GENERALLY - The accounts listed on page one are covered by their individual terms and conditions, unless modified by this Authorization. If a transfer is made from a savings account, we reserve the right to require not less than 7 days written notice of withdrawal.

You agree to keep enough money in your Debited Account to cover the transfers you request by this Authorization. If your Debited Account balance is insufficient to cover the transfers you authorize, we may cancel this Authorization immediately without notice. We may use our rights and remedies under applicable law and our rules and regulations governing these types of accounts. These may include returning your checks or drafts unpaid and closing your account(s) by mailing a proper notice to you with a check or draft equal to the balance in the account.

You agree, in consideration of this service rendered by us, to indemnify (repay us for any loss) and hold us harmless (release us from any responsibility) from any liability or loss occurring due to the dishonor of any check or draft presented which results from any charge made or refused to be made by us under this Authorization. You agree to abide by our rules and regulations governing your account(s) as stated on your account agreement and as amended from time to time. We may take any security measures that we believe are necessary (such as recording telephone transfer conversations) without notice to you.

LOAN PAYMENT AUTHORIZATION - If your Credited Account listed on page one is a debt you owe us (e.g. a mortgage or installment loan), then you agree that we may continue to charge the Debited Account until the loan is paid or until you provide us with written notice of cancellation.

If your Debited Account does not have a sufficient balance on a day that a payment is to be debited, we may stop further efforts to debit your Debited Account and ask you for the payment and all subsequent payments until all payments under the loan are current. We will not use the availability of any credit line that you may have with us in determining whether your Debited Account has a sufficient balance. At our option and discretion, we may resume charging the Debited Account without further instruction from you once all payments are current. If we do not resume charging your Debited Account, we will notify you in writing that we have cancelled this Authorization. Cancellation of this Authorization does not excuse you from making timely payment under the terms of the loan.

AMENDMENTS AND TERMINATION - We will give you reasonable notice when we amend this Authorization. If this Authorization needs to be amended because of a change in State or Federal law, the change shall be effective immediately without notice. LEASE AGREEMENT

This Lease is made to be effective on the 4th day of March, 2010 by and between SCENT Land Holdings, LLC ("Landlord") and South Carolina ENT, Allergy and Sleep Medicine, PA ("Tenant").

In consideration of the respective performance by the other of all the following terms, conditions, and covenants during the term of this Lease and any extension thereof, Landlord and Tenant do hereby agree to the following:

1. DESCRIPTION OF PREMISES.

Landlord hereby leases to Tenant the following-described property: a medical office building located in Lugoff, Kershaw County, South Carolina, located on U.S. Highway 601 South together with the related improvements, equipment, and fixtures thereon, including the use of adjacent parking areas, all of which shall be hereinafter described as the "Premises."

2. TERM.

The Term of this Lease is for 10 years (the "Term"), commencing on the 1st day of July, 2010, unless said term is terminated or extended pursuant to the provisions of this lease, and expiring on the 30th Day of June, 2020. If tenant has complied with all of the obligations contained herein and paid all Rent due the Landlord, the Tenant may elect to renew this Lease for additional terms of five (5) years (the Renewal Term) by providing Landlord written notice of its intent to renew at least sixty (60) days prior to the expiration of the then current term.

3. RENT.

Tenant shall pay to the Landlord at 1165 Highway 1S Ste 300, monthly rent in the amount of $16,836.33. Tenants have paid, upon execution of this lease, the first year of the above rental in full to the Landlord. The monthly rent payments shall be payable beginning as of July 1st, 2010 and continuing on the first day of each month thereafter. Rent shall be paid at Landlord's above address or such other place as Landlord may designate in writing. It is the purpose and intent of Landlord and Tenant that this Lease, except as hereafter set forth, shall be absolutely net to Landlord and shall yield to the Landlord the Rent, as hereinabove provided. The rental amount due for any extension of the lease shall increase by Two(2%) percent to be paid in 12 equal monthly installments as set forth herein. In the event the Consumer Price Index

Plaintiffs' Ex 0283.021

increases by more than Two (2%) percent for any One (1) year period of the lease, then the parties agree that on the extension date, the amount of the Rent shall be increased (but in no event decreased) by the percentage of any increase in the Index. Such increase shall be equal to the percentage increase as reflected in the last published Index in effect at the time of the adjustment. Landlord shall submit to Tenant a statement of any such adjustment to the Tenant before the effective date of the increase. In no event shall the increase exceed five percent (5%) for any Lease period.

The Tenant may terminate this lease agreement upon 2 months written notice to the Landlord and upon payment, or forfeiture, of 6 months rent as the price for buying out of this lease agreement.

4. USE AND OCCUPANCY.

Tenant shall use the Premises for the evaluation and treatment of patients or for any other purpose permitted under applicable zoning ordinances and restrictive covenants ("Tenant's Use"). Tenant shall not use the Premises or permit the Premises to be used for personal habitation or any unlawful purpose.

5. ALTERATIONS AND IMPROVEMENTS.

Tenant shall be entitled to change, alter, add, construct and other improvements on the Premises in order to render the Premises suitable for Tenant's intended use; provided, however, any such alteration, addition, construction, demolition, and rebuilding shall be done in compliance with applicable building codes, laws and ordinances and upon prior approval of the Landlord. Any improvements made to the property will inure to the benefit of the Lessor at the end of the lease and no reimbursement for expenses incurred or improvements made by the Lessee will be repaid to the Lessee. Lessor shall have the option, in his sole discretion, of requiring Lessee to return the property back to its original condition at the term of the lease or allowing it to remain as it is at the conclusion of the lease.

6. MAINTENANCE OF THE PREMISES.

A. During the Initial Term or any Renewal Term of this Lease, Tenant shall be responsible for all repairs, replacements and maintenance, ordinary as well as extraordinary, foresee and unforeseen, structural and otherwise.

B. Tenant shall keep the Premises in as good order and condition as when delivered to him, excepting ordinary wear and tear, and damage by fire, elements, or casualty.

Plaintiffs' Ex 0283.022

C. Tenant shall keep the plumbing, lighting, and electrical equipment and systems located within the Premises in good repair.

D. Tenant shall keep and maintain the walkways, parking, and landscaped areas of the Premises, if any, in a clean, attractive, and acceptable condition.

7. TRADE FIXTURES AND SURRENDER OF PREMISES.

All trade fixtures, merchandise, supplies, and equipment owned by Tenant and installed in the Premises shall remain the property of Tenant and within five (5) days of the end of the Term or any final extension thereof or earlier termination of this Lease permitted under the terms and conditions contained herein, Tenant shall remove the same and peaceably yield up the Premises to Landlord in as good repair and condition as when delivered to it, excepting ordinary wear and tear, and damage by fire, elements, or casualty; provided, however, that Tenant shall repair any damage to the Premises caused by the removal of such property.

8. UTILITY EQUIPMENT AND SERVICE.

In addition to the rent described above, Tenant shall pay all charges for utility services including heat, air conditioning, water, sewer, electricity, gas, and telephones used on the Premises.

9. MECHANIC'S LIENS.

Any mechanic's lien filed against the Premises for work or materials furnished to either Landlord or Tenant shall be discharged by such respective party responsible therefor promptly and prior to the commencement of any legal action to perfect the same.

10. LANDLORD'S RIGHT OF INSPECTION.

Landlord, at reasonable times and frequency, shall have the right to enter the Premises to examine the same, to show them to prospective purchasers, mortgagees, lessees and to make such repairs, alterations, improvements or additions required hereunder, if any, without the same constituting an eviction of Tenant in whole or in part; provided, however, except in cases of emergency, Landlord shall notify Tenant at least two (2) days prior to such entry, and such entry shall be made with a minimum of interference to Tenant's business. Subject to the terms and provisions of Section 14A hereof, rent shall not abate while any repairs, alterations, improvements, or additions are being made, provided that Landlord shall proceed expeditiously with the same and without unreasonable interference or interruption to Tenant's use of the Premises.

Plaintiffs' Ex 0283.023

11. PROPERTY TAXES.

In addition to the rent described in Section 3 above, Tenant shall be responsible for payment of property taxes, and shall promptly pay, or otherwise coordinate the payment when due of, all real estate taxes and special assessments lawfully levied against the Premises. Landlord will deliver to Tenant, promptly upon Landlord's receipt thereof, all tax bills relating to the Premises that are received by Landlord. Such payment shall be made by Tenant not later than thirty (30) days following the date on which Landlord provides Tenant with said tax bills. Tenant shall pay promptly all personal property taxes lawfully levied against personal property of any kind owned by Tenant upon or about the Premises.

12. LIABILITY INSURANCE.

A. Tenant shall be required to carry general liability insurance coverage on the Premises and on Tenant's operations with minimum limits as follows:

Bodily Injury	$1,000,000.00 Single Limit
Property Damage	$ 500,000.00

B. Said policy shall name Landlord as loss payee and contain a clause that the insurer will not cancel or change the insurance without first giving both parties prior written notice. Such insurance may be furnished by Tenant under a blanket policy or separate policy and shall be issued by a company licensed to do business in the State of South Carolina.

13. PREMISES INSURANCE.

Tenant shall carry fire and extended coverage insurance on all of the buildings and improvements on the Premises throughout the Term of this Lease. Such insurance shall be in the name of Landlord and Tenant and provide coverage in such amounts as are approved by Landlord in its reasonable discretion. In addition to rent described above, Tenant shall pay all premiums for such coverage within five (5) days after the same shall become due and will promptly deliver to the Landlord the policies of insurance and the receipts for such premiums. Provided, however, if the Tenant shall at any time fail to insure the Premises or keep the Premises insured as stated, the Landlord may do all things necessary to effect or maintain such insurance, and any moneys expended by Landlord for that purpose shall be paid by the Tenant on demand and may be recovered as rent in arrears. Said insurance shall insure against such hazards as are included in a standard extended coverage policy.

Plaintiffs' Ex 0283.024

14. DAMAGES TO PREMISES.

A. In the event the Premises or any material portion thereof or any adjoining property shall be damaged by fire or other casualty during the Term hereof so as to render the Premises untenantable, Landlord shall promptly restore the same to their previous condition, and a just proportion of the rent, according to the extent to which the Premises are rendered untenantable, shall abate until the Premises shall have been restored and put in proper condition for use and occupancy by Tenant; provided, however, that if the damaged Premises cannot be made tenantable within one hundred (100) days after the occurrence of such damage, Tenant may terminate this Lease forthwith by written notice thereof delivered to Landlord not less than forty-five (45) days following the occurrence of such damage, and any rent paid in advance of such termination by Tenant shall forthwith be refunded to Tenant. If any authority having jurisdiction thereof shall determine that the Premises, or any building of which the Premises are a part, should be demolished and removed because of damage, this Lease shall terminate at the option of Tenant, and any rent paid in advance of such determination by Tenant shall be refunded to Tenant. If, during the term, any non-material portions of the Premises or the personalty or fixtures on it are destroyed or damaged in whole or in part by fire or other cause, Tenant, at its own cost and expense, shall cause the prompt repair and replacement of same.

B. Landlord and Tenant hereby release and discharge each other and any employee or representative of each from any liability whatsoever hereafter arising from loss, damage, or injury to any person or to the Premises caused by fire or other casualty for which insurance is required to be carried hereunder by the insured party at the time of such loss, damage, or injury to the extent of any recovery by the injured party under such insurance, provided such insurance permits a waiver of liability and subrogation rights.

15. BANKRUPTCY.

In the event the Premises or any rights therein shall be levied on by execution or other process of law by a creditor of either party, or if either party shall be adjudged bankrupt or insolvent, or if any receiver shall be appointed for the business and property of either party, or if any assignment shall be made of either party's property for the benefit of creditors, thereby diminishing any right or privilege granted by this Lease to the other party, then the other party may terminate this Lease forthwith.

16. WARRANTIES AND REPRESENTATIONS BY LANDLORD.

Landlord has good, marketable title to the Premises and any improvements located on the Premises and has the right to lease the Premises to Tenant without the

Plaintiffs' Ex 0283.025

consent or approval of any other person or entity. Landlord further represents and warrants that this Lease represents the binding obligation of the Landlord in accordance with its terms and that the person executing this Lease on behalf of the Landlord is duly authorized to do so without the consent or approval of any other person or entity.

17. QUIET ENJOYMENT BY TENANT.

Landlord covenants that if Tenant performs all the terms, conditions, and covenants of this Lease to be performed by Tenant, Tenant shall peaceably and quietly hold and enjoy the Premises for Tenant's purposes for the Term without hindrance or interruption.

18. SUBORDINATION TO LANDLORD'S MORTGAGE AND ATTORNMENT.

Tenant, at Landlord's request, shall subordinate Tenant's interest hereunder in writing to any lien or mortgage now or hereafter placed on the Premises and to all advances made or hereafter to be made upon the security thereof, provided that such lienee or mortgagee shall agree in writing that Tenant's rights hereunder shall not be diminished in any way because of such lien or mortgage. In the event the Premises are sold by foreclosure or power of sale under any lien or mortgage of Landlord, Tenant, at the option and request of the purchaser, shall attorn to the purchaser and recognize such purchaser as the Landlord under this Lease, provided that Tenant's rights hereunder shall be acknowledged and agreed to in writing by such purchaser.

19. ASSIGNMENT AND SUBLEASING BY TENANT.

Tenant shall not have the right to assign, transfer, hypothecate, or mortgage this Lease or sublease the Premises, or any part thereof, without the consent of Landlord; provided, however, Tenant may, without Landlord's consent, assign or sublet the Premises to any affiliate of Tenant or any surviving corporation/entity resulting from merger, consolidation or reorganization.

20. HAZARDOUS MATERIALS.

Tenant shall not cause or permit any Hazardous Materials, as defined herein, to be used, stored, generated, or disposed of on, in, or about the Premises in violation of applicable environmental laws. If any part of the Premises becomes contaminated in any material manner by a Release of Hazardous Materials for which Tenant is legally liable, then Tenant shall indemnify and hold Landlord harmless from any and all claims, damages, fines, judgments, penalties, costs, liabilities and/or losses arising during or after the Term or any renewal term hereof and arising in connection with

Plaintiffs' Ex 0283.026

such Hazardous Materials or contamination.

21. CHOICE OF LAWS.

This lease shall be subject to the law of the State of South Carolina to resolve any dispute arising between the parties hereto.

22. DEFAULT OF TENANT.

If Tenant fails to pay rent or any other charge due hereunder within fifteen (15) days after written notice of such default has been given to Tenant, or if Tenant fails to perform any other term, condition, or covenant of this Lease for more than thirty (30) days after written notice of such failure has been given to Tenant, unless by its nature the cure of such failure requires more than thirty (30) days, and Tenant is diligently pursuing such cure, Landlord shall then have the right to pursue any right or remedy to which Landlord is entitled, under applicable law or this Lease, for such failure. In the event of default by Tenant, Tenant agrees to pay all costs of collection or enforcement, including costs and a reasonable attorney's fee.

23. HOLDING OVER.

If Tenant holds over after termination of this Lease, the tenancy thereafter shall be from month to month and not a renewal of this Lease; subject, however, to all terms, conditions, and covenants of this Lease, and the rent during the month-to-month tenancy shall be at the monthly rate of the last year of the Lease Term.

24. INDEMNITY.

A. Tenant shall defend, indemnify and hold Landlord harmless from and against any and all costs, expenses, liabilities, losses and damages, injunctions. suits, actions, fines, penalties, claims and demands of every kind or nature, including reasonable attorneys' fees by or on behalf of any person, party or governmental authority whatsoever arising out of, or in connection with, Tenant's use and occupancy of the Premises, except for any such liability caused by the negligence or willful misconduct of Landlord, its agents, employees, or contractors.

B. Landlord shall defend, indemnify and hold Tenant harmless from and against all costs, expenses, liabilities, losses and damages, injunctions, suits, actions, fines, penalties, claims and demands of every kind or nature, including reasonable attorneys' fees by or on behalf of any person, party or governmental authority whatsoever arising out of, or in connection with (a) any failure by Landlord to perform any of its obligations under this Lease; or (b) the negligence or willful misconduct of Landlord, its agents, employees or contractors.

Plaintiffs' Ex 0283.027

25. ENTIRE AGREEMENT.

This Lease shall constitute the entire agreement of the parties hereto. Any prior agreement between the parties relating to the subject matter hereof, whether written or oral, is merged herein and shall be of no separate force and effect, and this Lease shall only be changed, modified, or discharged by agreement in writing signed by both parties hereto.

26. BENEFIT OF AGREEMENT.

The terms, conditions, and covenants contained in this Lease shall inure to the benefit of, and be binding upon, the parties hereto, their respective heirs, administrators, executors, representatives, successors and permitted assigns.

27. WAIVER.

The failure of either party to insist upon a strict performance of any of the terms, conditions, and covenants herein shall not be deemed to be a waiver of any right or remedies that either party may have and shall not be deemed a waiver of any subsequent breach or default in the terms, conditions, and covenants herein except as may be expressly waived in writing.

28. SEVERABILITY/PARTIAL INVALIDITY.

If any provision of this Lease is held to be illegal, invalid, or unenforceable (the "Offending Provision"), the Offending Provision shall be fully severable; this Lease shall be construed and enforced as if the Offending Provision had never comprised a part of this Lease; and the remaining provisions of this Lease shall remain in full force and effect and shall not be affected by the Offending Provision or by its severance from this Lease. Furthermore, in lieu of the Offending Provision, there shall be added, automatically as a part of this Lease, a provision as similar in terms to the Offending Provision as may be possible, and be legal, valid and enforceable.

29. NO ADVERSE PRESUMPTION.

It is acknowledged that this Lease arose as the result of arms-length negotiations between the parties and that this Lease, although manually prepared by representatives of Tenant, was prepared with the advice, consent, recommendation and review of Landlord and Landlord's counsel, and is the product of input by all parties. As a result, any ambiguity or uncertainty is not to be construed against the party whose counsel prepared this Lease on the grounds that such party's representatives drafted this Lease.

Theresa I appreciate you meeting with me on Thursday As per our conversation you were going to send me an email explaining that there are not any financial/loan problems with the past due invoices and that you are going to have the closing in approximately 6 weeks from last week, and you will be paying the balance as stated in a few installments from SC ENT account You were also going to get your lender to give us a similar email (hopefully this will help keep liens from being filed)

As discussed we will halt construction with the exception of the interior drywall until you give us further notice I do hope you will have a payment this week to help our subcontractor/suppliers with the past due invoices

I do appreciate your attention on this and look to hear from you

Thanks,
Charlie

Hello Charlie-
I have the check now and signed. I will leave at the front with your name on it
Can you please verify the amount I owe you from the unpaid balances minus the checks given to you by SCENT?
It looks like we are getting closer to a real "closings date" but I feel this will be in abt 6 weeks. I will need you to halt construction.
Please contact me with questions.
Thanks,
Theresa

Theresa we appreciate the payment that you are giving us on Thursday but can you please give us a proposed date on the closing, we are approaching time limitations on vendors/subcontractors that may place a lien on the property due to non payment If liens are put in place this will probably affect the closing

Thanks,
Charlie

Dr. Puchalski we are hopeful that the closing will be completed today as scheduled. We have had and hope to continue a very good working relationship We are just giving you our concerns over the delays on the last two invoices which can (and has on some accounts) caused burdens on our vendors and subcontractors Our vendors and subcontractors rely on timely payment in order to serve our customers with the best pricing and scheduling that we can offer
I hope that you are pleased with our workmanship, our strive for a quality product, and meeting your occupancy requirements

If for any reason you are not fully satisfied with our efforts please let us know

Thank you,

SOUTH CAROLINA - UNIVERSAL NOTE
Expere ©1984, 1991 Bankers Systems, Inc., St. Cloud, MN Form UN-SC 3/7/2002

R 75-0868695

DEFINITIONS: As used on page 1, "I" means the terms that apply to this loan. "I," "me" or "my" means each Borrower who signs this note and each other person or legal entity (including guarantors, endorsers, and sureties) who agrees to pay this note (together referred to as "us") "You" or "your" means the Lender and its successors and assigns

APPLICABLE LAW. The law of the state of South Carolina will govern this note. Any term of this note which is contrary to applicable law will not be effective, unless the law permits you and me to agree to such a variation If any provision of this agreement cannot be enforced according to its terms, this fact will not affect the enforceability of the remainder of this agreement No modification of this agreement may be made without your express written consent Time is of the essence in this agreement.

COMMISSIONS OR OTHER REMUNERATION. I understand and agree that any insurance premiums paid to insurance companies as part of this note will involve money retained by you or paid back to you as commissions or other remuneration

In addition, I understand and agree that some other payments to third parties as part of this note may also involve money retained by you or paid back to you as commissions or other remuneration

PAYMENTS: Each payment I make on this note will first reduce the amount I owe you for charges which are neither interest nor principal The remainder of each payment will then reduce accrued unpaid interest, and then unpaid principal If you and I agree to a different application of payments, we will describe our agreement on this note I may prepay a part of, or the entire balance of this loan without penalty, unless we specify to the contrary on this note Any partial prepayment will not excuse or reduce any later scheduled payment until this note is paid in full (unless, when I make the prepayment, you and I agree in writing to the contrary).

INTEREST: Interest accrues on the principal remaining unpaid from time to time, until paid in full. If I receive the principal in more than one advance, each advance will start to earn interest only when I receive the advance The interest rate in effect on this note at any given time will apply to the entire principal advanced at that time Notwithstanding anything to the contrary, I do not agree to pay and you do not intend to charge any rate of interest that is higher than the maximum rate of interest you could charge under applicable law for the extension of credit that is agreed to here (either before or after maturity). If any notice of interest accrual is sent and is in error, we mutually agree to correct it, and if you actually collect more interest than allowed by law and this agreement, you agree to refund it to me

INDEX RATE: The index will serve only as a device for setting the rate on this note You do not guarantee by selecting this index, or the margin, that the rate on this note will be the same rate you charge on any other loans or class of loans to me or other borrowers

ACCRUAL METHOD: The amount of interest that I will pay on this loan will be calculated using the interest rate and accrual method stated on page 1 of this note For the purpose of interest calculation, the accrual method will determine the number of days in a "year." If no accrual method is stated, then you may use any reasonable accrual method for calculating interest.

POST MATURITY RATE For purposes of deciding when the "Post Maturity Rate" (shown on page 1) applies, the term "maturity" means the date of the last scheduled payment indicated on page 1 of this note or the date you accelerate payment on the note, whichever is earlier

SINGLE ADVANCE LOANS. If this is a single advance loan, you and I expect that you will make only one advance of principal However, you may add other amounts to the principal if you make any payments described in the "PAYMENTS BY LENDER" paragraph below

MULTIPLE ADVANCE LOANS. If this is a multiple advance loan, you and I expect that you will make more than one advance of principal. If this is closed end credit, repaying a part of the principal will not entitle me to additional credit

PAYMENTS BY LENDER: If you are authorized to pay, on my behalf, charges I am obligated to pay (such as property insurance premiums), then you may treat those payments made by you as advances and add them to the unpaid principal under this note, or you may demand immediate payment of the charges

SET-OFF: I agree that you may set off any amount due and payable under this note against any right I have to receive money from you

"Right to receive money from you" means

(1) any deposit account balance I have with you,
(2) any money owed to me on an item presented to you or in your possession for collection or exchange, and
(3) any repurchase agreement or other nondeposit obligation.

"Any amount due and payable under this note" means the total amount of which you are entitled to demand payment under the terms of this note at the time you set off This total includes any balance the due date for which you properly accelerate under this note

If my right to receive money from you is also owned by someone who has not agreed to pay this note, your right of set-off will apply to my interest in the obligation and to any other amounts I could withdraw on my sole request or endorsement Your right of set-off does not apply to an account or other obligation where my rights are only as a representative. It also does not apply to any Individual Retirement Account or other tax-deferred retirement account

You will not be liable for the dishonor of any check when the dishonor occurs because you set off this debt against any of my accounts I agree to hold you harmless from any such claims arising as a result of your exercise of your right of set-off

REAL ESTATE OR RESIDENCE SECURITY: If this note is secured by real estate or a residence that is personal property, the existence of a default and your remedies for such a default will be determined by applicable law, by the terms of any separate instrument creating the security interest and, to the extent not prohibited by law and not contrary to the terms of the separate security instrument, by the "Default" and "Remedies" paragraphs herein

DEFAULT: I will be in default if any one or more of the following occur (1) I fail to make a payment on time or in the amount due, (2) I fail to keep the property insured, if required; (3) I fail to pay, or keep any promise, on any debt or agreement I have with you, (4) any other creditor of mine attempts to collect any debt I owe him through court proceedings, (5) I die, am declared incompetent, make an assignment for the benefit of creditors, or become insolvent (either because my liabilities exceed my assets or I am unable to pay my debts as they become due); (6) I make any written statement or provide any financial information that is untrue or inaccurate at the time it was provided, (7) I do or fail to do something which causes you to believe that you will have difficulty collecting the amount I owe you, (8) any collateral securing this note is used in a manner or for a purpose which threatens confiscation by a legal authority; (9) I change my name or assume an additional name without first notifying you before making such a change, (10) I fail to plant, cultivate and harvest crops in due season if I am a producer of crops, (11) any loan proceeds are used for a purpose that will contribute to excessive erosion of highly erodible land or to the conversion of wetlands to produce an agricultural commodity, as further explained in 7 C F R Part 1940, Subpart G, Exhibit M.

REMEDIES. If I am in default on this note you have, but are not limited to, the following remedies

(1) You may demand immediate payment of all I owe you under this note (principal, accrued unpaid interest and other accrued charges).
(2) You may set off this debt against any right I have to the payment of money from you, subject to the terms of the "SET-OFF" paragraph herein
(3) You may demand security, additional security, or additional parties to be obligated to pay this note as a condition for not using any other remedy
(4) You may refuse to make advances to me or allow purchases on credit by me
(5) You may use any remedy you have under state or federal law

By selecting any one or more of these remedies you do not give up your right to later use any other remedy. By waiving your right to declare an event to be a default, you do not waive your right to later consider the event as a default if it continues or happens again

COLLECTION COSTS AND ATTORNEY'S FEES: I agree to pay all costs of collection, replevin or any other or similar type of cost if I am in default In addition, if you hire an attorney to collect this note, I also agree to pay any fee you incur with such attorney plus court costs (except where prohibited by law) To the extent permitted by the United States Bankruptcy Code, I also agree to pay the reasonable attorney's fees and costs you incur to collect this debt as awarded by any court exercising jurisdiction under the Bankruptcy Code

WAIVER: I give up my rights to require you to do certain things I will not require you to

(1) demand payment of amounts due (presentment),
(2) obtain official certification of nonpayment (protest), or
(3) give notice that amounts due have not been paid (notice of dishonor)

I waive any defenses I have based on suretyship or impairment of collateral

OBLIGATIONS INDEPENDENT: I understand that I must pay this note even if someone else has also agreed to pay it (by, for example, signing this form or a separate guarantee or endorsement). You may sue me alone, or anyone else who is obligated on this note, or any number of us together, to collect this note You may without notice release any party to this agreement without releasing any other party If you give up any of your rights, with or without notice, it will not affect my duty to pay this note Any extension of new credit to any of us, or renewal of this note by all or less than all of us will not release me from my duty to pay it (Of course, you are entitled to only one payment in full.) I agree that you may at your option extend this note or the debt represented by this note, or any portion of the note or debt, from time to time without limit or notice and for any term without affecting my liability for payment of the note I will not assign my obligation under this agreement without your prior written approval You may, without notice, fail to perfect your security interest in, impair, or release any security and I will still be obligated to pay this loan

FINANCIAL INFORMATION: I agree to provide you, upon request, any financial statement or information you may deem necessary I warrant that the financial statements and information I provide to you are or will be accurate, correct and complete

NOTICE: Unless otherwise required by law, any notice to me shall be given by delivering it or by mailing it by first class mail addressed to me at my last known address My current address is on page 1 I agree to inform you in writing of any change in my address I will give any notice to you by mailing it first class to your address stated on page 1 of this agreement, or to any other address that you have designated

WALTER LONG, VICE PRESIDENT

DEFINITIONS. As used on page 1, "I" means the terms that apply to this loan. "I," "me," or "my" means each Borrower who signs this note and each other person or legal entity (including guarantors, endorsers and sureties) who agrees to pay this note (together referred to as "us"). "You" or "your" means the Lender and its successors and assigns.

APPLICABLE LAW. The law of the state of South Carolina will govern this note. Any term of this note which is contrary to applicable law will not be effective, unless the law permits you and me to agree to such a variation. If any provision of this agreement cannot be enforced according to its terms, this fact will not affect the enforceability of the remainder of this agreement. No modification of this agreement may be made without your express written consent. Time is of the essence in this agreement.

COMMISSIONS OR OTHER REMUNERATION. I understand and agree that any insurance premiums paid to insurance companies as part of this note will involve money retained by you or paid back to you as commissions or other remuneration.

In addition, I understand and agree that some other payments to third parties as part of this note may also involve money retained by you or paid back to you as commissions or other remuneration.

PAYMENTS. Each payment I make on this note will first reduce the amount I owe you for charges which are neither interest nor principal. The remainder of each payment will then reduce accrued unpaid interest and then unpaid principal. If you and I agree to a different application of payments, we will describe our agreement on this note. I may prepay a part or all of the entire balance of this loan without penalty unless we specify to the contrary on this note. Any partial prepayment will not excuse or reduce any later scheduled payment until this note is paid in full unless, when I make the prepayment, you and I agree in writing to the contrary.

INTEREST. Interest accrues on the principal remaining unpaid from time to time until paid in full. If I receive the principal in more than one advance, each advance will start to earn interest only when I receive the advance. The interest rate in effect on this note at any given time will apply to the entire principal advanced at that time. Notwithstanding anything to the contrary, I do not agree to pay and you do not intend to charge any rate of interest that is higher than the maximum rate of interest you could charge under applicable law for the extension of credit that is agreed to here, either before or after maturity. If any notice of interest accruals is sent and is in error, we mutually agree to correct it, and if you actually collect more interest than allowed by law and this agreement, you agree to refund it to me.

