20 Q. And approximately how long did the autopsy last, or
21 do they -- is there a time period for autopsy would
22 typically last, or?

23 A. Well, if there is -- depending on the complexity
24 and how many findings there are. She was a healthy
25 young woman, so there weren't a lot of, you know,

5-9-18 STATE V SANDERS

ELLEN RIEMER - DX - LEGETTE

1 findings, other than the gunshot wound to the head. But
2 during the course of autopsy, I get an Xray, so I have
3 to wait for the X-ray technician to come. I don't
4 remember exactly how long this autopsy took, but
5 probably in the range of three hours.

6 Q. And based on that particular autopsy, within the
7 bounds of reasonable medical certainty, were you able to
8 form an expert opinion as to the cause of death of Ms.
9 Harrington?

10 A. Yes.

11 Q. And what is that opinion?

12 A. Gunshot wound to head.

13 Q. And what is the manner of death?

14 A. Homicide.

15 Q. Dr. Riemer, did you also, along with taking
16 photographs and pictures, were you able to recover any
17 evidence from the body?

18 A. Yes. So an important part of an autopsy on a
19 gunshot wound victim is to make sure that I recover any
20 projectile that may remain in the body. So, in this
21 case, the entrance gunshot wound was on the left eye
22 area, the left eyebrow, eyelid. And after it went
23 through the -- kind of high left eye and through the
24 brain, and ended up in the right temporalis muscle. So
25 it didn't actually exit the head. And it was -- the

5-9-18 STATE V SANDERS

ELLEN RIEMER - DX - LEGETTE

1 right temporalis muscle is the -- when you chew, you can
2 sort of feel muscle, like on the -- on the side of the
3 head. And so, it was underneath the skin in that
4 muscle. So I recovered the bullet at the autopsy.

5 Q. And did you also recover any other items from the
6 victim's body, such as bodily fluids, or?

7 A. Yes. So on routine auto -- in routine examination,
8 any person who is shot, I recover fingernail clippings,
9 so I take fingernail clippings. I don't know if it's
10 going to be valuable or not, but it's just done
11 routinely. And also, I take blood and -- and put it on
12 a blood stock card, which is not something that I need
13 for my investigation, but it's -- it's helpful for, you
14 know, it's just done as a standard practice, really.

15 Q. Dr. Riemer, in a moment I will hand you what's been
16 previously marked for identification as State's 66,
17 along with what's been previously marked and entered
18 into evidence as State's 54 and State's 55. I want you
19 to take a moment and tell me if you recognize these
20 exhibits.

21 SOLICITOR LEGETTE: May I approach?

22 THE COURT: You may.

23 BY SOLICITOR LEGETTE:

24 A. Okay. So these are envelopes that I've labeled at
25 the autopsy. They have Tyhira Harrington's -- these are

5-9-18 STATE V SANDERS

ELLEN RIEMER - DX - LEGETTE

1 the autopsy labels. So, and have her autopsy number.
2 So everybody who comes to autopsy has a separate number,
3 so we don't -- because a lot of times people say names,
4 and we need to, you know, have some kind of, you know,
5 orderly way of identifying, you know, who the autopsy is
6 on.

7 Okay. So this is the projectile that I recovered
8 in the right temporalis muscle on the right side of the
9 head at the autopsy of Ms. Harrington, and it's labeled
10 as such. And then, this -- these two bags contained
11 fingernail clippings that I took at the autopsy. And
12 this is an envelope that contains the blood stock card
13 from the autopsy.

14 Q. And Dr. Riemer, are State's 66, 54, and 56 all in
15 fairly, substantially in the same condition today as
16 when you took them at the autopsy?

17 A. Yeah. The envelopes are exactly the same.

18 Q. And as for State's 66, has it been changed or
19 altered in any way?

20 A. Not that I can see.

21 SOLICITOR LEGETTE: At this time, your Honor, I
22 would offer State's 66 for admission into evidence.

23 THE COURT: Objections?

24 MR. PLEXICO: I have no objections, your Honor.

25 THE COURT: Without objection, it's in evidence.

1 ITEM IDENTIFIED AS ONE SPENT BULLET
2 MARKED STATE'S EXHIBIT NUMBER 66
3 ADMITTED AS EVIDENCE.

4 BY SOLICITOR LEGETTE:

5 Q. Dr. Riemer, you also indicated that you documented
6 photographs of the victim, Ms. Tyhira Harrington, along
7 with Xrays.

8 A. Yes.

9 Q. Were you also able to do any diagrams?

10 A. Yes. So part of -- at the autopsy, it's useful for
11 me to make diagrams of the body. It's kind of a
12 standard practice of the autopsy of any body. So not
13 just taking photographs, but marking on body diagrams
14 where there may be abnormalities or, you know, trying to
15 depict. This is kind -- you know, before we had
16 photographs, or, you know, on the autopsies we've done a
17 long time ago, and everybody had to draw things. So
18 it's still helpful to have a diagram, and I make -- I
19 mark everything on the diagram.

20 Q. And Dr. Riemer, I'm going to hand you now what's
21 been previously marked for identification State's 61,
22 62, 64, 65, 70, and 71. Please take a moment and tell
23 if you recognize these exhibits.

25 THE COURT: You may.

5-9-18 STATE V SANDERS

ELLEN RIEMER - DX - LEGETTE

1 SOLICITOR LEGETTE: Thank you.

2 BY SOLICITOR LEGETTE:

3 A. So, after I recovered the projectile from the right
4 side of the head, I take a picture of it. So this --
5 this photograph --

6 Q. Don't hold it up yet. Let's just identify it
7 first.

8 A. Yes. It's a picture of the projectile that I
9 recovered at the autopsy.

10 Q. Okay. Yes, ma'am.

11 A. Okay. And this is a photograph -- so, in addition
12 to taking a picture of injuries and -- or bullets I
13 recover, I take overall photographs of the deceased, and
14 identification shots are just basically, you know, what
15 their body looks like before I start the autopsy. And
16 so, this photograph is Ms. Harrington's body lying on
17 the autopsy table, before any -- I've started, you know,
18 cutting anything.

19 And then, these are -- these two Xrays are done.
20 Usually, I take -- I saw, you know, there was a gunshot
21 wound to the head, so, and I didn't see an exit wound,
22 so I knew there was going to be a bullet in there. So,
23 in order to -- I locate the -- where the approximate
24 location of the bullet is. If I just did a plain front-
25 to-back Xray, you know, I can see that it would be on

5-9-18 STATE V SANDERS

ELLEN RIEMER - DX - LEGETTE

1 the right -- right side of the head, which is what this
2 is. But this isn't lateral, so we have an A.P. Xray and
3 a lateral Xray that shows me where I would be able to
4 find the bullet. And then, that's basically helpful.
5 It's basically kind of like a GPS of finding the bullet.
6 So it's not absolutely essential, but it's a helpful
7 guide to find the bullet in the body. Okay.

8 And then, these two pieces of paper are body --
9 this -- this is a body diagram that I do on every
10 autopsy that I've ever performed, where I mark things on
11 the body that I see. So I -- I included tattoos that I
12 saw, and then some scars that she had, and an
13 identification tag. I marked like, that was on the
14 right toe. So I know, you know, how -- how -- how --
15 things I saw on the body. And then, I can incorporate
16 those things into an autopsy report that I have to
17 produce.

18 And then, finally, because this was a -- I saw a
19 gunshot wound to the head, which was the most
20 significant finding in this case, there's all sorts of
21 extra diagrams at my disposal, and this is a diagram of
22 the head, where I was able to approximate the location
23 of the entrance wound and -- and put down around, you
24 know, the path that it went through.

25 Q. Thank you, Dr. Riemer. And Dr. Riemer, are State's

2 -- are they all fair and accurate reflections of the

4 you took on that morning of May 10, 2016?

5 A. Yes.

6 SOLICITOR LEGETTE: At this time, your Honor, I
7 would offer -- I'm sure I'm missing one -- State's 64,
8 65, 70, 71 -- may I approach?

9 THE COURT: You may.

10 SOLICITOR LEGETTE: Okay. So it's State's 70, 71,
11 65, 64, 62, and 61 for admission into evidence.

12 THE COURT: Any objection?

13 MR. PLEXICO: Subject to my prior.

14 Q. And Dr. Riemer, at this time I would like to have
15 you step down a bit, or come down.

16 SOLICITOR LEGETTE: Could I get a microphone,
17 please, Madam Clerk.

18 BY SOLICITOR LEGETTE:

19 Q. So you can look at the actual screen to our left --
20 to your left, and to go over your exhibits.

21 A. Okay. So that's the photograph that I took of the
22 entrance gunshot wound. And you can see it's on the
23 left side of the eyelid, below the left eyebrow.

24 Q. And Dr. Riemer, during your autopsy, were you able
25 to document beyond just the entrance wound on the face

5-9-18 STATE V SANDERS

ELLEN RIEMER - DX - LEGETTE

1 of Ms. Harrington? Were you able to document any other
2 injuries in this area?

3 A. Yeah, okay. So you can see, if you look closely,
4 there's -- it looks like there's a bunch of lead gaps or
5 scrapes, you know, flat-like scrapes surround -- that
6 are surrounding the actual entrance defect, and that's
7 called gunpowder stippling. So, when a bullet is fired
8 out of the barrel of a gun, there's gunpowder that's
9 ejected from the barrel of the gun, along with the
10 bullet. Now, the bullet has the potential to travel a
11 great distance, but the gunpowder can travel a short
12 distance. So, when -- and when gunpowder hits the skin,
13 it kind of causes these -- this stippling pattern. So I
14 can tell that this was not far away. It was fairly
15 close range.

16 Q. All right. And when you say fairly close range,
17 within how many -- within how many --

18 A. Yeah. Now, that's -- I can't tell exactly, because
19 every gun is a little bit different. But stippling like
20 this could be anywhere from, you know, three or four
21 inches away, to potentially a couple of feet away. But
22 you know, to -- it's somewhere in that range, but it's
23 -- we're not talking like four or five feet away.

24 Q. Thank you. And Dr. Riemer, now I want to turn your
25 attention to State's Number 61. What is State's 61?

5-9-18 STATE V SANDERS

ELLEN RIEMER - DX - LEGETTE

1 A. So that is the deformed jacketed projectile that I
2 recovered from the right temporalis muscle, which is the
3 muscle, you know, on the right side of the head.

4 Q. Now, State's Exhibit Number 62. What are we seeing
5 here?

6 A. Okay. So this is Ms. Harrington's body, you know,
7 as I'm commencing the autopsy. So I start with an
8 external exam, and take a photograph of the body before
9 I begin.

10 Q. And are you able to tell us how much she weighed?

11 A. Yes. She weighed a 106 pounds.

12 Q. Were you also able to determine how tall or how
13 long she was?

14 A. Yeah. I have it in my report.

15 Q. We'll talk about it later.

16 A. But, yeah, I don't recall.

17 Q. Okay. All right. Very good. And now, we move to
18 State's Number 64.

19 A. Okay. So this is an Xray of the head. I saw an
20 entrance gunshot wound, but I didn't have an exit wound.
21 So I would try -- and I would do the Xray anyway.
22 Sometimes a piece of bullet breaks off and is left
23 behind, even though there is an exit. But in this case,
24 this is an Xray of her head, and we can see the L. You
25 see there is an L there, so on the side of the black

5-9-18 STATE V SANDERS

ELLEN RIEMER - DX - LEGETTE

1 area. But that indicates that that's on the -- that is
2 the left side of the head, so there's the bullet on the
3 right side of the head. So that's what I can tell. And
4 I can see it's outside of the skull. And so, it's not
5 actually in the skull, but it's, you know, it's in soft
6 tissue, you know, but it's in -- on top of the -- on top
7 of the skull on the right side.

8 Q. And now, to State's Number 65.

9 A. Okay. So this is the lateral Xray. So, instead of
10 taking front to back, it's looking at -- the X-ray image
11 is from the side. And you can see it's kind of, you
12 know, right in the middle. The other -- the other image
13 showed it was on the right side, but it didn't tell me
14 where, whether it's closer to the front or the back of
15 the head. So, in this, I can see it's probably going to
16 be, you know, not far away from the middle of the right
17 side of the head.

18 Q. Dr. Riemer, you can take your seat. And we want to
19 talk about -- well, I actually want to -- one second.
20 Dr. Riemer, did the bullet actually go -- what was the
21 traveling of the bullet, or can you talk about it?

22 A. Oh, trajectory?

23 Q. Yes, ma'am.

24 A. Yes. Okay. So there's always a -- you know, we
25 talk about things going through space. It always has

5-9-18 STATE V SANDERSELLEN RIEMER - DX - LEGETTE

1 three dimensions. So, in this case, it was -- the
2 obvious direction is from left to right. Okay? So it
3 started at the left side, and it's always relative to
4 the person's body, not your looking at it. So you know,
5 it was from her left to her right. And then, also,
6 there was also it was slightly upward a little bit. So
7 where it's -- went -- went in on the left eyelid, it
8 terminated slightly above that location, and it was also
9 slightly front to back. So those are the three
10 directions that -- and it's the most prominent direction
11 in this case was left to right.

12 Q. So, in State's Number -- I believe this is on the
13 screen, this is State's Number 64 on the screen, on the
14 -- it looks like on the right-hand side you found the
15 bullet?

16 A. Yes. Yes.

17 Q. So that it traveled from left to right?

18 A. Left to right.

19 Q. Okay. Thank you, Dr. Riemer. Please have a seat
20 back on the witness stand.

21 Dr. Riemer, I asked you earlier regarding, I guess,
22 the height and weight of the victim. Are you able to
23 tell us how much she weighed, as well as her height?

24 A. Yes. So before the autopsy begins, we have a
25 scale. So weigh the body. And then, we take a -- a

5-9-18 STATE V SANDERS

ELLEN RIEMER - DX - LEGETTE

1 tape measure, and measure her from the base of her foot
2 to the top of her head. And I measured that she's --
3 well, she weighed 105 pounds, and she was sixty-six and
4 a half inches, so five-six and a half.

5 Q. All right. And Dr. Riemer, did you also do any
6 toxicology on the victim in this case?

7 A. Yes. That's always done. So on every autopsy, no
8 matter how somebody dies, or if it's natural or homicide
9 or suicide, anything, I take samples of blood from the
10 body at autopsy, and I send them to a toxicology lab
11 that performs toxicology testing.

12 Q. Dr. Riemer, I'm going to briefly -- I'm sorry, what
13 was --

14 A. Yeah.

15 Q. -- the result of the toxicology?

16 A. So, when I got the results back, and in this case
17 she had ethanol and a B.A., like a blood alcohol
18 concentration of 0.132. And she also had some nicotine
19 and codeine.

20 Q. Okay. And so, basically just alcohol was in her
21 system?

22 A. Alcohol. Yes, alcohol.

23 Q. Okay. All right. Dr. Riemer, we're now going to
24 -- you indicated earlier about your exhibits that you
25 actually -- the, I guess, diagrams that you created in

5-9-18 STATE V SANDERS

ELLEN RIEMER - DX - LEGETTE

1 this case. I want to direct your attention -- I'm going
2 to get the screen over here.

3 SOLICITOR LEGETTE: We just need the T.V., Madam
4 Clerk.

5 BY SOLICITOR LEGETTE:

6 A. Is there something there? I can't see it.

7 Q. It's coming up. Can you see it?

8 A. I'll have to step down.

9 Q. Yes, ma'am. All right, Dr. Riemer, here's your
10 microphone.

11 A. Okay.

12 Q. Please tell us what we're seeing in -- this is
13 State's Exhibit Number 70.

14 A. Okay.

15 Q. Do you see it?

16 A. Yes. So this is my body diagram, and you can see
17 that there's -- at the top of the diagram, there are
18 some numbers.

19 Q. Yes, ma'am.

20 A. Yeah, and you know, her eye color and her weight.
21 You see 105 pounds, sixty-six and a half; and then the
22 temperature, if she was warm or cold; her hair. And
23 then, I marked things on the body where I noticed them.
24 So I had a gunshot wound just actually -- it was -- you
25 can see there's a line to the left -- left eye. And

5-9-18 STATE V SANDERS

ELLEN RIEMER - DX - LEGETTE

1 then, I actually had another diagram that showed it
2 more, you know, in more detail.

3 Q. This is State's 71, are you referring to?

4 A. Yes.

5 Q. Okay.

6 A. Okay. So yeah. If you move that up, you can see.
7 Right. So I depicted the -- where the entrance wound
8 was on the left eyelid area, and I drew dots around it
9 to indicate that there was gunpowder stippling. And
10 also, I have -- you see those numbers, four and a half,
11 four and -- looks like four and an eighth, which on the
12 top of the head; and three and three-quarter inches to
13 the left -- to the right of mid-line. So that's the
14 actual location where I recovered the bullet, and I
15 wrote bullet under -- I didn't actually write skin, but
16 I wrote S.K. because -- I know that's small, my
17 shorthand.

18 Q. All right. Thank you, Dr. Riemer. You can take a
19 seat back on the witness stand, and I'll get this
20 microphone.

21 Now, Dr. Riemer, you indicated she had a gunshot
22 wound to the head. And how long would it have taken her
23 to, I guess, transpire or die?