INDEX RATE. The index will serve only as a device for setting the rate on this note. You do not guarantee by selecting this index or the margin that the rate on this note will be the same rate you charge on any other loans or class of loans to me or other borrowers.

ACCRUAL METHOD. The amount of interest that I will pay on this loan will be calculated using the interest rate and accrual method stated on page 1 of this note. For the purpose of interest calculation the accrual method will determine the number of days in a year. If no accrual method is stated, then you may use any reasonable accrual method for calculating interest.

POST MATURITY RATE. For purposes of deciding when the "Post Maturity Rate" (shown on page 1) applies, the term "maturity" means the date of the last scheduled payment indicated on page 1 of this note or the date you accelerate payment on the note, whichever is earlier.

SINGLE ADVANCE LOANS. If this is a single advance loan, you and I expect that you will make only one advance of principal. However you may add other amounts to the principal if you make any payments described in the "PAYMENTS BY LENDER" paragraph below.

MULTIPLE ADVANCE LOANS. If this is a multiple advance loan, you and I expect that you will make more than one advance of principal. If this is closed end credit, repaying a part of the principal will not entitle me to additional credit.

PAYMENTS BY LENDER. If you are authorized to pay, on my behalf, charges I am obligated to pay, such as property insurance premiums, then you may treat those payments made by you as advances and add them to the unpaid principal under this note or you may demand immediate payment of the charges.

SET OFF. I agree that you may set off any amount due and payable under this note against any right I have to receive money from you.

"Right to receive money from you" means:

(1) any deposit account balance I have with you;

(2) any money owed to me on an item presented to you or in your possession for collection or exchange; and

(3) any repurchase agreement or other nondeposit obligation.

"Any amount due and payable under this note" means the total amount of which you are entitled to demand payment under the terms of this note at the time you set off. This total includes any balance the due date for which you properly accelerate under this note.

If my right to receive money from you is also owned by someone who has not agreed to pay this note, your right of set-off will apply to my interest in the obligation and to any other amounts I could withdraw on my sole request or endorsement. Your right of set-off does not apply to an account or other obligation where my rights are only as a representative. It also does not apply to any Individual Retirement Account or other tax-deferred retirement account.

You will not be liable for the dishonor of any check when the dishonor occurs because you set off this debt against any of my accounts. I agree to hold you harmless from any such claims arising as a result of your exercise of your right of set-off.

REAL ESTATE OR RESIDENCE SECURITY. If this note is secured by real estate or a residence that is personal property, the existence of a default and your remedies for such a default will be determined by applicable law or by the terms of any separate instrument creating the security interest and to the extent not prohibited by law and not contrary to the terms of the separate security instrument, by the "Default" and "Remedies" paragraphs herein.

DEFAULT. I will be in default if any one or more of the following occur: (1) I fail to make a payment on time or in the amount due; (2) I fail to keep the property insured, if required; (3) I fail to pay or keep any promise, on any debt or agreement I have with you; (4) any other creditor of mine attempts to collect any debt I owe him through court proceedings; (5) I die, am declared incompetent, make an assignment for the benefit of creditors, or become insolvent (either because my liabilities exceed my assets or I am unable to pay my debts as they become due); (6) I make any written statement or provide any financial information that is untrue or inaccurate at the time it was provided; (7) I do or fail to do something which causes you to believe that you will have difficulty collecting the amount I owe you; (8) any collateral securing this note is used in a manner or for a purpose which threatens confiscation by a legal authority; (9) I change my name or assume an additional name without first notifying you before making such a change; (10) I fail to plant, cultivate and harvest crops in due season if I am a producer of crops; (11) any loan proceeds are used for a purpose that will contribute to excessive erosion of highly erodible land or to the conversion of wetlands to produce an agricultural commodity, as further explained in 7 C.F.R. Part 1940, Subpart G, Exhibit M.

REMEDIES. If I am in default on this note you have, but are not limited to, the following remedies:

(1) You may demand immediate payment of all I owe you under this note (principal, accrued unpaid interest, and other accrued charges).

(2) You may set off this debt against any right I have to the payment of money from you, subject to the terms of the "SET OFF" paragraph herein.

(3) You may demand security, additional security or additional parties to be obligated to pay this note as a condition for not using any other remedy.

(4) You may refuse to make advances to me or allow purchases on credit by me.

(5) You may use any remedy you have under state or federal law.

By selecting any one or more of these remedies you do not give up your right to later use any other remedy. By waiving your right to declare an event to be a default, you do not waive your right to later consider the event as a default if it continues or happens again.

COLLECTION COSTS AND ATTORNEY'S FEES. I agree to pay all costs of collection, replevin or any other or similar type of cost if I am in default. In addition, if you hire an attorney to collect this note, I also agree to pay any fee you incur with such attorney plus court costs (except where prohibited by law). To the extent permitted by the United States Bankruptcy Code, I also agree to pay the reasonable attorney's fees and costs you incur to collect this debt as awarded by any court exercising jurisdiction under the Bankruptcy Code.

WAIVER. I give up my rights to require you to do certain things. I will not require you to:

(1) demand payment of amounts due (presentment);

(2) obtain official certification of nonpayment (protest); or

(3) give notice that amounts due have not been paid (notice of dishonor).

I waive any defenses I have based on suretyship or impairment of collateral.

OBLIGATIONS INDEPENDENT. I understand that I must pay this note even if someone else has also agreed to pay it (by, for example, signing this form or a separate guarantee or endorsement). You may sue me alone, or anyone else who is obligated on this note, or any number of us together, to collect this note. You may, without notice, release any party to this agreement without releasing any other party. If you give up any of your rights, with or without notice, it will not affect my duty to pay this note. Any extension of new credit to any of us, or renewal of this note by all or less than all of us, will not release me from my duty to pay it. (Of course, you are entitled to only one payment in full.) I agree that you may at your option extend this note or the debt represented by this note or any portion of the note or debt, from time to time, without limit or notice and for any term without affecting my liability for payment of the note. I will not assign my obligation under this agreement without your prior written approval. You may, without notice, fail to perfect your security interest in, impair or release any security and I will still be obligated to pay the loan.

FINANCIAL INFORMATION. I agree to provide you, upon request, any financial statement or information you may deem necessary. I warrant that the financial statements and information I provide to you are or will be accurate, correct and complete.

NOTICE. Unless otherwise required by law, any notice to me shall be given by delivering it or by mailing it by first class mail addressed to me at my last known address. My current address is on page 1. I agree to inform you in writing of any change in my address. I will give any notice to you by mailing it first class to your address stated on page 1 of this agreement, or to any other address that you have designated.

WAIVER OF HEARING PRIOR TO IMMEDIATE POSSESSION. If this loan is for a business purpose, I agree to waive the right to five days' notice and a preseizure hearing prior to seizure of any personal property which may secure this loan.

In addition, I understand and agree that some other payments to third parties as part of this note may also involve money retained by you or paid back to you as commissions or other remuneration

PAYMENTS: Each payment I make on this note will first reduce the amount I owe you for charges which are neither interest nor principal The remainder of each payment will then reduce accrued unpaid interest, and then unpaid principal If you and I agree to a different application of payments, we will describe our agreement on this note I may prepay a part of, or the entire balance of this loan without penalty, unless we specify to the contrary on this note Any partial prepayment will not excuse or reduce any later scheduled payment until this note is paid in full (unless, when I make the prepayment, you and I agree in writing to the contrary).

INTEREST: Interest accrues on the principal remaining unpaid from time to time, until paid in full. If I receive the principal in more than one advance, each advance will start to earn interest only when I receive the advance The interest rate in effect on this note at any given time will apply to the entire principal advanced at that time Notwithstanding anything to the contrary, I do not agree to pay and you do not intend to charge any rate of interest that is higher than the maximum rate of interest you could charge under applicable law for the extension of credit that is agreed to here (either before or after maturity) If any notice of interest accrual is sent and is in error, we mutually agree to correct it, and if you actually collect more interest than allowed by law and this agreement, you agree to refund it to me

INDEX RATE: The index will serve only as a device for setting the rate on this note You do not guarantee by selecting this index, or the margin, that the rate on this note will be the same rate you charge on any other loans or class of loans to me or other borrowers

ACCRUAL METHOD: The amount of interest that I will pay on this loan will be calculated using the interest rate and accrual method stated on page 1 of this note. For the purpose of interest calculation, the accrual method will determine the number of days in a "year." If no accrual method is stated, then you may use any reasonable accrual method for calculating interest

POST MATURITY RATE: For purposes of deciding when the "Post Maturity Rate" (shown on page 1) applies, the term "maturity" means the date of the last scheduled payment indicated on page 1 of this note or the date you accelerate payment on the note, whichever is earlier

SINGLE ADVANCE LOANS: If this is a single advance loan, you and I expect that you will make only one advance of principal. However, you may add other amounts to the principal if you make any payments described in the "PAYMENTS BY LENDER" paragraph below

MULTIPLE ADVANCE LOANS: If this is a multiple advance loan, you and I expect that you will make more than one advance of principal If this is closed end credit, repaying a part of the principal will not entitle me to additional credit

PAYMENTS BY LENDER: If you are authorized to pay, on my behalf, charges I am obligated to pay (such as property insurance premiums), then you may treat those payments made by you as advances and add them to the unpaid principal under this note, or you may demand immediate payment of the charges

SET-OFF: I agree that you may set off any amount due and payable under this note against any right I have to receive money from you

"Right to receive money from you" means

(1) any deposit account balance I have with you,
(2) any money owed to me on an item presented to you or in your possession for collection or exchange, and
(3) any repurchase agreement or other nondeposit obligation

"Any amount due and payable under this note" means the total amount of which you are entitled to demand payment under the terms of this note at the time you set off This total includes any balance the due date for which you properly accelerate under this note

If my right to receive money from you is also owned by someone who has not agreed to pay this note, your right of set-off will apply to my interest in the obligation and to any other amounts I could withdraw on my sole request or endorsement. Your right of set-off does not apply to an account or other obligation where my rights are only as a representative It also does not apply to any Individual Retirement Account or other tax-deferred retirement account

You will not be liable for the dishonor of any check when the dishonor occurs because you set off this debt against any of my accounts I agree to hold you harmless from any such claims arising as a result of your exercise of your right of set-off

REAL ESTATE OR RESIDENCE SECURITY: If this note is secured by real estate or a residence that is personal property, the existence of a default and your remedies for such a default will be determined by applicable law, by the terms of any separate instrument creating the security interest and, to the extent not prohibited by law and not contrary to the terms of the separate security instrument, by the "Default" and "Remedies" paragraphs herein

DEFAULT. I will be in default if any one or more of the following occur (1) I fail to make a payment on time or in the amount due, (2) I fail to keep the property insured, if required, (3) I fail to pay, or keep any promise, on any debt or agreement I have with you, (4) any other creditor of mine attempts to collect any debt I owe him through court proceedings; (5) I die, am declared incompetent, make an assignment for the benefit of creditors, or become insolvent (either because my liabilities exceed my assets or I am unable to pay my debts as they become due), (6) I make any written statement or provide any financial information that is untrue or inaccurate at the time it was provided, (7) I do or fail to do something which causes you to believe that you will have difficulty collecting the amount I owe you, (8) any collateral securing this note is used in a manner or for a purpose which threatens confiscation by a legal authority, (9) I change my name or assume an additional name without first notifying you before making such a change, (10) I fail to plant, cultivate and harvest crops in due season if I am a producer of crops; (11) any loan proceeds are used for a purpose that will contribute to excessive erosion of highly erodible land or to the conversion of wetlands to produce an agricultural commodity, as further explained in 7 C F R Part 1940, Subpart G, Exhibit M

REMEDIES. If I am in default on this note you have, but are not limited to, the following remedies

(1) You may demand immediate payment of all I owe you under this note (principal, accrued unpaid interest and other accrued charges)
(2) You may set off this debt against any right I have to the payment of money from you, subject to the terms of the "SET-OFF" paragraph herein
(3) You may demand security, additional security, or additional parties to be obligated to pay this note as a condition for not using any other remedy
(4) You may refuse to make advances to me or allow purchases on credit by me
(5) You may use any remedy you have under state or federal law.

By selecting any one or more of these remedies you do not give up your right to later use any other remedy By waiving your right to declare an event to be a default, you do not waive your right to later consider the event as a default if it continues or happens again

COLLECTION COSTS AND ATTORNEY'S FEES: I agree to pay all costs of collection, replevin or any other or similar type of cost if I am in default In addition, if you hire an attorney to collect this note, I also agree to pay any fee you incur with such attorney plus court costs (except where prohibited by law) To the extent permitted by the United States Bankruptcy Code, I also agree to pay the reasonable attorney's fees and costs you incur to collect this debt as awarded by any court exercising jurisdiction under the Bankruptcy Code

WAIVER I give up my rights to require you to do certain things I will not require you to:

(1) demand payment of amounts due (presentment),
(2) obtain official certification of nonpayment (protest), or
(3) give notice that amounts due have not been paid (notice of dishonor)

I waive any defenses I have based on suretyship or impairment of collateral

OBLIGATIONS INDEPENDENT I understand that I must pay this note even if someone else has also agreed to pay it (by, for example, signing this form or a separate guarantee or endorsement). You may sue me alone, or anyone else who is obligated on this note, or any number of us together, to collect this note You may without notice release any party to this agreement without releasing any other party If you give up any of your rights, with or without notice, it will not affect my duty to pay this note Any extension of new credit to any of us, or renewal of this note by all or less than all of us will not release me from my duty to pay it (Of course, you are entitled to only one payment in full) I agree that you may at your option extend this note or the debt represented by this note, or any portion of the note or debt, from time to time without limit or notice and for any term without affecting my liability for payment of the note I will not assign my obligation under this agreement without your prior written approval You may, without notice, fail to perfect your security interest in, impair, or release any security and I will still be obligated to pay this loan

FINANCIAL INFORMATION: I agree to provide you, upon request, any financial statement or information you may deem necessary I warrant that the financial statements and information I provide to you are or will be accurate, correct and complete

NOTICE: Unless otherwise required by law, any notice to me shall be given by delivering it or by mailing it by first class mail addressed to me at my last known address. My current address is on page 1 I agree to inform you in writing of any change in my address I will give any notice to you by mailing it first class to your address stated on page 1 of this agreement, or to any other address that you have designated

WAIVER OF HEARING PRIOR TO IMMEDIATE POSSESSION: If this loan is for a business purpose I agree to waive the right to five days' notice and a preseizure hearing prior to seizure of any personal property which may secure this loan.

Plaintiffs' Ex 0283.192

DEFINITIONS: As used on page 1, "☒" means the terms that apply to this loan. "I," "me" or "my" means each Borrower who signs this note and each other person or legal entity (including guarantors, endorsers, and sureties) who agrees to pay this note (together referred to as "us"). "You" or "your" means the Lender and its successors and assigns

APPLICABLE LAW: The law of the state of South Carolina will govern this note. Any term of this note which is contrary to applicable law will not be effective, unless the law permits you and me to agree to such a variation. If any provision of this agreement cannot be enforced according to its terms, this fact will not affect the enforceability of the remainder of this agreement. No modification of this agreement may be made without your express written consent. Time is of the essence in this agreement.

COMMISSIONS OR OTHER REMUNERATION: I understand and agree that any insurance premiums paid to insurance companies as part of this note will involve money retained by you or paid back to you as commissions or other remuneration.

In addition, I understand and agree that some other payments to third parties as part of this note may also involve money retained by you or paid back to you as commissions or other remuneration.

PAYMENTS. Each payment I make on this note will first reduce the amount I owe you for charges which are neither interest nor principal. The remainder of each payment will then reduce accrued unpaid interest, and then unpaid principal. If you and I agree to a different application of payments, we will describe our agreement on this note. I may prepay a part of, or the entire balance of this loan without penalty, unless we specify to the contrary on this note. Any partial prepayment will not excuse or reduce any later scheduled payment until this note is paid in full (unless, when I make the prepayment, you and I agree in writing to the contrary).

INTEREST: Interest accrues on the principal remaining unpaid from time to time, until paid in full. If I receive the principal in more than one advance, each advance will start to earn interest only when I receive the advance. The interest rate in effect on this note at any given time will apply to the entire principal advanced at that time. Notwithstanding anything to the contrary, I do not agree to pay and you do not intend to charge any rate of interest that is higher than the maximum rate of interest you could charge under applicable law for the extension of credit that is agreed to here (either before or after maturity). If any notice of interest accrual is sent and is in error, we mutually agree to correct it, and if you actually collect more interest than allowed by law and this agreement, you agree to refund it to me.

INDEX RATE. The index will serve only as a device for setting the rate on this note. You do not guarantee by selecting this index, or the margin, that the rate on this note will be the same rate you charge on any other loans or class of loans to me or other borrowers.

ACCRUAL METHOD: The amount of interest that I will pay on this loan will be calculated using the interest rate and accrual method stated on page 1 of this note. For the purpose of interest calculation, the accrual method will determine the number of days in a "year." If no accrual method is stated, then you may use any reasonable accrual method for calculating interest.

POST MATURITY RATE: For purposes of deciding when the "Post Maturity Rate" (shown on page 1) applies, the term "maturity" means the date of the last scheduled payment indicated on page 1 of this note or the date you accelerate payment on the note, whichever is earlier.

SINGLE ADVANCE LOANS. If this is a single advance loan, you and I expect that you will make only one advance of principal. However, you may add other amounts to the principal if you make any payments described in the "PAYMENTS BY LENDER" paragraph below.

MULTIPLE ADVANCE LOANS. If this is a multiple advance loan, you and I expect that you will make more than one advance of principal. If this is closed end credit, repaying a part of the principal will not entitle me to additional credit.

PAYMENTS BY LENDER: If you are authorized to pay, on my behalf, charges I am obligated to pay (such as property insurance premiums), then you may treat those payments made by you as advances and add them to the unpaid principal under this note, or you may demand immediate payment of the charges.

SET-OFF: I agree that you may set off any amount due and payable under this note against any right I have to receive money from you.

"Right to receive money from you" means

(1) any deposit account balance I have with you,

(2) any money owed to me on an item presented to you or in your possession for collection or exchange, and

(3) any repurchase agreement or other nondeposit obligation.

"Any amount due and payable under this note" means the total amount of which you are entitled to demand payment under the terms of this note at the time you set off. This total includes any balance the due date for which you properly accelerate under this note.

If my right to receive money from you is also owned by someone who has not agreed to pay this note, your right of set-off will apply to my interest in the obligation and to any other amounts I could withdraw on my sole request or endorsement. Your right of set-off does not apply to an account or other obligation where my rights are only as a representative. It also does not apply to any Individual Retirement Account or other tax-deferred retirement account.

You will not be liable for the dishonor of any check when the dishonor occurs because you set off this debt against any of my accounts. I agree to hold you harmless from any such claims arising as a result of your exercise of your right of set-off.

REAL ESTATE OR RESIDENCE SECURITY. If this note is secured by real estate or a residence that is personal property, the existence of a default and your remedies for such a default will be determined by applicable law, by the terms of any separate instrument creating the security interest and, to the extent not prohibited by law and not contrary to the terms of the separate security instrument, by the "Default" and "Remedies" paragraphs herein.

DEFAULT. I will be in default if any one or more of the following occur: (1) I fail to make a payment on time or in the amount due, (2) I fail to keep the property insured, if required, (3) I fail to pay, or keep any promise, on any debt or agreement I have with you, (4) any other creditor of mine attempts to collect any debt I owe him through court proceedings, (5) I die, am declared incompetent, make an assignment for the benefit of creditors, or become insolvent (either because my liabilities exceed my assets or I am unable to pay my debts as they become due), (6) I make any written statement or provide any financial information that is untrue or inaccurate at the time it was provided, (7) I do or fail to do something which causes you to believe that you will have difficulty collecting the amount I owe you, (8) any collateral securing this note is used in a manner or for a purpose which threatens confiscation by a legal authority, (9) I change my name or assume an additional name without first notifying you before making such a change; (10) I fail to plant, cultivate and harvest crops in due season if I am a producer of crops, (11) any loan proceeds are used for a purpose that will contribute to excessive erosion of highly erodible land or to the conversion of wetlands to produce an agricultural commodity, as further explained in 7 C F R Part 1940, Subpart G, Exhibit M.

REMEDIES. If I am in default on this note you have, but are not limited to, the following remedies.

(1) You may demand immediate payment of all I owe you under this note (principal, accrued unpaid interest and other accrued charges).

(2) You may set off this debt against any right I have to the payment of money from you, subject to the terms of the "SET-OFF" paragraph herein.

(3) You may demand security, additional security, or additional parties to be obligated to pay this note as a condition for not using any other remedy.

(4) You may refuse to make advances to me or allow purchases on credit by me.

(5) You may use any remedy you have under state or federal law.

By selecting any one or more of these remedies you do not give up your right to later use any other remedy. By waiving your right to declare an event to be a default, you do not waive your right to later consider the event as a default if it continues or happens again.

COLLECTION COSTS AND ATTORNEY'S FEES. I agree to pay all costs of collection, replevin or any other or similar type of cost if I am in default. In addition, if you hire an attorney to collect this note, I also agree to pay any fee you incur with such attorney plus court costs (except where prohibited by law). To the extent permitted by the United States Bankruptcy Code, I also agree to pay the reasonable attorney's fees and costs you incur to collect this debt as awarded by any court exercising jurisdiction under the Bankruptcy Code.

WAIVER: I give up my rights to require you to do certain things. I will not require you to

(1) demand payment of amounts due (presentment),

(2) obtain official certification of nonpayment (protest), or

(3) give notice that amounts due have not been paid (notice of dishonor).

I waive any defenses I have based on suretyship or impairment of collateral.

OBLIGATIONS INDEPENDENT. I understand that I must pay this note even if someone else has also agreed to pay it (by, for example, signing this form or a separate guarantee or endorsement). You may sue me alone, or anyone else who is obligated on this note, or any number of us together, to collect this note. You may without notice release any party to this agreement without releasing any other party. If you give up any of your rights, with or without notice, it will not affect my duty to pay this note. Any extension of new credit to any of us, or renewal of this note by all or less than all of us will not release me from my duty to pay it. (Of course, you are entitled to only one payment in full.) I agree that you may at your option extend this note or the debt represented by this note, or any portion of the note or debt, from time to time without limit or notice and for any term without affecting my liability for payment of the note. I will not assign my obligation under this agreement without your prior written approval. You may, without notice, fail to perfect your security interest in, impair, or release any security and I will still be obligated to pay this loan.

FINANCIAL INFORMATION: I agree to provide you, upon request, any financial statement or information you may deem necessary. I warrant that the financial statements and information I provide to you are or will be accurate, correct and complete.

NOTICE: Unless otherwise required by law, any notice to me shall be given by delivering it or by mailing it by first class mail addressed to me at my last known address. My current address is on page 1. I agree to inform you in writing of any change in my address. I will give any notice to you by mailing it first class to your address stated on page 1 of this agreement, or to any other address that you have designated.

WAIVER OF HEARING PRIOR TO IMMEDIATE POSSESSION. If this loan is for a business purpose I agree to waive the right to five days' notice and a preseizure hearing prior to seizure of any personal property which may secure this loan.

If this ☐ is checked, the Undersigned guarantees to Lender the payment and performance of the debt, liability or obligation of Borrower to Lender evidenced by or arising out of the following: _____ and any extensions, renewals or replacements thereof (hereinafter referred to as the "Indebtedness").

B. If this ☒ is checked, the Undersigned guarantees to Lender the payment and performance of each and every debt, liability and obligation of every type and description which Borrower may now or at any time hereafter owe to Lender (whether such debt, liability or obligation now exists or is hereafter created or incurred, and whether it is or may be direct or indirect, due or to become due, absolute or contingent, primary or secondary, liquidated or unliquidated, or joint, several, or joint and several; all such debts, liabilities and obligations being hereinafter collectively referred to as the "Indebtedness"). Without limitation, this guaranty includes the following described debt(s): _____.

The Undersigned further acknowledges and agrees with Lender that.

1. No act or thing need occur to establish the liability of the Undersigned hereunder, and no act or thing, except full payment and discharge of all indebtedness, shall in any way exonerate the Undersigned or modify, reduce, limit or release the liability of the Undersigned hereunder.

2. This is an absolute, unconditional and continuing guaranty of payment of the Indebtedness and shall continue to be in force and be binding upon the Undersigned, whether or not all Indebtedness is paid in full, until this guaranty is revoked by written notice actually received by the Lender, and such revocation shall not be effective as to Indebtedness existing or committed for at the time of actual receipt of such notice by the Lender, or as to any renewals, extensions and refinancings thereof. If there be more than one Undersigned, such revocation shall be effective only as to the one so revoking. The death or incompetence of the Undersigned shall not revoke this guaranty, except upon actual receipt of written notice thereof by Lender and then only as to the decedent or the incompetent and only prospectively, as to future transactions, as herein set forth.

3. If the Undersigned shall be dissolved, shall die, or shall be or become insolvent (however defined) or revoke this guaranty, then the Lender shall have the right to declare immediately due and payable, and the Undersigned will forthwith pay to the Lender, the full amount of all Indebtedness, whether due and payable or unmatured. If the Undersigned voluntarily commences or there is commenced involuntarily against the Undersigned a case under the United States Bankruptcy Code, the full amount of all Indebtedness, whether due and payable or unmatured, shall be immediately due and payable without demand or notice thereof.

4. The liability of the Undersigned hereunder shall be limited to a principal amount of $ UNLIMITED (if unlimited or if no amount is stated, the Undersigned shall be liable for all Indebtedness, without any limitation as to amount), plus accrued interest thereon and all other costs, fees, and expenses agreed to be paid under all agreements evidencing the Indebtedness and securing the payment of the Indebtedness, and all attorneys' fees, collection costs and enforcement expenses referable thereto. Indebtedness may be created and continued in any amount, whether or not in excess of such principal amount, without affecting or impairing the liability of the Undersigned hereunder. The Lender may apply any sums received by or available to Lender on account of the Indebtedness from Borrower or any other person (except the Undersigned), from their properties, out of any collateral security or from any other source to payment of the excess. Such application of receipts shall not reduce, affect or impair the liability of the Undersigned hereunder. If the liability of the Undersigned is limited to a stated amount pursuant to this paragraph 4, any payment made by the Undersigned under this guaranty shall be effective to reduce or discharge such liability only if accompanied by a written transmittal document, received by the Lender, advising the Lender that such payment is made under this guaranty for such purpose.

5. The Undersigned will pay or reimburse Lender for all costs and expenses (including reasonable attorneys' fees and legal expenses) incurred by Lender in connection with the protection, defense or enforcement of this guaranty in any litigation or bankruptcy or insolvency proceedings.

This guaranty includes the additional provisions on page 2, all of which are made a part hereof.

This guaranty is ☒ unsecured, ☐ secured by a mortgage or security agreement dated _____; ☐ secured by _____.

IN WITNESS WHEREOF, this guaranty has been duly executed by the Undersigned the day and year first above written.

ORVILLE BYCE

"Undersigned" shall refer to all persons who sign this guaranty, severally and jointly

6. Whether or not any existing relationship between the Undersigned and Borrower has been changed or ended and whether or not this guaranty has been revoked, Lender may, but shall not be obligated to, enter into transactions resulting in the creation or continuance of Indebtedness, without any consent or approval by the Undersigned and without any notice to the Undersigned. The liability of the Undersigned shall not be affected or impaired by any of the following acts or things (which Lender is expressly authorized to do, omit or suffer from time to time, both before and after revocation of this guaranty, without notice to or approval by the Undersigned): (i) any acceptance of collateral security, guarantors, accommodation parties or sureties for any or all Indebtedness, (ii) any one or more extensions or renewals of Indebtedness (whether or not for longer than the original period) or any modification of the interest rates, maturities or other contractual terms applicable to any Indebtedness; (iii) any waiver, adjustment, forbearance, compromise or indulgence granted to Borrower, any delay or lack of diligence in the enforcement of Indebtedness, or any failure to institute proceedings, file a claim, give any required notices or otherwise protect any Indebtedness; (iv) any full or partial release of, settlement with, or agreement not to sue, Borrower or any other guarantor or other person liable in respect of any Indebtedness; (v) any discharge of any evidence of Indebtedness or the acceptance of any instrument in renewal thereof or substitution therefor; (vi) any failure to obtain collateral security (including rights of setoff) for Indebtedness, or to see to the proper or sufficient creation and perfection thereof, or to establish the priority thereof, or to protect, insure, or enforce any collateral security; or any release, modification, substitution, discharge, impairment, deterioration, waste, or loss of any collateral security; (vii) any foreclosure or enforcement of any collateral security; (viii) any transfer of any Indebtedness or any evidence thereof, (ix) any order of application of any payments or credits upon Indebtedness; (x) any election by the Lender under §1111(b)(2) of the United States Bankruptcy Code.

7. The Undersigned waives any and all defenses, claims and discharges of Borrower, or any other obligor, pertaining to Indebtedness, except the defense of discharge by payment in full. Without limiting the generality of the foregoing, the Undersigned will not assert, plead or enforce against Lender any defense of waiver, release, statute of limitations, res judicata, statute of frauds, fraud, incapacity, minority, usury, illegality or unenforceability which may be available to Borrower or any other person liable in respect of any Indebtedness, or any setoff available against Lender to Borrower or any such other person, whether or not on account of a related transaction. The Undersigned expressly agrees that the Undersigned shall be and remain liable, to the fullest extent permitted by applicable law, for any deficiency remaining after foreclosure of any mortgage or security interest securing Indebtedness, whether or not the liability of Borrower or any other obligor for such deficiency is discharged pursuant to statute or judicial decision. The Undersigned shall remain obligated, to the fullest extent permitted by law, to pay such amounts as though the Borrower's obligations had not been discharged.

8. The Undersigned further agrees that the Undersigned shall be and remain obligated to pay Indebtedness even though any other person obligated to pay Indebtedness, including Borrower, has such obligation discharged in bankruptcy or otherwise discharged by law. "Indebtedness" shall include post-bankruptcy petition interest and attorneys' fees and any other amounts which Borrower is discharged from paying or which do not otherwise accrue to Indebtedness due to Borrower's discharge, and the Undersigned shall remain obligated to pay such amounts as though Borrower's obligations had not been discharged.

9. If any payment applied by Lender to Indebtedness is thereafter set aside, recovered, rescinded or required to be returned for any reason (including, without limitation, the bankruptcy, insolvency or reorganization of Borrower or any other obligor), the Indebtedness to which such payment was applied shall for the purposes of this guaranty be deemed to have continued in existence, notwithstanding such application, and this guaranty shall be enforceable as to such Indebtedness as fully as if such application had never been made.

10. Until the obligations of the Borrower to Lender have been paid in full, the Undersigned waives any claim, remedy or other right which the Undersigned may now have or hereafter acquire against Borrower or any other person obligated to pay Indebtedness arising out of the creation or performance of the Undersigned's obligation under this guaranty, including, without limitation, any right of subrogation, contribution, reimbursement, indemnification, exoneration, and any right to participate in any claim or remedy the Undersigned may have against the Borrower, collateral, or other party obligated for Borrower's debts, whether or not such claim, remedy or right arises in equity, or under contract, statute or common law.

11. The Undersigned waives presentment, demand for payment, notice of dishonor or nonpayment, and protest of any instrument evidencing Indebtedness. Lender shall not be required first to resort for payment of the Indebtedness to Borrower or other persons or their properties, or first to enforce, realize upon or exhaust any collateral security for Indebtedness, before enforcing this guaranty.

12. The liability of the Undersigned under this guaranty is in addition to and shall be cumulative with all other liabilities of the Undersigned to Lender as guarantor or otherwise, without any limitation as to amount, unless the instrument or agreement evidencing or creating such other liability specifically provides to the contrary.

13. This guaranty shall be enforceable against each person signing this guaranty, even if only one person signs and regardless of any failure of other persons to sign this guaranty. If there be more than one signer, all agreements and promises herein shall be construed to be, and are hereby declared to be, joint and several in each of every particular and shall be fully binding upon and enforceable against either, any or all the Undersigned. This guaranty shall be effective upon delivery to Lender, without further act, condition or acceptance by Lender, shall be binding upon the Undersigned and the heirs, representatives, successors and assigns of the Undersigned and shall inure to the benefit of Lender and its participants, successors and assigns. Any invalidity or unenforceability of any provision or application of this guaranty shall not affect other lawful provisions and application hereof, and to this end the provisions of this guaranty are declared to be severable. Except as authorized by the terms herein, this guaranty may not be waived, modified, amended, terminated, released or otherwise changed except by a writing signed by the Undersigned and Lender. This guaranty shall be governed by the laws of the State in which it is executed. The Undersigned waives notice of Lender's acceptance hereof.

ADDITIONAL PROVISIONS

CAMDEN (City), SOUTH CAROLINA (State)

JULY 06, 2009

For good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, and to induce FIRST PALMETTO SAVINGS BANK, FSB (herein, with its participants, successors and assigns, called "Lender"), at its option, at any time or from time to time to make loans or extend other accommodations to or for the account of SCENT LANDHOLDINGS, LLC (herein called "Borrower") or to engage in any other transactions with Borrower, the Undersigned hereby absolutely and unconditionally guarantees to Lender the full and prompt payment when due, whether at maturity or earlier by reason of acceleration or otherwise, of the debts, liabilities and obligations described as follows:

A. If this ☐ is checked, the Undersigned guarantees to Lender the payment and performance of the debt, liability or obligation of Borrower to Lender evidenced by or arising out of the following: _____ and any extensions, renewals or replacements thereof (hereinafter referred to as the "Indebtedness").

B. If this ☒ is checked, the Undersigned guarantees to Lender the payment and performance of each and every debt, liability and obligation of every type and description which Borrower may now or at any time hereafter owe to Lender (whether such debt, liability or obligation now exists or is hereafter created or incurred, and whether it is or may be direct or indirect, due or to become due, absolute or contingent, primary or secondary, liquidated or unliquidated, or joint, several, or joint and several, all such debts, liabilities and obligations being hereinafter collectively referred to as the "Indebtedness") Without limitation, this guaranty includes the following described debt(s): _____.

The Undersigned further acknowledges and agrees with Lender that

1. No act or thing need occur to establish the liability of the Undersigned hereunder, and no act or thing, except full payment and discharge of all indebtedness, shall in any way exonerate the Undersigned or modify, reduce, limit or release the liability of the Undersigned hereunder.

2. This is an absolute, unconditional and continuing guaranty of payment of the indebtedness and shall continue to be in force and be binding upon the Undersigned, whether or not all indebtedness is paid in full, until this guaranty is revoked by written notice actually received by the Lender, and such revocation shall not be effective as to indebtedness existing or committed for at the time of actual receipt of such notice by the Lender, or as to any renewals, extensions and refinancings thereof. If there be more than one Undersigned, such revocation shall be effective only as to the one so revoking The death or incompetence of the Undersigned shall not revoke this guaranty, except upon actual receipt of written notice thereof by Lender and then only as to the decedent or the incompetent and only prospectively, as to future transactions, as herein set forth.

3. If the Undersigned shall be dissolved, shall die, or shall be or become insolvent (however defined) or revoke this guaranty, then the Lender shall have the right to declare immediately due and payable, and the Undersigned will forthwith pay to the Lender, the full amount of all indebtedness, whether due and payable or unmatured. If the Undersigned voluntarily commences or there is commenced involuntarily against the Undersigned a case under the United States Bankruptcy Code, the full amount of all indebtedness, whether due and payable or unmatured, shall be immediately due and payable without demand or notice thereof.

4. The liability of the Undersigned hereunder shall be limited to a principal amount of $ UNLIMITED (if unlimited or if no amount is stated, the Undersigned shall be liable for all indebtedness, without any limitation as to amount), plus accrued interest thereon and all other costs, fees, and expenses agreed to be paid under all agreements evidencing the indebtedness and securing the payment of the indebtedness, and all attorneys' fees, collection costs and enforcement expenses referable thereto. Indebtedness may be created and continued in any amount, whether or not in excess of such principal amount, without affecting or impairing the liability of the Undersigned hereunder. The Lender may apply any sums received by or available to Lender on account of the indebtedness from Borrower or any other person (except the Undersigned), from their properties, out of any collateral security or from any other source to payment of the excess. Such application of receipts shall not reduce, affect or impair the liability of the Undersigned hereunder. If the liability of the Undersigned is limited to a stated amount pursuant to this paragraph 4, any payment made by the Undersigned under this guaranty shall be effective to reduce or discharge such liability only if accompanied by a written transmittal document, received by the Lender, advising the Lender that such payment is made under this guaranty for such purpose.

5. The Undersigned will pay or reimburse Lender for all costs and expenses (including reasonable attorneys' fees and legal expenses) incurred by Lender in connection with the protection, defense or enforcement of this guaranty in any litigation or bankruptcy or insolvency proceedings.

This guaranty includes the additional provisions on page 2, all of which are made a part hereof.

This guaranty is ☒ unsecured; ☐ secured by a mortgage or security agreement dated _____, ☐ secured by _____.

IN WITNESS WHEREOF, this guaranty has been duly executed by the Undersigned the day and year first above written.

"Undersigned" shall refer to all persons who sign this guaranty, severally and jointly

6. Whether or not any existing relationship between the Undersigned and Borrower has been changed or ended and whether or not this guaranty has been revoked, Lender may, but shall not be obligated to, enter into transactions resulting in the creation or continuance of Indebtedness, without any consent or approval by the Undersigned and without any notice to the Undersigned. The liability of the Undersigned shall not be affected or impaired by any of the following acts or things (which Lender is expressly authorized to do, omit or suffer from time to time, both before and after revocation of this guaranty, without notice to or approval by the Undersigned): (i) any acceptance of collateral security, guarantors, accommodation parties or sureties for any or all Indebtedness; (ii) any one or more extensions or renewals of Indebtedness (whether or not for longer than the original period) or any modification of the interest rates, maturities or other contractual terms applicable to any Indebtedness; (iii) any waiver, adjustment, forbearance, compromise or indulgence granted to Borrower, any delay or lack of diligence in the enforcement of Indebtedness, or any failure to institute proceedings, file a claim, give any required notices or otherwise protect any Indebtedness; (iv) any full or partial release of, settlement with, or agreement not to sue, Borrower or any other guarantor or other person liable in respect of any Indebtedness, (v) any discharge of any evidence of Indebtedness or the acceptance of any instrument in renewal thereof or substitution therefor, (vi) any failure to obtain collateral security (including rights of setoff) for Indebtedness, or to see to the proper or sufficient creation and perfection thereof, or to establish the priority thereof, or to protect, insure, or enforce any collateral security; or any release, modification, substitution, discharge, impairment, deterioration, waste, or loss of any collateral security; (vii) any foreclosure or enforcement of any collateral security; (viii) any transfer of any Indebtedness or any evidence thereof; (ix) any order of application of any payments or credits upon Indebtedness; (x) any election by the Lender under §1111(b)(2) of the United States Bankruptcy Code.

7. The Undersigned waives any and all defenses, claims and discharges of Borrower, or any other obligor, pertaining to Indebtedness, except the defense of discharge by payment in full. Without limiting the generality of the foregoing, the Undersigned will not assert, plead or enforce against Lender any defense of waiver, release, statute of limitations, res judicata, statute of frauds, fraud, incapacity, minority, usury, illegality or unenforceability which may be available to Borrower or any other person liable in respect of any Indebtedness, or any setoff available against Lender to Borrower or any such other person, whether or not on account of a related transaction. The Undersigned expressly agrees that the Undersigned shall be and remain liable, to the fullest extent permitted by applicable law, for any deficiency remaining after foreclosure of any mortgage or security interest securing Indebtedness, whether or not the liability of Borrower or any other obligor for such deficiency is discharged pursuant to statute or judicial decision. The Undersigned shall remain obligated, to the fullest extent permitted by law, to pay such amounts as though the Borrower's obligations had not been discharged.

8. The Undersigned further agrees that the Undersigned shall be and remain obligated to pay Indebtedness even though any other person obligated to pay Indebtedness, including Borrower, has such obligation discharged in bankruptcy or otherwise discharged by law. "Indebtedness" shall include post-bankruptcy petition interest and attorneys' fees and any other amounts which Borrower is discharged from paying or which do not otherwise accrue to Indebtedness due to Borrower's discharge, and the Undersigned shall remain obligated to pay such amounts as though Borrower's obligations had not been discharged.

9. If any payment applied by Lender to Indebtedness is thereafter set aside, recovered, rescinded or required to be returned for any reason (including, without limitation, the bankruptcy, insolvency or reorganization of Borrower or any other obligor), the Indebtedness to which such payment was applied shall for the purposes of this guaranty be deemed to have continued in existence, notwithstanding such application, and this guaranty shall be enforceable as to such Indebtedness as fully as if such application had never been made.

10. Until the obligations of the Borrower to Lender have been paid in full, the Undersigned waives any claim, remedy or other right which the Undersigned may now have or hereafter acquire against Borrower or any other person obligated to pay Indebtedness arising out of the creation or performance of the Undersigned's obligation under this guaranty, including, without limitation, any right of subrogation, contribution, reimbursement, indemnification, exoneration, and any right to participate in any claim or remedy the Undersigned may have against the Borrower, collateral, or other party obligated for Borrower's debts, whether or not such claim, remedy or right arises in equity, or under contract, statute or common law.

11. The Undersigned waives presentment, demand for payment, notice of dishonor or nonpayment, and protest of any instrument evidencing Indebtedness. Lender shall not be required first to resort for payment of the Indebtedness to Borrower or other persons or their properties, or first to enforce, realize upon or exhaust any collateral security for Indebtedness, before enforcing this guaranty

12. The liability of the Undersigned under this guaranty is in addition to and shall be cumulative with all other liabilities of the Undersigned to Lender as guarantor or otherwise, without any limitation as to amount, unless the instrument or agreement evidencing or creating such other liability specifically provides to the contrary.

   B. To promptly deliver to Lender any notices that Mortgagor receives from the holder.

10. **TRANSFER OF AN INTEREST IN THE MORTGAGOR.** If Mortgagor is an entity other than a natural person (such as a corporation or other organization), Lender may demand immediate payment if (1) a beneficial interest in Mortgagor is sold or transferred, (2) there is a change in either the identity or number of members of a partnership or similar entity, or (3) there is a change in ownership of more than 25 percent of the voting stock of a corporation or similar entity. However, Lender may not demand payment in the above situations if it is prohibited by law as of the date of this Mortgage

11. **ENTITY WARRANTIES AND REPRESENTATIONS.** If Mortgagor is an entity other than a natural person (such as a corporation or other organization), Mortgagor makes to Lender the following warranties and representations which shall be continuing as long as the Secured Debt remains outstanding
    A. Mortgagor is an entity which is duly organized and validly existing in the Mortgagor's state of incorporation (or organization). Mortgagor is in good standing in all states in which Mortgagor transacts business. Mortgagor has the power and authority to own the Property and to carry on its business as now being conducted and, as applicable, is qualified to do so in each state in which Mortgagor operates.
    B The execution, delivery and performance of this Mortgage by Mortgagor and the obligation evidenced by the Evidence of Debt are within the power of Mortgagor, have been duly authorized, have received all necessary governmental approval, and will not violate any provision of law, or order of court or governmental agency.
    C. Other than disclosed in writing Mortgagor has not changed its name within the last ten years and has not used any other trade or fictitious name. Without Lender's prior written consent, Mortgagor does not and will not use any other name and will preserve its existing name, trade names and franchises until the Secured Debt is satisfied.

12. **PROPERTY CONDITION, ALTERATIONS AND INSPECTION.** Mortgagor will keep the Property in good condition and make all repairs that are reasonably necessary Mortgagor will give Lender prompt notice of any loss or damage to the Property Mortgagor will keep the Property free of noxious weeds and grasses. Mortgagor will not initiate, join in or consent to any change in any private restrictive covenant, zoning ordinance or other public or private restriction limiting or defining the uses which may be made of the Property or any part of the Property, without Lender's prior written consent. Mortgagor will notify Lender of all demands, proceedings, claims, and actions against Mortgagor or any other owner made under law or regulation regarding use, ownership and occupancy of the Property. Mortgagor will comply with all legal requirements and restrictions, whether public or private, with respect to the use of the Property. Mortgagor also agrees that the nature of the occupancy and use will not change without Lender's prior written consent.

    No portion of the Property will be removed, demolished or materially altered without Lender's prior written consent except that Mortgagor has the right to remove items of personal property comprising a part of the Property that become worn or obsolete, provided that such personal property is replaced with other personal property at least equal in value to the replaced personal property, free from any title retention device, security agreement or other encumbrance. Such replacement of personal property will be deemed subject to the security interest created by this Mortgage. Mortgagor shall not partition or subdivide the Property without Lender's prior written consent. Lender or Lender's agents may, at Lender's option, enter the Property at any reasonable time for the purpose of inspecting the Property. Any inspection of the Property shall be entirely for Lender's benefit and Mortgagor will in no way rely on Lender's inspection

13. **AUTHORITY TO PERFORM.** If Mortgagor fails to perform any of Mortgagor's duties under this Mortgage, or any other mortgage, deed of trust, security agreement or other lien document that has priority over this Mortgage, Lender may, without notice, perform the duties or cause them to be performed. Mortgagor appoints Lender as attorney in fact to sign Mortgagor's name or pay any amount necessary for performance. If any construction on the Property is discontinued or not carried on in a reasonable manner, Lender may do whatever is necessary to protect Lender's security interest in the Property. This may include completing the construction

    Lender's right to perform for Mortgagor shall not create an obligation to perform, and Lender's failure to perform will not preclude Lender from exercising any of Lender's other rights under the law or this Mortgage. Any amounts paid by Lender for insuring, preserving or otherwise protecting the Property and Lender's security interest will be due on demand and will bear interest from the date of the payment until paid in full at the interest rate in effect from time to time according to the terms of the Evidence of Debt.

14. **ASSIGNMENT OF LEASES AND RENTS.** Mortgagor assigns, grants, bargains, conveys and mortgages to Lender as additional security all the right, title and interest in the following (Property)
    A Existing or future leases, subleases, licenses, guaranties and any other written or verbal agreements for the use and occupancy of the Property, including but not limited to, any extensions, renewals, modifications or replacements (Leases)

    In the event any item listed as Leases or Rents is determined to be personal property, this Assignment will also be regarded as a security agreement

    Mortgagor will promptly provide Lender with copies of the Leases and will certify these Leases are true and correct copies The existing Leases will be provided on execution of the Assignment, and all future Leases and any other information with respect to these Leases will be provided immediately after they are executed. Mortgagor may collect, receive, enjoy and use the Rents so long as Mortgagor is not in default. Mortgagor will not collect in advance any Rents due in future lease periods, unless Mortgagor first obtains Lender's written consent Upon default, Mortgagor will receive

any Rents in trust for Lender and Mortgagor will not commingle the Rents with any other funds When Lender so directs, Mortgagor will endorse and deliver any payments of Rents from the Property to Lender. Amounts collected will be applied at Lender's discretion to the Secured Debts, the costs of managing, protecting and preserving the Property, and other necessary expenses. Mortgagor agrees that this Security Instrument is immediately effective between Mortgagor and Lender and effective as to third parties on the recording of this Assignment

As long as this Assignment is in effect, Mortgagor warrants and represents that no default exists under the Leases, and the parties subject to the Leases have not violated any applicable law on leases, licenses and landlords and tenants. Mortgagor, at its sole cost and expense, will keep, observe and perform, and require all other parties to the Leases to comply with the Leases and any applicable law. If Mortgagor or any party to the Lease defaults or fails to observe any applicable law, Mortgagor will promptly notify Lender. If Mortgagor neglects or refuses to enforce compliance with the terms of the Leases, then Lender may, at Lender's option, enforce compliance

Mortgagor will not sublet, modify, extend, cancel, or otherwise alter the Leases, or accept the surrender of the Property covered by the Leases (unless the Leases so require) without Lender's consent. Mortgagor will not assign, compromise, subordinate or encumber the Leases and Rents without Lender's prior written consent Lender does not assume or become liable for the Property's maintenance, depreciation, or other losses or damages when Lender acts to manage, protect or preserve the Property, except for losses and damages due to Lender's gross negligence or intentional torts. Otherwise, Mortgagor will indemnify Lender and hold Lender harmless for all liability, loss or damage that Lender may incur when Lender opts to exercise any of its remedies against any party obligated under the Leases.

15. **CONDOMINIUMS; PLANNED UNIT DEVELOPMENTS.** If the Property includes a unit in a condominium or a planned unit development, Mortgagor will perform all of Mortgagor's duties under the covenants, by-laws, or regulations of the condominium or planned unit development

16. **DEFAULT.** Mortgagor will be in default if any of the following occur
    - A Any party obligated on the Secured Debt fails to make payment when due,
    - B A breach of any term or covenant in this Mortgage, any prior mortgage or any construction loan agreement, security agreement or any other document evidencing, guarantying, securing or otherwise relating to the Secured Debt,
    - C. The making or furnishing of any verbal or written representation, statement or warranty to Lender that is false or incorrect in any material respect by Mortgagor or any person or entity obligated on the Secured Debt,
    - D The death, dissolution, or insolvency of, appointment of a receiver for, or application of any debtor relief law to, Mortgagor or any person or entity obligated on the Secured Debt,
    - E. A good faith belief by Lender at any time that Lender is insecure with respect to any person or entity obligated on the Secured Debt or that the prospect of any payment is impaired or the value of the Property is impaired,
    - F. A material adverse change in Mortgagor's business including ownership, management, and financial conditions, which Lender in its opinion believes impairs the value of the Property or repayment of the Secured Debt, or
    - G. Any loan proceeds are used for a purpose that will contribute to excessive erosion of highly erodible land or to the conversion of wetlands to produce an agricultural commodity, as further explained in 7 C F.R Part 1940, Subpart G, Exhibit M.

17. **REMEDIES ON DEFAULT.** In some instances, federal and state law will require Lender to provide Mortgagor with notice of the right to cure, mediation notices or other notices and may establish time schedules for foreclosure actions. Subject to these limitations, if any, Lender may accelerate the Secured Debt and foreclose this Mortgage in a manner provided by law if this Mortgagor is in default

At the option of Lender, all or any part of the agreed fees and charges, accrued interest and principal shall become immediately due and payable, after giving notice if required by law, upon the occurrence of a default or anytime thereafter. In addition, Lender shall be entitled to all the remedies provided by law, the Evidence of Debt, other evidences of debt, this Mortgage and any related documents All remedies are distinct, cumulative and not exclusive, and the Lender is entitled to all remedies provided at law or equity, whether expressly set forth or not. The acceptance by Lender of any sum in payment or partial payment on the Secured Debt after the balance is due or is accelerated or after foreclosure proceedings are filed shall not constitute a waiver of Lender's right to require full and complete cure of any existing default By not exercising any remedy on Mortgagor's default, Lender does not waive Lender's right to later consider the event a default if it continues or happens again

18. **EXPENSES; ADVANCES ON COVENANTS; ATTORNEYS' FEES; COLLECTION COSTS.** Except when prohibited by law, Mortgagor agrees to pay all of Lender's expenses if Mortgagor breaches any covenant in this Mortgage Mortgagor will also pay on demand all of Lender's expenses incurred in collecting, insuring, preserving or protecting the Property or in any inventories, audits, inspections or other examination by Lender in respect to the Property Mortgagor agrees to pay all costs and expenses incurred by Lender in enforcing or protecting Lender's rights and remedies under this Mortgage, including, but not limited to, attorneys' fees, court costs, and other legal expenses. Once the Secured Debt is fully and finally paid, Lender agrees to release this Mortgage and Mortgagor agrees to pay for any recordation costs All such amounts are due on demand and will bear interest from the time of the advance at the highest rate in effect, from time to time, as provided in the Evidence of Debt and as permitted by law.

19. **ENVIRONMENTAL LAWS AND HAZARDOUS SUBSTANCES.** As used in this section, (1) "Environmental Law" means, without limitation, the Comprehensive Environmental Response, Compensation and Liability Act (CERCLA, 42 U S.C 9601 et seq), all other federal, state and local laws, regulations, ordinances, court orders, attorney general opinions or interpretive letters concerning the public health, safety, welfare, environment or a hazardous substance, and (2) "Hazardous Substance" means any toxic, radioactive or hazardous material, waste, pollutant or contaminant which has

Expere® ©1994, 2001 Bankers Systems, Inc , St Cloud, MN Form AGCO-RESI-SC 1/21/2003

characteristics which render the substance dangerous or potentially dangerous to the public health, safety, welfare or environment. The term includes, without limitation, any substances defined as "hazardous material," "toxic substances," "hazardous waste" or "hazardous substance" under any Environmental Law. Mortgagor represents, warrants and agrees that, except as previously disclosed and acknowledged in writing

B. Mortgagor has not and will not cause, contribute to, or permit the release of any Hazardous Substance on the Property.

C Mortgagor will immediately notify Lender if (1) a release or threatened release of Hazardous Substance occurs on, under or about the Property or migrates or threatens to migrate from nearby property, or (2) there is a violation of any Environmental Law concerning the Property. In such an event, Mortgagor will take all necessary remedial action in accordance with Environmental Law

D Mortgagor has no knowledge of or reason to believe there is any pending or threatened investigation, claim, or proceeding of any kind relating to (1) any Hazardous Substance located on, under or about the Property, or (2) any violation by Mortgagor or any tenant of any Environmental Law. Mortgagor will immediately notify Lender in writing as soon as Mortgagor has reason to believe there is any such pending or threatened investigation, claim, or proceeding. In such an event, Lender has the right, but not the obligation, to participate in any such proceeding including the right to receive copies of any documents relating to such proceedings

E. Mortgagor and every tenant have been, are and shall remain in full compliance with any applicable Environmental Law.

F. There are no underground storage tanks, private dumps or open wells located on or under the Property and no such tank, dump or well will be added unless Lender first consents in writing.

G. Mortgagor will regularly inspect the Property, monitor the activities and operations on the Property, and confirm that all permits, licenses or approvals required by any applicable Environmental Law are obtained and complied with.

H. Mortgagor will permit, or cause any tenant to permit, Lender or Lender's agent to enter and inspect the Property and review all records at any reasonable time to determine (1) the existence, location and nature of any Hazardous Substance on, under or about the Property, (2) the existence, location, nature, and magnitude of any Hazardous Substance that has been released on, under or about the Property, or (3) whether or not Mortgagor and any tenant are in compliance with applicable Environmental Law

I. Upon Lender's request and at any time, Mortgagor agrees, at Mortgagor's expense, to engage a qualified environmental engineer to prepare an environmental audit of the Property and to submit the results of such audit to Lender The choice of the environmental engineer who will perform such audit is subject to Lender's approval.

J. Lender has the right, but not the obligation, to perform any of Mortgagor's obligations under this section at Mortgagor's expense

K. As a consequence of any breach of any representation, warranty or promise made in this section, (1) Mortgagor will indemnify and hold Lender and Lender's successors or assigns harmless from and against all losses, claims, demands, liabilities, damages, cleanup, response and remediation costs, penalties and expenses, including without limitation all costs of litigation and attorneys' fees, which Lender and Lender's successors or assigns may sustain, and (2) at Lender's discretion, Lender may release this Mortgage and in return Mortgagor will provide Lender with collateral of at least equal value to the Property secured by this Mortgage without prejudice to any of Lender's rights under this Mortgage

L. Notwithstanding any of the language contained in this Mortgage to the contrary, the terms of this section shall survive any foreclosure or satisfaction of this Mortgage regardless of any passage of title to Lender or any disposition by Lender of any or all of the Property. Any claims and defenses to the contrary are hereby waived

20. **CONDEMNATION.** Mortgagor will give Lender prompt notice of any action, real or threatened, by private or public entities to purchase or take any or all of the Property, including any easements, through condemnation, eminent domain, or any other means Mortgagor further agrees to notify Lender of any proceedings instituted for the establishment of any sewer, water, conservation, ditch, drainage, or other district relating to or binding upon the Property or any part of it Mortgagor authorizes Lender to intervene in Mortgagor's name in any of the above described actions or claims and to collect and receive all sums resulting from the action or claim. Mortgagor assigns to Lender the proceeds of any award or claim for damages connected with a condemnation or other taking of all or any part of the Property Such proceeds shall be considered payments and will be applied as provided in this Mortgage. This assignment of proceeds is subject to the terms of any prior mortgage, deed of trust, security agreement or other lien document.

21. **INSURANCE.** Mortgagor agrees to maintain insurance as follows

A. Mortgagor shall keep the Property insured against loss by fire, theft and other hazards and risks reasonably associated with the Property due to its type and location Other hazards and risks may include, for example, coverage against loss due to floods or flooding This insurance shall be maintained in the amounts and for the periods that Lender requires What Lender requires pursuant to the preceding three sentences can change during the term of the Secured Debt The insurance carrier providing the insurance shall be chosen by Mortgagor subject to Lender's approval, which shall not be unreasonably withheld If Mortgagor fails to maintain the coverage described above, Lender may, at Lender's option, obtain coverage to protect Lender's rights in the Property according to the terms of this Mortgage.

All insurance policies and renewals shall be acceptable to Lender and shall include a standard "mortgage clause" and, where applicable, "lender loss payee clause." Mortgagor shall immediately notify Lender of cancellation or termination of the insurance. Lender shall have the right to hold the policies and renewals If Lender requires, Mortgagor shall immediately give to Lender all receipts of paid premiums and renewal notices. Upon loss, Mortgagor shall give immediate notice to the insurance carrier and Lender. Lender may make proof of loss if not made immediately by Mortgagor

Plaintiffs' Ex 0283.221

Unless Lender and Mortgagor otherwise agree in writing, insurance proceeds shall be applied to restoration or repair of the Property damaged if the restoration or repair is economically feasible and Lender's security is not lessened. If the restoration or repair is not economically feasible or Lender's security would be lessened, the insurance proceeds shall be applied to the Secured Debt, whether or not then due, with any excess paid to Mortgagor. If Mortgagor abandons the Property, or does not answer within 30 days a notice from Lender that the insurance carrier has offered to settle a claim, then Lender may collect the insurance proceeds. Lender may use the proceeds to repair or restore the Property or to pay the Secured Debt whether or not then due. The 30-day period will begin when the notice is given.

Unless Lender and Mortgagor otherwise agree in writing, any application of proceeds to principal shall not extend or postpone the due date of scheduled payments or change the amount of the payments. If the Property is acquired by Lender, Mortgagor's right to any insurance policies and proceeds resulting from damage to the Property before the acquisition shall pass to Lender to the extent of the Secured Debt immediately before the acquisition.

B. Mortgagor agrees to maintain comprehensive general liability insurance naming Lender as an additional insured in an amount acceptable to Lender, insuring against claims arising from any accident or occurrence in or on the Property.

C. Mortgagor agrees to maintain rental loss or business interruption insurance, as required by Lender, in an amount equal to at least coverage of one year's debt service, and required escrow account deposits (if agreed to separately in writing), under a form of policy acceptable to Lender.

22. **NO ESCROW FOR TAXES AND INSURANCE.** Unless otherwise provided in a separate agreement, Mortgagor will not be required to pay to Lender funds for taxes and insurance in escrow.

23. **FINANCIAL REPORTS AND ADDITIONAL DOCUMENTS.** Mortgagor will provide to Lender upon request, any financial statement or information Lender may deem necessary. Mortgagor warrants that all financial statements and information Mortgagor provides to Lender are, or will be, accurate, correct, and complete. Mortgagor agrees to sign, deliver, and file as Lender may reasonably request any additional documents or certifications that Lender may consider necessary to perfect, continue, and preserve Mortgagor's obligations under this Mortgage and Lender's lien status on the Property. If Mortgagor fails to do so, Lender may sign, deliver, and file such documents or certificates in Mortgagor's name and Mortgagor hereby irrevocably appoints Lender or Lender's agent as attorney in fact to do the things necessary to comply with this section.