24 A. To expire, you mean?

25 Q. Yes, ma'am, to expire.

5-9-18 STATE V SANDERS

ELLEN RIEMER - DX - LEGETTE

1 A. Very quickly. This was a non-survivable gunshot
2 wound, and the injury to the brain was very severe, and
3 she would have died immediately.

4 Q. Dr. Riemer, are you able to demonstrate to the jury
5 how the bullet -- or the trajectory of the bullet as it
6 would have cut across the path of her brain?

7 A. Yes.

8 SOLICITOR LEGETTE: May I approach the witness,
9 your Honor?

10 THE COURT: You may.

11 BY SOLICITOR LEGETTE:

12 A. Okay. So every -- you know, the bullet, you know,
13 I have an entrance wound. And then, in this case, there
14 wasn't actually an exit wound, because the bullet
15 terminated below the skin. But along it's path, from
16 where it started to where it ended, it went through the
17 base of the skull, which is -- so we have our brain, and
18 then we have all our facial structures. And the base of
19 the skull is actually -- bones, the base, the bone that
20 holds up the brain. Okay. And so, if I was going to --
21 I don't know if I'm going to get this all the way
22 through. Yeah, that's about right. So it's kind of --
23 you can see it's -- it's really going from left to
24 right, and then the bullet was -- was underneath the
25 skin, in this location.

5-9-18 STATE V SANDERS

ELLEN RIEMER - CX - PLEXICO

1 Q. Thank you. And Dr. Riemer, I know you've already
2 said it, but within a reasonable medical certainty, what
3 was the cause of death in this case?

4 A. Gunshot wound to head.

5 Q. And what was the manner of death?

6 A. Homicide.

7 SOLICITOR LEGETTE: Dr. Riemer, I have no further
8 questions. Please answer any questions from Mr.
9 Plexico. And I'll get this back from you.

10 THE COURT: Mr. Plexico?

21 BY MR. PLEXICO:

22 Q. So you have this type of wound, and forgive me, but

25 A. Yes.

5-9-18 STATE V SANDERS

ELLEN RIEMER - CX - PLEXICO

1 Q. All right. And this person turned their head,
2 could they get that type of wound from someone sitting

4 A. Yes.

5 Q. Okay. So they could just turn their head and not
6 their body.

7 A. That's correct.

8 Q. And get the same wound.

9 A. Yes.

10 Q. Okay.

25 MOTIONS AND RULING:

5-9-18 STATE V SANDERS

MOTIONS AND RULING

1 MR. PLEXICO: I believe that since it is not
2 murder, it should not go to the jury as no more than
3 manslaughter now. If your Honor -- if I'm right, --

4 THE COURT: Okay. We'll talk about that, as far as
5 the jury charge is concerned, in just a minute. But I
6 can tell you, based on the evidence that I've heard in
7 the trial of this case, I do think it's a jury issue
8 whether or not this was murder, whether or not malice
9 exists, which I think is the real issue in this case,
10 potentially, and whether or not the State has disproved
11 self-defense as an affirmative defense in this case. So
12 I think, respectfully, it is a jury issue. This is very
13 much a fact-driven case, so I think it's appropriate to
14 send it to them.

15 Let's talk, Mr. Plexico, about any lesser-included
16 charge of voluntary manslaughter.

17 MR. PLEXICO: We didn't get the directed verdict.
18 We would oppose the charging of the jury of
19 manslaughter, Judge.

20 THE COURT: Okay. So you just want me to charge
21 murder and possession of a weapon, correct?

22 MR. PLEXICO: Yes.

14 Q. Okay. All right. What happened while you were

20 Q. All right. What did you do to instigate any of
21 these attacks?

22 A. Nothing.

23 Q. Okay. All right. Now, would Marilyn Garvin have
24 any reason to tell anybody that -- that -- that Tyhira
25 had taken you to Allendale to get set up? If so, what?

5-9-18 STATE V SANDERS

GREGORY SANDERS - DX - PLEXICO

1 A. If there was a reason, I wouldn't know what it was.

2 Q. Did that ever happen?

3 A. No.

4 Q. Have you ever been to Allendale with Tyhira
5 Harrington?

6 A. No.

7 Q. When's the last time you were even in Allendale
8 County?

9 A. Over eight years.

10 Q. Do you have any idea what that was all about?

11 A. No, sir.

12 Q. Okay. Are you any kind of gang member?

13 A. No, sir.

14 Q. Now, do you know Javasha Forrester?

15 A. Yes, sir.

16 Q. How do you know her?

17 A. That's my girl.

18 Q. For how long?

19 A. Little over seven years.

20 Q. Okay. All right. Is there anything special about
21 her?

22 A. Like special education, like, he was in her
23 resource classes when she went to school.

24 Q. Okay. And how does that affect her -- her skills?
25 Self-expression skills.

5-9-18 STATE V SANDERS

GREGORY SANDERS - DX - PLEXICO

1 A. I mean, she can understand to a certain extent, but
2 if you use, like, kind of like big words or whatever or
3 whatever, she not going to understand what you're trying
4 to say to her.

5 Q. All right. What about her emotional development?

6 A. As far as --

7 Q. Excited? Does she get excited, easily
8 impressionable?

9 A. Not really.

10 Q. Okay. Describe her physically.

11 A. She's short and skinny.

12 Q. Okay. And, all right. Now, did you meet Javasha
13 Forrester after the incident at Tyhira Harrington's
14 apartment?

15 A. Yes, sir.

16 Q. Okay. All right. Now, at some time later, did you
17 leave with Javasha Forrester?

18 A. Yes, sir.

19 Q. And what time was that?

20 A. Probably like around a little -- like a late 12:00,
21 early 1:00 o'clock, somewhere up in there, in the
22 morning.

23 Q. Okay. All right. So where were you all going?

24 A. We was going home.

25 Q. All right. What was your mode of transportation?

5-9-18 STATE V SANDERSGREGORY SANDERS - DX - PLEXICO

1 A. We was walking.

2 Q. Okay. Were you all doing anything, if so, what, to
3 bring notice to yourselves?

4 A. No, sir.

5 Q. Were you loud or anything?

6 A. No, sir.

7 Q. Okay. All right. So you were walking down the
8 street, is what you're saying.

9 A. Yes, sir.

10 Q. All right. Did you see a car that came to your
11 attention?

12 A. Yes, sir.

13 Q. And what did that car do?

14 A. It drove past us, slammed on the brakes, backed up,
15 put it on the road that we was on, and pulled up, pulled
16 near right here, like the apartment where we was at, in
17 the area where we was at. And he'd slammed on brakes,
18 and all four doors came open, and all four of them got
19 out.

20 Q. Okay. So they pulled how close up to you?

21 A. Like, the front of the hood of the car where the
22 corners taper at.

23 Q. Could you touch it?

24 A. Yeah, I could've touched it from a distance.

25 Q. What kind of emotional effect, how did that make

5-9-18 STATE V SANDERS

GREGORY SANDERS - DX - PLEXICO

1 you feel to have somebody pull a car that close to you?

2 A. I was scared.

3 Q. Okay. All right. So they drove by on another
4 street?

5 A. On another street.

6 Q. You just testified to.

7 A. Yeah. The road's like this. Me and my girlfriend
8 on this road. They on this road.

9 Q. While walking down that way?

10 A. Yeah, we going this way; they going that way. And
11 he drive past, he slammed -- must have spotted us. He
12 slam on the brakes, back up, put up on our road, and
13 swerved over in front of us.

14 Q. Okay. So how many people got out of the car?

15 A. Four.

16 Q. Did they -- how did they -- did they get out one at
17 a time, or what?

18 A. They all four got out at the same time.

19 Q. They just piled out when the car stopped. Okay.

20 All right. What was said to you, by whom?

21 A. Well, Tyhira, when she come out the driver's side.
22 Like I say, they all got out at the same time.

23 Q. So who's driving?

24 A. Tyhira's driving.

25 Q. Okay. All right.

5-9-18 STATE V SANDERS

GREGORY SANDERS - DX - PLEXICO

1 A. When they -- when they -- she was the first one to
2 say anything, and she like, we about to fuck you all up.

3 Q. Excuse me? What did she say?

4 A. She said we about -- she said we about to fuck you
5 all up.

6 Q. You all, both of you?

7 A. Yeah.

8 Q. All right. And that was directed to who?

9 A. Both of us, me and my girlfriend.

10 Q. All right. And that would be Javasha.

11 A. Javasha Forrester.

12 Q. Okay. All right. What were the other -- all
13 right. What was your response to that?

14 A. I was backing up, and I put my girlfriend behind
15 me.

16 Q. Okay. So what was your purpose in putting her
17 behind you?

18 A. To protect her from whatever they was about to do.

19 Q. Okay. All right. Now, what happens when somebody
20 fucks you up? Forgive the language, but what happens
21 when somebody does that?

22 A. You going be injured, you going be hurt.

23 Q. Okay. And what was your fear?

24 A. Of me or her, especially her, being injured or
25 hurt.

5-9-18 STATE V SANDERS

GREGORY SANDERS - DX - PLEXICO

1 Q. Okay. And what do you think their intent was?

2 A. What they said they was going to do.

3 Q. Okay. All right. Where was Randy White in regards
4 to this?

5 A. Randy was right beside Tyhira.

6 Q. All right. Tyhira was moving in what direction in
7 relation to you?

8 A. Towards me and my girl.

9 Q. Did she say anything else that made you -- that put
10 fear in you?

11 A. Yeah. Like, she kept saying how she had wanted to
12 fight my girl -- girl, because she didn't want to fight,
13 but she said she want to fight me. Then, for some
14 reason, she was like, I ain't worried about nothing, I
15 got my iron in the seat.

16 Q. Okay. What did that indicate to you?

17 A. I think she's talking about a gun.

18 Q. All right. And where's Randy at?

19 A. Right beside her.

20 Q. And when she moved up towards you, what did Randy
21 do?

22 A. When she moved up, he moved up along with her.

23 Q. What were the -- was Marquis Alston there?

24 A. Yeah, he was like -- Marquis was right here, Randy
25 right here, Tyhira right here, and Daisy was like right

1 here, like this.

2 Q. All right. What were your -- what were your
3 avenues of retreat?

4 A. There really wasn't none, because you got Marquis
5 on this -- right here on this corner; you got Randy
6 right here; you got Tyhira right here; you got Daisy
7 right there, and a building behind us.

8 Q. And what's in front of you that's big and --

9 A. The car.

10 Q. Okay. All right. So you didn't -- you didn't have
11 a way to go?

12 A. No, sir.

13 Q. And if you -- if you left, who would you have to
14 leave?

15 A. My girlfriend.

16 Q. Okay. And what were you fearing would happen to
17 her?

18 A. She was going to be injured or hurt.

19 Q. Okay. And how bad do you think that was going to
20 be?

21 A. Real bad. You got two dudes and two females. You
22 all saw the size of Daisy compared to her, and the
23 height of Tyhira compared to her; the size of Randy and
24 Marquis compared to her. So it was a no-win situation
25 with her.

5-9-18 STATE V SANDERS

GREGORY SANDERS - DX - PLEXICO

1 Q. And what was going to happen to her?

2 A. She was going to get hurt.

3 Q. Okay. And how badly did you think she could be
4 hurt with those four people attacking her?

5 A. Seriously.

6 Q. Okay. And were you -- were you prepared to stop
7 that serious injury?

8 A. Yes, sir.

9 Q. Okay. All right. Now, what were you telling them
10 to do?

11 A. I been telling all of them to go home, leave us
12 alone and go home.

13 Q. Did you do anything to provoke this?

14 A. No, sir.

15 Q. Okay. All right. Now, what was their response to
16 you and Javasha as you backed up and said go home?

17 A. She was -- Tyhira was still running off at the
18 mouth. Randy was -- every time she moved up, Randy was
19 right beside her, moving up, also. And Marquis was
20 still at the corner of the car, but like kind of coming
21 up a little bit. Daisy was standing like, on the other
22 side of Tyhira, but just standing there. Then, like my
23 girlfriend, she was behind me. Tyhira kept walking back
24 over like this. So I'm like moving her out of -- out of
25 her way or whatever. And when I look up, Daisy came up

1 a little bit more. And then, from there --

2 Q. So she keeps coming up. Marquis is by the car,
3 which has what in it, do you believe?

4 A. A gun.

5 Q. Okay. So how are you going to win this situation?
6 Did that look possible? How'd you feel?

7 A. I mean, I was scared.

8 COURT REPORTER: He did not answer your question,
9 *did that look possible.* You shook your head.

10 Q. Did that look like a situation there was any kind
11 of win in it?

12 A. No, sir.

13 Q. Okay. So was it a bad situation?

14 A. Yes, sir.

15 Q. Okay. And you were fearing serious injury?

16 A. Yes, sir.

17 Q. To yourself?

18 A. And my girlfriend.

19 Q. Okay. And how many of them is it on you?

20 A. There's four of them. There's two of us.

21 Q. Okay. All right. Is she any kind of little girl
22 to fight -- any kind of girl to fight in her physical

24 A. No. She's short and skinny, real skinny.

7 A. She never hit me, period.

8 Q. Okay. All right. You all have a good

10 A. Yes, sir.

11 Q. You love her?

12 A. Yes, sir.

13 Q. You wanted to protect her?

14 A. Yes, sir.

15 Q. And when they moved up and they got closer, and
16 they got about this distance, what happened?

17 A. I fired.

18 Q. And why did you fire?

19 A. So we going to be able to get away.

20 Q. What was their response? I know that -- that
21 Tyhira fell over. What was the response of the other

24 behind the car.

25 Q. What did that give you and Javasha an opportunity

12 Q. All right. And according to you, Yhantyse was
13 there as well, Daisy?

14 A. Yeah.

15 Q. Okay. Now, which of them were the associates of
16 Tyhira's baby daddy, Joe Frank.

17 A. No, he one them, too.

18 Q. All right. So who was?

19 A. The ones from the pool hall that I got lynched by,
20 by the projects.

21 Q. Okay. So you got lynched by the projects?

22 A. Yeah, twice.

23 Q. All right. You got lynched by the projects twice
24 by who?

25 A. The associates of the girl baby father.

5-9-18 STATE V SANDERS

GREGORY SANDERS - CX - LEGETTE

1 Q. Who are the associates, male or female?

2 A. No, they males.

3 Q. Males? All right, so males lynched you?

4 A. Earlier that day.

5 Q. All right, so some men lynched you?

6 A. Earlier.

7 Q. All right. So the men lynched you, not your
8 girlfriend?

9 A. No.

10 Q. She didn't punch you in the eye?

11 A. No.

12 Q. And it wasn't Tyhira?

13 A. Later on that night, Tyhira, Kywana Bradley, and
14 Yhantyse, what, Priester? Yeah.

15 Q. Okay. Well, who was in the house when that
16 happened?

17 A. It was Yhantyse, Kywana, Tyhira, Samson, and her
18 mom. Tyhira mom.

19 Q. All right. So they all watched you -- they all
20 just let you get lynched.

21 A. Yeah.

22 Q. In the house.

23 A. Yeah.

24 Q. All right. Now, how did you get away?

25 A. I fought my way to the door and left out.

5-9-18 STATE V SANDERS

GREGORY SANDERS - CX - LEGETTE

2 A. Yeah.

3 Q. And left out?

4 A. And left out.

5 Q. Okay. Was your girlfriend there, too?

6 A. No.

7 Q. So once you fought your way to the door and left
8 out, where did you go after that?

9 A. Go get my girlfriend so we could go home.

10 Q. Go home. All right. And where'd you go home to?

11 A. We never made it.

12 Q. You never made it. Oh, oh, we were headed home.

13 A. Heading home.

14 Q. Okay. All right. So how long after you left the
15 apartment after you got beat up did you encounter
16 Tyhira?

17 A. Probably thirty -- a little bit after that. Like,
18 thirty, probably forty minutes.

19 Q. Okay. All right. So, all right. Now, but you did
20 shoot and kill Tyhira?

21 A. Yes, ma'am.

22 Q. All right. Well, so I kind of want to understand
23 how this went down. You right-handed or left-handed?

24 A. I'm right-handed.

25 Q. Okay. And explain to me again -- so can you step

5-9-18 STATE V SANDERSGREGORY SANDERS - CX - LEGETTE

19 Q. Okay.

20 A. You Randy. Step over two steps, here's Tyhira.

21 Q. Okay.

22 A. Where she's sitting at, there's Daisy.

14 Q. And what are you saying?

15 A. I'm telling them to go home.

16 Q. Okay.

17 A. Leave us alone and go home. Just like this, leave

19 Q. You telling Randy he don't want to be a witness?

20 A. I did not say that.

21 Q. Okay. What did you say?

22 A. I said to go home and leave us alone. She said --

24 Q. Okay.

25 A. My girl said she did not want to fight.

13 Q. All right. So what is Tyhira doing?

14 A. She's stated -- she's walking back and forth all

10 A. But the apartment buildings.

11 Q. Okay. So apartment buildings over here.

12 A. Um-hmm.

13 Q. Just --

11 Randy's right here. And Marquis right here.

12 Q. Okay.

13 A. And the car is over to right here.

9 Q. That were in it? And there was one in the chamber,

11 A. Yes, ma'am.

12 Q. All right. You said you fired one, maybe two

19 Q. All right. So how fast was it?

20 DEFENDANT SANDERS INDICATING.

21 Q. So how -- okay. All right. So now, you can sit

5-9-18 STATE V SANDERS

8 A. Yeah, we was cool at -- until a certain extent.

10 Q. Okay. So you are on your way home, but you didn't

17 Q. Did you live there?

18 A. No.

19 Q. Okay. Why did you go there?

20 A. It was closer, and ain't -- wasn't nobody living

7 A. I did not tell nobody that.

8 Q. I want to show you these.

9 SOLICITOR LEGETTE: May I approach? They're

8 Q. Did anyone ever punch you when you were standing

10 A. That night?

11 Q. Yes.

12 A. No.

13 Q. No. All right. What kind of trouble had you had

15 A. None.

16 Q. How about Marquis?

17 A. None.

18 Q. How about Yhantyse?

19 A. None.

20 Q. Okay. And you said that you were lynched earlier
21 by?

22 A. The people who was over there, Tyhira Harrington's

24 Q. But Tyhira wasn't with him.

25 A. No.

5-9-18 STATE V SANDERS

GREGORY SANDERS - CX - LEGETTE

3 A. Yes, ma'am.

4 Q. Okay. At that time, did you believe it was self-
5 defense?

6 A. Yes, ma'am.

7 Q. Did you call 911?

8 A. I didn't have a phone.

9 Q. Okay. You didn't have a phone. How close is the
10 Second Street house to the police department?

11 A. Good little walking distance. It not really a good
12 little walking distance, but from there to there. You
13 can walk. It's walking distance.

14 Q. You can walk. So you walk by it to get to the

16 A. Yeah.

17 Q. All right. And when you got lynched by all these
18 people, you got lynched -- how many times have you been

20 A. Twice.

21 Q. You been lynched twice.

22 A. Twice in the projects, and once in the apartment.

23 Q. Did you ever tell the police about that?

2 A. Monday. Monday, this week?

3 Q. Um-hmm.

4 A. Hmm, what did we have at the county jail?

5 Q. Okay. All right, Mr. Sanders. Now, the person who
6 was doing all the talking you said was Tyhira?

7 A. Yeah.

8 Q. Okay. And you never told her mother you was going
9 to kill her?

10 A. No.

11 Q. Never said it to Samson, either?

12 A. No. And Monday we had chicken patty and chips.

13 Q. Mr. Sanders?

14 A. Ma'am.

15 Q. I'm going to approach you one more time. Now,
16 these injuries were already healed over.

17 A. No.

18 Q. Did one of them get scraped when you were getting
19 into the police car?

20 A. No, I one that had a Band-aid on it, this one.

21 Q. All right. It got scraped when you were getting

23 A. Yeah. No -- one of the two.

24 Q. Out or in?

5-9-18 STATE V SANDERS

GREGORY SANDERS - CX - LEGETTE

3 Q. Okay.

4 THE COURT: That's a yes, for the record?

6 BY SOLICITOR LEGETTE:

7 Q. Okay. And you said you fired one shot?

8 A. Once or twice. I mean, I can't really remember as
9 far as that goes.

10 Q. Okay. And --

11 SOLICITOR LEGETTE: Begging the Court's indulgence.

12 THE COURT: Yes.

13 BY SOLICITOR LEGETTE:

14 Q. Mr. Sanders, how many people have lynched you on

16 A. It was -- it was a group of people.

17 Q. I mean, how many people lynched you on May 10th?
18 Not just a group. How many people lynched you?

19 A. You talking about during day?

20 Q. Well, you got lynched a couple times on that day,
21 right?

22 A. Yeah. And I know for a fact that when I got hit by
23 them, it was just three, Tyhira, Kywana, and that girl.
24 But as far as during the day, I couldn't say. I was on
25 the ground. But it was -- I know it was more than two

5-9-18 STATE V SANDERS

GREGORY SANDERS - CX - LEGETTE

1 or three people, I know that. They have a video of it

3 Q. So, on May 10th, you got lynched by -- who had a
4 video of it?

5 A. Whoever recorded it.

6 Q. Is it recorded, of you getting lynched?

7 A. Yes, ma'am.

8 Q. I've never seen that, Mr. Sanders. Have you seen
9 the video of you getting lynched?

10 A. I seen part of the ending of it.

11 Q. Okay.

12 A. Or one of them, I guess. I don't know how many
13 there was.

14 Q. All right. Could we see it? Can you get it for us
15 to see?

16 A. How?

17 MR. PLEXICO: Your Honor, I think we have a matter
18 of law here.

19 THE COURT: Okay. Ladies and gentlemen of the

23 JURORS LEAVE COURTROOM 12:18 P.M.

24 THE COURT: Mr. Plexico.

25 MR. PLEXICO: Yes, your Honor. In Franklin versus

5-9-18 STATE V SANDERS

GREGORY SANDERS - CX - LEGETTE

1 Fitz there was a video part of that, and we have not
2 chosen to use that in our defense case, Judge. They
3 should've done due diligence if they wanted to find it.
4 I don't think -- I don't think he has a copy of the
5 video because he's been in jail.

6 THE COURT: Um-hmm. Okay.

7 SOLICITOR LEGETTE: Your Honor, Mr. Sanders himself
8 mentioned the video, and if there's a video, we would
9 like to have been able to see it. He says he has seen
10 the video. I'm simply asking him, well, where can we
11 find the video, pretty much, since he opened the door
12 and he mentioned there was a video of him being lynched.

13 THE COURT: Well, I don't think there's anything
14 wrong with you having asked about it. And I don't think
15 there's going to be anything wrong with now you say
16 you've seen this video, he says; but he didn't turn it
17 over to your lawyer, did you. Did anyone give it to
18 him? If this, you know -- I think you can ask all those
19 questions.

20 SOLICITOR LEGETTE: Yes, your Honor.

21 THE COURT: Seems to support his case.

22 SOLICITOR LEGETTE: Yes, your Honor.

23 MR. PLEXICO: Your Honor, I think that borders on
24 attorney/client privilege. We don't have to turn it
25 over because we're not using it, and --

5-9-18 STATE V SANDERS

GREGORY SANDERS - CX - LEGETTE

1 THE COURT: It doesn't border on attorney/client
2 privilege in any way.

3 MR. PLEXICO: Because I'm the one who showed it to

5 THE COURT: He's the one that brought it up. The
6 defendant's the one that said it was on video. Okay.

7 Pumpkin, you know anything about the food? Is it
8 on its way?

9 MADAM CLERK: Yeah, she's on the way.

10 THE COURT: Perfect. Okay. Well, are we getting
11 close to wrapping him up?

12 SOLICITOR LEGETTE: Yes, your Honor, we are, very
13 close.

14 THE COURT: Okay. Let's bring the jury back out,
15 then.

16 Ms. Legette, do you think you're going to need a
17 rebuttal?

18 SOLICITOR LEGETTE: I don't think so your Honor.

19 THE COURT: Okay. We're ready, sir. Okay.

22 All right. Ms. Legette, continue.

5-9-18 STATE V SANDERS

BY THE COURT

1 Q. Just briefly, Mr. Sanders. But you ran after this
2 was all over? You ran after it was all over?

3 A. Yes, ma'am.

4 Q. Okay. Nobody followed you?

5 A. My girlfriend. Are you talking about out of them?

6 Q. Yeah, after that. You ran, nobody followed you.

7 A. I done ran, cause like I say, me and my girlfriend,
8 so.

9 Q. Okay. So nobody followed you?

10 A. No, ma'am.

11 Q. Nobody tried to stop you?

12 THE COURT: That's a no, for the record?

13 A. No. My bad. No.

14 BY SOLICITOR LEGETTE:

15 Q. And but, you went to the house on Second Street?

16 A. Yes, ma'am.

17 Q. All right.

18 SOLICITOR LEGETTE: Thank you. I have nothing
19 further.

20 BY THE COURT:

21 THE COURT: Mr. Plexico?

22 MR. PLEXICO: I don't have anything further, Judge.

23 THE COURT: All right. You may step down, sir.

24 Anything further, Mr. Plexico?

25 MR. PLEXICO: No, your Honor. Defense would rest.

5-9-18 STATE V SANDERS

CHARGE CONFERENCE

1 food isn't quite here -- I am going to ask that all of
2 you be back at 1:00 o'clock. All right? So go grab a
3 bite to eat, and we are going to go ahead and do -- oh,
4 let's talk about the jury charges before we break, just
5 very quickly. But if you all are back at 1:00 o'clock,
6 we'll go ahead and argue and charge.

CHARGE CONFERENCE:

8 THE COURT: As far as my jury charge is concerned,
9 I know Crystal has talked to you about what you're
10 requesting to charge. I have my standard charge.
11 Obviously, that the indictment and the charge and the
12 arrest is not evidence. I talk about presumption of
13 innocence, reasonable doubt, the duty of the jury is to
14 find the facts, I'm the judge of the law. I talk about
15 direct and circumstantial evidence, the credibility of
16 the witnesses.

17 I also have the charge on prior inconsistent
18 statements. Also expert witnesses. I charge murder.
19 And of course, there is not the inference portion of
20 that. As to the gun and inferring malice, I just do it
21 without that, of course. And then, the charge of
22 possession of a weapon during the commission of a
23 violent crime.

24 Then, I charge self-defense, which includes,
25 obviously, the elements of self-defense, which is

5-9-18 STATE V SANDERSCHARGE CONFERENCE

1 without fault, imminent danger, and no other way to
2 avoid the danger. And then, within that, I talk about
3 contemptuous language, mutual combat, defense of others,
4 and a right to act on appearances, and words accompanied
5 by hostile acts, prior difficulties, size and age, the
6 victim's reputation and any threats by the victim. And
7 then, just my normal standard at the very end.

8 And my understanding from Crystal is that you both
9 have seen the verdict form. Is there any objection to
10 the verdict form from the State?

11 SOLICITOR LEGETTE: I just wish you could flip it,
12 but I understand you flip it each time.

13 THE COURT: Okay. Anything from the Defense?

14 MR. PLEXICO: Your Honor, I would ask that you
15 charge defense of others, too. I think you said that.

16 THE COURT: I did say that.

17 MR. PLEXICO: Okay. And I would object to an
18 offense on prior -- a charge on prior inconsistent
19 statements. I don't think there is any inconsistent
20 statements that go to the heart of the matter involving
21 the shooting of Tyhira Harrington. I don't think it
22 would be proper on a collateral matter that does not
23 affect the shooting.

24 COURT REPORTER: *Does not affect?*

25 MR. PLEXICO: The shooting. The actual time of the

5-9-18 STATE V SANDERS

CHARGE CONFERENCE

1 shooting, if you want to go on the time of the shooting.

2 THE COURT: Well, what's the State's position on
3 that?

4 SOLICITOR LEGETTE: Your Honor, I would disagree.
5 I believe that Marquis Alston, in a prior statement, and
6 based on the statement of the defendant, witnesses have
7 indicated he said one thing. He said that he did not
8 say it. So I would believe that would be also
9 considered a prior inconsistent statement, but that is
10 our belief, your Honor.

11 THE COURT: I think it's appropriate in this case.
12 I don't think there's any question that when Randy White
13 testified, there was issues about a prior statement. So
14 that's obviously for them to determine. I think there's
15 also potential as to the defendant as well, so. I think
16 it's appropriate. Anything else?

17 SOLICITOR LEGETTE: Not from the State.

18 THE COURT: Anything else, Mr. Plexico?

19 MR. PLEXICO: Not from the Defense. No, your
20 Honor.

21 THE COURT: All right. Go grab a bite, you all.
22 Be back at 1:00. I know I'm giving you all a short time
23 frame, but we need to get going. Okay?

24 OFF THE RECORD 12:33 P.M.

25 BACK ON THE RECORD 1:15 P.M.

5-9-18 STATE V SANDERSCHARGE CONFERENCE

1 BY THE COURT:

2 THE COURT: Okay. And do the lawyers have whatever
3 they need as far as evidence is concerned?

4 SOLICITOR LEGETTE: Can we have two minutes?

5 THE COURT: Pardon?

6 SOLICITOR LEGETTE: Can we have two minutes?

7 THE COURT: Yes, you have two minutes.

8 MR. PLEXICO: I do have an objection to one of your
9 jury charges, too, Judge.

10 THE COURT: Sure. What is it?

11 MR. PLEXICO: That would be on mutual combat.

12 THE COURT: Oh, okay.

13 MR. PLEXICO: I don't think that mutual combat,
14 according to the evidence, comes into play in this
15 particular situation, your Honor, involving a shooting.

16 THE COURT: Tell me why.

17 MR. PLEXICO: I just don't see where the evidence
18 in the record supports a mutual combat charge.

19 THE COURT: Actually, I have to agree with you on
20 that. I don't think this is a mutual combat case.
21 Because usually, you have that as a case where people
22 fight, and then the defendant leaves and comes back.
23 And so, that happens oftentimes. Because his defense,
24 from everything I hear, is just that he didn't engage in
25 anything. I mean, if you took it according to him.

5-9-18 STATE V SANDERS

CHARGE CONFERENCE

1 MR. PLEXICO: Yes, your Honor.

2 THE COURT: I mean, also, and also testimony is, is
3 that the car came on them. It wasn't like -- so I'm
4 going to agree with Mr. Plexico on that. I don't think
5 I'm going to charge the mutual combat portion of this.
6 I just don't think it is appropriate. Anything else?

7 MR. PLEXICO: I have nothing else, your Honor.

8 THE COURT: Okay. Okay. All right. Well, if
9 we're ready to go, let's go ahead and bring them out.
10 We good to go?

11 MR. PLEXICO: Yes, your Honor, I'm ready.

12 THE COURT: All right. Ladies and gentlemen, for
13 those of you that are back there, if you would, please,
14 during the closing argument, I don't need you coming and
15 going from the courtroom. You need to keep your seat.
16 Also, I don't want to see any head bobbing or back-and-
17 forth shaking, that type of thing. Sometimes people
18 have a natural tendency to do that. Don't do it. Okay?
19 Because if not, I'll have one of the deputies come tap
20 you. Okay? Thank you.

21 Let's bring the jury out.

22 SOLICITOR LEGETTE: Your Honor, one matter?

23 THE COURT: Sure.

24 SOLICITOR LEGETTE: Close the door.

25 THE COURT: Sure. Can we close the door for just a

1 second? I'm sorry, I apologize. Can we just close the
2 door for a quick second? Yes. Hold on.

3 SOLICITOR LEGETTE: Just the order of closing. We
4 did not specify the order of closing.

5 THE COURT: Okay. Well, he put up evidence.

6 SOLICITOR LEGETTE: Yes, ma'am.

7 THE COURT: So again, I think you need to open in
8 full, he can respond, and then you can respond. Okay?

9 SOLICITOR LEGETTE: Okay. Thank you, your Honor.

10 THE COURT: Also I want to make sure you're very
11 careful not to burden-shift in any way. This whole
12 issue of the video, you could ask about it, but you
13 can't throw anything in your closing about it. Okay?

14 SOLICITOR LEGETTE: Yes, your Honor.

15 THE COURT: I just want to make sure you understood
16 that.

17 SOLICITOR LEGETTE: Yes, your Honor.

18 THE COURT: Okay. All right. Let's bring them in.

19 JURORS ENTER COURTROOM 1:18 P.M.

20 THE COURT: All right. Did you all get something to

22 FOREPERSON: Yes, ma'am.

23 THE COURT: Very good. Ladies and gentlemen, what
24 we have to hear left is closing arguments from the

5 to you. Okay? So, if you would give Ms. Legette your

7 SOLICITOR LEGETTE: Thank you, your Honor. May it

9 THE COURT: Yes.

10 SOLICITOR LEGETTE: Mr. Plexico.

11 CLOSING ARGUMENT ON BEHALF OF

12 THE STATE BY SOLICITOR LEGETTE:

13 SOLICITOR LEGETTE: Good afternoon. When I told
14 you -- when I met you on Monday, May 7th, 2016 [sic], I
15 told you this was a case about a deadly promise. A
16 deadly promise. A promise about Marilyn Garvin wearing
17 a black dress, buying a black dress, so she could wear
18 it, because Greg Sanders was going to kill her daughter.
19 Marilyn Garvin came before you on Monday, May 7th,
20 wearing a black dress. I didn't ask her about whether
21 she wore it to the funeral of her daughter, but she wore
22 it on Monday. A black dress.

23 Greg Sanders, his own words, his own words, and his
24 truth to those word, his words, a man of his word, are
25 what brought us here today. Now, my daddy was a man of

5-9-18 STATE V SANDERS

CLOSING - STATE - LEGETTE

1 his word, and I am in no way equating Greg Sanders to my
2 daddy. If my daddy ever told you something -- he had a
3 saying. He said, if I tell you huckleberries are ripe,
4 get your buckets. My daddy was the kind of man that my
5 brother and I -- he's three years younger than me. We
6 fought as kids, strong personalities, we'd fight. I
7 remember one particular time my daddy said, okay, you
8 all in here fighting, I got to go to church. But when I
9 get back, you're gonna get a whipping. Now, I don't
10 know if people still whip their kids or not. I don't
11 have any children. But my daddy, he told something, you
12 could put -- take that check to the bank.