24. **JOINT AND INDIVIDUAL LIABILITY; CO-SIGNERS; SUCCESSORS AND ASSIGNS BOUND.** All duties under this Mortgage are joint and individual. If Mortgagor signs this Mortgage but does not sign the Evidence of Debt, Mortgagor does so only to mortgage Mortgagor's interest in the Property to secure payment of the Secured Debt and Mortgagor does not agree to be personally liable on the Secured Debt. Mortgagor agrees that Lender and any party to this Mortgage may extend, modify or make any change in the terms of this Mortgage or the Evidence of Debt without Mortgagor's consent. Such a change will not release Mortgagor from the terms of this Mortgage. The duties and benefits of this Mortgage shall bind and benefit the successors and assigns of Mortgagor and Lender.

If this Mortgage secures a guaranty between Lender and Mortgagor and does not directly secure the obligation which is guaranteed, Mortgagor agrees to waive any rights that may prevent Lender from bringing any action or claim against Mortgagor or any party indebted under the obligation including, but not limited to, anti-deficiency or one-action laws.

25. **APPLICABLE LAW; SEVERABILITY; INTERPRETATION.** This Mortgage is governed by the laws of the jurisdiction in which Lender is located, except to the extent otherwise required by the laws of the jurisdiction where the Property is located. This Mortgage is complete and fully integrated. This Mortgage may not be amended or modified by oral agreement. Any section or clause in this Mortgage, attachments, or any agreement related to the Secured Debt that conflicts with applicable law will not be effective, unless that law expressly or impliedly permits the variations by written agreement. If any section or clause of this Mortgage cannot be enforced according to its terms, that section or clause will be severed and will not affect the enforceability of the remainder of this Mortgage. Whenever used, the singular shall include the plural and the plural the singular. The captions and headings of the sections of this Mortgage are for convenience only and are not to be used to interpret or define the terms of this Mortgage. Time is of the essence in this Mortgage.

Notice to one mortgagor will be deemed to be notice to all mortgagors.

27. **WAIVER OF HOMESTEAD.** Except to the extent prohibited by law, Mortgagor waives all homestead exemption rights relating to the Property.

any Rents in trust for Lender and Mortgagor will not commingle the Rents with any other funds When Lender so directs, Mortgagor will endorse and deliver any payments of Rents from the Property to Lender. Amounts collected will be applied at Lender's discretion to the Secured Debts, the costs of managing, protecting and preserving the Property, and other necessary expenses Mortgagor agrees that this Security Instrument is immediately effective between Mortgagor and Lender and effective as to third parties on the recording of this Assignment.

In such an event, Mortgagor will take all necessary remedial action in accordance with Environmental Law.

D. Mortgagor has no knowledge of or reason to believe there is any pending or threatened investigation, claim, or proceeding of any kind relating to (1) any Hazardous Substance located on, under or about the Property, or (2) any violation by Mortgagor or any tenant of any Environmental Law Mortgagor will immediately notify Lender in writing as soon as Mortgagor has reason to believe there is any such pending or threatened investigation, claim, or proceeding In such an event, Lender has the right, but not the obligation, to participate in any such proceeding including the right to receive copies of any documents relating to such proceedings.

E. Mortgagor and every tenant have been, are and shall remain in full compliance with any applicable Environmental Law.

F. There are no underground storage tanks, private dumps or open wells located on or under the Property and no such tank, dump or well will be added unless Lender first consents in writing.

G. Mortgagor will regularly inspect the Property, monitor the activities and operations on the Property, and confirm that all permits, licenses or approvals required by any applicable Environmental Law are obtained and complied with.

H Mortgagor will permit, or cause any tenant to permit, Lender or Lender's agent to enter and inspect the Property and review all records at any reasonable time to determine (1) the existence, location and nature of any Hazardous Substance on, under or about the Property; (2) the existence, location, nature, and magnitude of any Hazardous Substance that has been released on, under or about the Property; or (3) whether or not Mortgagor and any tenant are in compliance with applicable Environmental Law.

I. Upon Lender's request and at any time, Mortgagor agrees, at Mortgagor's expense, to engage a qualified environmental engineer to prepare an environmental audit of the Property and to submit the results of such audit to Lender. The choice of the environmental engineer who will perform such audit is subject to Lender's approval

J Lender has the right, but not the obligation, to perform any of Mortgagor's obligations under this section at Mortgagor's expense.

K. As a consequence of any breach of any representation, warranty or promise made in this section, (1) Mortgagor will indemnify and hold Lender and Lender's successors or assigns harmless from and against all losses, claims, demands, liabilities, damages, cleanup, response and remediation costs, penalties and expenses, including without limitation all costs of litigation and attorneys' fees, which Lender and Lender's successors or assigns may sustain; and (2) at Lender's discretion, Lender may release this Mortgage and in return Mortgagor will provide Lender with collateral of at least equal value to the Property secured by this Mortgage without prejudice to any of Lender's rights under this Mortgage

L. Notwithstanding any of the language contained in this Mortgage to the contrary, the terms of this section shall survive any foreclosure or satisfaction of this Mortgage regardless of any passage of title to Lender or any disposition by Lender of any or all of the Property. Any claims and defenses to the contrary are hereby waived

20. **CONDEMNATION.** Mortgagor will give Lender prompt notice of any action, real or threatened, by private or public entities to purchase or take any or all of the Property, including any easements, through condemnation, eminent domain, or any other means. Mortgagor further agrees to notify Lender of any proceedings instituted for the establishment of any sewer, water, conservation, ditch, drainage, or other district relating to or binding upon the Property or any part of it Mortgagor authorizes Lender to intervene in Mortgagor's name in any of the above described actions or claims and to collect and receive all sums resulting from the action or claim. Mortgagor assigns to Lender the proceeds of any award or claim for damages connected with a condemnation or other taking of all or any part of the Property. Such proceeds shall be considered payments and will be applied as provided in this Mortgage This assignment of proceeds is subject to the terms of any prior mortgage, deed of trust, security agreement or other lien document

21. **INSURANCE.** Mortgagor agrees to maintain insurance as follows

A. Mortgagor shall keep the Property insured against loss by fire, theft and other hazards and risks reasonably associated with the Property due to its type and location. Other hazards and risks may include, for example, coverage against loss due to floods or flooding This insurance shall be maintained in the amounts and for the periods that Lender requires. What Lender requires pursuant to the preceding three sentences can change during the term of the Secured Debt. The insurance carrier providing the insurance shall be chosen by Mortgagor subject to Lender's approval, which shall not be unreasonably withheld. If Mortgagor fails to maintain the coverage described above, Lender may, at Lender's option, obtain coverage to protect Lender's rights in the Property according to the terms of this Mortgage.

All insurance policies and renewals shall be acceptable to Lender and shall include a standard "mortgage clause" and, where applicable, "lender loss payee clause." Mortgagor shall immediately notify Lender of cancellation or termination of the insurance. Lender shall have the right to hold the policies and renewals. If Lender requires, Mortgagor shall immediately give to Lender all receipts of paid premiums and renewal notices Upon loss, Mortgagor shall give immediate notice to the insurance carrier and Lender. Lender may make proof of loss if not made immediately by Mortgagor

Unless Lender and Mortgagor otherwise agree in writing, insurance proceeds shall be applied to restoration or repair of the Property damaged if the restoration or repair is economically feasible and Lender's security is not lessened. If the restoration or repair is not economically feasible or Lender's security would be lessened, the insurance proceeds shall be applied to the Secured Debt, whether or not then due, with any excess paid to Mortgagor. If Mortgagor abandons the Property, or does not answer within 30 days a notice from Lender that the insurance carrier has offered to settle a claim, then Lender may collect the insurance proceeds. Lender may use the proceeds to repair or restore the Property or to pay the Secured Debt whether or not then due. The 30-day period will begin when the notice is given.

Unless Lender and Mortgagor otherwise agree in writing, any application of proceeds to principal shall not extend or postpone the due date of scheduled payments or change the amount of the payments. If the Property is acquired by Lender, Mortgagor's right to any insurance policies and proceeds resulting from damage to the Property before the acquisition shall pass to Lender to the extent of the Secured Debt immediately before the acquisition.

B. Mortgagor agrees to maintain comprehensive general liability insurance naming Lender as an additional insured in an amount acceptable to Lender, insuring against claims arising from any accident or occurrence in or on the Property.

C. Mortgagor agrees to maintain rental loss or business interruption insurance, as required by Lender, in an amount equal to at least coverage of one year's debt service, and required escrow account deposits (if agreed to separately in writing), under a form of policy acceptable to Lender.

22. **NO ESCROW FOR TAXES AND INSURANCE.** Unless otherwise provided in a separate agreement, Mortgagor will not be required to pay to Lender funds for taxes and insurance in escrow.

23. **FINANCIAL REPORTS AND ADDITIONAL DOCUMENTS.** Mortgagor will provide to Lender upon request, any financial statement or information Lender may deem necessary. Mortgagor warrants that all financial statements and information Mortgagor provides to Lender are, or will be, accurate, correct, and complete. Mortgagor agrees to sign, deliver, and file as Lender may reasonably request any additional documents or certifications that Lender may consider necessary to perfect, continue, and preserve Mortgagor's obligations under this Mortgage and Lender's lien status on the Property. If Mortgagor fails to do so, Lender may sign, deliver, and file such documents or certificates in Mortgagor's name and Mortgagor hereby irrevocably appoints Lender or Lender's agent as attorney in fact to do the things necessary to comply with this section.

24. **JOINT AND INDIVIDUAL LIABILITY; CO-SIGNERS; SUCCESSORS AND ASSIGNS BOUND.** All duties under this Mortgage are joint and individual. If Mortgagor signs this Mortgage but does not sign the Evidence of Debt, Mortgagor does so only to mortgage Mortgagor's interest in the Property to secure payment of the Secured Debt and Mortgagor does not agree to be personally liable on the Secured Debt. Mortgagor agrees that Lender and any party to this Mortgage may extend, modify or make any change in the terms of this Mortgage or the Evidence of Debt without Mortgagor's consent. Such a change will not release Mortgagor from the terms of this Mortgage. The duties and benefits of this Mortgage shall bind and benefit the successors and assigns of Mortgagor and Lender.

If this Mortgage secures a guaranty between Lender and Mortgagor and does not directly secure the obligation which is guaranteed, Mortgagor agrees to waive any rights that may prevent Lender from bringing any action or claim against Mortgagor or any party indebted under the obligation including, but not limited to, anti-deficiency or one-action laws.

25. **APPLICABLE LAW; SEVERABILITY; INTERPRETATION.** This Mortgage is governed by the laws of the jurisdiction in which Lender is located, except to the extent otherwise required by the laws of the jurisdiction where the Property is located. This Mortgage is complete and fully integrated. This Mortgage may not be amended or modified by oral agreement. Any section or clause in this Mortgage, attachments, or any agreement related to the Secured Debt that conflicts with applicable law will not be effective, unless that law expressly or impliedly permits the variations by written agreement. If any section or clause of this Mortgage cannot be enforced according to its terms, that section or clause will be severed and will not affect the enforceability of the remainder of this Mortgage. Whenever used, the singular shall include the plural and the plural the singular. The captions and headings of the sections of this Mortgage are for convenience only and are not to be used to interpret or define the terms of this Mortgage. Time is of the essence in this Mortgage.

26. **NOTICE.** Unless otherwise required by law, any notice shall be given by delivering it or by mailing it by first class mail to the appropriate party's address on page 1 of this Mortgage, or to any other address designated in writing. Notice to one mortgagor will be deemed to be notice to all mortgagors.

27. **WAIVER OF HOMESTEAD.** Except to the extent prohibited by law, Mortgagor waives all homestead exemption rights relating to the Property.

28. **U.C.C. PROVISIONS.** If checked, the following are applicable to, but do not limit, this Mortgage.

☒ **Construction Loan.** This Mortgage secures an obligation incurred for the construction of an improvement on the Property.

☐ **Fixture Filing.** Mortgagor grants to Lender a security interest in all goods that Mortgagor owns now or in the future and that are or will become fixtures related to the Property.

☐ **Crops; Timber; Minerals; Rents, Issues and Profits.** Mortgagor grants to Lender a security interest in all crops, timber, and minerals located on the Property as well as all rents, issues, and profits of them including, but not limited to, all Conservation Reserve Program (CRP) and Payment in Kind (PIK) payments and similar governmental programs (all of which shall also be included in the term "Property").

Expere® © 1994, 2001 Bankers Systems, Inc., St. Cloud, MN Form AGCO-RESI-SC 1/21/2003

☐ **Personal Property.** Mortgagor grants to Lender a security interest in all personal property located on or connected with the Property. This security interest includes all farm products, inventory, equipment, accounts, documents, instruments, chattel paper, general intangibles, and all other items of personal property Mortgagor owns now or in the future and that are used or useful in the construction, ownership, operation, management, or maintenance of the Property. The term "personal property" specifically excludes that property described as "household goods" secured in connection with a "consumer" loan as those terms are defined in applicable federal regulations governing unfair and deceptive credit practices

☐ **Filing As Financing Statement.** Mortgagor agrees and acknowledges that this Mortgage also suffices as a financing statement and as such, may be filed of record as a financing statement for purposes of Article 9 of the Uniform Commercial Code. A carbon, photographic, image or other reproduction of this Mortgage is sufficient as a financing statement

29. OTHER TERMS. If checked, the following are applicable to this Mortgage

☐ **Line of Credit.** The Secured Debt includes a revolving line of credit provision Although the Secured Debt may be reduced to a zero balance, this Mortgage will remain in effect until released.

☒ **Waiver of Appraisal Rights.** The laws of South Carolina provide that in any real estate foreclosure proceeding a defendant against whom a personal judgment is taken or asked may, within thirty days after the sale of the mortgaged property, apply to the court for an order of appraisal The statutory appraisal value as approved by the court would be substituted for the high bid and may decrease the amount of any deficiency owing in connection with the transaction. THE UNDERSIGNED HEREBY WAIVES AND RELINQUISHES THE STATUTORY APPRAISAL RIGHTS WHICH MEANS THE HIGH BID AT THE JUDICIAL FORECLOSURE SALE WILL BE APPLIED TO THE DEBT REGARDLESS OF ANY APPRAISED VALUE OF THE MORTGAGED PROPERTY.

☒ **Separate Assignment.** The Mortgagor has executed or will execute a separate assignment of leases and rents. If the separate assignment of leases and rents is properly executed and recorded, then the separate assignment will supersede this Security Instrument's "Assignment of Leases and Rents" section

☐ **Additional Terms.**

Plaintiffs' Ex 0283.236

10. **TRANSFER OF AN INTEREST IN THE MORTGAGOR.** If Mortgagor is an entity other than a natural person (such as a corporation or other organization), Lender may demand immediate payment if (1) a beneficial interest in Mortgagor is sold or transferred, (2) there is a change in either the identity or number of members of a partnership or similar entity, or (3) there is a change in ownership of more than 25 percent of the voting stock of a corporation or similar entity. However, Lender may not demand payment in the above situations if it is prohibited by law as of the date of this Mortgage

11. **ENTITY WARRANTIES AND REPRESENTATIONS.** If Mortgagor is an entity other than a natural person (such as a corporation or other organization), Mortgagor makes to Lender the following warranties and representations which shall be continuing as long as the Secured Debt remains outstanding:
    A. Mortgagor is an entity which is duly organized and validly existing in the Mortgagor's state of incorporation (or organization). Mortgagor is in good standing in all states in which Mortgagor transacts business Mortgagor has the power and authority to own the Property and to carry on its business as now being conducted and, as applicable, is qualified to do so in each state in which Mortgagor operates.
    B The execution, delivery and performance of this Mortgage by Mortgagor and the obligation evidenced by the Evidence of Debt are within the power of Mortgagor, have been duly authorized, have received all necessary governmental approval, and will not violate any provision of law, or order of court or governmental agency
    C Other than disclosed in writing Mortgagor has not changed its name within the last ten years and has not used any other trade or fictitious name. Without Lender's prior written consent, Mortgagor does not and will not use any other name and will preserve its existing name, trade names and franchises until the Secured Debt is satisfied.

12. **PROPERTY CONDITION, ALTERATIONS AND INSPECTION.** Mortgagor will keep the Property in good condition and make all repairs that are reasonably necessary Mortgagor will give Lender prompt notice of any loss or damage to the Property. Mortgagor will keep the Property free of noxious weeds and grasses. Mortgagor will notify Lender of all demands, proceedings, claims, and actions against Mortgagor or any other owner made under law or regulation regarding use, ownership and occupancy of the Property Mortgagor will comply with all legal requirements and restrictions, whether public or private, with respect to the use of the Property Mortgagor also agrees that the nature of the occupancy and use will not change without Lender's prior written consent

    No portion of the Property will be removed, demolished or materially altered without Lender's prior written consent except that Mortgagor has the right to remove items of personal property comprising a part of the Property that become worn or obsolete, provided that such personal property is replaced with other personal property at least equal in value to the replaced personal property, free from any title retention device, security agreement or other encumbrance Such replacement of personal property will be deemed subject to the security interest created by this Mortgage Mortgagor shall not partition or subdivide the Property without Lender's prior written consent Lender or Lender's agents may, at Lender's option, enter the Property at any reasonable time for the purpose of inspecting the Property Any inspection of the Property shall be entirely for Lender's benefit and Mortgagor will in no way rely on Lender's inspection

13. **AUTHORITY TO PERFORM.** If Mortgagor fails to perform any of Mortgagor's duties under this Mortgage, or any other mortgage, deed of trust, security agreement or other lien document that has priority over this Mortgage, Lender may, without notice, perform the duties or cause them to be performed. Mortgagor appoints Lender as attorney in fact to sign Mortgagor's name or pay any amount necessary for performance If any construction on the Property is discontinued or not carried on in a reasonable manner, Lender may do whatever is necessary to protect Lender's security interest in the Property This may include completing the construction

    Lender's right to perform for Mortgagor shall not create an obligation to perform, and Lender's failure to perform will not preclude Lender from exercising any of Lender's other rights under the law or this Mortgage. Any amounts paid by Lender for insuring, preserving or otherwise protecting the Property and Lender's security interest will be due on demand and will bear interest from the date of the payment until paid in full at the interest rate in effect from time to time according to the terms of the Evidence of Debt.

14. **ASSIGNMENT OF LEASES AND RENTS.** Mortgagor assigns, grants, bargains, conveys and mortgages to Lender as additional security all the right, title and interest in the following (Property)
    A. Existing or future leases, subleases, licenses, guaranties and any other written or verbal agreements for the use and occupancy of the Property, including but not limited to, any extensions, renewals, modifications or replacements (Leases)
    B. Rents, issues and profits, including but not limited to, security deposits, minimum rents, percentage rents, additional rents, common area maintenance charges, parking charges, real estate taxes, other applicable taxes, insurance premium contributions, liquidated damages following default, cancellation premiums, "loss of rents" insurance, guest receipts, revenues, royalties, proceeds, bonuses, accounts, contract rights, general intangibles, and all rights and claims which Mortgagor may have that in any way pertain to or are on account of the use or occupancy of the whole or any part of the Property (Rents).

    In the event any item listed as Leases or Rents is determined to be personal property, this Assignment will also be regarded as a security agreement

    Mortgagor will promptly provide Lender with copies of the Leases and will certify these Leases are true and correct copies The existing Leases will be provided on execution of the Assignment, and all future Leases and any other information with respect to these Leases will be provided immediately after they are executed Mortgagor may collect, receive, enjoy and use the Rents so long as Mortgagor is not in default Mortgagor will not collect in advance any Rents due in future lease periods, unless Mortgagor first obtains Lender's written consent Upon default, Mortgagor will receive

Expere® ©1994, 2001 Bankers Systems Inc , St Cloud, MN Form AGCO-RESI-SC 1/21/2003

any Rents in trust for Lender and Mortgagor will not commingle the Rents with any other funds. When Lender so directs, Mortgagor will endorse and deliver any payments of Rents from the Property to Lender Amounts collected will be applied at Lender's discretion to the Secured Debts, the costs of managing, protecting and preserving the Property, and other necessary expenses. Mortgagor agrees that this Security Instrument is immediately effective between Mortgagor and Lender and effective as to third parties on the recording of this Assignment.

As long as this Assignment is in effect, Mortgagor warrants and represents that no default exists under the Leases, and the parties subject to the Leases have not violated any applicable law on leases, licenses and landlords and tenants Mortgagor, at its sole cost and expense, will keep, observe and perform, and require all other parties to the Leases to comply with the Leases and any applicable law If Mortgagor or any party to the Lease defaults or fails to observe any applicable law, Mortgagor will promptly notify Lender If Mortgagor neglects or refuses to enforce compliance with the terms of the Leases, then Lender may, at Lender's option, enforce compliance.

Mortgagor will not sublet, modify, extend, cancel, or otherwise alter the Leases, or accept the surrender of the Property covered by the Leases (unless the Leases so require) without Lender's consent Mortgagor will not assign, compromise, subordinate or encumber the Leases and Rents without Lender's prior written consent Lender does not assume or become liable for the Property's maintenance, depreciation, or other losses or damages when Lender acts to manage, protect or preserve the Property, except for losses and damages due to Lender's gross negligence or intentional torts Otherwise, Mortgagor will indemnify Lender and hold Lender harmless for all liability, loss or damage that Lender may incur when Lender opts to exercise any of its remedies against any party obligated under the Leases.

15. **CONDOMINIUMS; PLANNED UNIT DEVELOPMENTS.** If the Property includes a unit in a condominium or a planned unit development, Mortgagor will perform all of Mortgagor's duties under the covenants, by-laws, or regulations of the condominium or planned unit development

16. **DEFAULT.** Mortgagor will be in default if any of the following occur
    - A. Any party obligated on the Secured Debt fails to make payment when due,
    - B. A breach of any term or covenant in this Mortgage, any prior mortgage or any construction loan agreement, security agreement or any other document evidencing, guarantying, securing or otherwise relating to the Secured Debt,
    - C. The making or furnishing of any verbal or written representation, statement or warranty to Lender that is false or incorrect in any material respect by Mortgagor or any person or entity obligated on the Secured Debt,
    - D The death, dissolution, or insolvency of, appointment of a receiver for, or application of any debtor relief law to, Mortgagor or any person or entity obligated on the Secured Debt,
    - E A good faith belief by Lender at any time that Lender is insecure with respect to any person or entity obligated on the Secured Debt or that the prospect of any payment is impaired or the value of the Property is impaired,
    - F. A material adverse change in Mortgagor's business including ownership, management, and financial conditions, which Lender in its opinion believes impairs the value of the Property or repayment of the Secured Debt, or
    - G Any loan proceeds are used for a purpose that will contribute to excessive erosion of highly erodible land or to the conversion of wetlands to produce an agricultural commodity, as further explained in 7 C.F.R Part 1940, Subpart G, Exhibit M.

17. **REMEDIES ON DEFAULT.** In some instances, federal and state law will require Lender to provide Mortgagor with notice of the right to cure, mediation notices or other notices and may establish time schedules for foreclosure actions Subject to these limitations, if any, Lender may accelerate the Secured Debt and foreclose this Mortgage in a manner provided by law if this Mortgagor is in default.

At the option of Lender, all or any part of the agreed fees and charges, accrued interest and principal shall become immediately due and payable, after giving notice if required by law, upon the occurrence of a default or anytime thereafter. In addition, Lender shall be entitled to all the remedies provided by law, the Evidence of Debt, other evidences of debt, this Mortgage and any related documents. All remedies are distinct, cumulative and not exclusive, and the Lender is entitled to all remedies provided at law or equity, whether expressly set forth or not. The acceptance by Lender of any sum in payment or partial payment on the Secured Debt after the balance is due or is accelerated or after foreclosure proceedings are filed shall not constitute a waiver of Lender's right to require full and complete cure of any existing default. By not exercising any remedy on Mortgagor's default, Lender does not waive Lender's right to later consider the event a default if it continues or happens again.

18. **EXPENSES; ADVANCES ON COVENANTS; ATTORNEYS' FEES; COLLECTION COSTS.** Except when prohibited by law, Mortgagor agrees to pay all of Lender's expenses if Mortgagor breaches any covenant in this Mortgage Mortgagor will also pay on demand all of Lender's expenses incurred in collecting, insuring, preserving or protecting the Property or in any inventories, audits, inspections or other examination by Lender in respect to the Property Mortgagor agrees to pay all costs and expenses incurred by Lender in enforcing or protecting Lender's rights and remedies under this Mortgage, including, but not limited to, attorneys' fees, court costs, and other legal expenses Once the Secured Debt is fully and finally paid, Lender agrees to release this Mortgage and Mortgagor agrees to pay for any recordation costs All such amounts are due on demand and will bear interest from the time of the advance at the highest rate in effect, from time to time, as provided in the Evidence of Debt and as permitted by law.

19. **ENVIRONMENTAL LAWS AND HAZARDOUS SUBSTANCES.** As used in this section, (1) "Environmental Law" means, without limitation, the Comprehensive Environmental Response, Compensation and Liability Act (CERCLA, 42 U S C. 9601 et seq.), all other federal, state and local laws, regulations, ordinances, court orders, attorney general opinions or interpretive letters concerning the public health, safety, welfare, environment or a hazardous substance; and (2) "Hazardous Substance" means any toxic, radioactive or hazardous material, waste, pollutant or contaminant which has

characteristics which render the substance dangerous or potentially dangerous to the public health, safety, welfare or environment. The term includes, without limitation, any substances defined as "hazardous material," "toxic substances," "hazardous waste" or "hazardous substance" under any Environmental Law Mortgagor represents, warrants and agrees that, except as previously disclosed and acknowledged in writing

A. No Hazardous Substance has been, is, or will be located, transported, manufactured, treated, refined, or handled by any person on, under or about the Property, except in the ordinary course of business and in strict compliance with all applicable Environmental Law.

B. Mortgagor has not and will not cause, contribute to, or permit the release of any Hazardous Substance on the Property.

C. Mortgagor will immediately notify Lender if (1) a release or threatened release of Hazardous Substance occurs on, under or about the Property or migrates or threatens to migrate from nearby property, or (2) there is a violation of any Environmental Law concerning the Property. In such an event, Mortgagor will take all necessary remedial action in accordance with Environmental Law

D. Mortgagor has no knowledge of or reason to believe there is any pending or threatened investigation, claim, or proceeding of any kind relating to (1) any Hazardous Substance located on, under or about the Property, or (2) any violation by Mortgagor or any tenant of any Environmental Law Mortgagor will immediately notify Lender in writing as soon as Mortgagor has reason to believe there is any such pending or threatened investigation, claim, or proceeding In such an event, Lender has the right, but not the obligation, to participate in any such proceeding including the right to receive copies of any documents relating to such proceedings.

E. Mortgagor and every tenant have been, are and shall remain in full compliance with any applicable Environmental Law.

F There are no underground storage tanks, private dumps or open wells located on or under the Property and no such tank, dump or well will be added unless Lender first consents in writing.

G Mortgagor will regularly inspect the Property, monitor the activities and operations on the Property, and confirm that all permits, licenses or approvals required by any applicable Environmental Law are obtained and complied with

H. Mortgagor will permit, or cause any tenant to permit, Lender or Lender's agent to enter and inspect the Property and review all records at any reasonable time to determine (1) the existence, location and nature of any Hazardous Substance on, under or about the Property; (2) the existence, location, nature, and magnitude of any Hazardous Substance that has been released on, under or about the Property, or (3) whether or not Mortgagor and any tenant are in compliance with applicable Environmental Law.

I Upon Lender's request and at any time, Mortgagor agrees, at Mortgagor's expense, to engage a qualified environmental engineer to prepare an environmental audit of the Property and to submit the results of such audit to Lender The choice of the environmental engineer who will perform such audit is subject to Lender's approval

J Lender has the right, but not the obligation, to perform any of Mortgagor's obligations under this section at Mortgagor's expense.

K As a consequence of any breach of any representation, warranty or promise made in this section, (1) Mortgagor will indemnify and hold Lender and Lender's successors or assigns harmless from and against all losses, claims, demands, liabilities, damages, cleanup, response and remediation costs, penalties and expenses, including without limitation all costs of litigation and attorneys' fees, which Lender and Lender's successors or assigns may sustain, and (2) at Lender's discretion, Lender may release this Mortgage and in return Mortgagor will provide Lender with collateral of at least equal value to the Property secured by this Mortgage without prejudice to any of Lender's rights under this Mortgage.

L Notwithstanding any of the language contained in this Mortgage to the contrary, the terms of this section shall survive any foreclosure or satisfaction of this Mortgage regardless of any passage of title to Lender or any disposition by Lender of any or all of the Property. Any claims and defenses to the contrary are hereby waived

20. CONDEMNATION. Mortgagor will give Lender prompt notice of any action, real or threatened, by private or public entities to purchase or take any or all of the Property, including any easements, through condemnation, eminent domain, or any other means. Mortgagor further agrees to notify Lender of any proceedings instituted for the establishment of any sewer, water, conservation, ditch, drainage, or other district relating to or binding upon the Property or any part of it Mortgagor authorizes Lender to intervene in Mortgagor's name in any of the above described actions or claims and to collect and receive all sums resulting from the action or claim Mortgagor assigns to Lender the proceeds of any award or claim for damages connected with a condemnation or other taking of all or any part of the Property Such proceeds shall be considered payments and will be applied as provided in this Mortgage. This assignment of proceeds is subject to the terms of any prior mortgage, deed of trust, security agreement or other lien document

21. INSURANCE. Mortgagor agrees to maintain insurance as follows

A. Mortgagor shall keep the Property insured against loss by fire, theft and other hazards and risks reasonably associated with the Property due to its type and location. Other hazards and risks may include, for example, coverage against loss due to floods or flooding. This insurance shall be maintained in the amounts and for the periods that Lender requires What Lender requires pursuant to the preceding three sentences can change during the term of the Secured Debt. The insurance carrier providing the insurance shall be chosen by Mortgagor subject to Lender's approval, which shall not be unreasonably withheld. If Mortgagor fails to maintain the coverage described above, Lender may, at Lender's option, obtain coverage to protect Lender's rights in the Property according to the terms of this Mortgage.