13 Now, my daddy didn't get home 'til late that night.
14 My mom was with us, and we was like, mama, can you stop
15 him, you know, can you -- my mama was like, huh-uh, I
16 can't help you. My daddy got home, and it was time for
17 bed. But I can tell you this. Me and my brother got a
18 whipping.

19 One morning before school, we were fighting in the
20 house. My dad come running down the hall with a belt,
21 and he whipped us before school, and made us get on the
22 bus, because my daddy was a man of his word.

23 Greg Sanders is a man of his word. He told Marilyn
24 Garvin on May 7, 2016, standing with her boyfriend
25 Samson Williams, you better buy a black dress because

5-9-18 STATE V SANDERS

CLOSING - STATE - LEGETTE

1 I'm going to kill your daughter.

2 Now, ladies and gentlemen, you've heard a lot of
3 stuff in here today and throughout this week. I'm just
4 going to cut to the chase. You've been waiting a long
5 time. You got lives to go back to. I thank you. It's
6 been my privilege to stand before you. But you got
7 lives to go to, so I'm going to get on with it.

8 A lot of the witnesses we brought before you, some
9 of them were chain witnesses. I apologize for Ms.
10 Stephens having to come in here and read up and down for
11 fifteen minutes about what happened with the evidence at
12 SLED. All right. Mr. James came in here, same thing.
13 But there are just a few things I want to direct your
14 attention to.

15 The judge in this case is going to tell you what
16 the law ultimately is, but my job here today is to tell
17 you what the State's case is, because our burden is
18 beyond a reasonable doubt. It is a heavy burden to
19 bear. Yes, we take full responsibility for bearing it.
20 Our job is to prove to you beyond a reasonable doubt
21 that Greg Sanders committed a murder; that he also
22 committed a possession of a weapon during the commission
23 of a violent crime; and that this is not self-defense.

24 So before we tell you what the State has proved,
25 let us tell you what the State has disproved. Now, I

5-9-18 STATE V SANDERS

CLOSING - STATE - LEGETTE

1 direct your attention here. This is not self-defense.
2 This, ladies and gentlemen, is not self-defense. So
3 let's discuss self-defense. What is self-defense? It
4 requires four things: be without fault in bringing on
5 the difficulty. The defendant must have -- the
6 defendant must been in imminent danger of losing his
7 life or suffering serious bodily injury. A reasonable
8 person would have entertained the same thing. And he
9 had no other means of avoiding the difficulty. So let's
10 examine this. Let's examine. My daddy, nice man. So
11 what we going -- we going to apply the law to the facts.
12 That's what we're going to do. When all four of these
13 things exist, then self-defense is proven, but all the
14 State needs to do is disprove one of the elements,
15 because you have to have all four to be able to have a
16 self-defense. And self-defense is a complete defense.
17 So, if you find that the defendant acted in self-defense
18 on the night of May 10, 2016, you must let him go, set
19 him free.

20 This case comes down to two issues: malice
21 aforethought or self defense. Either he killed her with
22 malice in his heart, or he acted reasonably, and you
23 must let him go.

24 Let's see what happened. Was Greg Sanders without
25 fault in bringing on this difficulty? Ask yourself the

5-9-18 STATE V SANDERS

CLOSING - STATE - LEGETTE

1 question, what are the facts? What did Greg Sanders
2 say? You better buy a black dress, because I'm going to
3 kill your daughter. That's one thing that shows that
4 Greg Sanders had it in his mind days prior, three days
5 prior, that he was going to kill Tyhira Harrington. For
6 whatever reason he had in his mind, whether she took him
7 to Allendale and had him set up, he had intended to kill
8 her on that day when he saw her mother and Samson
9 Williams. Now, he denies it, but we'll get around to
10 that./

11 Now, Marilyn Garvin, text message sent to her
12 daughter -- sent to her, when she then calls her
13 daughter and says basically, somebody, Mr. Sanders, Greg
14 Sanders, with his nickname, behind the house, trying
15 something. Okay. You have all these things going on.
16 Tyhira Harrington, eventually, yes, she had alcohol in
17 her system. It's not against the law to have alcohol in
18 your system. Yes, she did.

19 Greg Sanders started the whole thing. He
20 threatened to kill her. Her mother told her what he
21 said. She was confronting him about what he had said
22 and why he had said it. Not only that, but Greg Sanders
23 was behind the house. Someone called and told her this
24 information. Somehow, she realized Greg Sanders, what
25 are you doing? So yes, she accosts him, but Greg

5-9-18 STATE V SANDERS

CLOSING - STATE - LEGETTE

1 Sanders started the entire thing. He started the entire
2 thing. And remember, now, there was an issue about Greg
3 Sanders offering up his girlfriend to fight. You heard
4 this over again. You heard this one time from Marilyn
5 Garvin. The night of May 7th, he offered up his
6 girlfriend to fight. She didn't want to fight. It come
7 up again with I believe Yhantyse Priester, Daisy,
8 talking about the girlfriend wanting to fight. The
9 girlfriend didn't want to fight, but the stripe thing.

10 Not only that, ladies and gentlemen. What else
11 happened in this case? What else happened? Mr.
12 Sanders' words, the words in and of themselves would
13 cause a reasonable person to think, okay, well, I guess
14 there's going to be a fight. He brought it on himself.
15 So it is the State's contention that Mr. Sanders is not
16 without fault in bringing on this difficulty. He
17 started it, for whatever reason, on May 7, 2016, and
18 again on May 10th, when he was trying to get in her
19 house.

20 So let's talk about this. He must have been in
21 imminent danger of death or bodily injury, or believe he
22 was in such danger. Was he in such danger? Let's
23 compare these two people. You saw Greg Sanders on that
24 witness stand today. You've seen him in court all day
25 long. What does he look like? Randy White called him,

5-9-18 STATE V SANDERS

CLOSING - STATE - LEGETTE

1 oh, he's cocky, he's muscular. He stood beside me,
2 taller than I am. And yes, he is muscular. Yes, he is
3 -- I'd call him a stocky individual, based on what I
4 have seen. But let's compare these two individuals,
5 shall we, then? Gregory Sanders. Muscular, strong,
6 cocky, a man, and he has a gun. He has a gun, the
7 element of surprise, a gun. Whereas, Tyhira Harrington,
8 skinny, 105 pounds.

9 Now, ladies and gentlemen, I've been -- I've been
10 rather, I won't say plump, but I've been a thick woman
11 most of my life. So I didn't realize what it meant to
12 be 105 pounds, skinny like that, so I had the
13 pathologist show you that picture. I didn't do it to
14 offend any of you. I didn't want to offend her as well,
15 her memory, which is why we redacted all of the
16 inappropriate things. But I wanted you to see what 105
17 pounds looks like on a woman. Petite. She had no
18 weapon, none. Zero. No gun. You heard Randy White say
19 it one-on-one. It was one-on-one. You heard Yhantyse
20 Priester say it was one-on-one. Possibly two-on-one,
21 but Tyhira Harrington was the only one. She was the
22 only one. One-on-one, ladies and gentlemen.

23 He told Randy to walk away. Is it reasonable to
24 believe that Greg Sanders was in fear of imminent death
25 or bodily injury? Is that reasonable? That's what you

5-9-18 STATE V SANDERSCLOSING - STATE - LEGETTE

1 have to ask yourselves. Is it reasonable that he was in
2 fear? According to the witnesses, he was not in fear.
3 According to the witnesses, he was not in fear.

4 And the eyes that I saw in this courtroom today,
5 when he took that gun and put it in his pocket and
6 pulled it out, that was the man the night of May 10,
7 2016. The eyes that I saw was in his element. He
8 pulled out the gun, and did you notice how he did it?
9 Because remember the pathologist said that that the shot
10 goes across her here, from left to right.. It goes
11 across. How did he do it? He pulled it out, then it
12 was pow. Just like that. Pow. Just like that. And
13 then he hopped and ran away. Imminent bodily injury.
14 Was he in any imminent bodily injury? Imminent death,
15 danger? What did he tell Randy? Walk away, you don't
16 want to be a witness to this. Not that Randy -- Randy,
17 you are going to get it; Randy, I'm going to have to
18 hurt you; none of that., Randy, you don't want to be a
19 witness.

20 Now, ask yourself a question. If you are getting
21 -- you heard him in here today -- you're getting lynched
22 by four people. Four. You've been lynched earlier in
23 the day. You were lynched again that night. You fought
24 your way out that time, but you didn't make it home.
25 Remember, now, you fought your way out of the apartment.

5-9-18 STATE V SANDERS

CLOSING - STATE - LEGETTE

1 Door closed, you fought your way out. Three women, one
2 man. You fought your way out. But somehow, you got
3 intercepted on the way home, never got home, but you end
4 up with a gun. How did you get the gun? Did you really
5 get lynched in the apartment with the three women, where
6 you couldn't get away, where you had no way out, but
7 suddenly, you have a gun thirty minutes later?

8 And now, ladies and gentlemen, I don't mean to
9 insult any of you. I did put up there a woman. Tyhira
10 Harrington was a woman, 105 pounds of a woman. Now,
11 ladies and gentlemen, I know many men, and I don't want
12 to be insulting here or offensive. But men, the men
13 that I know -- you are being lynched by four people. So
14 there's two men, and there are two women. Greg Sanders
15 -- you all saw how big Yhantyse was. Out of his own
16 mouth, not mine. You all saw how big she was.

17 You all saw -- did you all see Marquis Alston? Oh.
18 Did you all see him? Marquis Alston, did you see how
19 nasty Marquis Alston was when he came in here? I told
20 you all, there were some people who did not want to be
21 here. Marquis Alston didn't want to be here. You saw
22 him walk in, all cocky. You saw him take that chair and
23 -- he wouldn't even listen to the judge. Did you see
24 Marquis Alston?

25 And then, there was Randy, another man. So is it

5-9-18 STATE V SANDERS

CLOSING - STATE - LEGETTE

1 reasonable -- are you really in imminent fear of death
2 or imminent bodily injury by shooting the smallest
3 person there? He shot the smallest person there.
4 Yhantyse? No, he didn't shoot her. Randy? No, he
5 didn't shoot him. Marquis, who you -- all of you have
6 seen how nasty Marquis can be. And I believe if Marquis
7 came to lynch you, oh, you would get lynched.

8 Speaking of which, lynch is a bad, bad word. Bad
9 connotation. Beat up is a better phrase, but. Marquis
10 Alston, if he's coming for you, I believe he wouldn't
11 come for you. But you shoot the smallest person there,
12 not because she's pacing back and forth, not because
13 she's pacing back and forth; no, no, no, no, no.
14 Because you might have owned her, you was tied, because
15 you told -- you promised her mama, you promised her,
16 that deadly promise, you promised her she was going to
17 wear a black dress. That is not reasonable. You are
18 not in imminent fear of deadly injury or bodily injury.
19 It is not -- it is not reasonable.

20 Listen to his words. How frightening are his
21 words? What did he -- what did Yhantyse say he said?
22 All these people out here, who you think gonna ride?
23 Who you think gonna ride? That means -- you know what
24 that means, ladies and gentlemen? You know what ride
25 means? Because mama, in her text -- mama's text was --

5-9-18 STATE V SANDERS

CLOSING - STATE - LEGETTE

1 I admit, mama's text was offensive, and I apologize for
2 -- for the -- for the words. Mama said she's angry,
3 very angry. I can imagine she very likely was angry
4 about him threatening to kill her child, her only child.
5 But what did she say in the text? She said she was a
6 ride or die. I looked up that word, ride or die. It's
7 in urban legend, urban dictionary, and even on *Bad Boys*
8 *I*. I'm not sure if you all watch movies, but on *Bad*
9 *Boys I*, they talk about how we ride together, we die
10 together. *Bad Boys* for life. Ride. Ride means, I'm
11 with you, I'm with you. Her mama say I'll ride or die;
12 I'm with you. And what did Greg Sanders ask that child
13 that night? What did he say? All these people out
14 there, who you think gonna ride with you? Who you think
15 gonna be with you? Who gonna be there for you?

16 He wasn't afraid of anybody. He wasn't fearing any
17 man. Not any man and not any woman, because you know
18 what he had? If you could've seen his eyes. The eyes,
19 the eyes tell the story. The windows to the soul. And
20 what I saw in those eyes today when he pulled that gun
21 and he shhh. Eyes of a killer. He was not in fear. He
22 was not in fear. He knew there was nobody out there who
23 would ride for her, and literally no one rolled for her.
24 No one was there for her. No one stopped him, because
25 he knew he couldn't be stopped. He couldn't be stopped.

3 deal with the pink elephant. Ms. Garvin did not cause
4 her daughter's death. That question got asked in here
5 on Monday. That question was asked of her, did she stir
6 up this pot. Ms. Garvin told you she was trying to
7 protect her daughter. She was trying to warn her
8 daughter about Mr. Sanders. That's simply what she was
9 trying to do. She'd gotten it. Mr. Sanders said today
10 that, basically, he didn't say any of those things; that
11 everyone else in here that has come before you has
12 somehow not been telling you the truth. He's the only
13 person that is the arbiter of the facts..

14 So Marilyn Garvin made up on the 7th -- let's go
15 back. Look at this. I wish I had a pointer. Look at
16 this. He says May 7th, at 12:04 a.m. She didn't just
17 come in here and tell you that Greg Sanders told her
18 that, threatened her daughter, that deadly promise, but
19 she actually texted her daughter on May the 7th, three
20 days prior to her death, she texted her and told her,
21 he's talking about killing you. He talking about
22 killing you.

23 Mama just made that up, and sent a text to her
24 daughter that was just to create some problem? No,
25 ladies and gentlemen. No. No.. Ladies and gentlemen,

5-9-18 STATE V SANDERS

1 he was not in fear of harm. He pulled that trigger. He
2 pulled that gun, pulled the trigger, and he murdered
3 Tyhira Harrington. He was not in fear of his life. It
4 was murder, and it was not self-defense. Would a
5 reasonable person have been in fear of imminent danger
6 or bodily injury? Reasonable. What is a reasonable
7 person? Would a reasonable person have been in fear of
8 imminent death or bodily injury? So we have to examine
9 some things, ladies and gentlemen.

10 The way he explained all this and how it all went
11 down, I asked him some questions and we went over some
12 pictures, for him to tell me exactly where he was
13 standing when all this was happening. Remember he told
14 us that -- that he was -- she pulled into the parking
15 lot? I'm sorry, I don't have a better picture of this,
16 but he pulled in -- she pulled into the parking lot
17 here. She pulled into the parking lot, and that,
18 basically, he had his back to the wall. He told several
19 different things, but his back was against the wall.
20 But the blood is out here in the street.

21 And did you see what happened whenever he said he
22 shot her? He turned and he ran backwards, but his back
23 was against the wall. How can you run backwards if your
24 back is against the wall? But if you examine the
25 photographs, where the blood is in the middle of the

5-9-18 STATE V SANDERS

CLOSING - STATE - LEGETTE

1 street, they were in the street. And if you look at the
2 pictures, there's plenty of places to go. Plenty of
3 places to go. Was it reasonable for him to believe he
4 was in imminent danger?

5 Tyhira Harrington had no weapons. The witnesses
6 all say this. She was skinny, 105 pounds. We've been
7 over it before. Was it reasonable? There was no
8 fighting, it was one-on-one. She was the woman. She
9 was a woman. They want you to believe she was violent.

10 Mr. Sanders said that there was a lynching. They
11 lynched him inside the apartment that night. He got
12 lynched earlier. Everybody is upset with Greg Sanders
13 for some reason. They're all upset. A group of six --
14 five or six people lynched him earlier in the day.
15 They're associates of Tyhira's ex-boyfriend. They
16 lynched him earlier in the day, and then he talks about
17 how, you know, he's got these injuries, and they were
18 caused, apparently, by these -- these lynchers, who all
19 hit him, these injuries that appear to be in a healing
20 state. You have the pictures yourself. I can't find it
21 right now, but all the pictures that appear to be in a
22 healing state of Greg Sanders, with all the scabs over
23 them. Ladies and gentlemen, you'll be able to see them
24 for yourself.

25 He says he was lynched earlier, and then, lynched

5-9-18 STATE V SANDERS

CLOSING - STATE - LEGETTE

1 in the apartment, but check out this one thing. So the
2 pathologist actually has these diagrams, where she
3 actually took photographs, and she actually diagramed
4 the injury to the victim's body. You'll be able to
5 examine this. She was documenting other injuries,
6 bruises. Remember he said he fought his way out? But
7 she has no injuries, except the head shot, where he shot
8 her. No injuries. It did not happen. It did not
9 happen, ladies and gentlemen. There was no lynching
10 inside the apartment. The witnesses have already told
11 you there was no lynching inside the apartment. 105
12 pounds.