All insurance policies and renewals shall be acceptable to Lender and shall include a standard "mortgage clause" and, where applicable, "lender loss payee clause." Mortgagor shall immediately notify Lender of cancellation or termination of the insurance. Lender shall have the right to hold the policies and renewals If Lender requires, Mortgagor shall immediately give to Lender all receipts of paid premiums and renewal notices Upon loss, Mortgagor shall give immediate notice to the insurance carrier and Lender Lender may make proof of loss if not made immediately by Mortgagor.

Unless Lender and Mortgagor otherwise agree in writing, insurance proceeds shall be applied to restoration or repair of the Property damaged if the restoration or repair is economically feasible and Lender's security is not lessened. If the restoration or repair is not economically feasible or Lender's security would be lessened, the insurance proceeds shall be applied to the Secured Debt; whether or not then due, with any excess paid to Mortgagor. If Mortgagor abandons the Property, or does not answer within 30 days a notice from Lender that the insurance carrier has offered to settle a claim, then Lender may collect the insurance proceeds Lender may use the proceeds to repair or restore the Property or to pay the Secured Debt whether or not then due. The 30-day period will begin when the notice is given

Unless Lender and Mortgagor otherwise agree in writing, any application of proceeds to principal shall not extend or postpone the due date of scheduled payments or change the amount of the payments If the Property is acquired by Lender, Mortgagor's right to any insurance policies and proceeds resulting from damage to the Property before the acquisition shall pass to Lender to the extent of the Secured Debt immediately before the acquisition.

B Mortgagor agrees to maintain comprehensive general liability insurance naming Lender as an additional insured in an amount acceptable to Lender, insuring against claims arising from any accident or occurrence in or on the Property

C. Mortgagor agrees to maintain rental loss or business interruption insurance, as required by Lender, in an amount equal to at least coverage of one year's debt service, and required escrow account deposits (if agreed to separately in writing), under a form of policy acceptable to Lender.

22. **NO ESCROW FOR TAXES AND INSURANCE.** Unless otherwise provided in a separate agreement, Mortgagor will not be required to pay to Lender funds for taxes and insurance in escrow.

23. **FINANCIAL REPORTS AND ADDITIONAL DOCUMENTS.** Mortgagor will provide to Lender upon request, any financial statement or information Lender may deem necessary Mortgagor warrants that all financial statements and information Mortgagor provides to Lender are, or will be, accurate, correct, and complete. Mortgagor agrees to sign, deliver, and file as Lender may reasonably request any additional documents or certifications that Lender may consider necessary to perfect, continue, and preserve Mortgagor's obligations under this Mortgage and Lender's lien status on the Property. If Mortgagor fails to do so, Lender may sign, deliver, and file such documents or certificates in Mortgagor's name and Mortgagor hereby irrevocably appoints Lender or Lender's agent as attorney in fact to do the things necessary to comply with this section

24. **JOINT AND INDIVIDUAL LIABILITY; CO-SIGNERS; SUCCESSORS AND ASSIGNS BOUND.** All duties under this Mortgage are joint and individual. If Mortgagor signs this Mortgage but does not sign the Evidence of Debt, Mortgagor does so only to mortgage Mortgagor's interest in the Property to secure payment of the Secured Debt and Mortgagor does not agree to be personally liable on the Secured Debt. Mortgagor agrees that Lender and any party to this Mortgage may extend, modify or make any change in the terms of this Mortgage or the Evidence of Debt without Mortgagor's consent Such a change will not release Mortgagor from the terms of this Mortgage. The duties and benefits of this Mortgage shall bind and benefit the successors and assigns of Mortgagor and Lender

If this Mortgage secures a guaranty between Lender and Mortgagor and does not directly secure the obligation which is guaranteed, Mortgagor agrees to waive any rights that may prevent Lender from bringing any action or claim against Mortgagor or any party indebted under the obligation including, but not limited to, anti-deficiency or one-action laws

25. **APPLICABLE LAW; SEVERABILITY; INTERPRETATION.** This Mortgage is governed by the laws of the jurisdiction in which Lender is located, except to the extent otherwise required by the laws of the jurisdiction where the Property is located. This Mortgage is complete and fully integrated. This Mortgage may not be amended or modified by oral agreement. Any section or clause in this Mortgage, attachments, or any agreement related to the Secured Debt that conflicts with applicable law will not be effective, unless that law expressly or impliedly permits the variations by written agreement If any section or clause of this Mortgage cannot be enforced according to its terms, that section or clause will be severed and will not affect the enforceability of the remainder of this Mortgage Whenever used, the singular shall include the plural and the plural the singular. The captions and headings of the sections of this Mortgage are for convenience only and are not to be used to interpret or define the terms of this Mortgage. Time is of the essence in this Mortgage.

26. **NOTICE.** Unless otherwise required by law, any notice shall be given by delivering it or by mailing it by first class mail to the appropriate party's address on page 1 of this Mortgage, or to any other address designated in writing. Notice to one mortgagor will be deemed to be notice to all mortgagors.

27. **WAIVER OF HOMESTEAD.** Except to the extent prohibited by law, Mortgagor waives all homestead exemption rights relating to the Property.

28. **U.C.C. PROVISIONS.** If checked, the following are applicable to, but do not limit, this Mortgage:

- ☐ **Construction Loan.** This Mortgage secures an obligation incurred for the construction of an improvement on the Property.
- ☐ **Fixture Filing.** Mortgagor grants to Lender a security interest in all goods that Mortgagor owns now or in the future and that are or will become fixtures related to the Property
- ☐ **Crops; Timber; Minerals; Rents, Issues and Profits.** Mortgagor grants to Lender a security interest in all crops, timber, and minerals located on the Property as well as all rents, issues, and profits of them including, but not limited to, all Conservation Reserve Program (CRP) and Payment in Kind (PIK) payments and similar governmental programs (all of which shall also be included in the term "Property")

Expere® ©1994, 2001 Bankers Systems, Inc., St Cloud, MN Form AGCO-RESI-SC 1/21/2003

☐ **Personal Property.** Mortgagor grants to Lender a security interest in all personal property located on or connected with the Property. This security interest includes all farm products, inventory, equipment, accounts, documents, instruments, chattel paper, general intangibles, and all other items of personal property Mortgagor owns now or in the future and that are used or useful in the construction, ownership, operation, management, or maintenance of the Property. The term "personal property" specifically excludes that property described as "household goods" secured in connection with a "consumer" loan as those terms are defined in applicable federal regulations governing unfair and deceptive credit practices.

☐ **Filing As Financing Statement.** Mortgagor agrees and acknowledges that this Mortgage also suffices as a financing statement and as such, may be filed of record as a financing statement for purposes of Article 9 of the Uniform Commercial Code. A carbon, photographic, image or other reproduction of this Mortgage is sufficient as a financing statement.

29. **OTHER TERMS.** If checked, the following are applicable to this Mortgage:

☐ **Line of Credit.** The Secured Debt includes a revolving line of credit provision. Although the Secured Debt may be reduced to a zero balance, this Mortgage will remain in effect until released.

☒ **Waiver of Appraisal Rights.** The laws of South Carolina provide that in any real estate foreclosure proceeding a defendant against whom a personal judgment is taken or asked may, within thirty days after the sale of the mortgaged property, apply to the court for an order of appraisal. The statutory appraisal value as approved by the court would be substituted for the high bid and may decrease the amount of any deficiency owing in connection with the transaction. THE UNDERSIGNED HEREBY WAIVES AND RELINQUISHES THE STATUTORY APPRAISAL RIGHTS WHICH MEANS THE HIGH BID AT THE JUDICIAL FORECLOSURE SALE WILL BE APPLIED TO THE DEBT REGARDLESS OF ANY APPRAISED VALUE OF THE MORTGAGED PROPERTY.

☐ **Separate Assignment.** The Mortgagor has executed or will execute a separate assignment of leases and rents. If the separate assignment of leases and rents is properly executed and recorded, then the separate assignment will supersede this Security Instrument's "Assignment of Leases and Rents" section.

☐ **Additional Terms.**

This Mortgage will not secure any other debt if Lender fails, with respect to such other debt, to make any required disclosure about this Mortgage or if Lender fails to give any required notice of the right of rescission.

However, if the Property includes Mortgagor's residence, this section shall be subject to the restrictions imposed by federal law (12 C.F.R. 591), as applicable. 10. **TRANSFER OF AN INTEREST IN THE MORTGAGOR.** If Mortgagor is an entity other than a natural person (such as a corporation or other organization), Lender may demand immediate payment if (1) a beneficial interest in Mortgagor is sold or transferred, (2) there is a change in either the identity or number of members of a partnership or similar entity, or (3) there is a change in ownership of more than 25 percent of the voting stock of a corporation or similar entity. However, Lender may not demand payment in the above situations if it is prohibited by law as of the date of this Mortgage.

11. **ENTITY WARRANTIES AND REPRESENTATIONS.** If Mortgagor is an entity other than a natural person (such as a corporation or other organization), Mortgagor makes to Lender the following warranties and representations which shall be continuing as long as the Secured Debt remains outstanding
    A. Mortgagor is an entity which is duly organized and validly existing in the Mortgagor's state of incorporation (or organization). Mortgagor is in good standing in all states in which Mortgagor transacts business. Mortgagor has the power and authority to own the Property and to carry on its business as now being conducted and, as applicable, is qualified to do so in each state in which Mortgagor operates.

Such replacement of personal property will be deemed subject to the security interest created by this Mortgage. Mortgagor shall not partition or subdivide the Property without Lender's prior written consent. Lender or Lender's agents may, at Lender's option, enter the Property at any reasonable time for the purpose of inspecting the Property Any inspection of the Property shall be entirely for Lender's benefit and Mortgagor will in no way rely on Lender's inspection.

13. **AUTHORITY TO PERFORM.** If Mortgagor fails to perform any of Mortgagor's duties under this Mortgage, or any other mortgage, deed of trust, security agreement or other lien document that has priority over this Mortgage, Lender may, without notice, perform the duties or cause them to be performed. Mortgagor appoints Lender as attorney in fact to sign Mortgagor's name or pay any amount necessary for performance. If any construction on the Property is discontinued or not carried on in a reasonable manner, Lender may do whatever is necessary to protect Lender's security interest in the Property. This may include completing the construction.

    Lender's right to perform for Mortgagor shall not create an obligation to perform, and Lender's failure to perform will not preclude Lender from exercising any of Lender's other rights under the law or this Mortgage. Any amounts paid by Lender for insuring, preserving or otherwise protecting the Property and Lender's security interest will be due on demand and will bear interest from the date of the payment until paid in full at the interest rate in effect from time to time according to the terms of the Evidence of Debt.

14. **ASSIGNMENT OF LEASES AND RENTS.** Mortgagor assigns, grants, bargains, conveys and mortgages to Lender as additional security all the right, title and interest in the following (Property).
    A. Existing or future leases, subleases, licenses, guaranties and any other written or verbal agreements for the use and occupancy of the Property, including but not limited to, any extensions, renewals, modifications or replacements (Leases).
    B. Rents, issues and profits, including but not limited to, security deposits, minimum rents, percentage rents, additional rents, common area maintenance charges, parking charges; real estate taxes, other applicable taxes, insurance premium contributions, liquidated damages following default, cancellation premiums, "loss of rents" insurance, guest receipts, revenues, royalties, proceeds, bonuses, accounts, contract rights, general intangibles, and all rights and claims which Mortgagor may have that in any way pertain to or are on account of the use or occupancy of the whole or any part of the Property (Rents).

    In the event any item listed as Leases or Rents is determined to be personal property, this Assignment will also be regarded as a security agreement.

    Mortgagor will promptly provide Lender with copies of the Leases and will certify these Leases are true and correct copies. The existing Leases will be provided on execution of the Assignment, and all future Leases and any other information with respect to these Leases will be provided immediately after they are executed. Mortgagor may collect, receive, enjoy and use the Rents so long as Mortgagor is not in default Mortgagor will not collect in advance any Rents due in future lease periods, unless Mortgagor first obtains Lender's written consent. Upon default, Mortgagor will receive

Expere® ©1994, 2001 Bankers Systems, Inc., St Cloud, MN Form AGCO-RESI-SC 1/21/2003

any Rents in trust for Lender and Mortgagor will not commingle the Rents with any other funds. When Lender so directs, Mortgagor will endorse and deliver any payments of Rents from the Property to Lender. Amounts collected will be applied at Lender's discretion to the Secured Debts, the costs of managing, protecting and preserving the Property, and other necessary expenses. Mortgagor agrees that this Security Instrument is immediately effective between Mortgagor and Lender and effective as to third parties on the recording of this Assignment.

As long as this Assignment is in effect, Mortgagor warrants and represents that no default exists under the Leases, and the parties subject to the Leases have not violated any applicable law on leases, licenses and landlords and tenants. Mortgagor, at its sole cost and expense, will keep, observe and perform, and require all other parties to the Leases to comply with the Leases and any applicable law. If Mortgagor or any party to the Lease defaults or fails to observe any applicable law, Mortgagor will promptly notify Lender. If Mortgagor neglects or refuses to enforce compliance with the terms of the Leases, then Lender may, at Lender's option, enforce compliance.

Mortgagor will not sublet, modify, extend, cancel, or otherwise alter the Leases, or accept the surrender of the Property covered by the Leases (unless the Leases so require) without Lender's consent. Mortgagor will not assign, compromise, subordinate or encumber the Leases and Rents without Lender's prior written consent. Lender does not assume or become liable for the Property's maintenance, depreciation, or other losses or damages when Lender acts to manage, protect or preserve the Property, except for losses and damages due to Lender's gross negligence or intentional torts. Otherwise, Mortgagor will indemnify Lender and hold Lender harmless for all liability, loss or damage that Lender may incur when Lender opts to exercise any of its remedies against any party obligated under the Leases.

15. **CONDOMINIUMS; PLANNED UNIT DEVELOPMENTS.** If the Property includes a unit in a condominium or a planned unit development, Mortgagor will perform all of Mortgagor's duties under the covenants, by-laws, or regulations of the condominium or planned unit development.

16. **DEFAULT.** Mortgagor will be in default if any of the following occur:
    A. Any party obligated on the Secured Debt fails to make payment when due;
    B. A breach of any term or covenant in this Mortgage, any prior mortgage or any construction loan agreement, security agreement or any other document evidencing, guarantying, securing or otherwise relating to the Secured Debt;
    C. The making or furnishing of any verbal or written representation, statement or warranty to Lender that is false or incorrect in any material respect by Mortgagor or any person or entity obligated on the Secured Debt;
    D. The death, dissolution, or insolvency of, appointment of a receiver for, or application of any debtor relief law to, Mortgagor or any person or entity obligated on the Secured Debt;
    E. A good faith belief by Lender at any time that Lender is insecure with respect to any person or entity obligated on the Secured Debt or that the prospect of any payment is impaired or the value of the Property is impaired;
    F. A material adverse change in Mortgagor's business including ownership, management, and financial conditions, which Lender in its opinion believes impairs the value of the Property or repayment of the Secured Debt, or
    G. Any loan proceeds are used for a purpose that will contribute to excessive erosion of highly erodible land or to the conversion of wetlands to produce an agricultural commodity, as further explained in 7 C.F.R. Part 1940, Subpart G, Exhibit M.

17. **REMEDIES ON DEFAULT.** In some instances, federal and state law will require Lender to provide Mortgagor with notice of the right to cure, mediation notices or other notices and may establish time schedules for foreclosure actions. Subject to these limitations, if any, Lender may accelerate the Secured Debt and foreclose this Mortgage in a manner provided by law if this Mortgagor is in default.

At the option of Lender, all or any part of the agreed fees and charges, accrued interest and principal shall become immediately due and payable, after giving notice if required by law, upon the occurrence of a default or anytime thereafter. In addition, Lender shall be entitled to all the remedies provided by law, the Evidence of Debt, other evidences of debt, this Mortgage and any related documents. All remedies are distinct, cumulative and not exclusive, and the Lender is entitled to all remedies provided at law or equity, whether expressly set forth or not. The acceptance by Lender of any sum in payment or partial payment on the Secured Debt after the balance is due or is accelerated or after foreclosure proceedings are filed shall not constitute a waiver of Lender's right to require full and complete cure of any existing default. By not exercising any remedy on Mortgagor's default, Lender does not waive Lender's right to later consider the event a default if it continues or happens again.

18. **EXPENSES; ADVANCES ON COVENANTS; ATTORNEYS' FEES; COLLECTION COSTS.** Except when prohibited by law, Mortgagor agrees to pay all of Lender's expenses if Mortgagor breaches any covenant in this Mortgage. Mortgagor will also pay on demand all of Lender's expenses incurred in collecting, insuring, preserving or protecting the Property or in any inventories, audits, inspections or other examination by Lender in respect to the Property. Mortgagor agrees to pay all costs and expenses incurred by Lender in enforcing or protecting Lender's rights and remedies under this Mortgage, including, but not limited to, attorneys' fees, court costs, and other legal expenses. Once the Secured Debt is fully and finally paid, Lender agrees to release this Mortgage and Mortgagor agrees to pay for any recordation costs. All such amounts are due on demand and will bear interest from the time of the advance at the highest rate in effect, from time to time, as provided in the Evidence of Debt and as permitted by law.

19. **ENVIRONMENTAL LAWS AND HAZARDOUS SUBSTANCES.** As used in this section, (1) "Environmental Law" means, without limitation, the Comprehensive Environmental Response, Compensation and Liability Act (CERCLA, 42 U.S.C. 9601 et seq.), all other federal, state and local laws, regulations, ordinances, court orders, attorney general opinions or interpretive letters concerning the public health, safety, welfare, environment or a hazardous substance; and (2) "Hazardous Substance" means any toxic, radioactive or hazardous material, waste, pollutant or contaminant which has

Plaintiffs' Ex 0283.247

characteristics which render the substance dangerous or potentially dangerous to the public health, safety, welfare or environment. The term includes, without limitation, any substances defined as "hazardous material," "toxic substances," "hazardous waste" or "hazardous substance" under any Environmental Law. Mortgagor represents, warrants and agrees that, except as previously disclosed and acknowledged in writing.

A. No Hazardous Substance has been, is, or will be located, transported, manufactured, treated, refined, or handled by any person on, under or about the Property, except in the ordinary course of business and in strict compliance with all applicable Environmental Law.

B. Mortgagor has not and will not cause, contribute to, or permit the release of any Hazardous Substance on the Property.

C. Mortgagor will immediately notify Lender if (1) a release or threatened release of Hazardous Substance occurs on, under or about the Property or migrates or threatens to migrate from nearby property; or (2) there is a violation of any Environmental Law concerning the Property. In such an event, Mortgagor will take all necessary remedial action in accordance with Environmental Law.

D. Mortgagor has no knowledge of or reason to believe there is any pending or threatened investigation, claim, or proceeding of any kind relating to (1) any Hazardous Substance located on, under or about the Property; or (2) any violation by Mortgagor or any tenant of any Environmental Law. Mortgagor will immediately notify Lender in writing as soon as Mortgagor has reason to believe there is any such pending or threatened investigation, claim, or proceeding. In such an event, Lender has the right, but not the obligation, to participate in any such proceeding including the right to receive copies of any documents relating to such proceedings.

E. Mortgagor and every tenant have been, are and shall remain in full compliance with any applicable Environmental Law.

F. There are no underground storage tanks, private dumps or open wells located on or under the Property and no such tank, dump or well will be added unless Lender first consents in writing

G. Mortgagor will regularly inspect the Property, monitor the activities and operations on the Property, and confirm that all permits, licenses or approvals required by any applicable Environmental Law are obtained and complied with.

H. Mortgagor will permit, or cause any tenant to permit, Lender or Lender's agent to enter and inspect the Property and review all records at any reasonable time to determine (1) the existence, location and nature of any Hazardous Substance on, under or about the Property; (2) the existence, location, nature, and magnitude of any Hazardous Substance that has been released on, under or about the Property, or (3) whether or not Mortgagor and any tenant are in compliance with applicable Environmental Law.

I. Upon Lender's request and at any time, Mortgagor agrees, at Mortgagor's expense, to engage a qualified environmental engineer to prepare an environmental audit of the Property and to submit the results of such audit to Lender. The choice of the environmental engineer who will perform such audit is subject to Lender's approval.

J. Lender has the right, but not the obligation, to perform any of Mortgagor's obligations under this section at Mortgagor's expense.

K. As a consequence of any breach of any representation, warranty or promise made in this section, (1) Mortgagor will indemnify and hold Lender and Lender's successors or assigns harmless from and against all losses, claims, demands, liabilities, damages, cleanup, response and remediation costs, penalties and expenses, including without limitation all costs of litigation and attorneys' fees, which Lender and Lender's successors or assigns may sustain; and (2) at Lender's discretion, Lender may release this Mortgage and in return Mortgagor will provide Lender with collateral of at least equal value to the Property secured by this Mortgage without prejudice to any of Lender's rights under this Mortgage.

L. Notwithstanding any of the language contained in this Mortgage to the contrary, the terms of this section shall survive any foreclosure or satisfaction of this Mortgage regardless of any passage of title to Lender or any disposition by Lender of any or all of the Property. Any claims and defenses to the contrary are hereby waived

20. CONDEMNATION. Mortgagor will give Lender prompt notice of any action, real or threatened, by private or public entities to purchase or take any or all of the Property, including any easements, through condemnation, eminent domain, or any other means. Mortgagor further agrees to notify Lender of any proceedings instituted for the establishment of any sewer, water, conservation, ditch, drainage, or other district relating to or binding upon the Property or any part of it. Mortgagor authorizes Lender to intervene in Mortgagor's name in any of the above described actions or claims and to collect and receive all sums resulting from the action or claim. Mortgagor assigns to Lender the proceeds of any award or claim for damages connected with a condemnation or other taking of all or any part of the Property. Such proceeds shall be considered payments and will be applied as provided in this Mortgage. This assignment of proceeds is subject to the terms of any prior mortgage, deed of trust, security agreement or other lien document.

21. INSURANCE. Mortgagor agrees to maintain insurance as follows:

A. Mortgagor shall keep the Property insured against loss by fire, theft and other hazards and risks reasonably associated with the Property due to its type and location. Other hazards and risks may include, for example, coverage against loss due to floods or flooding. This insurance shall be maintained in the amounts and for the periods that Lender requires. What Lender requires pursuant to the preceding three sentences can change during the term of the Secured Debt. The insurance carrier providing the insurance shall be chosen by Mortgagor subject to Lender's approval, which shall not be unreasonably withheld. If Mortgagor fails to maintain the coverage described above, Lender may, at Lender's option, obtain coverage to protect Lender's rights in the Property according to the terms of this Mortgage.

All insurance policies and renewals shall be acceptable to Lender and shall include a standard "mortgage clause" and, where applicable, "lender loss payee clause " Mortgagor shall immediately notify Lender of cancellation or termination of the insurance. Lender shall have the right to hold the policies and renewals. If Lender requires, Mortgagor shall immediately give to Lender all receipts of paid premiums and renewal notices. Upon loss, Mortgagor shall give immediate notice to the insurance carrier and Lender. Lender may make proof of loss if not made immediately by Mortgagor.

Expere® ©1994, 2001 Bankers Systems, Inc., St Cloud, MN Form AGCO-RESI-SC 1/21/2003

Unless Lender and Mortgagor otherwise agree in writing, insurance proceeds shall be applied to restoration or repair of the Property damaged if the restoration or repair is economically feasible and Lender's security is not lessened. If the restoration or repair is not economically feasible or Lender's security would be lessened, the insurance proceeds shall be applied to the Secured Debt, whether or not then due, with any excess paid to Mortgagor. If Mortgagor abandons the Property, or does not answer within 30 days a notice from Lender that the insurance carrier has offered to settle a claim, then Lender may collect the insurance proceeds. Lender may use the proceeds to repair or restore the Property or to pay the Secured Debt whether or not then due. The 30-day period will begin when the notice is given.

Unless Lender and Mortgagor otherwise agree in writing, any application of proceeds to principal shall not extend or postpone the due date of scheduled payments or change the amount of the payments. If the Property is acquired by Lender, Mortgagor's right to any insurance policies and proceeds resulting from damage to the Property before the acquisition shall pass to Lender to the extent of the Secured Debt immediately before the acquisition.

B. Mortgagor agrees to maintain comprehensive general liability insurance naming Lender as an additional insured in an amount acceptable to Lender, insuring against claims arising from any accident or occurrence in or on the Property.

C. Mortgagor agrees to maintain rental loss or business interruption insurance, as required by Lender, in an amount equal to at least coverage of one year's debt service, and required escrow account deposits (if agreed to separately in writing), under a form of policy acceptable to Lender.

22. **NO ESCROW FOR TAXES AND INSURANCE.** Unless otherwise provided in a separate agreement, Mortgagor will not be required to pay to Lender funds for taxes and insurance in escrow.

23. **FINANCIAL REPORTS AND ADDITIONAL DOCUMENTS.** Mortgagor will provide to Lender upon request, any financial statement or information Lender may deem necessary. Mortgagor warrants that all financial statements and information Mortgagor provides to Lender are, or will be, accurate, correct, and complete. Mortgagor agrees to sign, deliver, and file as Lender may reasonably request any additional documents or certifications that Lender may consider necessary to perfect, continue, and preserve Mortgagor's obligations under this Mortgage and Lender's lien status on the Property. If Mortgagor fails to do so, Lender may sign, deliver, and file such documents or certificates in Mortgagor's name and Mortgagor hereby irrevocably appoints Lender or Lender's agent as attorney in fact to do the things necessary to comply with this section.

24. **JOINT AND INDIVIDUAL LIABILITY; CO-SIGNERS; SUCCESSORS AND ASSIGNS BOUND.** All duties under this Mortgage are joint and individual. If Mortgagor signs this Mortgage but does not sign the Evidence of Debt, Mortgagor does so only to mortgage Mortgagor's interest in the Property to secure payment of the Secured Debt and Mortgagor does not agree to be personally liable on the Secured Debt. Mortgagor agrees that Lender and any party to this Mortgage may extend, modify or make any change in the terms of this Mortgage or the Evidence of Debt without Mortgagor's consent. Such a change will not release Mortgagor from the terms of this Mortgage. The duties and benefits of this Mortgage shall bind and benefit the successors and assigns of Mortgagor and Lender.

If this Mortgage secures a guaranty between Lender and Mortgagor and does not directly secure the obligation which is guaranteed, Mortgagor agrees to waive any rights that may prevent Lender from bringing any action or claim against Mortgagor or any party indebted under the obligation including, but not limited to, anti-deficiency or one-action laws.

25. **APPLICABLE LAW; SEVERABILITY; INTERPRETATION.** This Mortgage is governed by the laws of the jurisdiction in which Lender is located, except to the extent otherwise required by the laws of the jurisdiction where the Property is located. This Mortgage is complete and fully integrated. This Mortgage may not be amended or modified by oral agreement. Any section or clause in this Mortgage, attachments, or any agreement related to the Secured Debt that conflicts with applicable law will not be effective, unless that law expressly or impliedly permits the variations by written agreement. If any section or clause of this Mortgage cannot be enforced according to its terms, that section or clause will be severed and will not affect the enforceability of the remainder of this Mortgage. Whenever used, the singular shall include the plural and the plural the singular. The captions and headings of the sections of this Mortgage are for convenience only and are not to be used to interpret or define the terms of this Mortgage. Time is of the essence in this Mortgage.

26. **NOTICE.** Unless otherwise required by law, any notice shall be given by delivering it or by mailing it by first class mail to the appropriate party's address on page 1 of this Mortgage, or to any other address designated in writing. Notice to one mortgagor will be deemed to be notice to all mortgagors.

27. **WAIVER OF HOMESTEAD.** Except to the extent prohibited by law, Mortgagor waives all homestead exemption rights relating to the Property.

28. **U.C.C. PROVISIONS.** If checked, the following are applicable to, but do not limit, this Mortgage:

- ☐ **Construction Loan.** This Mortgage secures an obligation incurred for the construction of an improvement on the Property.
- ☐ **Fixture Filing.** Mortgagor grants to Lender a security interest in all goods that Mortgagor owns now or in the future and that are or will become fixtures related to the Property.
- ☐ ***Crops; Timber; Minerals; Rents, Issues and Profits.*** Mortgagor grants to Lender a security interest in all crops, timber, and minerals located on the Property as well as all rents, issues, and profits of them including, but not limited to, all Conservation Reserve Program (CRP) and Payment in Kind (PIK) payments and similar governmental programs (all of which shall also be included in the term "Property").

Expere® ©1994, 2001 Bankers Systems, Inc., St. Cloud, MN Form AGCO-RESI-SC 1/21/2003

Plaintiffs' Ex 0283.249

☐ **Personal Property.** Mortgagor grants to Lender a security interest in all personal property located on or connected with the Property. This security interest includes all farm products, inventory, equipment, accounts, documents, instruments, chattel paper, general intangibles, and all other items of personal property Mortgagor owns now or in the future and that are used or useful in the construction, ownership, operation, management, or maintenance of the Property. The term "personal property" specifically excludes that property described as "household goods" secured in connection with a "consumer" loan as those terms are defined in applicable federal regulations *governing unfair and deceptive credit practices.*

☐ **Filing As Financing Statement.** Mortgagor agrees and acknowledges that this Mortgage also suffices as a financing statement and as such, may be filed of record as a financing statement for purposes of Article 9 of the Uniform Commercial Code. A carbon, photographic, image or other reproduction of this Mortgage is sufficient as a financing statement.

29. OTHER TERMS. If checked, the following are applicable to this Mortgage.

☐ **Line of Credit.** The Secured Debt includes a revolving line of credit provision. Although the Secured Debt may be reduced to a zero balance, this Mortgage will remain in effect until released.