13 Now, as far as defense of others, ladies and
14 gentlemen, the fact of the matter remains, even if
15 Javasha -- I'm sorry -- even if Tyhira Harrington
16 offered to fight Greg Sanders, there were never any
17 licks passed. No licks were ever passed, not between
18 Tyhira and the girlfriend, Javasha Forrester; not
19 between Tyhira and Greg Sanders. No one ever touched
20 him. No one ever touched him. Think about this. Is it
21 reasonable? You got in a -- you were beat up, lynched
22 earlier in the day. Your injuries say that they're
23 older, but you got beat up earlier in the day on May
24 10th. You got beat up again that night on May 10th.
25 People laid hands on you. You couldn't have gotten home

5-9-18 STATE V SANDERS

CLOSING - STATE - LEGETTE

1 and gotten that gun. You had the gun on you at least
2 when you said you were lynched in the apartment, but you
3 didn't take out the gun and shoot anyone. They had
4 already laid hands on you. Maybe eight people have laid
5 hands on you, and out of the eight people you didn't
6 shoot one single person. Not fire one single round from
7 that gun. Yet, nobody's fighting with him. There's a
8 confrontation. You're so afraid -- you're so afraid of
9 the 105-pound woman, the girl that would go to the right
10 or go to the left. Your cousin and boisterous Marquis
11 Alston. Nobody's fighting, but you still fired the gun,
12 and you shoot the smallest person dead. Is that
13 reasonable? It is not reasonable. It was murder. It
14 was not self-defense.

15 And finally, ladies and gentlemen, we've been
16 belaboring it a long time, but I've got to make sure you
17 understand. He had no other means of avoiding the
18 difficulty. That means he couldn't get away. Remember
19 I told you -- remember he told you his back was against
20 the wall. Back against the wall, they were coming at
21 him from all angles. He told you that the car itself
22 was in the parking lot, then he tried to change it, but
23 the car was in the parking lot. Her blood's in the
24 street. The pathologist told you, and Ms. Ila Simmons,
25 who Mr. Plexico wanted you not to think was an expert;

5-9-18 STATE V SANDERS

CLOSING - STATE - LEGETTE

1 I'm not sure why because all of the stuff belongs to Mr.
2 Sanders. He admitted the gun was his, the shirt was
3 his, all of the stuff was his. But here's the thing.
4 She's got stippling around her eye. The pathologist
5 told you it's so close, it's so close. Did you see how
6 he roll up on me and shot me? Just like this, boom.

7 They were in the street. They were in the street,
8 ladies and gentlemen. He was in the street. Remember
9 how close I was to him. He didn't tell me to move back.
10 Huh-uh. Huh-uh. He didn't say move back. No, no.
11 Move back a little bit, move back a little bit, come on
12 up a little bit, come on up a little bit. What did he
13 do? He pulled that gun out of his pocket, and his eyes
14 told the story. Boom. He was just that close. And if
15 he was just that close, ladies and gentlemen, look at
16 this blood. That blood came from the one wound she had,
17 and that blood's in the street. And you can have these
18 pictures, and I want you to take your time in your jury
19 room, and look at these pictures, and see what it's --
20 these dots are, where they're actually in the street.
21 He was in the street.

22 You saw him demonstrate how close he was to me. He
23 was close, inches. The experts told you, he was within
24 inches of her. It was murder. It was not self-defense.

25 These pictures right here. How close he was. One

5-9-18 STATE V SANDERS

CLOSING - STATE - LEGETTE

1 thing about self-defense. I asked him, it's self-
2 defense, huh? Okay. Did you tell about a lynching
3 earlier in the day? No. How about the lynching at the
4 apartment? No. How about when you had to shoot her
5 because you was getting ready to get lynched? I didn't
6 have no phone. But you had to go by the police
7 department to get to the house on Second Street. But
8 you still didn't say, hey, hey, I had to kill this chick
9 because, you know, her and her friends were trying to --
10 trying to beat up on me, lynch me and my girlfriend.
11 Nothing. Nothing. He just walked by the police
12 department. You walked by. What's the first thing you
13 do? Self-defense? Call somebody. Tell somebody, tell
14 the police. What was the second thing he did? He was
15 getting rid of evidence. Standing behind a trash can.
16 Standing behind the trash can, taking off clothes.
17 Taking off clothes behind a trash can? What are you
18 doing with the stuff? What are you doing? Why don't
19 you just take it to the police?

20 And when he -- he did talk to the police, what did
21 he say? She was a nobody. She's a nobody. And what
22 did he next say? I got this injury from my girlfriend,
23 my girlfriend. My girlfriend punched me in the eye.
24 But today, no. Captain Williams was just -- well,
25 Captain Williams -- just didn't tell you all this, and

5-9-18 STATE V SANDERS

CLOSING - STATE - LEGETTE

1 he didn't say none of that. He didn't say any of it
2 today. His own words defeat his theory of self-defense.
3 Buy a black dress. Buy a black dress, because I'm going
4 to kill your daughter. You need to leave, you don't
5 want to be a witness, telling Randy, you don't want to
6 be a witness, because he had in his mind premeditation.
7 We're getting in the praise 2693 3053theory. I'm
8 getting ready to kill this chick; I'm getting ready to
9 handle this; you don't want to be a witness, Randy;
10 we're cousins. All these people out here, who you
11 think's gonna ride with you? His own words defeat the
12 self-defense claim. She must be a nobody.

13 Now, ladies and gentlemen, if you notice, he seemed
14 to have a really, really, really good memory. I asked
15 him about what they ate for -- what he ate for lunch on
16 Monday. He had to think about it. Came up with it.
17 He's had two years to think about this, to tell you
18 today his version of how it happened. Let's subtract it
19 all. Subtract. Without fault in bringing on the
20 difficulty? Subtract. No. He started it all. Being
21 in imminent danger or believes he was? Nope. Subtract.
22 He did not believe he was in any imminent danger,
23 evidenced by the fact that he shot the 105-pound
24 smallest person there, and told you don't want to be a
25 witness, who gonna ride with you. No, he didn't believe

5-9-18 STATE V SANDERS

1 he was any imminent-bodily -- in any imminent danger.
2 None of that. Would a reasonable person have believed
3 the same? No. Subtract it all. It's not reasonable.
4 None of it's reasonable.

5 And then, no other means of avoiding the
6 difficulty. Ladies and gentlemen, he had plenty of
7 places he could go. Look at this open -- this open
8 area. This open area up there with the apartment. Open
9 area. He could have gone to the left, he could've gone
10 to the right. He could've gone behind himself, like he
11 showed me here today. They were in the street. He had
12 plenty of places to go. The street was open. He
13 could've walked away. He walked away, supposedly, when
14 he was lynched earlier in the day. He walked away,
15 supposedly, when he was lynched in the apartment. He
16 ran out. But suddenly, the 105-pound woman shows up by
17 herself. Nobody gonna ride for her. Or was it this, I
18 got the drop on you now, I promise your mama, and I'm
19 about to handle this. So, ladies and gentlemen, this is
20 not self-defense, this is murder. This is murder.

21 I told you we would talk about the State's case.
22 What is the State's case? We have the burden of proving
23 beyond a reasonable doubt that the defendant is guilty
24 of murder. What does that mean? The Judge herself will
25 ultimately tell you what the law is, but just so you can

5-9-18 STATE V SANDERS

CLOSING - STATE - LEGETTE

1 apply this to the facts of the case, I'm going to break
2 down -- I'm going to do a chart here. I'm going to
3 break down for you what the elements of murder are.

4 What is murder? Thank you. Murder is a willful
5 feeling of another person with malice aforethought,
6 express or implied. Murder she wrote. Murder she
7 wrote. What is murder. Examine the facts. I'll give
8 them to you very briefly. Willful. Did Gregory Sanders
9 willfully kill Tyhira Harrington. Yes, it was willful.
10 He showed you how he did it. And we've already shown
11 you that it was not self-defense. So the question is,
12 was it willful, was it unlawful. If there's no self-
13 defense, then you're not justified in shooting a person.
14 And there, in this case, is no self-defense. So the
15 willful killing. We know that she's dead, based on the
16 pathologist having autopsied her, taking a bullet out of
17 her brain. And we know that it's her; that it's not
18 another person. We've identified her as that person.

19 With malice aforethought, what is malice? Malice
20 is wickedness, a depraved heart, a person bent on doing
21 wrong, evil. Malice. Malice has to be aforethought,
22 meaning it has to be just before. It can't be an
23 accident. It can't be just something that happens
24 involuntarily, like many things that could happen as
25 opposed to that.

5-9-18 STATE V SANDERS

CLOSING - STATE - LEGETTE

1 Accidentally. He could've come in here and told
2 you I accidentally pulled the trigger. He didn't say
3 any of those things. With malice aforethought? What is
4 malice? That is wickedness. Malice.

5 His statement to Marilyn Garvin, you better buy a
6 black dress, I'm going to kill your daughter.
7 Aforethought, that means he planned it, premeditated.
8 When he told her on May 7, 2016 that he was going to
9 kill her daughter, he meant every word of what he said.
10 He meant it. His heart was bent on doing wrong. He
11 told her, who do you think's gonna ride with you? He
12 told Randy walk away, you do not want to be a witness to
13 this. That is what malice is. That is what malice is.
14 Malice was in his eyes today when he pulled out the gun,
15 and pow. That is malice aforethought, ladies and
16 gentlemen. Evil.

17 Express or implied simply means -- express means it
18 could be expressed in words. He expressed his malice,
19 his hatred, his ill will, his evil intent, his
20 wickedness, towards Tyhira Harrington on May 7, 2016.

21 I'm just going to drive it home, beat it home,
22 ladies and gentlemen. Marilyn Garvin, Samson Williams,
23 and a text message all show you that actually happened.
24 He was going to clear his name that night, not just
25 having said, oh, she took him to get him set up. What

5-9-18 STATE V SANDERS

CLOSING - STATE - LEGETTE

1 did he leave out? The part where he said I'm going to
2 kill your daughter. Oh, he told -- he told you the
3 second part of it. He was gonna clear his name, but he
4 left out the one most important issue. He said it, but
5 he wasn't going to admit it here today. I understand.
6 Express, implied. Implied can be used -- can be
7 inferred by different things. Using a weapon, that kind
8 of thing. What we have here, murder. The murder of
9 Tyhira Harrington.

10 And ladies and gentlemen, not only that, the other
11 charge we have before you today is possession of a
12 weapon during the commission of a violent crime. What
13 is it? The defendant was in possession of a weapon
14 during the commission of a violent crime. The trial
15 judge will charge you that murder is a violent crime.

16 Now, ladies and gentlemen, understand this. If you
17 find the defendant not guilty of murder, then you stop;
18 knock on this door; tell the bailiff that we have a
19 verdict; because you can't even get to this one. If
20 he's not guilty of murder, then he is not guilty of
21 possession of a weapon during a violent crime. Simple
22 as that.

23 So let's go through this. The defendant, quite
24 obviously, Greg Sanders, in possession -- he admitted he
25 was in possession of the weapon. Can we go ahead and

5-9-18 STATE V SANDERS

CLOSING - STATE - LEGETTE

1 check those off? He admits he's in possession of the
2 weapon and during the commission of the violent crime.
3 Murder, this is what it's going to come down to. This
4 is going to be your issue right here. Murder is a
5 violent crime, because if have not gotten to murder by
6 this time, then this is going to be not a check. But we
7 submit to you, ladies and gentlemen, that this case is
8 murder.

9 So there is the State's case, ladies and gentlemen.
10 There it is, in a nutshell. All the rest of it,
11 separate the weak from the tears. The weak from the
12 tears. Sift it out. Sift it out. The gun in this
13 courtroom that the defendant had with him, that he
14 appeared to be getting ready to discard behind that
15 trash can, his gun, the one that he took with him when
16 he rolled or walked or ran by the police department, was
17 in the process, in our opinion, of being discarded.
18 That's the gun.

19 The clothes he had on had GSR on them. The victim
20 was shot at a close range, right in her left eye. He
21 promised her mama he was going to kill her. He promised
22 her, a deadly promise. That is the case, ladies and
23 gentlemen.

24 And apparently, according to Mr. Sanders, no one
25 else to be believed, because everyone else here,

5-9-18 STATE V SANDERS

CLOSING - STATE - LEGETTE

1 everyone else here has not told you what really
2 happened. Not even Captain Williams.

3 Ladies and gentlemen, I thank you for listening. I
4 thank you. And I told you before, when all the evidence
5 was in, I would come back, and I would ask you for
6 justice.

7 Marilyn Garvin, after she was berated for being a
8 drunken mother who stirred up a pot, I asked her what
9 she wanted. All she said was justice for her daughter.
10 I ask you all, ladies and gentlemen, to judge between
11 the defendant at the Bar and the case that the State has
12 put up. I submit to you this was not self-defense. He
13 did not have to shoot that girl. He could've walked
14 away. He did not have to do what he had promised her
15 mama he would. He's a man of his word.

16 Now, I ask you, ladies and gentlemen, to find
17 justice for Mr. Sanders for being a man of his word.
18 Find him guilty of what he said he would do, and what he
19 did. Find him guilty of the murder of Tyhira
20 Harrington, and find him guilty of possession of a
21 weapon during the commission of a violent crime of
22 murder. Thank you.

1 CLOSING ARGUMENT ON BEHALF OF

2 DEFENDANT BY MR. PLEXICO:

3 MR. PLEXICO: Okay. I want everybody to wake up
4 from their dreamlike state. Okay? This is not about
5 drama. This is about looking at the evidence, From
6 what I've heard the Solicitor say, if somebody
7 threatened someone last week, that means that that
8 person could go get a group of people, and then go drive
9 up on them at 12:30 at night, and leap out at them,
10 saying I'm going to F you up. Or next month or this
11 week. This was May 7th. And here's the whole point.
12 Even if he said that on May 7th, he wasn't there
13 starting anything with them. Okay? He's completely
14 without fault, and he's going to explain all this to you
15 when I put him up. Okay?

16 His behavior was backing up. They said look at the
17 testimony. I'll get to that. But completely without
18 fault. If he had risked serious bodily injury or death,
19 he would've had to abandon the little girl behind him.
20 Okay? And how else could he act with Rachet about to
21 drop one on him, and Randy White up there. And you can
22 argue about whether Yhantyse Priester was moving up with
23 Randy right beside of her, obviously. That was the
24 group coming up saying I'm going to screw you up.

25 And that four -- those -- those two girls, who went

5-9-18 SANDERS V STATE

CLOSING DEFENSE - PLEXICO

1 and got the backup, the boys. They didn't come
2 equipped, didn't have a weapon, and what was the
3 testimony? The testimony I got mine under the seat.
4 Okay? And that just shows how intense they were coming
5 at Greg Sanders and Javasha. And that's something --
6 you can't get around that. You can't get around the
7 attack. The group attack on those people walking down
8 the road, minding their own business.

9 Would a reasonable person at 12:30 have been in
10 fear of bodily injury, of serious bodily injury, with
11 Ratchet and the other guy. Big Yhantyse. Okay? All
12 right? And they want to dwell on the small one in the
13 group? Big deal. That's just the leader of the pack.
14 And speaking of the pack, this is the pack out of
15 Allendale. Apparently, they moved over to Estill.
16 Okay? And they brought their philosophy, ride-die
17 mother. Okay? What a -- what a philosophy to have to
18 bring your children up in. Do you doubt for a minute
19 the testimony about her being in a gang? No. That's
20 not really -- that's not -- there's no real doubt there.

21 So the State has to disprove self-defense in this
22 case beyond a reasonable doubt. Now, just look at this.
23 Is he with any fault that night of bringing on the
24 situation of violence that was directed at him? He's
25 not. You can -- oh, last year he did something; it was

5-9-18 SANDERS V STATE

CLOSING DEFENSE - PLEXICO

1 two days ago; it was five days ago. Even if that was
2 true, it doesn't justify the attack that night. He's
3 completely without fault, totally without fault, in
4 bringing on the difficulty. That's a requirement of the
5 act. Could you reasonably retreat from that group
6 without being faced by them or leaving someone you love?
7 Don't we have a right to defend our loved ones? What is
8 it? Is there something wrong now? Did that stop. You
9 have to leave your -- your loved one behind? Or do you
10 stay and you protect your loved one? You back up, you
11 go away, you leave her. That's not a man at all.

12 And they all admitted they were moving up. She
13 moved up. Yhantyse. Randy White testified that he
14 moved up with her. Okay. Yhantyse said something was
15 going to go left. Been drinking all day, out of
16 control. Drink. Okay? They decided to go watch there
17 at the strip club. I don't know how these people do it.
18 Okay? I mean, what's their attitude? Okay? What are
19 they out to do to go get the boys, and then hunt him?
20 Completely without fault in bringing on the difficulty.

21 Was he in danger? Yes. We know he was in danger.
22 You can agree he's in danger. You might argue about how
23 much danger, because if your focus has been properly
24 put, just on Tyhira Harrington, and not as the leader of
25 the pack, you go, what were they all -- they all said

5-9-18 SANDERS V STATE

2 the most frightening fellow from Charlotte that I could
3 think of. I wouldn't want Ratchet bringing one down.
4 Okay? Because that's going to be pretty serious. So
5 that would be a hard lick.

6 She went and got a couple of them to back -- to
7 back them up. Oh, what else would have been the
8 purpose? Oh, we're going to get some dope. But that's
9 an excuse. Pretty poor excuse. But that also shows you
10 of little of what they'd been doing. Remember what the
11 fellow just said. They back up, but my client said that
12 he backed up; he was saying don't come any closer;
13 without fault; risk of serious bodily injury. You've
14 got a little girl behind my client, a small person
15 behind my client. They want you to dwell on Tyhira, not
16 on Javasha. That's undisputed in the evidence. But my
17 client said undisputed that they say back up, he backs
18 up my client. And do you have to sit there and allow
19 yourself -- and have we come to that in America? You
20 sit there and allow somebody to beat you down? No.
21 Thank goodness. You're out walking at night, you know,
22 good idea to carry at night.