☒ **Waiver of Appraisal Rights.** The laws of South Carolina provide that in any real estate foreclosure proceeding a defendant against whom a personal judgment is taken or asked may, within thirty days after the sale of the mortgaged property, apply to the court for an order of appraisal. The statutory appraisal value as approved by the court would be substituted for the high bid and may decrease the amount of any deficiency owing in connection with the transaction. THE UNDERSIGNED HEREBY WAIVES AND RELINQUISHES THE STATUTORY APPRAISAL RIGHTS WHICH MEANS THE HIGH BID AT THE JUDICIAL FORECLOSURE SALE WILL BE APPLIED TO THE DEBT REGARDLESS OF ANY APPRAISED VALUE OF THE MORTGAGED PROPERTY.

☐ **Separate Assignment.** The Mortgagor has executed or will execute a separate assignment of leases and rents If the separate assignment of leases and rents is properly executed and recorded, then the separate assignment will supersede this Security Instrument's "Assignment of Leases and Rents" section.

☐ **Additional Terms.**

to Lender, even if this Assignment is not specifically referenced or if the future debt is unrelated to or of a different type than this debt. If more than one person signs this Assignment, each agrees that it will secure debts incurred either individually or with others who may not sign this Assignment. Nothing in this Assignment constitutes a commitment to make additional or future loans or advances. Any such commitment must be in writing. In the event that Lender fails to provide notice of the right of rescission, Lender waives any subsequent security interest in the Assignor's principal dwelling that is created by this Assignment. This Assignment will not secure any debt for which a non-possessory, non-purchase money security interest is created in "household goods" in connection with a "consumer loan," as those terms are defined by federal law governing unfair and deceptive credit practices. Assignor will not collect in advance any Rents due in future lease periods, unless Assignor first obtains Lender's written consent. Upon default, Assignor will receive any Rents in trust for Lender and Assignor will not commingle the Rents with any other funds. When Lender so directs, Assignor will endorse and deliver any payments of Rents from the Property to Lender. Amounts collected will be applied at Lender's discretion to the Secured Debts, the costs of managing, protecting and preserving the Property, and other necessary expenses. Assignor agrees that this Assignment is immediately effective between Assignor and Lender and effective as to third parties on the recording of this Assignment.

7. **WARRANTIES AND REPRESENTATIONS.** To induce Lender to enter into the Loan, Assignor makes these representations and warranties for as long as this Assignment is in effect.

A. **Power.** Assignor is duly organized, validly existing and in good standing under the laws in the jurisdiction where Assignor was organized and is duly qualified, validly existing and in good standing in all jurisdictions in which Assignor operates or Assignor owns or leases property. Assignor, at its sole cost and expense, will keep, observe and perform, and require all other parties to the Leases to comply with the Leases and any applicable law. If Assignor or any party to the Lease defaults or fails to observe any applicable law, Assignor will promptly notify Lender.

I **Lease Modification.** Assignor has not sublet, modified, extended, canceled, or otherwise altered the Leases, or accepted the surrender of the Property covered by the Leases (unless the Leases so required).

Assignor may choose the insurance company, subject to Lender's approval, which will not be unreasonably withheld.

B. **Copies of Leases.** Assignor will promptly provide Lender with copies of the Leases and will certify these Leases are true and correct copies. C **Right to Rents.** Immediately after the execution of this Assignment, Assignor will notify all current and future tenants and others obligated under the Leases of Lender's right to the Leases and Rents, and will request that they immediately pay all future Rents directly to Lender when Assignor or Lender asks them to do so.

I. **Prosecution and Defense of Claims.** Assignor will appear in and prosecute its claims or defend its title to the Leases and Rents against any claims that would impair Assignor's interest under this Assignment and, on Lender's request, Assignor will also appear in any action or proceeding on behalf of Lender. Assignor agrees to assign to Lender, as requested by Lender, any right, claims or defenses which Assignor may have against parties who supply labor or materials to improve or maintain the leaseholds subject to the Leases and/or the Property

J. **Liability and Indemnification.** Lender does not assume or become liable for the Property's maintenance, depreciation, or other losses or damages when Lender acts to manage, protect or preserve the Property, except for losses or damages due to Lender's gross negligence or intentional torts to the extent permitted by law. Otherwise, Assignor will indemnify Lender and hold Lender harmless for all liability, loss or damage that Lender may incur when Lender opts to exercise any of its remedies against any party obligated under the Leases

K. **Leasehold Estate.** Assignor will not cause or permit the leasehold estate under the Leases to merge with Assignor's reversionary interest, and agrees that the Leases shall remain in full force and effect regardless of any merger of the Assignor's interests and of any merger of the interests of Assignor and any party obligated under the Leases.

L. **Insolvency.** Lender will be the creditor of each tenant and of anyone else obligated under the Leases who is subject to an assignment for the benefit of creditors, an insolvency, a dissolution or a receivership proceeding, or a bankruptcy.

   A **Payments.** Assignor fails to make a payment in full when due.

   B. **Additional Security.** Lender may demand additional security or additional parties to be obligated to pay the Secured Debts.
   C. **Sources.** Lender may use any and all remedies Lender has under the state law where the Property is located or federal law or in any instrument evidencing or pertaining to the Secured Debts.
   D. **Insurance Benefits.** Lender may make a claim for any and all insurance benefits or refunds that may be available on Assignor's default
   E. **Payments Made On Assignor's Behalf.** Amounts advanced on Assignor's behalf will be immediately due and may be added to the Secured Debts.
   F **Rents.** Lender may terminate Assignor's right to collect Rents and directly collect and retain Rents in Lender's name without taking possession of the Property and to demand, collect, receive, and sue for the Rents, giving proper receipts and releases. Any funds collected from the operation of the Property may be applied in such order as Lender may deem proper, including, but not limited to, payment of the following operating expenses, management, brokerage, attorneys' and accountants' fees, the Secured Debts, and toward the maintenance of reserves for repair or replacement Lender may take such action without regard to the adequacy of the security, with or without any action or proceeding, through any person or agent, or receiver to be appointed by a court, and irrespective of Assignor's possession The collection and application of the Rents or the entry upon and taking possession of the Property as set out in this section shall not cure or waive any notice of default under the Secured Debts, this Assignment, or invalidate any act pursuant to such notice. The enforcement of such remedy by Lender, once exercised, shall continue for so long as Lender shall elect, notwithstanding that such collection and application of Rents may have cured the original default.

15. TERM. This Assignment will remain in full force and effect until the Secured Debts are paid or otherwise discharged and Lender is no longer obligated to advance funds under any loan or credit agreement which is a part of the Secured Debts. If any or all payments of the Secured Debts are subsequently invalidated, declared void or voidable, or set aside and are required to be repaid to a trustee, custodian, receiver or any other party under any bankruptcy act or other state or federal law, then the Secured Debts will be revived and will continue in full force and effect as if this payment had not been made.

16. CO-SIGNERS. If Assignor signs this Assignment but does not sign the Secured Debts, Assignor does so only to assign Assignor's interest in the Property to secure payment of the Secured Debts and Assignor does not agree to be personally liable on the Secured Debts. Assignor represents, warrants and agrees that.

A. B. Except as previously disclosed and acknowledged in writing to Lender, Assignor has not and will not cause, contribute to, or permit the release of any Hazardous Substance on the Property.
C. Assignor will immediately notify Lender if (1) a release or threatened release of Hazardous Substance occurs on, under or about the Property or migrates or threatens to migrate from nearby property, or (2) there is a violation of any Environmental Law concerning the Property. In such an event, Assignor will take all necessary remedial action in accordance with Environmental Law.
D Except as previously disclosed and acknowledged in writing to Lender, Assignor has no knowledge of or reason to believe there is any pending or threatened investigation, claim, or proceeding of any kind relating to (1) any Hazardous Substance located on, under or about the Property, or (2) any violation by Assignor or any tenant of any Environmental Law. Assignor will immediately notify Lender in writing as soon as Assignor has reason to believe there is any such pending or threatened investigation, claim, or proceeding. J. Lender has the right, but not the obligation, to perform any of Assignor's obligations under this section at Assignor's expense

K As a consequence of any breach of any representation, warranty or promise made in this section, (1) Assignor will indemnify and hold Lender and Lender's successors or assigns harmless from and against all losses, claims, demands, liabilities, damages, cleanup, response and remediation costs, penalties and expenses to the extent permitted by law, including without limitation all costs of litigation and attorneys' fees, which Lender and Lender's successors or assigns may sustain, and (2) at Lender's discretion, Lender may release this Assignment and in return Assignor will provide Lender with collateral of at least equal value to the Property secured by this Assignment without prejudice to any of Lender's rights under this Assignment.

L Notwithstanding any of the language contained in this Assignment to the contrary, the terms of this section will survive any foreclosure or satisfaction of this Assignment regardless of any passage of title to Lender or any disposition by Lender of any or all of the Property. Any claims and defenses to the contrary are hereby waived

15. **TERM.** This Assignment will remain in full force and effect until the Secured Debts are paid or otherwise discharged and Lender is no longer obligated to advance funds under any loan or credit agreement which is a part of the Secured Debts. If any or all payments of the Secured Debts are subsequently invalidated, declared void or voidable, or set aside and are required to be repaid to a trustee, custodian, receiver or any other party under any bankruptcy act or other state or federal law, then the Secured Debts will be revived and will continue in full force and effect as if this payment had not been made

16. **CO-SIGNERS.** If Assignor signs this Assignment but does not sign the Secured Debts, Assignor does so only to assign Assignor's interest in the Property to secure payment of the Secured Debts and Assignor does not agree to be personally liable on the Secured Debts If this Assignment secures a guaranty between Lender and Assignor, Assignor agrees to waive any rights that may prevent Lender from bringing any action or claim against Assignor or any party indebted under the obligation These rights may include, but are not limited to, any anti-deficiency or one-action laws

General Closing Instructions

Do not close or fund this loan unless **ALL** conditions in these Closing Instructions, including the Addendum and any supplemental closing instructions, have been satisfied. These Closing Instructions must be followed exactly, and may be modified only by advance written approval from the Bank. You shall be deemed to have accepted and be bound by these Closing Instructions if you fail to notify the Bank in writing to the contrary within 48 hours of your receipt hereof or if you disburse any funds to or for the account of the Borrower(s). If the Closing is postponed or cancelled for any reason, immediately return all loan documents and loan proceeds to the Bank.

All non-recordable documents (***"the Closing Package"***) must be returned to the above-listed Loan Closing Representative within 24 hours of Closing, along with certified copies of documents to be recorded. Include with the Closing Package a signed copy of these Closing Instructions. All recordable documents must be recorded immediately after the Closing. All recorded documents and the final title insurance policy must be returned to the above-listed Loan Closing Representative no later than 90 days after the Closing.

Execution of Documents

Each Borrower and/or Guarantor must sign all documents exactly as typed on the loan documents. All documents must be properly dated, witnessed and acknowledged. Any correction to the loan documents must be approved in writing by the Bank in advance. Approved deletions must be made by marking a single line through the language deleted – correction fluids are not permitted. All approved additions and/or deletions must be initialed by all Borrowers and/or Guarantors.

Any Power of Attorney must be approved in advance by the Bank. If approved, the Power of Attorney must be recorded in the same count(ies) in which the Security Instrument is recorded, with a certified copy provided to the Bank.

Hazard Insurance

Prior to Closing, the Borrower(s) must provide satisfactory evidence of hazard coverage (including wind and hail) and flood insurance coverage (if the collateral property is located in a special flood hazard area) with First Palmetto Savings Bank, F.S.B. listed as loss payee/mortgagee. Dwelling coverage must equal the lesser of the loan amount or the full replacement value of the property improvements, and must extend for a term of at least one year after the Closing (for purchase transactions) or six months after the Closing for refinance transactions.

Title Insurance

THIS LOAN MUST RECORD IN **FIRST** LIEN POSITION. PROVIDE DUPLICATE ORIGINALS OF THE ALTA TITLE POLICY.

The ALTA Title Policy must be free from liens, encumbrances, easements, encroachments and other title matters not approved by the Bank. All exceptions are to be removed except for recorded

Restrictions, Covenants, and Conditions. In the event any recorded Restrictions, Covenants, and Conditions have been violated, notify the above-listed Loan Closing Representative immediately.

Any easements or rights of way must not interfere with the use and occupancy of the Collateral Property. Affirmative language must be provided in the ALTA Title Policy. Any encroachment must not affect the value or marketability of the Collateral Property. The Bank must be insured against all encroachments and receive an indemnification agreement from the Borrower(s).

Secondary Financing

Secondary financing has **NOT** been approved.

Rescission

If the financial transaction is subject to rescission, provide each Borrower and each person having ownership interest in the collateral property with two copies of the completed Notice of Right to Cancel. The Notice of Right to Cancel must be properly completed (including all dates) and each Borrower or person given two notices must execute an acknowledgement of receipt. Failure to properly complete and provide Notices of Right to Cancel to each person entitled to receive them may delay the Closing. No Borrower or other person having an ownership interest in the collateral property may modify or waive his or her right to rescind without prior written consent. If any Borrower or other person having an ownership interest in the collateral property indicates he or she wishes to cancel this transaction, contact the Bank immediately for further instruction.

Survey

A valid survey dated within 90 days of closing is required if indicated in the Addendum to these Closing Instructions. The survey must contain all relevant and customary information and certifications and the legal description, lot size and street must agree with the appraisal and closing documents.

Fees and Costs

The following fees are to be collected and submitted to the Bank and reflected on the HUD-1.

ITEM	AMOUNT
Loan Origination Fee	$1,500.00

HUD-1 Settlement Statement

A preliminary HUD-1 Settlement Statement must be submitted to the above-listed Loan Closing Representative for approval 24 hours prior to Closing. Disbursement is not authorized until preliminary HUD-1 approval is communicated by the Bank. The HUD-1 Settlement Statement must be completed at Closing and accurately reflect all receipts and disbursements indicated in these closing instructions and any amended closing instructions subsequent hereto. If any changes to fees occur, documents may need to be re-drafted and re-signed.

Conditions to be Satisfied Prior to Disbursement of Loan Proceeds

GENERAL PROVISIONS. Each Debtor's obligations under this Agreement are independent of the obligations of any other Debtor. Secured Party may sue each Debtor individually or together with any other Debtor. Secured Party may release any part of the Property and Debtor will remain obligated under this Agreement. The duties and benefits of this Agreement will bind the successors and assigns of Debtor and Secured Party. No modification of this Agreement is effective unless made in writing and signed by Debtor and Secured Party. Whenever used, the plural includes the singular and the singular includes the plural. Time is of the essence.

APPLICABLE LAW. This Agreement is governed by the laws of the state in which Secured Party is located. In the event of a dispute, the exclusive forum, venue, and place of jurisdiction will be the state in which Secured Party is located, unless otherwise required by law. If any provision of this Agreement is unenforceable by law, the unenforceable provision will be severed and the remaining provisions will still be enforceable.

NAME AND LOCATION. Debtor's name indicated on page 1 is Debtor's exact legal name. If Debtor is an individual, Debtor's address is Debtor's principal residence. If Debtor is not an individual, Debtor's address is the location of Debtor's chief executive offices or sole place of business. If Debtor is an entity organized and registered under state law, Debtor has provided Debtor's state of registration on page 1. Debtor will provide verification of registration and location upon Secured Party's request. Debtor will provide Secured Party with at least 30 days notice prior to any change in Debtor's name, address, or state of organization or registration.

WARRANTIES AND REPRESENTATIONS. Debtor has the right, authority, and power to enter into this Agreement. The execution and delivery of this Agreement will not violate any agreement governing Debtor or Debtor's property, or to which Debtor is a party. Debtor makes the following warranties and representations which continue as long as this Agreement is in effect:

(1) Debtor is duly organized and validly existing in all jurisdictions in which Debtor does business.
(2) the execution and performance of the terms of this Agreement have been duly authorized, have received all necessary governmental approval, and will not violate any provision of law or order.
(3) other than previously disclosed to Secured Party, Debtor has not changed Debtor's name or principal place of business within the last 10 years and has not used any other trade or fictitious name, and
(4) Debtor does not and will not use any other name without Secured Party's prior written consent.

Debtor owns all of the Property, and Secured Party's claim to the Property is ahead of the claims of any other creditor, except as otherwise agreed and disclosed to Secured Party prior to any advance on the Secured Debts. The Property has not been used for any purpose that would violate any laws or subject the Property to forfeiture or seizure.

DUTIES TOWARD PROPERTY. Debtor will protect the Property and Secured Party's interest against any competing claim. Except as otherwise agreed, Debtor will keep the Property in Debtor's possession at the address indicated on page 1 of this Agreement. Debtor will keep the Property in good repair and use the Property only for purposes specified on page 1. Debtor will not use the Property in violation of any law and will pay all taxes and assessments levied or assessed against the Property. Secured Party has the right of reasonable access to inspect the Property, including the right to require Debtor to assemble and make the Property available to Secured Party. Debtor will immediately notify Secured Party of any loss or damage to the Property. Debtor will prepare and keep books, records, and accounts about the Property and Debtor's business, to which Debtor will allow Secured Party reasonable access.

Debtor will not sell, offer to sell, license, lease, or otherwise transfer or encumber the Property without Secured Party's prior written consent. Any disposition of the Property will violate Secured Party's rights, unless the Property is inventory sold in the ordinary course of business at fair market value. If the Property includes chattel paper or instruments, either as original collateral or as proceeds of the Property, Debtor will record Secured Party's interest on the face of the chattel paper or instruments.

If the Property includes accounts, Debtor will not settle any account for less than the full value, dispose of the accounts by assignment, or make any material change in the terms of any account without Secured Party's prior written consent. Debtor will collect all accounts in the ordinary course of business, unless otherwise required by Secured Party. Debtor will keep the proceeds of the accounts, and any goods returned to Debtor, in trust for Secured Party and will not commingle the proceeds or returned goods with any of Debtor's other property. Secured Party has the right to require Debtor to pay Secured Party the full price on any returned items. Secured Party may require account debtors to make payments under the accounts directly to Secured Party. Debtor will deliver the accounts to Secured Party at Secured Party's request. Debtor will give Secured Party all statements, reports, certificates, lists of account debtors (showing names, addresses, and amounts owing), invoices applicable to each account, and any other data pertaining to the accounts as Secured Party requests.

If the Property includes farm products, Debtor will provide Secured Party with a list of the buyers, commission merchants, and selling agents to or through whom Debtor may sell the farm products. Debtor authorizes Secured Party to notify any additional parties regarding Secured Party's interest in Debtor's farm products, unless prohibited by law. Debtor agrees to plant, cultivate, and harvest crops in due season. Debtor will not use any loan proceeds for a purpose that will contribute to excessive erosion of highly erodible land or to the conversion of wetlands to produce an agricultural commodity, as explained by federal law.

If Debtor pledges the Property to Secured Party (delivers the Property into the possession or control of Secured Party or a designated third party), Debtor will, upon receipt, deliver any proceeds and products of the Property to Secured Party. Debtor will provide Secured Party with any notices, documents, financial statements, reports, and other information relating to the Property Debtor receives as the owner of the Property.

PERFECTION OF SECURITY INTEREST. Debtor authorizes Secured Party to file a financing statement covering the Property. Debtor will comply with, facilitate, and otherwise assist Secured Party in connection with obtaining possession or control over the Property for purposes of perfecting Secured Party's interest under the Uniform Commercial Code.

INSURANCE. Debtor agrees to keep the Property insured against the risks reasonably associated with the Property until the Property is released from this Agreement. Debtor will maintain this insurance in the amounts Secured Party requires. Debtor may choose the insurance company subject to Secured Party's approval, which will not be unreasonably withheld. Debtor will have the insurance provider name Secured Party as loss payee on the insurance policy. Debtor will give Secured Party and the insurance provider immediate notice of any loss. Secured Party may apply the insurance proceeds toward the Secured Debts. Secured Party may require additional security as a condition of permitting any insurance proceeds to be used to repair or replace the Property. If Secured Party acquires the Property in damaged condition, Debtor's rights to any insurance policies and proceeds will pass to Secured Party to the extent of the Secured Debts. Debtor will immediately notify Secured Party of the cancellation or termination of insurance. If Debtor fails to keep the Property insured, or fails to provide Secured Party with proof of insurance, Secured Party may obtain insurance to protect Secured Party's interest in the Property. The insurance may include coverages not originally required of Debtor, may be written by a company other than one Debtor would choose, and may be written at a higher rate than Debtor could obtain if Debtor purchased the insurance.

AUTHORITY TO PERFORM. Debtor authorizes Secured Party to do anything Secured Party deems reasonably necessary to protect the Property and Secured Party's interest in the Property. If Debtor fails to perform any of Debtor's duties under this Agreement, Secured Party is authorized, without notice to Debtor, to perform the duties or cause them to be performed. These authorizations include, but are not limited to, permission to pay for the repair, maintenance, and preservation of the Property and take any action to realize the value of the Property. Secured Party's authority to perform for Debtor does not create an obligation to perform, and Secured Party's failure to perform will not preclude Secured Party from exercising any other rights under the law or this Agreement.

If Secured Party performs for Debtor, Secured Party will use reasonable care. Reasonable care will not include any steps necessary to preserve rights against prior parties or any duty to take action in connection with the management of the Property.

If Secured Party comes into possession of the Property, Secured Party will preserve and protect the Property to the extent required by law. Secured Party's duty of care with respect to the Property will be satisfied if Secured Party exercises reasonable care in the safekeeping of the Property or in the selection of a third party in possession of the Property.

Secured Party may enforce the obligations of an account debtor or other person obligated on the Property. Secured Party may exercise Debtor's rights with respect to the account debtor's or other person's obligations to make payment or otherwise render performance to Debtor, and enforce any security interest that secures such obligations.

PURCHASE MONEY SECURITY INTEREST. If the Property includes items purchased with the Secured Debts, the Property purchased with the Secured Debts will remain subject to Secured Party's security interest until the Secured Debts are paid in full. Payments on any non-purchase money loan also secured by this Agreement will not be applied to the purchase money loan. Payments on the purchase money loan will be applied first to the non-purchase money portion of the loan, if any, and then to the purchase money portion in the order in which the purchase money Property was acquired. If the purchase money Property was acquired at the same time, payments will be applied in the order Secured Party selects. No security interest will be terminated by application of this formula.

DEFAULT. Debtor will be in default if:

(1) Debtor (or Borrower, if not the same) fails to make a payment in full when due.
(2) Debtor fails to perform any condition or keep any covenant on this or any debt or agreement Debtor has with Secured Party.
(3) a default occurs under the terms of any instrument or agreement evidencing or pertaining to the Secured Debts.
(4) anything else happens that either causes Secured Party to reasonably believe that Secured Party will have difficulty in collecting the Secured Debts or significantly impairs the value of the Property.

WAIVER OF HEARING PRIOR TO IMMEDIATE POSSESSION. Secured Party may immediately seize the Property upon Debtor's default. Debtor agrees to waive the right to five days' notice and a preseizure hearing prior to seizure of the Property.

REMEDIES. After Debtor defaults, and after Secured Party gives any legally required notice and opportunity to cure the default, Secured Party may at Secured Party's option do any one or more of the following:

(1) make all or any part of the Secured Debts immediately due and accrue interest at the highest post-maturity interest rate.
(2) require Debtor to gather the Property and make it available to Secured Party in a reasonable fashion.
(3) enter upon Debtor's premises and take possession of all or any part of Debtor's property for purposes of preserving the Property or its value and use and operate Debtor's property to protect Secured Party's interest, all without payment or compensation to Debtor.
(4) use any remedy allowed by state or federal law, or provided in any agreement evidencing or pertaining to the Secured Debts.

If Secured Party repossesses the Property or enforces the obligations of an account debtor, Secured Party may keep or dispose of the Property as provided by law. Secured Party will apply the proceeds of any collection or disposition first to Secured Party's expenses of enforcement, which includes reasonable attorneys' fees and legal expenses to the extent not prohibited by law, and then to the Secured Debts. Debtor (or Borrower, if not the same) will be liable for the deficiency, if any.

By choosing any one or more of these remedies, Secured Party does not give up the right to use any other remedy. Secured Party does not waive a default by not using a remedy.

WAIVER. Debtor waives all claims for damages caused by Secured Party's acts or omissions where Secured Party acts in good faith.

NOTICE AND ADDITIONAL DOCUMENTS. Where notice is required, Debtor agrees that 10 days prior written notice will be reasonable notice to Debtor under the Uniform Commercial Code. Notice to one party is notice to all parties. Debtor agrees to sign, deliver, and file any additional documents and certifications Secured Party considers necessary to perfect, continue, or preserve Debtor's obligations under this Agreement and to confirm Secured Party's lien status on the Property.

(iii) **summarize information sufficient to identify the real estate involved in the appraisal, including the physical and economic property characteristics relevant to the assignment;**

Satisfied

(iv) **state the real property interest appraised:**

Satisfied

(v) **state the type and definition of value and cite the source of the definition;**

Satisfied

(vi) **state the effective date of the appraisal and the date of the report;**

The effective date should be current. The prospective date can estimate a point in time for completion of the project but the effective date is based on the current market data

(vii) **summarize the scope of work used to develop the appraisal;**

Satisfied but not sufficiently summarized in the valuation sections outlining that all sources of market data have been considered and reported Scope of work is appraisers decision based on what is required for credible results, not lending institutions decision A second section on scope of work is included within the report.

(viii) **summarize the information analyzed, the appraisal methods and techniques employed, and the reasoning that supports the analyses, opinions, and conclusions; exclusion of the sales comparison approach, cost approach, or income approach must be explained;**

Satisfied but not sufficiently summarized in the valuation sections outlining that all sources of market data have been considered and reported

(ix) **state the use of the real estate existing as of the date of value and the use of the real estate reflected in the appraisal; and, when an opinion of highest and best use was developed by the appraiser, summarize the support and rationale for that opinion;**

Limited analysis in highest and best use of site as vacant as well as for "as unproved" (proposed) section. Estimate of NOI does not relate to a financially feasible or maximally productive analysis No analysis of land as vacant other than current use is Highest and Best Use.

(x) **state all extraordinary assumptions and hypothetical conditions; and state that their use might have affected the assignment results;**

A prospective value is a hypothetical condition based on a future event that has not occurred No "As Is" value stated for property as of the effective date.

(xi) **include a signed certification in accordance with Standards Rule 2-3.**

E. Opinion as to Adequacy and Relevance of Data

The report provides limited information and analysis for the data relied upon.

- *Demographics in General Area and Regional Data out of date (2000 and 2004).*
- *No zoning analysis on use or alternative uses*
- *No tax analysis estimate for property as proposed or analysis of the current tax law affecting new properties and the tax impacts (Point of Sale)*
- *No data sheet or summary on each land sale*
- *No adjustment grid or analysis to conclude final value estimate Don't follow $80,000 road and impact on land value, is this further deducted from the $250,000 land value?*
- *Cost Approach – not clear if this is actual estimate Discrepancies between actual estimate in addenda and cost approach in report. Verify allowances versus additional cost for parking lot, signage, porch and landscaping Additional verification of actual cost versus market through national cost esumate or cost comparables beneficial to determine if proposed cost is market*
- *No data sheet or summary on each improved sale, no photos of improved sales*
- *Adjustment grid provided but no analysis to conclude final value estimate*
- *No discussion on market conditions*
- *Rental grid provided but no analysis to conclude final market rent*
- *No discussion on market conditions or available properties for rent in the local market. What is the local competition or indication if none present.*
- *No discussion of market vacancy.*
- *No analysis to reconcile capitalization rate with alternative methods in developing rate, only uses survey method from national data*
-

F. Opinion as Appropriateness of Appraisal Methods and Techniques Used

The methods and techniques are appropriate for developing a value conclusion using the sales comparison, the cost approach The income approach is deficient in development and support of the capitalization rate. Although this review does not include the reviewer's opinion of value, the lack of data and analysis outlined previously is the deficient area in leading the reader/reviewer to reasonably supported conclusion.

G. Opinion as to Whether Analysis and Conclusions are Appropriate and Reasonable

The scope of work does not include the development of the reviewer's opinion of value. Therefore, I have not made a conclusion as to the whether the value conclusions made by Mr. Hammond and Ms Hammond in the reviewed appraisal are appropriate and reasonable

Respectfully submitted.

PREFACE

An appraisal is a type of research into the law of probabilities with respect to real estate. Through the appraiser's education, training, experience, and integrity, he is able to project sellers' and buyers' past activities into a forecast of real estate value. Because of the individuality and uniqueness of each property, comparisons of like properties often entail adjustments in arriving at a conclusion. Financial consideration for similar properties sometimes reflects sentiment, compassion, bias, politics, specific needs, lack of understanding, and other factors not considered by the impartial appraiser. The appraiser cannot be an advocate; else he belies the reason for his profession.

An appraisal cannot be guaranteed; cannot be proved; however, the opinions of value can be substantiated and justified. The final conclusion is the result of professional analysis of a considerable quantity of physical and economic facts. An appraisal must not be considered absolute, but should be used as a basis for decision making between parties involved in the property, whatever their interests.

With the foregoing in mind, the reader is invited to review the following report, which sets forth the data and reasoning leading to the value estimate of the subject property.

Plaintiffs' Ex 0283.360

CONFIDENTIALITY OF CLIENT AND PROPERTY INFORMATION

In the early part of the 1980's, the leaders of several professional appraiser organizations saw the need to set forth a common set of professional practice standards. They felt that these standards were necessary to create trust between the general public and the professional appraisers.

The lack of trust was due primarily to the problems which occurred in the 1980's, by what is known as "The Savings & Loan Crisis".

Eight U.S. based professional appraisal organizations plus "The Appraisal Institute of Canada" formed an Ad Hoc Committee which developed the Uniform Standards of Professional Practice (USPAP).

Congress passed Title XI of The Financial Institutions Reform, Recovery and Enforcement Act during 1989. By passing this bill, Congress recognized and authorized USPAP.

The Confidentiality section of the Ethics Provision of USPAP provides the following:

> **An appraiser must protect the confidential nature of the appraiser-client relationship.**
>
> **An appraiser must act in good faith with regard to the legitimate interests of the client in the use of confidential information and in the communication of assignment results.**
>
> **An appraiser must be aware of, and comply with, all confidentiality and privacy laws and regulations**

Plaintiffs' Ex 0283.361

applicable in an assignment.