23 But when you saw him get cornered over there by the

8 And how can you really get away unless you abandon

12 hero, is what it makes him. It makes him brave. Okay?
13 They're moving in. Their mind's made up. He stopped
14 the lead person. That's just common sense. And that's
15 what he did, and he used that break. So he's supposed
16 to take off somewhere, and they're not chasing him, and
17 they're going to leave her alone? They were ready to
18 hurt anybody, and they were moving up together.

19 The law says self-defense, you have the right to
20 act on appearance, and you appear that a reasonable
21 person's going to wait, you can get some serious injury
22 out of this. And you have a right under the law to
23 defense of others. Those statutes, the law gives us
24 this to defend others. You don't have to abandon your
25 child out there and run off. You don't have to abandon

1 your spouse. You don't have to abandon your best
2 friend. You could -- you could stay there and defend,
3 as if they could defend themselves.

4 What was the intent going forward? They had in
5 their mind initiation of some gang. How do you get
6 initiated. You have to kill somebody. Beat them down
7 like a dog. And you know that's serious. Just use your
8 common sense. Now, if he doesn't have self-defense, who
9 does? That's self defense. And it's -- can't be
10 excessive. Shot one. I'm going to shoot the whole
11 group. He shot, opportunity, they backed off, one ran,
12 one ducked, one froze, and that's what they did. You
13 know, any time somebody dies, it's serious. But you're
14 doing that kind of activity, and you think your going to
15 have -- and then have -- I don't understand what's going
16 on with the government. And then to call the behavior
17 wrong? Huh, that's not it. Yeah, they had their mind
18 made up to start with that Greg was in the wrong. And
19 you sit down and calmly and rationally think about this,
20 I'm glad he had a gun. I'm glad he wasn't hurt. You
21 should, too. You should feel that way, too. I'm glad
22 Javasha wasn't hurt. You should feel that way, too.
23 Why? They didn't start it. Now, I don't know where all
24 this is coming from.

25 I'm going to start going over some of the evidence

5-9-18 SANDERS V STATE

CLOSING DEFENSE - PLEXICO

1 with you. And remember -- all right, you had officers
2 testify. You said Chief -- you had -- Officer Thomas
3 testified; you had Chief Collins testify, and they said
4 my client didn't say anything. I don't know where this
5 comes from with Alex Williams, you know. And you can
6 look at those pictures. What happens as soon as you get
7 -- you know, you're out working in the yard, and you're
8 cutting a tree or whatever, and you know, you've got a
9 -- you've got a cut on your hand or whatever it is, and
10 you're working with a tool, it scabs right over. That's
11 what it's supposed to do. But you drive out to the E.R.
12 and get you a couple of stitches. So, you know, that's
13 normal. So this idea they were old wounds doesn't make
14 any sense. And you can look at the -- it's State's
15 exhibit, Madam Court Reporter, 1?

16 COURT REPORTER: Which one?

17 MR. PLEXICO: Excuse me. Defense Exhibit Number 1.

18 COURT REPORTER: Is that it laying right over
19 there?

20 MR. PLEXICO: No, ma'am. Thank you. Here we go.
21 I have it. Thank you.

22 Looks pretty fresh to me. You can take this back
23 there with you. Okay?

24 And there's no evidence of any malice between my
25 client and his girlfriend of seven years. And somebody

5-9-18 SANDERS V STATE

CLOSING DEFENSE - PLEXICO

1 -- something's happened to him. He's got a red rash
2 from somewhere. You can't dispute that. And did he go
3 act out? No. This when he was cornered, okay? All
4 right? And he didn't feel like he had a way out, and
5 was that reasonable? I think it obviously was.

6 You heard from a lot of people here. You know,
7 that's -- you go out in the road, it shows you're out
8 fighting in the street. We're talking 12:30, 12:40, you
9 know, late at night. What are these people thinking? I
10 know what they were thinking, and I'll get to that.

11 There's no question this happened in the road,
12 because you can't move the blood stain. That's
13 something the State can't argue over.

14 Samson, let's think about Samson. He came in here
15 and told you the record. Man, he was slick, though.
16 Samson Williams, this is Marilyn Garvin's, the
17 shoplifter's boyfriend. They talked about his criminal
18 record and receiving stolen goods, grand larceny, and
19 shoplifting, too. And then he popped up and he saw,
20 yeah, I got six grand larcenies over in Allendale. I
21 guess they cleaned out Allendale and moved -- and moved
22 over to Hampton County. Okay?

23 So stealing is an act of deception, and taking
24 something that is someone else's and converting it to
25 yours. That's an act of deceit. You know, that's --

5-9-18 SANDERS V STATE

CLOSING DEFENSE - PLEXICO

1 it's wrong. You're a thief. You know, if you'll steal,
2 you'll lie. So what is this all about between them with
3 Marilyn? And he was saying, remember my client says he
4 just wanted to clear the air, make sure, you know, look,
5 there's nothing going on here. Tyhira's not afraid of
6 him. They're in the house talking. Everything's
7 peaceable. Samson says, well, I did -- might have left
8 for a minute. Do you see that? I might have left for a
9 minute. He's not saying they didn't assault him. He
10 says I don't know. Okay? Because you know the rest of
11 them aren't going to admit to it. And Mama's not going
12 to admit to stirring all this up. Okay?

13 So whatever's going on with Mama, and you've seen
14 the nastiness of all this, now, right after Mama stirs
15 this up and starts it, Mr. Sanders is assaulted. Okay?
16 He tries to clear his -- this is a man acting in the
17 right. He tries to clear his name. Okay? He gets
18 assaulted again. This isn't a man quick to a gun and
19 quick to his temper. Obviously, this takes a lot. He
20 has restraint. Okay? Now, all this is in the day time.
21 Yeah. These things are trouble. All right? Because
22 when somebody's sneaking up on you at night. All right?
23 And about driving a car into you, and then unloading the
24 car and coming at you, saying we're gonna F you up, do
25 you doubt for a minute they weren't that vile? You

1 can't, reasonably. How angry would they have been? And
2 then, this stuff about he was supposed to be messing
3 with the gangs and all that. There's no evidence of
4 that. That's just more of the he said/she said stirring
5 stuff up that makes no sense, and makes my client guilty
6 of nothing. This is unfounded belief that --

7 What was it that Yhantyse Priester said about
8 Marilyn Garvin? She said -- I jotted it down. She said
9 she was hollering and angry. Okay? You can believe
10 that much, because it sure matches the tone of her text
11 message she sent her own daughter. Okay? And in all
12 this stuff where she's over -- she's living, even though
13 they kind of -- it's too big of an apartment with, you
14 know, kids there, Tyhira Harrington there, Yhantyse
15 Priester there, Tywana Bradley there, Samson there. I
16 mean, start adding them up. You know, they were just
17 packed up in there like, you know, cheese, a pack of
18 cheese.

19 I mean, a man didn't have the emotions of Mama over
20 there who keeps keep pushing that, and wouldn't let it
21 go. So what kind of effect did that have on it? Now,
22 and who is attacking my client? Friends of the baby
23 daddy, Tyhira Harrington's baby daddy. So, apparently,
24 it's reasonable to infer Marilyn Garvin got them all
25 stirred up. Well, yeah, that's -- what reason would my

5-9-18 SANDERS V STATE

CLOSING DEFENSE - PLEXICO

1 client have had to say any of that? I don't know what
2 the misunderstanding was. Okay? But if her mother was
3 stirring stuff up and all this came to light later, none
4 of this was reported, nobody was told this, unless she
5 felt really guilty about starting something, okay, where
6 her daughter went out -- went out to do whatever,
7 essentially a lynching.

8 I think black people -- clearly, everybody -- but
9 particularly black people know what lynching is. Okay?
10 That's where a mob of people, a gang of people, come up
11 and going to do you some harm and maybe hang you. It
12 doesn't take a law degree to know that. You can watch
13 that from watching Marshall Dillon. I guess I'm going
14 to date you all a little bit. But you know, you know
15 what a lynching is. Okay? And when you come out,
16 that's about what the size of it is. I'm going to hang
17 you and I'll stomp you down. And that's just a --
18 that's just an awful, awful thing.

19 Now, in all that that was going on, Marilyn
20 testified my client walked out. Do you think for a
21 minute after they had him over there, and all of those
22 tough girls were over there -- take a look -- they
23 weren't going to go to whooping on him. With everybody
24 else in there? You can believe what my client says is
25 reasonable to believe. Not what the State wants you to

5-9-18 SANDERS V STATE

CLOSING DEFENSE - PLEXICO

1 believe or what they're saying. They had to cover up
2 what they did, because, you know what, they should've
3 been charged with -- with attempted lynching, the rest
4 of them. That's what really should have happened. But,
5 you know, the State makes those -- those decisions.

6 So then, her little buddy gets in on the game. She
7 texts her over at the strip club. Of course, they've
8 been drinking all day, but they didn't drink -- they
9 didn't go in the strip club and drink. I guess they
10 thought it might make them look bad. Do you believe
11 that for a minute?

12 Okay. So they come back over, all right? Now, the
13 pot's still getting stirred. All right? They're angry
14 at my client. They pick up Ratchet and they pick up
15 Randy White. And what does Randy say? Randy says she
16 stomped the car. Okay? She went to the projects. And
17 by that time, she had gotten another email saying, oh,
18 his girlfriend's at your house; he's probably there,
19 too. What do they do? They got the back-up, got the
20 men. When ty see them, boom. Hit the brakes, pull up,
21 back up, pull over to the street they're on. It's not
22 like they had the self-control to go back. Remember,
23 drinking all day, out at the strip club, angry, out
24 driving a car, .13 at least on the B.A., I think it was.
25 And what else?

5-9-18 SANDERS V STATE

CLOSING DEFENSE - PLEXICO

1 And then, I didn't understand what pathologist
2 said. And then, they pulled right up to them, and he
3 said you could touch the hood of the car. And then they
4 all piled out. Now, and Randy backs that up completely.
5 Randy White says that Greg Sanders is telling the truth,
6 because Randy White says that's exactly what happens..
7 Exactly what happens. And she was what? Yhantyse was
8 right. She was full effect. I think you heard that
9 once before, right? Full. That means dangerous. Not
10 Yhantyse. Tyhira Harrington was in full effect.
11 Yhantyse said that. All right? She was scared. Made
12 her scared.

13 It was something like that. She was scared. All
14 right? She was going left -- or it was going left. And
15 that's her big-girl backup, so. And there's no dispute.
16 They're there to fight. What is fight? Do violence.
17 And if you've been drinking all day, and you're out
18 fighting, and anybody in a reasonable month of Sunday
19 would think that the rest of them is not going to help
20 their friend if their friend's losing. No. There ain't
21 no way in hell. It's common sense. How they have the
22 gall to say that -- that my client started something at
23 12:30 when he was walking along and minding his own
24 business, I just really can't understand.

25 And you think about Randy. The last thing he said

5-9-18 SANDERS V STATE

CLOSING DEFENSE - PLEXICO

1 was, yeah, self-defense. Okay? He didn't want to say
2 he was part of all that. Okay? He didn't want to say
3 he was part of all that. Okay? He was just moving up
4 with her. Okay? But he's not saying anything. He's
5 not saying calm down; she's not going to do anything.
6 He's not picking that little thing up as they're wanting
7 you to believe and picking her up and putting her in the
8 car and saying shut you're your drunk mouth shut up; I'm
9 driving you back home. Okay?

10 Is Ratchet, tough Ratchet, picking her up and
11 going, hey, now, they don't want to fight; you leave
12 them alone we're going to be law-abiding? No. Big
13 Yhantyse picking her up saying, hey, huh-uh, huh-uh,
14 sister, don't do this; okay; I'm starting to love you,
15 and you know, I don't want you fighting. All right?
16 No, no, no. No, they're just silently moving up, and
17 apparent -- what would appear to a person they're moving
18 in on, is there's an apparent, real plan to do them
19 harm. That's the only reasonable explanation.

20 Randy said they were going to get hurt. That was
21 apparent. Okay? And he sure isn't going to -- once he
22 realized what had happened, and what he was a part of,
23 he knew -- his mama, somebody told him, hey, you could
24 go to jail. It ain't like he went to the cops. Marquis
25 surely didn't go to the cops. Okay? They found

5-9-18 SANDERS V STATE

CLOSING DEFENSE - PLEXICO

1 Yhantyse at the hospital.

2 Now, this idea of plenty of space, when somebody's
3 alluding to having a gun, you got four people on the
4 attack, there's no way to retreat. There's no way to,
5 you know, to avoid danger. They got a car to run him
6 down. It's just -- just doesn't make sense. Okay?
7 There's four of them, and you got to abandon your loved
8 one? I'm going to address that, but I mean, that's just
9 -- there's just no retreat here. You know, when you say
10 stop, stop, stop; they keep on to do harm to you, you've
11 got a right to protect yourself. He shot one person.
12 And the law allows you to do that, but it takes a jury
13 to say it's self-defense. And I'm imploring you to do
14 that.

15 So Marquis Alston. Now, I describe him, you know,
16 he's, you know, this is the kid from Charlotte,
17 Mecklenburg County. He was the toughest one in the
18 bunch. Okay? Now, he knows he's in the wrong. Oh, I
19 didn't see nothing; I wasn't part of that. Because he
20 knows he probably should've been charged, too. Okay?
21 Think about it.

22 Now, he kept telling the Solicitor, you've got my
23 statement mixed up with somebody else's. And
24 eventually, Hipp testified and -- their investigator --
25 and he said, yeah, well, we didn't write it right.

5-9-18 SANDERS V STATE

CLOSING DEFENSE - PLEXICO

1 Okay. All right. So what was he really hiding? What
2 he was really hiding, okay, is what they were doing with
3 my client. And what they were doing to my client, okay,
4 was a mob attack. So how can you even allude back,
5 saying my client's the cause of any trouble, when, in
6 fact, their testimony is, from the States's witnesses,
7 that he went there to clear his name, to not have any
8 trouble. I mean, that's just -- that's just -- that's
9 just strange credulity.

10 And Yhantyse said there was only a conversation at
11 the apartment. Well, she also said my client held a gun
12 for three or four minutes. That didn't seem credible.
13 That didn't seem to match any evidence. Okay? All
14 right? And listening to her, if you read between the
15 lines, she's almost saying Tyhira Harrington had no
16 reason to be mad at my client. You know, so nobody
17 backs up this -- this idea that my client is angry at
18 Tyhira Harrington and wants to hurt her. Nobody backs
19 that up. Now, this is supposed to come from something
20 from Allendale and where -- he hadn't been to Allendale
21 in eight years. And there's -- there's no history of
22 him in Allendale. There's no history of him at all.
23 Twenty-nine years old. You know, this is not a bad guy.

24 So what they were doing was gang-related. What
25 they were doing just seems to -- because you have

5-9-18 SANDERS V STATE

CLOSING DEFENSE - PLEXICO

1 victims of gangs. And it was going to be his
2 girlfriend, Greg Sanders' girlfriend, or Greg Sanders.

3 So, and the officer said he opened a wound on his
4 shoulder when he was -- when he got in the car. That
5 shows up in the evidence. Okay? All right? And it had
6 to be re-bandaged. And you know, and the scab's not --
7 the scab's fresh, you pull it off, it's going to start
8 bleeding again, because it hadn't had time to heal.
9 That shows the current degree of the injuries.

10 And the State's witnesses, I'll just run through
11 them, like, in two minutes. I mean, Ira James really
12 had nothing to do with the case. He just took packages.
13 Somebody logged them in. You had the fingerprints.
14 Well, there weren't any. Talked about body fluids.
15 Sara Goodman was -- you know, she talked about the DNA.

16 Now, Ila Simmons is the one who was talking about
17 the stippling. And you got a choice here. You have a
18 pathologist with years and years and years of training,
19 who has been board-certified to study the causes of
20 death, who understands what stippling and gunshot --
21 muzzle-to-gunshot distance is. And what she says is;
22 it's from three inches to a couple of feet. Now, what
23 Ila Simmons said was, oh, three inches. Well, she is
24 SLED member, too. Now, that means that all the
25 testimony you heard was untrue, because nobody said they

5-9-18 SANDERS V STATE

CLOSING DEFENSE - PLEXICO

1 were up that close. Nobody said that. Okay? So, when
2 you defend yourself, when they're moving in, and that's
3 -- they keep moving and you're not, comes a time you got
4 to make that decision to avoid personal injury to
5 yourself, serious injury also to your loved one. Do you
6 have a right to do that? My answer is yes.

7 Now, you know, Tyhira Harrington had no fear,
8 because she had backup, and she wasn't going to stop.
9 And I think that's quite obvious when you all look at
10 this. She's also part of a group known to attack
11 others. And somehow, the Solicitor had the audacity to
12 talk about a one-on-one. Well, it was probably a one-
13 on-one. Does that sound like a one-on-one to you? You
14 know, a bunch of drunks coming up, all right? And
15 whatever they said, when you stop a car near somebody
16 like that, and you go piling out, it's not going to be,
17 hey, how are you, do you want a ride. Okay? No. No.
18 They're there to do violence, and that -- what goes with
19 violence is vile mouths. And look at the vileness of,
20 you know, the mother, on down. And I'm sorry to say
21 that, but, you know, it's -- you know, you should raise
22 them better.