USPAP allows the appraiser to disclose confidential information to the following:

- **The client and persons specifically authorized by the client.**
- **State enforcement agencies and such third parties as may be authorized by due process of law.**

and/or

- **Duly authorized professional peer review committee, except when such disclosure to a committee would violate applicable law or regulation.**

(It is unethical for a member of a duly authorized professional peer review committee to disclose confidential information presented to the committee.)

Types of Information

There are two types of categories of information used by an appraiser to develop their Opinion of Value. They are:

- Public Information
- Nonpublic Information

Public information such as zoning, taxes, flood areas, and sizes of land or building can be obtained within the public domain.

This information can be obtained by the public from the Courthouse, assessor's office or zoning office.

Since this information is a matter of public record, it is not confidential.

Nonpublic information such as current rents, tenant information, sales agreements, future expansion and appraisal results are privileged to the client and intended users of

Plaintiffs' Ex 0283.362

the appraisal report.

Since nonpublic information cannot be obtained within the public domain, it is confidential. This information cannot be divulged to any other than those previously stated in the section.

Palmetto Valuation & Appraisal, LLC pledges to keep all nonpublic information confidential and to recognize it as the property of the client and intended user of this appraisal report.

APPRAISAL DEVELOPMENT AND REPORTING OPTION

There are two levels of appraisal development; the Complete Appraisal and the Restricted Appraisal. There are three reporting options; Self Contained Report, Summary Report, and Restricted Report. These are defined below.

A **Complete Appraisal** is the act or process of estimating value or an estimate of value without invoking the Departure Provision.

Self-Contained Appraisal Report: This is the most detailed and complete reporting option. The length and descriptive detail in such a report should fully support the reasoning and conclusions of the appraiser. This is commonly referred to as a "Full Narrative Report".

Summary Report: Should contain a summary of all information significant to the conclusion of the appraisal report. It is less detailed than a Self-Contained Report.

Restricted Appraisal Report: Should contain a brief statement of information significant to the solution of the appraisal problem. It is intended for use only by the client: everyone else is considered an unintended user.

Development Level and Reporting Option Used

This report is intended to be a Complete Appraisal - Summary Report.

APPRAISAL PROCEDURE, FORMAT, AND USE RESTRICTION

Based on our agreement we are using the Cost, Income, and Market Approaches to value. The appraisal is being presented in a summary format which is intended to meet the minimal requirements of such, as specified under Standards Rule 2.2 of *USPAP*. The use and reliance of this report is strictly limited to the client. After careful consideration and discussion with First Palmetto Savings Bank, it has been determined that even though locational adjustments will be required, the Market Approach will be employed. Most similar properties are constructed and owned by end users; therefore the sales are very limited. The locational adjustments will be large but should still render a reliable value so therefore it will be utilized in this report. In reviewing markets in Camden, Florence and Columbia it does appear that there have been limited sales in the $175.00- $250.00 per square foot including the lot. First Palmetto Savings Bank, FSB is the client and intended user of this report. All others are unintended users. Any other use of this report without our written permission is prohibited.

COMPETENCY STATEMENT

The *Uniform Standards of Professional Appraisal Practice (USPAP)* contains a provision relative to the ability of the appraiser to perform the appraisal assignment in a competent manner. This provision requires that prior to accepting an appraisal assignment; the appraiser must thoroughly and properly identify the appraisal problem and possess the knowledge and experience to adequately and competently complete the appraisal assignment. In the event the appraiser does not possess adequate background and knowledge with which to appropriately address the appraisal assignment, he/she may draw upon or associate with another appraiser or consultant who does possess the necessary background and experience. In those instances where association with another individual was utilized, the name(s) of the individual and the extent of the association is identified herein. Therefore, with respect to the preparation of this report the provisions of the competency requirement have been adequately met.

HYPOTHETICAL CONDITIONS

None.

The values assigned in this report are calculated assuming that the subject improvements are completed as called for in the plans and specifications supplied by SC ENT, Inc. The appraiser makes no guarantee or warranty as to the accuracy of said plans and specifications. The final reconciled value is done **"SUBJECT TO COMPLETION PER PLANS AND SPECIFICATIONS"**.

Plaintiffs' Ex 0283.370

The appraisers have no knowledge of the existence of such materials on or in the property unless otherwise stated. The appraisers, however, are not qualified to test such substances or conditions. If the presence of such substances, such as asbestos, urea formaldehyde foam insulation, or other hazardous substances or environmental conditions, may affect the value of the property, the value estimated is predicated on the assumption that there is no such condition on or in the property or in such proximity thereto that it would cause a loss in value. If so, this fact could have a negative effect upon the value of the property. Since I (we) have no direct evidence relating to this issue, I (we) did not consider possible non-compliance with the requirements of the ADA in estimating the value of the property.

9. Wetlands legislation is ever changing and interpretations of their whereabouts are beyond the appraiser's expertise. If wetlands exist and their impact on the value of the subject property are not discussed in this report, the value estimate for the subject will need to be reconsidered by the appraiser and the value conclusions contained herein are not applicable.

Plaintiffs' Ex 0283.386

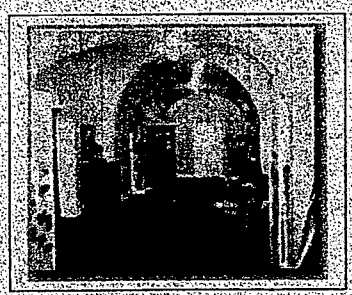

BRIEF HISTORY

Camden was founded in 1733 and is South Carolina's oldest inland city. Kershaw County derives its name from Joseph Kershaw, one of the first community leaders in Camden.

English and French settlers moved to this area from Charleston and joined Scotch and Irish groups who migrated from the Northeastern United States. The old Revolutionary War era grave markers at Quaker Cemetery testify to the cultural diversity of the early Camden years.

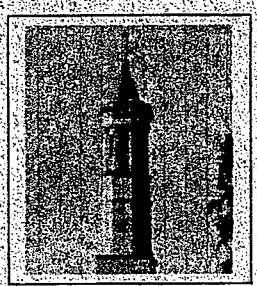

Soon after the capture of Charleston in 1780, Camden was occupied by the British. General Lord Cornwallis established his living quarters in the finest house in Camden – that of Joseph Kershaw. That original structure has been recreated from early documents and is a vital part of Historic Camden - a Revolutionary War park affiliated with the National Park Service.

Two Revolutionary War battles took place in Camden. The Battle of Camden in 1780 was disastrous for the American troops under the command of General Horatio Gates. General Nathanial Green led the American side during the second conflict, The Battle of Hobkirk's Hill, which was also a defeat for the colonists; however, the heavy casualties inflicted on Cornwallis caused him to evacuate Camden.

Many antebellum structures grace Kershaw County, including two designed by the prominent South Carolina architect Robert Mills, who is best known for designing the Washington Monument. One of these structures, the Robert Mills Courthouse, is now the property of the Kershaw County Chamber of Commerce and Visitors Center. It has been restored and is now used for offices and a Visitors Center.

A lasting symbol of Camden was created in the 1820's, a life-size iron effigy of King Haigler, a Catawba Indian who befriended early settlers in the area. A replica of the original, which is housed in the Camden Archives, stands atop the old opera house on Broad Street as a symbol of the community's hospitality. King Haigler is also memorialized by a new Post Office that bears his name.

Camden quickly recovered from the war and has easily moved progressively ever since. By 1885, Camden and Kershaw County became a popular winter community for wealthy Northern families. It was during the golden age of the resort hotels that people began to appreciate the inherent beauty, accessibility, and pleasant climate of the area, thereby, contributing to the growth of Kershaw County to what it is today. Horse related activities became very popular. That interest in equine activities has continued and today the horse

COLUMBIA REGIONAL DATA

On March 26, 1786, the General Assembly of South Carolina voted to move the capital of the State from its then location at Charleston to its present and more central location, Columbia. Since there was no settlement at the location selected, Columbia is one of the few state capitals that was planned for that specific purpose.

The planners of the city were very farsighted in selecting both the site and arrangement of the new town.

Columbia is situated on a high bluff east of the confluence of the Broad and Saluda Rivers. These two rivers run together and form the Congaree River. Columbia is at the northwesternmost part of the navigable part of the Congaree River. However, barge traffic from the coast was abandoned many years ago.

The original city was laid out in a two-mile square, with the capital being erected in the center.

The city is located at the approximate geographical center of the state and is at the midpoint between New York and Miami, Florida.

Near the boundary of the Piedmont and Coastal Plains, Columbia's topography is flat to gently rolling, with an average altitude of 332 feet above mean sea level.

The area of the City of Columbia is 117 square miles. The city is located 110 miles northwest of Charleston, South Carolina, 95 miles south of Charlotte, North Carolina, and 215 miles east of Atlanta, Georgia.

The Appalachian Mountain chain, about 150 miles to the northwest, acts as a buffer preventing the movement of cold weather systems into the Columbia area.

The average year-round temperature for the Columbia area is 64° F. The area has precipitation, which averages 50.00" per year, with a 1.89" of that total in the form of snowfall or sleet. The average July temperature is 91° F, while the average January temperature is only 53° F.

Festivals are a hallmark of the Columbia region. Each year the region plays host to more than 20 festivals and celebrations.

Shopping is available in every area of Columbia. There are 169 shopping centers with 20,000 square feet or more, including four regional malls.

All faiths are represented in the region and served by more than 800 churches and synagogues.

Nine institutions of higher learning are located in the Columbia region, the largest of which is the University of South Carolina. USC's statewide enrollment exceeds 41,900 on nine campuses.

There are 170 public schools in the Columbia region, with enrollment totaling more than 107,000 students. The Central Carolina region also has more than 75 private schools.

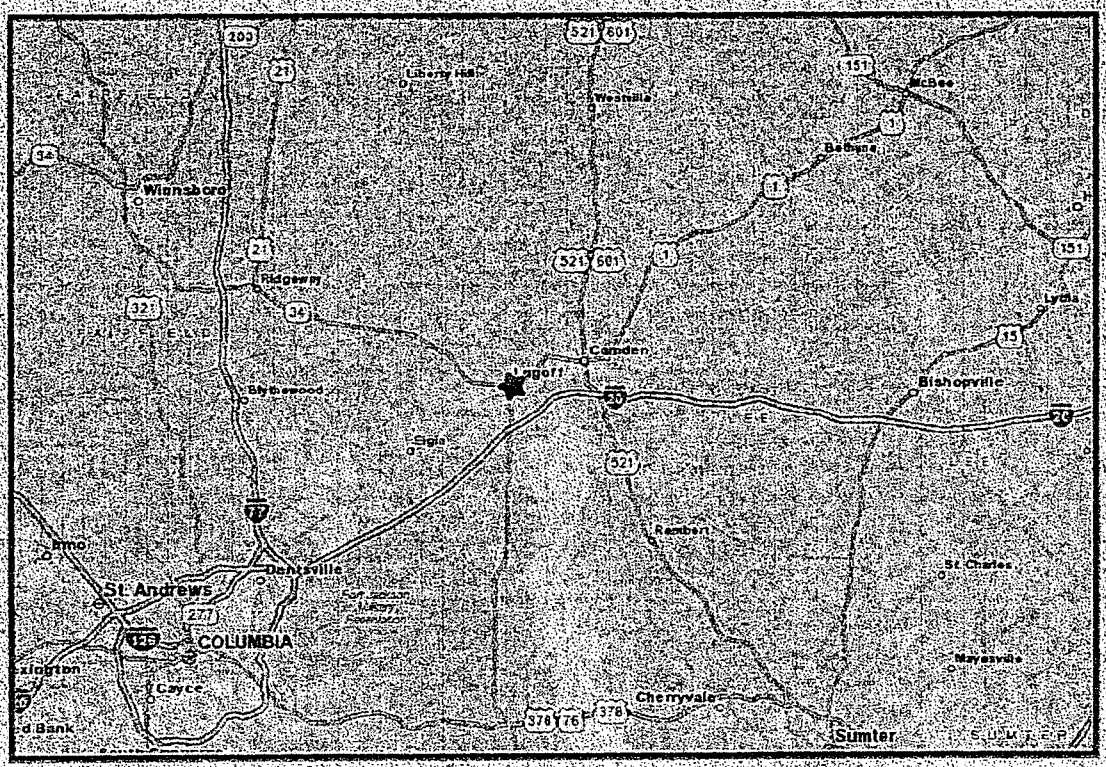

From the foregoing assemblage of information, it is quite evident that the four basic factors that influence value are favorable in Columbia.

The area has good social ideas and standards. The economic changes and adjustments are favorable for continued growth of the area. The atmosphere of the political and governmental structure is such that would tend to create favorable growth patterns. The physical and natural aspects of the area are quite suitable for continued ease of development.

Columbia remains the retail and wholesale center of the state. Its government and education systems add to its economic influences. Columbia has not only become a center of commerce but also a center of arts, culture, health care, and recreation.

Plaintiffs' Ex 0283.398

Columbia is a vital growing city and it is expected that this growth will continue. The factors that led to the conclusion are basically the adequate labor force that the area enjoys, the good political atmosphere that exists, and also the harmonious relationship of all residents.

SITE DATA

The subject site is a rectangular shaped parcel with an effective size that contains a total of 2.0 acres or 87,120 SF. The site is level and slightly above road grade with adequate drainage. According to Flood Map 45055C0429E, dated December 19, 2006, the subject does not appear to lie in a flood hazard area. Final determination should be done by a qualified expert. All public utilities are available. There is paved concrete parking in the front of the building. The Land to Building Ratio (LBR) is 8.84, which is more than adequate. No adverse easements or encroachments are noted. No detrimental environmental conditions are noted upon inspection. The site is a corner lot that fronts on both Highway 601 South and Shadow Hills Road. The site is located in the Lugoff community which is highly desirable for both residential and commercial uses. Zoning authority is Kershaw County. The subject property is zoned Industrial I-1 by Kershaw County. The site enjoys excellent visibility and has good proximity to the newly developed shopping areas. The site is slightly above road grade and gently slopes to the front of the lot. The interior of the lot is essentially level and has adequate drainage. Located centrally within the Kershaw County community, it is ideally suited for its proposed use as a medical office. The subject is centrally located and in close proximity to subdivisions, schools, and churches. This area has enjoyed immense residential and commercial growth in the past few years and has drastically changed in uses and values. There is currently no area in Kershaw County more desirable for medical or medical related growth than the subject area. With close proximity to the newly developed Kershaw County Urgent Care Center in nearby Elgin, this area continues to be highly desirable and should enjoy a strong economic future.

COMMENTS:

The subject property lies in the unincorporated Lugoff area of Kershaw County, South Carolina on approximately 2.0 acres. As such, local zoning ordinances protect the integrity of the neighborhood and all properties within. This is a highly desirable area of Kershaw County for office/institutional buildings. The site improvements consist of a proposed main building of 9,862 square feet with an attached porch/entrance that is 756 SF in size. It is located in close proximity to the local medical center which is highly desirable for doctors and medically related fields. It will be attractive and tastefully done from both an exterior and interior standpoint and one of the most attractive commercial buildings throughout the entire area. An alternative use for the building would be that of high grade commercial office space such as law, real estate or medical sales office buildings. This area of Kershaw County has vastly changed in the past years with aggressive commercial development. The land was readily available with adequate infrastructure available or potentially available from the various utility providers. With the arrival and subsequent development of Kershaw County Urgent Care Center in Elgin, several segments of the medical market have been relocating to this area. The area should enjoy excellent commercial growth for years to come.

Location Map - TMS#0309-00-00-0320

ZONING

The subject properties are zoned I-1, Industrial, by Kershaw County, South Carolina. As proposed, the property is in compliance with zoning.

ASSESSMENT AND TAXES

The property is identified as Tax Map Parcel #309-00-00-032 in the Tax Records of Kershaw County, South Carolina. The property is assessed at $49,710. The 2008 taxes were $677.47.

HIGHEST AND BEST USE

According to The Appraisal of Real Estate, highest and best use is defined as: *"The reasonably probable and legal use of vacant land or improved property, which is physically possible, appropriately supported, financially feasible, and that results in the highest value."*

The highest and best use of the subject will be the proposed use. During conversations with the property owner and verification from third parties, it has been determined that the subject property lies in an area that has enjoyed excellent development in the past few years. With the arrival of Kershaw Medical Center Urgent Care Center in Elgin in 2009, the area is a natural fit for the development of doctors, dentists, and related medical facilities. This area should continue to grow into the desired region to house such medical facilities and medical suppliers.

A grid analysis has been included in the report to reflect a reconstructed operating statement utilizing the Income Approach to value. The appraiser has determined that the market rent for similar properties is currently between $12.00 and $24.00 per square foot on an annual basis. This is assuming that most leases for this type of property is negotiated on a triple net basis with the tenant being responsible for real estate taxes, hazard insurance, and a prorated share of the CAM. The appraiser has selected a $22.00 per square foot rental rate for the illustrated operating statement which would yield potential gross income of approximately $216,964.00 annually.

VALUATION PROCESS

There are three commonly accepted approaches used in valuing real estate. These are the Cost, Sales Comparison, and Income Approaches. Based on the second edition of The Dictionary of Real Estate Appraisal the three approaches are described as follows:

1) Cost Approach

That approach in appraisal analysis in which the value is derived by estimating the current cost to build a replacement or a reproduction of the subject improvement, deducting all accrued depreciation and adding the land value estimate. This approach is particularly applicable when the property being appraised is a relatively new improvement which represents the highest and best use of the land.

2) Income Approach

That procedure in appraisal analysis which converts anticipated benefits (dollar income through rentals) of property into a value estimate. The Income Approach is widely applied in appraising income-producing properties. Anticipated future income and/or reversions are discounted to a present worth figure through the capitalization process.

3) Direct Sales Comparison Approach

That approach in appraisal analysis in which the value estimate is derived by comparison with similar properties which have sold. A unit of comparison is identified and the dissimilarities between the subject and the sales are adjusted.

Approaches Used in Valuation of the Subject

At the clients request this assignment is being reported as a Complete Appraisal using the approaches as described above. Each approach has an individual section in the report. There is an accompanying grid analysis for each approach to value. As discussed with the client, First Palmetto Savings Bank, F.S.B., all three approaches will be utilized in the development of this report. The Market Approach will be utilized in this report but it will require substantial locational adjustments. As most of the buildings being constructed in these markets are for end users with few being sold, it is necessary to utilize comparables from nearby Richland County. For that reason, locational and condition adjustments will be required and less emphasis will be placed on that approach.

Plaintiffs' Ex 0283.404

COST APPROACH

In the Cost Approach, the indication of value is derived by the following steps:

Step 1 Estimate the value of the site (Land) as if vacant and available to be put to its highest and best use;

Step 2 Estimate the reproduction cost of all the improvements;

Step 3 Estimate and deduct total accrued depreciation from all causes;

Step 4 Add the site (land) value to the depreciated value of the improvements to arrive at a market value by the Cost Approach.

Land Value

Three comparable land sales that are office sites are presented in the table below.

Plaintiffs' Ex 0283.405

Based on these sales and considering the dissimilarities between the sales and the subject site a value of $3.00 per SF is well supported. The effective size of the subject parcel has been utilized. The fact that the subject tract is located in an inferior location than the comparables with similar uses has resulted in a lower per square foot dollar value. The lack of reasonable comps has definitely impacted the final land value. In discussions with the seller, approximately $80,000 was spent in order to build the additional access road and this would effectively reduce the sales price accordingly. The location of the subject, though somewhat underdeveloped, is ideally suited for its' use as a doctors office. The comparables are located in more developed areas with higher traffic counts. This results in a lower value per square foot. This is a desirable location for this purpose, yet the appraiser has placed a lower dollar value per square foot on the lot. Therefore it is deemed reasonable to value the subject at $3.00 per square foot.

87,120 SF x $3.00 per SF = $261,360.00,

Valuation of the Improvement (Cost Approach Method)

Direct cost, indirect cost, and entrepreneurial profit are estimated. For the purposes of this analysis 12% profit is used. No physical deterioration is estimated due to the fact that the subject is proposed construction and new. No functional or economic obsolescence is noted. On the following page is a summary of the Cost Approach. The final value by the Cost Approach is **$2,250,000.00.** A detailed cost estimate is illustrated on the following page.

DIRECT SALES COMPARISON APPROACH

The Sales Comparison Approach is used to estimate a value for a property through the comparison of sales of similar properties. This approach is based on the principle of substitution and assumes no prudent purchaser will pay more for a particular property than a similar substitute property. When using the Sales Comparison Approach, a sufficient number of sales are needed in order to establish a market pattern. When this pattern is established, the subject property can be analyzed to determine how the subject relates to this pattern. The value per SF is the most reliable unit of comparison for valuing the subject.

Data Search

Several comparable sales were located and researched. To find these sales local multiple listing sales information, the public records of Kershaw, Lexington, and Richland Counties, and our appraisal files are reviewed. The sales used in this analysis are summarized below. The comparables are not ideal and though they vary greatly in locational value, they best represent the unit of comparison which in this case is the adjusted sales price per square foot.

Technique of the Approach

The Income Capitalization Approach is the process whereby a property's ability to generate income is analyzed and quantified into a present value estimate. This approach is appropriate when valuing income producing real estate which generates an income stream to the owner through rent.

In the Income Capitalization Approach there are three major steps:

Step 1 Estimate gross income less expenses deriving net operating income for each of the specified periods

Step 2 Select an appropriate discount factor or capitalization rate

Step 3 Apply the discount rate and/or capitalization rate to the appropriate income stream to indicate a present value estimate

Comparable Office Rentals

In order to take a "market look" at the subject's income potential the appraiser has investigated the market for similar properties that are leased. Several comparables are presented below.

#	Location	Size/SF	Rent/SF	Basis
1	Carolina First Building. 315 East Dekalb Street, Camden SC	6,300 SF available	$18.00	Net
2	Palmetto Health Parkridge Drive Columbia SC	6,720 SF	$22.50	Net

4	1 Wellness Boulevard Florence South Carolina	60,364SF	$22.50	Net

Plaintiffs' Ex 0283.412

Estimation of Net Operating Income (NOI)

Market rent is estimated at $22.00 per SF. A 4% allowance is made for vacancy making the EGI $208,285.00. Expenses paid by the owner include management, repairs, and reserves for replacements. Total expenses are estimated at 3% of the EGI. Based on the market rental rate and the applicable vacancy and expenses the Net Operating Income (NOI) for the subject is $202,036.00. A reconstructed operating statement will follow that details the above information.

Direct Capitalization

The next step in the Income Capitalization Approach is the use of Direct Capitalization. According to the Korpacz Real Estate Investor Survey for the 4th Quarter of 2009, overall cap rates from all eight property types ranges from 5.00% to 12.0% and averaged 8.52%.

National Warehouse	6.50%-12.00%	8.80%
National Apartment	5.75%-1100%	8.03%
Average		**8.52%**

The rates shown from the national survey are fully supported by local market transactions. In Korpacz, the range of overall rates for suburban office building properties has an average of 8.52 percent. Korpacz recently began publishing a survey on medical office buildings. For the first quarter of 2009, national medical office building had an average cap rate of 6.00 to 11.0 percent with an average of 8.01%. This average is only up slightly from the 7.98% published in the previous quarter.

Based on knowledge of the current market, the appraiser concluded that an Overall Capitalization Rate (Ro) of 9.50% is most applicable for the subject. Overall rates for good quality owner-occupied buildings are at or near the lower end of the range. Using direct capitalization the value is $2,126,694.00, **rounded to $2,200,000.00.** A reconstructed operating statement is included for the client's review.

§ 3.3 Restrictions on the disposition of a membership

Membership and transferability of Memberships in the Company are substantially restricted. Neither record title nor beneficial ownership of a Membership may be transferred or encumbered without

the consent of all Members at the time of transfer. This Company is formed by a closely-held group who know and trust one another, who will have surrendered certain management rights (in exchange for limited liability) based upon their relationship and trust. Capital is also material to the business and investment objectives of the Company and its federal tax status. An unauthorized transfer of a Membership could create a substantial hardship to the Company, jeopardize its capital base, and adversely affect its tax structure. These restrictions upon ownership and transfer are not intended as a penalty, but as a method to protect and preserve existing relationships based upon trust and the Company's capital and its financial ability to continue.

A Disposition of a Membership in the Company may not be effected without the consent of all Members at the time of Disposition and the consent of all of the non-Disposing Members to continue the business.

It is the intent of the Members that the tax status of this Company be the same as for a partnership, and except as allowed by the Code and any corresponding rules and regulations, it is intended that this Company shall not allow free transferability of interest, and to the extent possible, this Operating Agreement shall be read and interpreted to prohibit the free transferability of interest of any Member. Any attempted Disposition by a Person of an interest or right in or in respect of the Company other than in accordance with this section shall be, and is hereby declared, null and void ab initio.

An assignee who becomes a Member has, to the extent assigned, the rights and powers and is subject to the restrictions and liabilities of a Member under this Operating Agreement and the Act. Unless otherwise provided by this Operating Agreement, an assignee who becomes a Member also is liable for the obligations of the assignor to make contributions but is not obligated for liabilities unknown to the assignee at the time the assignee became a Member and which could not be ascertained from this Operating Agreement. Whether or not an assignee of a Membership becomes a Member, the assignor is not released from the assignor's liability to this Company.

(1) Subject to the provisions of the following section, (i) a Person to whom a Membership in the Company is transferred has the right to be admitted to the Company as a Member with the interest in Net Profits, Net Losses, and capital so transferred to such Person, if (A) the Member making such transfer grants the transferee the right to be so admitted, and (B) such transfer is consented to in accordance with this section.

(2) The Company may not recognize for any purpose any purported Disposition of a Membership unless and until the other applicable provisions of this section have been satisfied and the Members, have received, on behalf of the Company, a document (i) executed by both the Member effecting the Disposition (or if the transfer is on account of the death, incapacity, or liquidation of the transferor, his representative) and the Person to which the Membership is Disposed, (ii) including the notice address of any Person to be admitted to the Company as a Member and its agreement to be bound by this Operating Agreement in respect of the Membership being obtained, (iii) setting forth the Person's interest in Net Profits, Net Losses and capital after the Disposition of the Member effecting

the Disposition and the Person to which the Membership is Disposed (which together must total the interest in Net Profits, Net Losses and capital of the Member effecting the Disposition before the Disposition), and (iv) containing a representation and warranty that the Disposition was made in accordance with all applicable laws and regulations (including securities laws) and, if the Person to which the Membership is Disposed is to be admitted to the Company, its representation and warranty that the representations and warranties in this Operation Agreement are true and correct with respect to that Person. Each Disposition and, if applicable, admission complying with the provisions of this section is effective as of the first day of the calendar month immediately succeeding the month in which the Members receive the notification of Disposition and the other requirements of this section have been met.

(3) For the right of a Member to Dispose of a Membership or of any Person to be admitted to the Company in connection therewith to exist or be exercised, (i) either (A) the Membership subject to the Disposition or admission must be registered under the Securities Act of 1933, as amended, and any applicable state securities laws or (B) the Company must receive a favorable opinion of the Company's legal counselor or other legal counsel acceptable to a Required Interest of its Members, to the effect that the Disposition or admission is exempt from registration under those laws and (ii) the Company must receive a favorable opinion of the Company's legal counsel or of other legal counsel acceptable to a Required Interest of its Members, to the effect that the Disposition or admission, when added to the total of all other sales, assignments, or other Dispositions within the preceding 12 months, would not result in the Company's being considered to have terminated within the meaning of the Code. The Members, however, may waive the requirements of this sub-part of this section.

(4) The Member effecting a Disposition and any Person admitted to the Company in connection therewith shall pay, or reimburse the Company for, all costs incurred by the Company in connection with the Disposition or admission (including, without limitation, the legal fees incurred in connection with the legal opinions referred above) on or before the tenth day after the receipt by that Person of the Company's invoice for the amount due. If payment is not made by the date due, the Person owing that amount shall pay interest on the unpaid amount from the date due until paid at a rate per annum equal to the Default Interest Rate.

§ 3.4 Additional Members

Additional Persons may be admitted to the Company as Members and Memberships may be created and issued to those Persons and to existing Members at the direction of a Required Interest of Members, on such terms and conditions as the Required Interest may determine at the time of admission. The terms of admission or issuance must specify the percentage of Net Profit, Net Loss, allocable to such Person and the Capital Contribution applicable thereto and may provide for the creation of different classes or groups of Members and having different rights, powers, and duties. A Required Interest shall reflect the creation of any new class or group in an amendment to this Operating Agreement indicating the different rights, powers, and duties. Any such admission also

must comply with the requirements described elsewhere in this Operating Agreement and is effective only after the new Member has executed and delivered to the Company, as appropriate, a document including the new Member's notice address, its agreement to be bound by this Operating Agreement, and its representation and warranty that the representation and warranties required of new Members are true and correct with respect to the new Member. Notwithstanding the foregoing, the Members of the Company shall have a preemptive right to acquire additional, newly created Memberships of the Company, or securities of the Company convertible into or carrying a right to subscribe to or acquire Memberships, except to the extent limited or denied by this Operating Agreement or the Articles.

§ 3.5 Interests in a member

A Member that is not a natural person may not cause or permit an interest, direct or indirect, in itself to be Disposed of such that after the Disposition, (a) the Company would be considered to have terminated within the meaning of section 708 of the Code or (b) without the consent of a Required Interest that Member shall cease to be controlled by substantially the same Persons who control it as of the date of its admission to the Company. On any breach of the provisions of clause (b) of the immediately preceding sentence, the Company shall have the option to buy, and on exercise of that option the breaching Member shall sell, the breaching Member's Membership.

§ 3.6 Information

In addition to the other rights specifically set forth in this Operating Agreement, each Member is entitled to all information to which that Member is entitled to have access under the terms of the Act. The Members agree, however, that a Required Interest from time to time may determine, due to contractual obligations, business concerns, or other considerations, that certain information regarding the business affairs, properties, and financial condition of the Company should be kept confidential and not provided to some or all other Members, and that it is not just or reasonable for those Members or assignees or representatives thereof to examine or copy that information.