23 And then, maybe two on one? Where did that come
24 from? Nobody's saying I'm not part of this group; I'm
25 not part of this; I'm not part of the action she's

5-9-18 SANDERS V STATE

CLOSING DEFENSE - PLEXICO

1 declaring she's going to take. If she's here to do
2 violence, we're moving up together. Nobody's trying to
3 stop it, aside from my client and his girlfriend, who
4 were backing up. He's saying, no, no, trying to protect
5 her, which he has every right to do. Every right to do.

6 And you know, if Javasha Forrester had anything
7 different to say, the State could have called her as a
8 witness. You know, she needed protecting. What did
9 Greg say about her? She was a resources special ed kid.
10 He loves her. You know.

11 You might not be, you know, the brightest person,
12 you know, you might not be the best-known person, but
13 every person has a right to dignity and self-defense,
14 you know. And Greg Sanders has that, too. You know, he
15 loves the girl. You know, you're going to protect
16 people you love. You're supposed to do that. You're
17 supposed to do that.

18 You know, before government and before law, you had
19 family, and then you had community. Okay? In the
20 history of man, the family comes first. The family
21 comes first. And community comes after that. That's
22 it.

23 But I think probably the best point, and I want to
24 close with it, and if I'm being redundant, I apologize.
25 Even if somebody said something days ago or weeks ago,

5-9-18 STATE V SANDERS

CLOSING IN REBUTTAL - LEGETTE

1 you can't go out and lynch them. You know? That's
2 over. And trying to meld the two into one is unfair.
3 It's the actions that night that those people against
4 Greg Sanders and his girlfriend that created the problem
5 that he couldn't reasonably get away from without
6 abandoning his loved one, abandoning his family, the
7 fundamental root of our society. Throwing it away. And
8 we don't have to do that. That's why we have self-
9 defense. And he acted reasonable.

10 I'm asking you to find him not guilty. It was
11 clear self-defense. Defense of others. He had the
12 right to defend her, or she had a right to defend
13 herself, if she was capable of it. I ask you to bring
14 back a verdict of not guilty. Thank you.

15 SOLICITOR LEGETTE: May it please the Court?

16 THE COURT: Yes, ma'am.

17 CLOSING ARGUMENT IN REBUTTAL ON

18 BEHALF OF THE STATE BY SOLICITOR LEGETTE:

19 SOLICITOR LEGETTE: Mr. Plexico. Ladies and
20 gentlemen, simply this. You have to disbelieve every
21 witness the State brought before you to find Greg
22 Sanders not guilty. So apparently, according to Mr.
23 Plexico, the only person here who has told you the truth
24 is Greg Sanders. And you have to disbelieve every other
25 single witness. But then, there are things about the

5-9-18 STATE V SANDERS

CLOSING IN REBUTTAL - LEGETTE

1 witnesses that you can't believe. He wants you to
2 believe certain parts about what Randy said, but not
3 other parts about what Randy said. He wants you to
4 believe certain parts about what Yhantyse Daisy Priester
5 said, but then disbelieve the other parts. He wants you
6 to believe that Greg Sanders is somehow a hero, and that
7 black people understand what lynching is. My version of
8 lynching ain't quite like how it happened here.

9 Ha, we should raise them better. I guess Ms.
10 Garvin should've raised her better. Somebody should've
11 raised Greg Sanders better. Somebody should've raised
12 him not to go around telling people mama I'm gonna kill
13 your daughter and buy yourself a black dress. Somebody.
14 Somebody. Because this right here is where it comes
15 down to, ladies and gentlemen. This black dress, the
16 black dress that Marilyn Garvin wore on Monday, that's
17 where it comes down to. Because Greg Sanders promised
18 her, a deadly promise, he was going to kill her child,
19 and three days later she was lying in a morgue. Greg
20 Sanders.

21 And guess what? He tried to tell you undisputed,
22 oh, the facts are different; oh, the witnesses said
23 different things. Who told you exactly how it happened?
24 The man who did it. The pathologist backs him up, how
25 close the wound was. Ila Simmons backs him up, how

5-9-18 STATE V SANDERS

CLOSING IN REBUTTAL - LEGETTE

1 close the wound was. Right here. Right here is where
2 it was.

3 Apparently, ladies and gentlemen, being from
4 Allendale is some kind of sin, because the Allendale
5 people came over to Hampton County to get some things to
6 a Hampton County guy. Except Randy, Randy White's from
7 Estill. And him and Marquis went to, you know, went to
8 school together. Remember, Marquis said he spent most
9 of his school -- yeah, he's from Charlotte, but he spent
10 most of his schooling down here. Marquis is the
11 frightened fellow, but somehow, Greg Sanders is the
12 hero. A hero who goes around shooting unarmed, 105-
13 pound women.

14 Ladies and gentlemen, Mr. Plexico said he is not a
15 hothead. We never called him a hothead. Because think
16 about it. He's not a hothead. He's meticulous, he's
17 methodical, he waits. He lies and waits. He formulates
18 a plan. He tells the mother, her boyfriend, and then he
19 puts it into action, little by little. Little by
20 little, he goes to work on it. He's methodical. Yes.
21 What he did on May 10th, it wasn't an act of a hot-
22 headed individual. It wasn't the act of a hot-blooded
23 man, or someone who's blood pumps Kool-aid. Their heart
24 pumps Kool-aid. It was an act of a cold-blooded killer
25 with murder in his eyes. And when he took that gun out

5-9-18 STATE V SANDERS

CLOSING IN REBUTTAL - LEGETTE

1 of that box today, boom. That's exactly how he shot
2 Tyhira Harrington.

3 And this group that Mr. Plexico wants you to
4 believe was there, that group wasn't there. Marquis was
5 off somewhere. He wasn't there. He was not there. And
6 Yhantyse? She didn't say she was afraid of Tyhira. She
7 was afraid of Greg Sanders, who held a gun on her
8 afterwards. And yeah, she said three or four minutes,
9 but it can seem like an eternity, I imagine, to have a
10 gun held on you. When that gun was pointed at me, I
11 would pay attention to all kinds of details. It wasn't
12 three or four minutes, but, oh, it seemed like an
13 eternity.

14 Ladies and gentlemen, Mr. Plexico mentioned
15 something about a gang that beats you in or you kill to
16 get in. The only person here who killed anybody was
17 Greg Sanders.

18 Now, ladies and gentlemen, everybody here,
19 apparently -- I've said it before, I'm going to say it
20 one more time. To find Greg Sanders not guilty, you
21 have to suspend your common sense. You have to
22 disbelieve every other witness, including Randy White,
23 who is a cousin of Greg Sanders, who was afraid on the
24 witness stand, who wouldn't even look at him, because he
25 was afraid. Your own family.

1 Mr. Plexico talked a lot about family. Family.
2 Family and defense of others. Family. Randy told you
3 he stood beside Tyhira because she was his girl, not
4 because he was there to fight. He stood beside a girl
5 who he had been dating two weeks, maybe a little longer.
6 He stood beside her. Not to help fight, but to try and
7 help protect her. And then, he came in here and
8 testified against his own family because of what Greg
9 Sanders did. Something that he did not have to do.

10 Ladies and gentlemen, the fresh wound, the fresh
11 wound. You're going to see the picture. Mr. Plexico
12 wants you to believe all manner of things about these
13 wounds. It's a funny thing about these wounds.
14 Remember one of the wounds, the scab got pulled up, and
15 it had a bandage on it because it was fresh? That's the
16 one right there, pulled off whenever he was getting out
17 of the car, or getting into the car. I'm not sure how,
18 but it was -- that was a fresh wound. Ladies and
19 gentlemen, these wounds are not fresh, they are scabbed
20 over. The only one that's fresh, and only because it's
21 fresh because it got scabbed -- got the scab pulled off
22 was this one. Mr. Sanders has had two years to make it
23 all up. Yes, methodical. Remember that. Methodical.
24 Not hot blooded. He was calm, cool, and collected. Oh,
25 he remained calm. He remained cool, oh, he was cool,

5-9-18 STATE V SANDERS

JURY CHARGE

1 because he's a cold-blooded killer, and he's had two
2 years to come up with this.

3 And do not be deceived, ladies and gentlemen. This
4 is not self-defense. It is not defense of others. It
5 is murder, in its purest form. He had ill will against
6 her, he hated her, he wanted to kill her, and he did it.
7 He promised her he would, promised her mama, and then he
8 carried out his plan. His murder. Thank you.

9 JURY CHARGE:

10 THE COURT: Thank you. All right. Everyone take a
11 stand. Stand up. Ladies and gentlemen, my charge will
12 take ten to fifteen minutes. Okay? So I just wanted to
13 make sure everyone was up, feeling okay. Is everyone
14 okay? We've been going for an hour and a half. Does
15 anyone need a break before I charge? You all okay? All
16 right. You all may be seated. Thank you.

17 Mr. Foreperson, members of the jury, you've
18 followed very patiently and listened very attentively to
19 the presentation of the evidence in this case, and I
20 want to thank you for that. It now becomes the duty of
21 the trial judge to instruct you on the law that's
22 applicable to this case, and it's your duty, as jurors,
23 to accept and apply the law as I will now give it to
24 you.

25 Ladies and gentlemen, as jurors, it is your

5-9-18 STATE V SANDERS

JURY CHARGE

1 exclusive duty to decide all the issues of fact in this
2 case. You must determine the effect, the value, and the
3 weight of the evidence. Both the State and the
4 defendant, Mr. Sanders, have the right to expect that
5 you will carefully consider and evaluate the evidence,
6 and apply the law of the case to the evidence. And by
7 doing so, both the State and the defendant will receive
8 and obtain a fair and impartial trial in this matter.

9 Ladies and gentlemen, the State of South Carolina,
10 by the Bills of Indictment in this case, charge the
11 defendant, Gregory Sanders, with the offense of murder
12 and possession of a weapon during the commission of a
13 violent crime.

14 Ladies and gentlemen, I remind you that the
15 defendant was arrested, charged, and indicted in this
16 case is not evidence in this case, and cannot be
17 considered by you as evidence of guilt in this case, nor
18 does it create a presumption of guilt. An indictment is
19 simply the written instrument that contains the charge
20 that's made against the defendant. It's the formal
21 document by which the case is brought into the
22 courtroom.

23 Now, ladies and gentlemen, the defendant in this
24 case, Mr. Sanders, has pled not guilty to these
25 indictments, and that plea puts the burden on the State

5-9-18 STATE V SANDERS

JURY CHARGE

1 to prove his guilt beyond a reasonable doubt. Now, a
2 person charged with committing a criminal offense in
3 South Carolina is never required to prove himself
4 innocent. I charge you that it's an important rule of
5 law that a defendant in a criminal trial, no matter what
6 the seriousness of the charges may be, will always be
7 presumed innocent of the crimes for which an indictment
8 was issued, unless guilt has been proven of -- been
9 proven, excuse me, by evidence satisfying you, the jury,
10 of that guilt beyond a reasonable doubt. That is,
11 presumption of innocence does not end when you begin
12 your deliberations, but it accompanies the defendant
13 throughout the trial until you, the jury, reach a
14 verdict of guilt beyond a reasonable doubt.

15 Now, ladies and gentlemen, presumption of innocence
16 is not a mere legal theory. Again, it's not just a
17 legal phrase we use. It's a substantial right, ladies
18 and gentlemen, to which every defendant is entitled;
19 again, unless you, the jury, are convinced, finding
20 evidence of the defendant's guilt.

21 Ladies and gentlemen, so what is reasonable doubt
22 in the law? A reasonable doubt is the kind of doubt
23 that would cause a reasonable person to hesitate to act
24 in their most important decisions. The State has the
25 burden to prove the defendant guilty beyond a reasonable

5-9-18 STATE V SANDERS

JURY CHARGE

1 doubt. And again, the term reasonable doubt must be
2 given its plain and ordinary meaning. However, to the
3 extent that I can define it for you again, a reasonable
4 doubt is the kind of doubt that would cause a reasonable
5 person to hesitate to act in the most important of their
6 personal decisions.

7 Now, the defendant is entitled to every reasonable
8 doubt in this case. If, upon a fact essential to
9 conviction, you, the jury, have a reasonable doubt as to
10 how that issue should be decided, you must resolve that
11 reasonable doubt in favor of the defendant.

12 Now, some of you may have served as jurors in civil
13 cases, where you were told it was necessary to prove
14 that a fact is more likely true than not true. It's
15 what we call the greater weight, or preponderance, of
16 the evidence. In criminal cases the State's proof must
17 be more powerful than that. It must be beyond a
18 reasonable doubt. Now, suspicion, no matter how strong,
19 is insufficient to convict a person charged with a
20 crime. That the facts and circumstances presented may
21 seem suspicious, and a defendant's guilt may seem
22 probable, this is not sufficient in the law to convict.
23 Truth beyond a reasonable doubt is a proof that leaves
24 you firmly convinced of the defendant's guilt.

25 Now, again, there are very few things we know in

5-9-18 STATE V SANDERS

JURY CHARGE

1 this world with absolute certainty. In criminal cases
2 the law does not require proof that overcomes every
3 possible doubt. If, based on your consideration of the
4 evidence, you are firmly convinced that the defendant is
5 guilty, ladies and gentlemen, you must find him guilty.
6 If, on the other hand, you think there is a real
7 possibility that the defendant is not guilty, you must
8 find the defendant not guilty, and give him that benefit
9 of the doubt. Now, I remind you that during this trial
10 you and I have certain duties to perform. As the judge,
11 it's my responsibility to preside over the trial of this
12 case, and I also have the duty to rule on the
13 admissibility of evidence in this case. You are to
14 consider only the competent evidence that's before you.
15 You are to consider only the testimony that came here
16 from the witness stand, and any other exhibits that were
17 made a part of the record in this case. I have the
18 additional duty to charge you on the law that's
19 applicable to this case.

20 I am the sole judge of the law in this case. It's
21 your duty as jurors to accept and apply the law as I
22 give it to you. Now, if you have any idea as to what
23 you think the ought to be or what the law is, and it now
24 does not agree with what I tell you it is, you must
25 abandon this idea, because you are sworn to accept and

5-9-18 STATE V SANDERS

JURY CHARGE

1 apply the law exactly as I state it to you. Now, in
2 every case that's tried in this courtroom before a jury,
3 the jury is the sole and exclusive judge of the facts.
4 A trial judge cannot intimate, comment on, or make any
5 statement to a trial jury about the facts in the case.
6 And since you, the jury, are the sole judge of all the
7 facts in this case, you are not to infer from what I've
8 said during the progress of this trial in ruling upon
9 the admissibility of evidence or otherwise, or anything
10 that I say now during the course of this instruction to
11 you, that I have an opinion about the case. The law
12 does not allow me to have an opinion about the case.
13 Again, this matter is solely for you to determine.

14 Now, I remind you, again, as jurors, it's your duty
15 to determine the effect, the value, and the weight of
16 the evidence that's been presented during this trial.
17 Now, there are two types of evidence which are generally
18 presented during a trial. There's direct evidence and
19 circumstantial evidence. Direct evidence is the
20 testimony of a person who claims to have actual
21 knowledge of a fact, such as an eyewitness. It's
22 evidence that immediately establishes a main fact to be
23 proved. Circumstantial evidence proof of a chain of
24 facts and circumstances indicating the existence of a
25 fact. It is evidence which immediately establishes

5-9-18 STATE V SANDERS

JURY CHARGE

1 collateral facts from which the main fact may be
2 inferred. Circumstantial evidence is based on
3 inference, and not on personal knowledge or
4 observations.

5 Ladies and gentlemen, crimes may be proven by
6 circumstantial evidence. The law makes no distinction
7 between the weight or value to be given to either direct
8 or circumstantial evidence. However, to the extent the
9 State relies on circumstantial evidence, all of the
10 circumstances must be consistent with each other, and
11 when taken together, point conclusively to the guilt of
12 the accused beyond a reasonable doubt. Now, if these
13 circumstances merely portray the defendant's behavior as
14 suspicious, the proof has failed.

15 The State has the burden of proving the defendant
16 guilty beyond a reasonable doubt, and this burden rests
17 with the State regardless of whether the State relies on
18 direct evidence, circumstantial evidence, or some
19 combination of the two.

20 Now, ladies and gentlemen, it is your duty to
21 determine the credibility of the witnesses who have
22 testified in this case, and credibility simply means
23 believability. It's your duty as jurors to analyze and
24 evaluate the evidence, and determine which evidence
25 convinces you of its truth. Now, in determining the

5-9-18 STATE V SANDERS

JURY CHARGE

1 believability of witnesses who have testified in this
2 case, you may believe one witness over several
3 witnesses. You may believe a part of the testimony of a
4 witness and reject the remaining part of the testimony
5 of that same witness. You may believe the testimony of
6 a witness in its entirety, or reject the testimony of a
7 witness in its entirety. And you may consider whether
8 the witness has exhibited to you any interest, bias,
9 prejudice, or other motive in this case. You may also
10 consider the appearance and manner of a witness on the
11 witness stand.

12 Now, there may have been evidence presented that
13 witnesses made prior statements which may not be
14 consistent with the witness's present testimony. You
15 may use this evidence to decide whether to believe the
16 witness. You may also use evidence of the earlier
17 contradictory statement to determine the truth of those
18 statements. It is up to you to determine or to decide
19 whether to believe the earlier statements or the
20 testimony given at trial.

21 Now, if a witness has shown to knowingly testified
22 untruthfully concerning any material matter, you may
23 consider this in determining whether to trust the
24 witness's testimony as to other matters; and you may
25 reject all testimony of that witness, or give all or

5-9-18 STATE V SANDERS

JURY CHARGE

1 part of the testimony the weight you think it deserves.
2 Now, normally a person cannot give opinion testimony.
3 Normally, when a person testifies, they must testify as
4 what they either saw, heard, sensed or smelled, or
5 something of that nature. Ladies and gentlemen, there
6 is an exception, though, when someone is qualified,
7 because of education and/or experience. They are
8 permitted to give their opinion in certain areas that
9 the Court qualifies in that way, and that evidence is
10 for you to use in any way you see fit, and give it the
11 weight and credibility you believe is appropriate.

12 Now, ladies and gentlemen, there are two
13 indictments in this case, or two charges. And again,
14 each indictment charges a separate and distinct offense.
15 Ladies and gentlemen, you must decide each indictment
16 based on the evidence and the law that's applicable to
17 it.

18 Now, to begin with, the defendant is charged with
19 the murder of Tyhira Harrington. Now, the State must
20 prove beyond a reasonable doubt that the defendant
21 killed another person with malice aforethought. Now,
22 malice is hatred, ill will, or hostility towards another
23 person. It is the intentional doing of a wrongful act
24 without just cause or excuse, and with an intent to
25 inflict an injury, or other circumstances that the law

5-9-18 STATE V SANDERS

JURY CHARGE

1 will infer an evil intent. Malice aforethought does not
2 require that malice exists for any particular time
3 before the act is committed, but malice must exist in
4 the mind of the defendant just before and at the time
5 the act is committed. Therefore, there must be a
6 combination of the previous evil intent and the act.

7 Ladies and gentlemen, malice aforethought may be
8 express or inferred, and these terms, express and
9 inferred, do not mean different kinds of malice, but
10 merely the manner in which malice may be shown to exist.
11 This is either by direct evidence, or by inference from
12 the facts and circumstances which are proved. Express
13 malice is shown when a person speaks words which express
14 hatred or ill will for another, or when a person
15 prepared beforehand to do the act which was later
16 accomplished.

17 For example, lying in wait for a person, or any
18 other acts of preparation going to show that the deed
19 was within the defendant's mind with the express malice.
20 Malice may be inferred from conduct showing a total
21 disregard for human life.

22 Now, the defendant is also charged with possession
23 of a weapon during the commission of a violent crime.
24 Now, the State must prove beyond a reasonable doubt that
25 the defendant was in possession of a firearm, or visibly

5-9-18 STATE V SANDERS

JURY CHARGE

1 displayed what appeared to be a firearm during the
2 commission of a violent crime. Now, ladies and
3 gentlemen, a firearm means any machine gun, automatic
4 rifle, revolver, pistol, or any weapon which will, is
5 designed to, or may be readily converted to expel a
6 projectile.

7 Now, in order to find the defendant guilty of
8 possession of a weapon during the commission of a
9 violent crime, you must first find the defendant guilty
10 of committing a violent crime. And under the laws of
11 South Carolina, ladies and gentlemen, murder is a
12 violent crime. The State must prove that, also beyond a
13 reasonable doubt that the weapon further advanced or
14 helped in the commission of the crime.

15 Now, in this case, ladies and gentlemen, the
16 defendant has raised the defense of self-defense. Self-
17 defense is a complete defense, and if it is established,
18 you must find the defendant not guilty. Now, the State
19 has the burden of disproving self-defense by proof
20 beyond a reasonable doubt. If you have a reasonable
21 doubt of the defendant's guilt after considering all of
22 the evidence, including the evidence of self-defense,
23 then you must find the defendant not guilty. On the
24 other hand, if you have no reasonable doubt of the
25 defendant's guilt after considering all of the evidence,

5-9-18 STATE V SANDERS

JURY CHARGE

1 including the evidence of self-defense, then you must
2 find the defendant guilty.

3 Now, the following elements are required to
4 establish self-defense. First, the defendant must be
5 without fault in bringing on the difficulty. If the
6 defendant's conduct was the type which was reasonably
7 calculated to, and did provoke the deadly assault, the
8 defendant would be at fault in bringing on the
9 difficulty, and would not be entitled to an acquittal
10 based on self-defense.

11 Ladies and gentlemen, self-defense is not available
12 to a person who uses language which is so contemptuous
13 that a reasonable person would expect it to bring on a
14 physical encounter, and which did actually contribute to
15 the physical encounter.

16 Now, the second element of self-defense, ladies and
17 gentlemen, is if the defendant was actually in imminent
18 danger of death or serious bodily injury, or that the
19 defendant actually believed he was in imminent danger of
20 death or serious bodily injury. Now, if the defendant
21 was actually in imminent danger, it must be shown that
22 the circumstances would have warranted a person of
23 ordinary firmness and courage to strike a blow to
24 prevent death or serious bodily injury. If a defendant
25 believed he was in imminent danger of death or serious

5-9-18 STATE V SANDERS

JURY CHARGE

1 bodily injury, it must be shown that a reasonably
2 prudent person of ordinary firmness and courage would
3 have had the same belief.

4 Now, in deciding whether the defendant actually was
5 or believed he was in imminent danger of death or
6 serious bodily injury, you should consider all the facts
7 and circumstances surrounding the events, including the
8 physical condition and characteristics of the defendant
9 and the victim. Now, under the law of self-defense, the
10 defendant may take another's life in the defense of
11 others. The right to intervene to protect another
12 person is subject to the same rights and limitations as
13 the right of self-defense. The defendant may take the
14 life of a person who assaults a friend, relative, or
15 bystander, if that friend, relative, or bystander would
16 have had the right of self-defense.

17 To show that the person being defended had the
18 right of self-defense, it must first be shown that the
19 person being defended and the defendant were both
20 without fault in bringing on the difficulty. If the
21 conduct of the person defended or the defendant was the
22 type which was reasonably calculated to and did provoke
23 a deadly assault, the person would be at fault in
24 bringing on the difficulty, and would not have the right
25 of self-defense. Therefore, the defendant would not

5-9-18 STATE V SANDERSJURY CHARGE

1 have the right to use deadly force in defending that
2 person. The defense of another person is excusable if
3 the defendant had reasonable grounds to believe, and in
4 good faith did believe, that the person being defended
5 was in imminent danger of death or serious bodily injury
6 or bodily harm from the victim.

7 Now, in deciding, again, whether a person defended
8 actually was, or that the defendant actually believed
9 that that person was, in imminent danger of death or
10 serious bodily injury, you should consider all the facts
11 and circumstances surrounding the crime, including the
12 physical condition and characteristics of the parties.

13 Now, the defendant does not have to show that he
14 was actually in danger. It is enough that the defendant
15 believed he was in imminent danger, and a reasonably
16 prudent person of ordinary firmness and courage would
17 have had the same belief. The defendant has the right
18 to act on appearances, even though the defendant's
19 beliefs may have been mistaken. It is for you, the
20 jury, to decide whether the defendant's feared of
21 immediate danger of death or serious bodily injury was
22 reasonable, and would have been felt by an ordinary
23 person in the same situation.

24 Now, ladies and gentlemen, words accompanied by
25 hostile acts may, depending on the circumstances,

5-9-18 STATE V SANDERS

JURY CHARGE

1 establish self-defense. Now, also evidence of prior
2 difficulties between the defendant and the victim may be
3 considered in deciding whether a threat existed, whether
4 the defendant had a reason to believe that a threat
5 existed, and how serious that threat was.

6 Now, the relative sizes, ages, and weight of the
7 defendant and the victim may be considered in deciding
8 the appearance or actual need for force in self-defense,
9 and the amount of force needed.

10 Now, ladies and gentlemen, the reputation of the
11 victim may also be considered in deciding whether there
12 was a need for force, whether the defendant had reason
13 to believe there was a need for force, and whether force
14 was reasonably necessary. Threats made by the victim
15 may be considered in determining whether the defendant
16 actually was or believe he was in imminent danger.

17 Now, ladies and gentlemen, lastly, the final
18 element of self-defense is that the defendant had no
19 other probable way to avoid the danger of death or
20 serious bodily injury than to act as the defendant did
21 in this particular instance.

22 Mr. Foreperson, members of the jury, as you retire
23 to begin your deliberations in this case, I wish to
24 express the hope that each of you are mindful of your
25 responsibility here today. You're not called upon very

5-9-18 STATE V SANDERS

JURY CHARGE

1 often to serve as jurors, and the proper performance of
2 that duty requires each of you to reach the height of
3 freeing your mind of all improper influences.

4 And please don't get the idea that I'm trying to
5 intimate to you how you should decide this case, as
6 again, I've already told you, under the laws of the
7 state of South Carolina, you, the jury, are the sole
8 judge of all facts, and it would be highly improper or
9 me to influence you in your performance of that duty.
10 But, ladies and gentlemen, as the presiding officer of
11 this court, I am vitally concerned that whatever verdict
12 you reach in this case will be the result of you going
13 back into the jury room and confining your consideration
14 to the evidence in this case, and to the law that you've
15 heard in this courtroom, weighing it fairly and
16 impartially, as I have every confidence you will.

17 Mr. Foreperson, I remind you, your verdict must be
18 the verdict of all twelve jurors, and to that end my law
19 clerk has prepared a verdict form, which simply has the
20 case caption, the State of South Carolina versus Gregory
21 Sanders. It has the two indictment numbers, and it has
22 two questions, sir. The first one says, *as to the*
23 *charge of murder of Tyhira Harrington, we find the*
24 *defendant, Gregory Sanders;* and then, it either says not
25 guilty or guilty. Sir, you'll checkmark one of those.

5-9-18 STATE V SANDERS

JURY CHARGE

1 If you find not guilty, you will stop your
2 deliberations, you are done. If you do find the
3 defendant guilty of murder, then you would go on to the
4 second question and answer that as well. And it simply
5 asks, as to the charge of possession of a weapon during
6 the commission of a violent crime, do you find the
7 defendant guilty or not guilty.

8 Sir, it also states that this is the unanimous
9 decision of the jury, and there is a place for you to
10 sign, sir, as the foreperson and date the form. When
11 the jury has reached a unanimous verdict, I ask that you
12 knock on your jury room door. We are going to accept
13 you back into the courtroom to take your verdict. All
14 right?

15 Ladies and gentlemen, just a couple of other
16 housekeeping matters, you know my court reporter has
17 been taking everything down during the trial of this
18 case. But I want you to know that there is no
19 transcript of this trial testimony. If there is certain
20 testimony that you want played back, what I can do is
21 bring you back into the courtroom, and we can play the
22 backup, which is called the audiotape, transcription.
23 The only thing I need to tell you, ladies and gentlemen,
24 is that if you ask for a particular witness's testimony,
25 I have to play the entire testimony of that witness. In

5-9-18 STATE V SANDERS

JURY CHARGE

1 other words, the direct, cross, re-direct, the re-cross.
2 All right?

3 Also, ladies and gentlemen, you're going to have
4 back in the jury room all of the exhibits that have been
5 entered into this case. So, if you don't have it back
6 in there, it wasn't entered into evidence. It could've
7 been what's called a demonstrative exhibit that was just
8 put up here for you to look at, but it wasn't evidence
9 that was entered into. So you can't ask me for that if
10 there is something in which you had, you simply can't
11 get that. You are going to have everything that you are
12 entitled to back there. Okay? All right.

13 Ladies and gentlemen, for the last time I send you
14 back to your jury room, and I'm going to tell you not to
15 discuss this case. If there's something further on the
16 law that the lawyers want me to charge you, I'm going to
17 bring you back to the courtroom, and I'm going to charge
18 you further. If not, Mr. Foreperson, you are going to
19 get the verdict form and the evidence that was entered
20 into, and some gloves back there. That'll be your
21 signal to begin your deliberations. If not, I'll bring
22 you back in here, and I'll charge you further. Okay?

23 I appreciate it, ladies and gentlemen. I'm going
24 to excuse you back to your jury room. Please let our
25 bailiffs know if there's anything you need. Okay?

25 understanding the jury has a verdict. For those of you

VERDICT

1 in the courtroom that are involved in this case, I need
2 to ask you to make sure you can contain yourself. If,
3 for some reason, you can't, you need to remove yourself
4 now, because if you have any type of outburst we're
5 going to have to put you into custody, and I would hate
6 to have to do that. Okay? So just make sure you can
7 keep yourself contained.

8 All right. Is the State ready?

9 SOLICITOR LEGETTE: Yes, your Honor.

10 THE COURT: Defense ready?

11 MR. PLEXICO: Yes, your Honor.

12 THE COURT: All right. Let's bring the jury in.

13 JURORS ENTER COURTROOM 3:55 P.M.

14 THE COURT: Mr. Foreperson, I understand the jury
15 has reached a verdict, sir.

16 FOREPERSON: Yes, we have.

17 THE COURT: Would you please hand it to the bailiff
18 or the clerk? Thank you.

19 Would you please stand, Mr. Sanders, along with
20 your Counsel. Thank you, gentlemen.

21 *In the case of the state of South Carolina versus*
22 *Gregory Sanders, Question Number 1, as to the charge of*
23 *murder of Tyhira Harrington, we find the defendant,*
24 *Gregory Sanders, guilty.*

25 *As to the charge of possession of a weapon during*

5-9-18 STATE V SANDERS

JURORS POLLED

1 a violent crime, we, the jury, find the defendant,
2 Gregory Sanders, guilty.

3 It is signed by our foreperson.

4 You may be seated, Mr. Plexico.

5 Ladies and gentlemen of the jury, if this is your
6 verdict will you please indicate by raising your right
7 hand?

8 And I notice all of the jurors have raised their
9 hand. Is there any further required of this verdict.

10 MR. PLEXICO: Yes, your Honor. I ask that the
11 jurors be polled.

12 JURORS POLLED:

13 THE COURT: All right. Ladies and gentlemen, what
14 we are going to do is go through -- or Pumpkin's going
15 to go through and do it, and what she's going to ask you
16 is, when your -- do you have just -- do you all know
17 your numbers, still, or do you -- do you remember your
18 juror numbers?

19 SOLICITOR LEGETTE: I have them, also.

20 THE COURT: Okay. I know that you have them. But
21 we're going to try to avoid calling names, but that's
22 fine. What she's going to do is call your name, and
23 when she calls your name, if you would just let us know
24 who we're talking to. And she's going to ask you if
25 this is your verdict, and you're going to answer yes or

5-9-18 STATE V SANDERS

SENTENCING

1 actually he might carry it out. Him having now made a
2 threat to another young person and carrying out that
3 threat, your Honor, he's a man of his word. Like I said
4 in my closing argument, he will do what he says he will
5 do. So, your Honor, I would -- I don't just ask this
6 arbitrarily or capriciously, your Honor, but I do
7 believe that Mr. Sanders poses a threat to society, to
8 persons of -- police officers, who he's threatened in
9 the past; home invasions, your Honor, and just various
10 people in the community. So I would ask the Court for a
11 sentence of life. I'm not asking for life for life,
12 your Honor, but I do believe that his prior record, the
13 nature of what he did here, and now the harm that he
14 caused to Ms. Garvin in threatening her daughter, what
15 he's done in the past about threats and carrying them
16 out, your Honor, he has, in my opinion, a propensity to
17 threaten people, and then to see that threat carried
18 out. So rather than watch anyone else die on my watch,
19 your Honor, I would ask you to sentence him to the
20 balance of his life. Thank you.

21 THE COURT: Okay. All right. Mr. Plexico, if you
22 and your client will stand. In the case of 2016-178,
23 it's the State versus Gregory Sanders, on the charge of
24 murder, the sentence of this court is you be committed
25 to the Department of Corrections for a period of life

5-9-18 STATE V SANDERS

SENTENCING

1 imprisonment. On Indictment 2016-177, possession of a
2 weapon during the commission of a violent crime, the
3 sentence of this court is you be committed to the
4 Department of Corrections for a period of five years,
5 and that's to run concurrent. Good luck to you, Mr.
6 Sanders.

7 SOLICITOR LEGETTE: Thank you, your Honor.

8 THE COURT: All right. I will tell you that I
9 think, certainly, in the wisdom of our rules and our
10 court system, your job is to determine guilt or
11 innocence, and my job is to sentence. So I always tell
12 juries that's my responsibility, and I accept that, and
13 I'm very mindful and respectful of it. I understand,
14 certainly, the awesome power it does hold. I don't take
15 anything lightly in any way, shape, or form.

16 So, with that said, I want to, again, thank you
17 all, and I appreciate you being here.

18 I just want to make sure that you've got him back
19 and secure. And I will just let you know that the
20 bailiffs will make sure you all get to your cars. And
21 again, thank you. Okay? They should be okay? Do they
22 have him?

23 DEPUTY: Yes, Judge.

24 THE COURT: All right. Thank you. I appreciate
25 it. All right. Is there anything further in this case