The Members acknowledge that from time to time, they may receive information from or regarding the Company in the nature of trade secrets or that otherwise is confidential, the release of which may be damaging to the Company or Persons with which it does business. Each Member shall hold in strict confidence any information it receives regarding the Company that is identified as being confidential (and if that information is provided in writing, that is so marked) and may not disclose it to any Person other than another Member, except for disclosures (i) compelled by law (but the Member must notify a Required Interest, as appropriate, promptly of any request for that information, before disclosing it, if practicable), (ii) to advisers or representatives of the Member or Persons to which that Member's Membership may be Disposed as permitted by this Operating Agreement, but only if the recipients have agreed to be bound by the provisions of this section or (iii) of information that Member also has received from a source independent of the Company that the Member reasonably believes obtained that information without breach of any obligation of confidentially.

The Members acknowledge that breach of the provisions of this section may cause irreparable injury to the Company for which monetary damages are inadequate, difficult to compute, or both. Accordingly, the Members agree that the provisions of this section may be enforced by specific performance.

§ 3.7 Liabilities to third parties

Except as otherwise expressly agreed in writing, no Member shall be liable for the debts, obligations or liabilities of the Company, including under a judgment decree or order of a court.

§ 3.8 Withdrawal

Members are free to withdrawal from the company at any time upon 90 days written notice to the non-withdrawing members of the company. Once a physician is no longer a member of South Carolina ENT, Allergy & Sleep Medicine, P.A. his right, or that of his spouse, to remain a member of this company shall terminate and the remaining members of the company shall purchase the membership interest of the withdrawing or dissociated Member. The value of said interest shall be the Member's percentage of equity in the then current appraised value of the real estate holdings and assumption of the balance of the existing indebtedness by the non-withdrawing Members.

§ 3.9 Classes and voting

Unless the Articles state to the contrary or as provided by this Operating Agreement two or more classes or groups of one or more Members is established, there shall be one class of Members. The Articles or any amendments thereof or by a two-thirds vote of the Members of this Company at a duly authorized annual or special meeting may elect to establish two or more classes or groups of one or more Members. In the event of the establishment of two or more classes or groups of one or more Members, then the following provisions shall apply:

(1) The rights, powers, or duties of a class or group may be senior to those of one or more existing classes or groups of Members.

(2) If two or more classes or groups of one or more Members are established, then each class or group of Members, as far as waiver of notices, action by consent without a meeting, establishment of a record date, quorum requirements, voting in person or by proxy, or any other matter relating to the exercise of the right to vote, shall be governed by the same provisions of this Operating Agreement as pertain to one class or group of Members.

(3) Prompt notice of the taking of an action under this Operating Agreement that require less than unanimous written consent of the Members and that may be taken without a meeting shall be given to the Members who have not consented in writing to the taking of the action.

Such list shall also be produced and kept open at the time and place of the meeting and shall be subject to the inspection of any

Member during the whole time of the meeting. The original records reflecting the Membership of each Member of each class, if more than one class, shall be prima-facie evidence as to who are the Members entitled to examine such list or records or to vote at any meeting of Members.

Failure to comply with the requirements of this Article shall not affect the validity of any action taken at such meeting.

§ 3.14 Special meetings

Special meetings of the Members may be called at any time by the holders of at least ten percent (10%) of the Members entitled to vote at such meeting. Such request shall state the purpose or purposes of such meeting and the matters proposed to be acted on thereat.

§ 3.15 Notice

Written or printed notice stating the place, day and hour of the meeting and, in case of a special meeting, the purpose or purposes for which the meeting is called, shall be delivered not less than ten nor more than sixty days before the date of the meeting either personally or by mail, or at the direction of the officer or person calling the meeting, to each Member entitled to vote at the meeting, provided that such notice may be waived as provided in this Operation Agreement. If mailed, such notice shall be deemed to be delivered when deposited in the United States mail addressed to the Member at his address as it appears on the records of the Company, with postage thereon prepaid. Any notice required to be given to any Member hereunder or under the Articles of Organization need not be given to the Member if (A) notice of two consecutive annual meetings of the Company and all notices of meetings held during the period between those annual meetings, if any, or (B) all (but in no event less than two) payments (if sent by first class mail) of distributions during a twelve-month period have been mailed to that person, addressed at his address as shown on the records of the Company, and have been returned undeliverable. Any action or meeting taken or held without notice to such person shall have the same force and effect as if the notice had been duly given.

§ 3.16 Quorum of members

Unless otherwise provided in the Articles, the holders of 3/4 of the Memberships entitled to vote, represented in person or proxy, shall constitute a quorum at a meeting of Members. The vote of the holders of 3/4 of the Memberships entitled to vote for each class, if more than one class, and thus represented at a meeting at which a quorum is present shall be the act of the Members' meeting, unless the vote of a greater number is required by law, the Articles or this Operating Agreement.

§ 3.17 Majority vote; withdrawal of quorum

With respect to any matter when a quorum is present at any meeting, the vote of the holders of a majority of the Memberships, present in person or represented by proxy, having voting power with

respect to that matter, shall decide such matter brought before such meeting, unless the matter is one upon which, by express provision of the Articles or this Operating Agreement, or by any express provision of the statutes which is applicable to such vote unless overridden by the Articles, a different vote is required, in which case such express provision shall govern and control the decision of such matter. The Members present at a duly organized meeting may continue to transact business until adjournment, notwithstanding the withdrawal of enough Members to leave less than a quorum.

§ 3.18 Voting of membership

Except as otherwise provided in the Act, each outstanding Membership, regardless of class, shall be entitled to one vote on each matter submitted to a vote at a meeting of Members, except to the extent that the voting rights of the Membership of any class or classes are limited or denied by the Articles or by this Operating Agreement.

Memberships owned by another limited liability company or corporation, the majority of the Memberships or voting stock of which is owned or controlled by this Company, and Memberships held by this Company in a fiduciary capacity shall not be voted, directly or indirectly, at any meeting, and shall not be counted in determining the total Memberships at any given time.

A Member may vote either in person or by proxy executed in writing by the Member or by his duly authorized attorney in fact. No proxy shall be valid after eleven (11) months from the date of its execution unless otherwise provided in the proxy. Each proxy shall be revocable unless the proxy form conspicuously states that the proxy is irrevocable and the proxy is coupled with an interest.

§ 3.19 Action without meeting

Any action required by the Act to be taken at a meeting of the Members, or any action which may be taken at a meeting of the Members, may be taken without a meeting, without prior notice, and without a vote, if a consent or consents in writing, setting forth the action so taken, shall have been signed by the holder or holders of all the Memberships for each class, if more than one class, entitled to vote with respect to the action that is the subject matter of the consent, and such consent shall have the same force and effect as a unanimous vote of the Members. Every written consent pursuant to this section shall be signed, dated and delivered in the manner required by, and shall become effective at the time and remain effective for the period specified by, the Act. A telegram, telex, cablegram, or similar transmission by a Member, or a photographic, photostatic, facsimile, or similar reproduction of a writing signed by a Member, shall be regarded as signed by the Member for purposes of this section. Prompt notice of the taking of any action by Members without a meeting by less than unanimous written consent shall be given to those Members who did not consent in writing to the action.

For purposes of this section, the taking of the action includes amending this Operation Agreement or creating, under provisions of this Operation Agreement, a class of Memberships that was not previously outstanding.

§ 3.20 Assignment of membership interest

Unless otherwise provided by this Operating Agreement:

(1) a Membership Interest is assignable in whole or in part;

(2) an assignment of a Membership Interest does not entitle the assignee to become, or to exercise rights or powers of, a Member;

(3) an assignment entitles the assignee to receive distributions, to which the assignor was entitled, to the extent those items are assigned and allocates to the assignee the assignors allocable share of Net Profit and Net Loss; and

(4) until the assignee becomes a Member, the assignor Member continues to be a Member and to have the power to exercise any rights or powers of a Member.

§ 3.21 Distribution in kind

Except as provided by the Articles or this Operating Agreement, a Member, regardless of the nature of the Member's contribution, may not demand or receive a distribution from this Company in any form other than cash.

§ 3.22 Right to distribution

Subject to the Act, at the time that a Member becomes entitled to receive a distribution, with respect to a distribution, that Member has the status of and is entitled to all remedies available to a creditor of the Company.

§ 3.23 Limitation on distribution

No distribution may be made if, after giving effect to the distribution:

(1) the Company would not be able to pay its debts as they become due in the usual course of business; or

(2) the Company's assets would be less than the sum of its liabilities plus, unless otherwise provided in this Operating Agreement, the amount that would be needed, if the Company were to be dissolved at the time of the distribution, to satisfy the preferential rights of other Members upon dissolution

which are superior to the rights of the Member receiving the distribution. The Company may base a determination that a distribution is not prohibited upon the relevant provisions of the Act.

§ 3.24 Buyout of disassociating member

If, following the death, retirement, resignation, expulsion, bankruptcy or dissolution of a Member or the occurrence of any other event which terminates the continued Membership of a Member in the Company, a Majority in Interest of the remaining Members vote to continue the Company, the disassociating Member shall be entitled to receive any distribution which the disassociating Member was entitled to receive prior to the death, retirement, resignation, expulsion, bankruptcy or dissolution of a Member or the occurrence of any other event which terminates the continued Membership of a Member in the Company. The Member shall additionally receive the fair market value of the Member's Membership in the Company as of the date of the death, retirement, resignation, expulsion, bankruptcy or dissolution of a Member or the occurrence of any other event which terminates the continued Membership of a Member in the Company determined as provided in the Act. The date of payment shall be made pursuant to the Act.

In the event the spouse of a practitioner dies owning shares in the Company, the shares will automatically transfer to and become the property of the practitioner and not pursuant to the terms of the spouses Last Will and Testament. The regulations previously stated herein concerning Assignment of Interest or Additional Member being added to the Company shall not apply in this situation.

In the event the practitioner who is a member of the firm South Carolina ENT, Allergy & Sleep Medicine, P.A., dies while either the practitioner or his spouse owns a Membership interest in SCENT Land Holdings, LLC, a payout arrangement will be structured for SCENT Land Holdings, LLC to mirror the payout set forth in the agreement between the practitioner and the medical group South Carolina ENT, Allergy & Sleep Medicine, P.A..

In the event the practitioner who is a member of the firm South Carolina ENT, Allergy & Sleep Medicine, P.A., divorces from a spouse who owns an interest in the company, the spouse's interest in the company shall terminate and either 1) the physician spouse will buy out, or otherwise obtain, the interest of the non-physician spouse within 30 days of executing a legal separation agreement or 2) the remaining Members of the company, will buyout the non-physician interest in SCENT Land Holdings, LLC within 30 days of the execution date of the legal separation agreement. It is the intent of this agreement that no divorced or legally separated spouse of a SCENT physician shall own an interest in SCENT Land Holdings, LLC.

D. Article IV - Capital Contributions

§ 4.1 Initial contributions

Each initial Member shall make the Capital Contribution described for that Member on Exhibit A at the time and on the terms specified on Exhibit A and shall make such additional capital contributions as may be required of Members from time to time and at any time. The value of the Capital Contributions shall be as set forth on Exhibit A. No interest shall accrue on any Capital Contribution and no Member shall have the right to withdraw or be repaid any Capital Contribution except as provided in this Operation Agreement. Each additional Member shall make such Capital Contribution at such time as established by a Required Interest.

§ 4.2 Subsequent contributions

Without creating any rights in favor of any third party, each Member shall contribute to the Company, in cash, on or before the date specified as hereinafter described that Member's pro rata share of all monies that in the judgment of a Required Interest, is necessary to enable the Company to cause the assets of the Company to be properly operated and maintained and to discharge its costs, expenses, obligations, and liabilities. A Required Interest, shall determine and notify each Member of the need for Capital Contributions pursuant to this Section 4.2 when appropriate, which notice must include a statement in reasonable detail of the proposed uses of the Capital Contributions and a date (which date may be no earlier than the fifth Business Day following each Member's receipt of its notice) before which the Capital Contributions must be made.

§ 4.3 Failure to contribute

If a Member does not contribute by the time required all or any portion of a Capital Contribution that Member is required to make as provided in this Operating Agreement, the Company may exercise, on notice to that Member (the "Delinquent Member"), one or more of the following remedies:

(1) taking such action (including, without limitation, court proceedings) as a Required Interest may deem appropriate to obtain payment by the Delinquent Member of the portion of the Delinquent Member's Capital Contribution that is in default together with interest thereon at the Default Interest Rate from the date that the Capital Contribution was due until the date that it is made, all at the cost and expense of the Delinquent Member;

(2) permitting the other Members on a pro rata basis or in such other percentages as they may agree (the "Lending Member," whether one or more), to advance the portion of the Delinquent Member's Capital Contribution that is in default, with the following results:

(3) the sum advanced constitutes a loan from the Lending Member to the Delinquent Member and a Capital Contribution of that sum to the Company by the Delinquent Member pursuant to the applicable provisions of this Operating Agreement,

(4) the principal balance of the loan and all accrued unpaid interest thereon is due and payable in whole on the tenth day after written demand therefor by the Lending Member to the Delinquent Member,

(5) the amount loaned bears interest at the Default Interest Rate from the day that the advance is deemed made until the date that the loan, together with all interest accrued on it, is repaid to the Lending Member,

(6) all distributions from the Company that otherwise would be made to the Delinquent Member (whether before or after dissolution of the Company) instead shall be paid to the Lending Member until the loan and all interest accrued on it have been paid in full to the Lending Member (with payments being applied first to accrued and unpaid interest and then to principal),

(7) the payment of the loan and interest accrued on it is secured by a security interest in the Delinquent Member's Membership, as more fully set forth in this section, and

(8) the Lending Member has the right, in addition to the other rights and remedies granted to it pursuant to this Operating Agreement or available to it at law or in equity, to take any action (including without limitation, court proceedings) that the Lending Member may deem appropriate to obtain payment by the Delinquent Member of the loan and all accrued and unpaid interest on it, at the cost and expense of the Delinquent Member;

(9) exercising the rights of a secured party under the Uniform Commercial Code of the State of South Carolina, as more fully set forth in this Section; or

(10) exercising any other rights and remedies available at law or in equity.

Each Member grants to the Company, and to each Lending Member with respect to any loans made by the Lending Member to that Member as a Delinquent Member pursuant to this section, as security, equally and ratably, for the payment of all Capital Contributions that Member has agreed to make and the payment of all loans and interest accrued on them made by Lending Members to that Member as a Delinquent Member pursuant to this section, a security interest in and a general lien on its Membership and the proceeds thereof, all under the Uniform Commercial Code of the State of South Carolina. On any default in the payment of a Capital Contribution or in the payment of such a loan or interest accrued on it, the Company or the Lending Member, as applicable, is entitled to all the rights and remedies of a secured party under the Uniform Commercial Code of the State of South Carolina with respect to the security interest granted in this section. Each Member shall execute and deliver to the Company and the other Members all financing statements and other

instruments that the Lending Member may request to effectuate and carry out the preceding provisions of this section. At the option of a Required Interest or a Lending Member, this Operating Agreement or a carbon, photographic, or other copy hereof may serve as a financing statement.

§ 4.4 Return of contributions

A Member is not entitled to the return of any part of its Capital Contributions or to be paid interest in respect of either its capital account, or its Capital Contributions. An un-repaid Capital Contribution is not a liability of the Company or of any Member. A Member is not required to contribute or to lend any cash or property to the Company to enable the Company to return any Member's Capital Contributions.

§ 4.5 Advanced by members

If the Company does not have sufficient cash to pay its obligations, any Member(s) that may agree to do so may advance all or part of the needed funds to or on behalf of the Company. An advance described in this section constitutes a loan from the Member to the Company, bears interest at the General Interest Rate from the date of the advance until the day of payment, and is not a Capital Contribution.

§ 4.6 Maintenance of capital accounts

The Company shall establish and maintain Capital Accounts for each Member. Each Member's Capital Accounts shall be increased by (1) the amount of any money actually contributed by the Member to the capital of the Company, (2) the fair market value of any property contributed, as determined by the Company and the contributing Member at arm's length at the time of contribution (net of liabilities assumed by the Company or subject to which the Company takes such property, within the meaning of § 752 of the Code), and (3) the Member's share of Net Profits and of any separately allocated items of income or gain except adjustments required by the Code. Each Member's Capital Account shall be decreased by (1) the amount of money actually distributed by the Company to the Member, (2) the fair market value of any property distributed to the Member, as determined by the Company and the Member at arm's length at the time of distribution (net of liabilities of the Company assumed by the Member or subject to which the Member takes such property within the meaning of § 752 of the Code), and (3) the Member's share of Net Losses and of any separately allocated items of deduction or loss.

§ 4.7 Distribution of assets

If the Company at any time distributes any of its assets in-kind to any Member, the Capital Account of each Member shall be adjusted to account for that Member's allocable share of the Net Profits or Net Losses that would have been realized by the Company had it sold the assets that were distributed at their respective fair market value immediately prior to their distribution.

§ 4.8 Sale or exchange of interest

In the event of a sale or exchange of some or all of the Member's Interest in the Company, the Capital Account of the transferring Member shall become the Capital Account of the assignee, to the extent it relates to the portion of the interest transferred.

§ 4.9 Compliance with Section 704(b) of the Code

The provisions of this Article IV as they related to the maintenance of Capital Accounts are intended, and shall be construed, and, if necessary, modified to cause the allocations of profits, losses, income, gain and credit pursuant to Article V to have substantial economic effect under the Regulations promulgated under § 704(b) of the Code, in light of the distributions made pursuant to Articles V and XI and the Capital Contributions made pursuant to this Article IV. In cases where § 704(C) and § 1.704-3 of the Regulations apply to Company property, Members' Capital Accounts shall be adjusted in accordance with § 1.704-1(b)(2)(iv)(g) of the Regulations for allocations to them of income, gain, loss, and deduction (including depreciation, depletion, amortization, or other cost recovery) as computed for book purposes, with respect to property. Notwithstanding anything herein to the contrary, this Operation Agreement shall not be construed as creating a deficit restoration obligation.

E. Article V - Allocations and Distributions

§ 5.1 Allocations of net profits and net losses from operations

Except as may be required by § 704(c) of the Code, and Sections 5.2, 5.3, and 5.4 of this Article V, Net Profits, Net Losses, and other items of income, gain, loss, deduction and credit shall be apportioned among the Members as follows:

Amy L. Puchalski	50%
Jamie Curley	50%

§ 5.2 Company minimum gain chargeback

If there is a net decrease in Company Minimum Gain for a taxable year, each Member must be allocated items of income and gain for that taxable year equal to that Member's share of the net decrease in Company Minimum Gain. A Member's share of the net decrease in Company Minimum Gain is the amount of the total net decrease multiplied by the Member's percentage share of the Company Minimum Gain at the end of the immediately preceding taxable year. A Member's share of any decrease in Company Minimum Gain resulting from a revaluation of Company Property equals the increase in the Member's Capital Account attributable to the revaluation to the extent the reduction in minimum gain is caused by the revaluation. A Member is not subject to the Company Minimum Gain Chargeback Requirement to the extent the Member's share of the net decrease in

Company Minimum Gain is caused by a guarantee, refinancing, or other change in the debt instrument causing it to become partially or wholly a Recourse Liability or a Member Nonrecourse Liability, and the Member bears the economic risk of loss (within the meaning of § 1.752-2 of the Regulations) for the newly guaranteed, refinanced, or otherwise changed liability.

§ 5.3 Member minimum gain chargeback

If during a taxable year there is a net decrease in Member Minimum Gain, any Member with a share of that Member Minimum Gain (as determined under § 1.704-2(i)(5) of the Regulations) as of the beginning of that taxable year must be allocated items of income and gain for that taxable year (and, if necessary, for succeeding taxable years) equal to that Member's share of the net decrease in the Company Minimum Gain. A Member's share of the net decrease in Member Minimum Gain is determined in a manner consistent with the provisions of paragraph § 1.704-2(g)(2) of the Regulations. A Member is not subject to this Member Minimum Gain Chargeback, however, to the extent the net decrease in Member Minimum Gain arises because the liability ceases to be Member Nonrecourse Liability due to a conversion, refinancing, or other change in the debt instrument that causes it to become partially or wholly a Company Nonrecourse Liability. The amount that would otherwise be subject to the Member Minimum Gain Chargeback is added to the Member's share of Company Minimum Gain. In addition, rules consistent with those applicable to Company Minimum Gain shall be applied to determine the shares of Member Minimum Gain and Member Minimum Gain Chargeback to the extent provided under the Regulations issued pursuant to § 704(b) of the Code.

§ 5.4 Qualified income offset

In the event any Member, in such capacity, unexpectedly received an Offsettable Decrease, such Member will be allocated items of income and gain (consisting of a pro rata portion of each item of partnership income and gain for such year) in an amount and manner sufficient to offset such Offsettable Decrease as quickly as possible.

§ 5.5 Interim distributions

From time to time, the Managing Members shall determine in their reasonable judgment to what extent, if any, the Company's cash on hand exceeds the current and anticipated needs, including, without limitation, needs for operating expenses, debt service, acquisitions, reserves, and mandatory distributions, if any. To the extent such excess exists, the Members may make distributions to the Members in the same proportions as Net Profits and Net Losses are allocated to Members. Such distributions shall be in cash or property (which need not be distributed proportionately) or partly in both, as determined by the Members.

F. Article VI - Management by Managers

§ 6.1 Management by Managers

Subject to the provisions of Section 6.2, (i) the powers of the Company shall be exercised by or under the authority of, and the business and affairs of the Company shall be managed under the direction of a Manager or Managers; and (ii) the Managers may make all decisions and take all actions for the Company not otherwise provided for in this Operating Agreement, including, without limitation, the following:

(1) entering into, making, and performing contracts, agreements, and other undertakings binding the Company that may be necessary, appropriate, or advisable in furtherance of the purposes of the Company and making all decisions and waivers thereunder;

(2) opening and maintaining bank and investment accounts and arrangements, drawing checks and other orders for the payment of money, and designating individuals with authority to sign or give instructions with respect to those accounts and arrangements;

(3) maintaining the assets of the Company in good order;

(4) collecting sums due the Company;

(5) to the extent that funds of the Company are available therefor, paying debts and obligations of the Company;

(6) acquiring, utilizing for Company purposes, and disposing of any asset of the Company;

(7) borrowing money or otherwise committing the credit of the Company for Company activities and voluntary prepayments or extensions of debt;

(8) selecting, removing, and changing the authority and responsibility of lawyers, accountants, and other advisers and consultants;

(9) obtaining insurance for the Company;

(10) determining distributions of Company cash and other property as provided in Section 5.5.

The initial Managers of the Company shall be Robert Puchalski and Orville Dyce, all banking and day to day operational matters, exclusive of matters involving the mortgage or pledge or real estate holdings or dissolution of the Company, may be handled by either Manager independently of the other Manager. No third party dealing with a named Manager shall have any liability therefore.

G. Article VII - Indemnification

§ 7.1 Generally

Indemnification - The Company shall indemnify the Managers, Members, and agents for all costs, losses, liabilities, and damages paid or accrued by such Managers, Members, or agents in connection with the business of the Company, to the fullest extent provided or allowed by the laws of the State.

H. Article VIII - Taxes

§ 8.1 Generally

Tax Matters Partner - The Members shall designate one of their number or a Manager, as the tax matters partner of the Company pursuant to § 6231(a)(7) of the Code. Any person designated as tax matters partner shall take such action as may be necessary to cause each other Member to become a notice partner within the meaning of § 6223 of the Code. Any person who is designated tax matter partner may not take any action contemplated by §§ 6222 through 6232 of the Code without the consent of a Required Interest.

I. Article IX - Notice

§ 9.1 Generally

Any notice or communication required or permitted to be given by any provision of this Operating Agreement shall be in writing and shall be deemed to have been given and received by the Person to whom directed (a) when delivered personally to such Person or to a Manager or Member of the Company to which directed, or (b) when posted in the United States mails if sent by registered or certified mail, postage and charges prepaid, addressed to the Person to which directed at the address of which such Person has notified the Company, the Managers and all of the Members.

J. Article X - Dissolution, Liquidation, and Termination

§ 10.1 Dissolution

The Company shall dissolve and its affairs shall be wound upon the first to occur of the following:

(1) the written consent of all Members;

(2) upon the death, retirement, resignation, expulsion, bankruptcy, or dissolution of a Member or the occurrence of any other event which terminates the continued membership of a Member in this Company, unless within ninety (90) days of an event described herein a 100% of the remaining Members agree in writing to continue the business of the Company; and

(3) entry of a decree of judicial dissolution of the Company or administrative dissolution as provided in the Act.

§ 10.2 Winding up and termination

On dissolution of the Company, the Managers shall serve as liquidator. The liquidator shall proceed diligently to wind up the affairs of the Company and make final distributions as provided herein and in the Act. The costs of liquidation shall be borne as a Company expense. Until final distribution, the liquidator shall continue to operate the Company properties with all of the power and authority of the Managers. The steps to be accomplished by the liquidator are as follows:

(1) as promptly as possible after dissolution and again after final liquidation, the liquidator shall cause a proper accounting to be made by a recognized firm of certified public accountants of the Company's assets, liabilities, and operations through the last day of the calendar month in which the dissolution occurs or the final liquidation is completed as applicable.

(2) the liquidator shall cause the notice described in the Act to be mailed to each known creditor of and claimant against the Company in the manner prescribed in the Act;

(3) the liquidator shall pay, satisfy or discharge from Company funds all of the debts, liabilities and obligations of the Company (including, without limitation, all expenses incurred in liquidation and any advances described in Section 4.5) or otherwise make adequate provision for payment and discharge thereof (including, without limitation, the establishment of a cash escrow fund for contingent liabilities in such amount and for such term as the liquidator may reasonably determine); and,

(4) all remaining assets of the Company shall be distributed to Members as follows:

> (a) the liquidator may sell any or all Company property, including to Members, and any resulting gain or loss from each sale shall be computed and allocated to the capital accounts of the Members;
>
> (b) with respect to all Company property that has not been sold, the fair market value of that property shall be determined and the capital accounts of the Members shall be adjusted to reflect the manner in which the unrealized income, gain, loss, and deduction inherent in property that has not been reflected in the capital accounts previously would be allocated among the Members if there were a taxable disposition of that property for the fair market value of that property on the date of distribution; and
>
> (c) Company property shall be distributed among the Members in accordance with the positive capital account balances of the Members, as determined after taking into account all capital account adjustments for the taxable year of the Company during which the liquidation

of the Company occurs (other than those made by reason of this clause (3)); and those distributions shall be made, if possible, by the end of the taxable year of the Company during which the liquidation of the Company occurs.

All distributions in kind to the Members shall be made subject to the Liability of each distributee for costs, expenses, and liabilities theretofore incurred or for which the Company has committed and those costs, expenses, and liabilities shall be allocated to the distributee pursuant to this Section 10.2. To the extent that a Member returns funds to the Company, it has no claim against any other Member for those funds.

§ 10.3 Deficit capital accounts

Notwithstanding anything to the contrary contained in this Operating Agreement, and notwithstanding any custom or rule of law to the contrary, to the extent that the deficit, if any, in the capital account of any Member results from or is attributable to deductions and losses of the Company (including non-cash items such as depreciation) or distributions of money pursuant to this Operating Agreement to all Members in proportion to their respective interests in the Company, upon dissolution of the Company such deficit shall not be an asset of the Company and such Members shall not be obligated to contribute such amount to the Company to bring the balance of such Member's capital account to zero.

§ 10.4 Article of Dissolution

After the dissolution of the limited liability company, the authorized Managers shall file Articles of Dissolution with the Secretary of State of South Carolina and take such other actions as may be necessary to terminate the Company.

K. Article XI - General Provisions

The Company shall maintain those books and records as provided by the Act and as it may deem necessary or desirable. All books and records provided for by the Act shall be open to inspection of the Members from time to time and to the extent expressly provided by the Act, and not otherwise. The Members may examine all such books and records at all reasonable times. The Company shall keep and maintain the following records in its principal place of business.

(1) a current list that states the name and mailing address of each current and past Member;

(2) copies of the federal, state, and local information or income tax returns for the Company's six most recent tax years.

(b) a writing stating events, if any, upon the happening of which the Company is to be dissolved and its affairs wound up; and

(c) other writings prepared pursuant to a requirement, if any, in any Operating Agreement.

(5) correct and complete books and records of account of the Company.

The Company shall maintain its records in written form or in another form capable of conversion into written form within a reasonable time.

The Company shall keep in its registered office in South Carolina and make available to Members on reasonable request the street address of its principal United States Office in which the records required by this section are maintained or will be available.

The Company shall keep its books on the cash method of accounting.

§ 11.2 Amendment or modification

The Operating Agreement may be amended and modified from time to time only by a written instrument adopted and executed by all Members. No Member shall have any vested rights in the Operating Agreement.

§ 11.3 Checks, notes, drafts, etc.

All checks, drafts or other orders for payment of money, notes or other evidences of indebtedness issued in the name of or payable to the Company shall be signed or endorsed by a Manager.

§ 11.4 Management by Managers

The Articles reserve management of the Company to certain Mangers, and to the extent possible, this Operating Agreement shall be read and interpreted to limit any management decisions to the discretion of the Managers.

§ 11.5 Headings

The headings used in this Operating Agreement have been inserted for convenience only and do not constitute matter to be construed in interpretation.

§ 11.6 Construction

Whenever the context so requires, the gender of all words used in this Operating Agreement includes the masculine, feminine, and neuter, and the singular shall include the plural, and conversely. All references to Articles and Sections refer to articles and sections of this Operating Agreement, and all references to Exhibits, if any, are to Exhibits attached hereto, if any, each of which is made a part hereof for all purposes. If any portion of this Operating Agreement shall be invalid or inoperative, then, so far as is reasonable and possible:

(1) The remainder of this Operating Agreement shall be considered valid and operative; and

(2) Effect shall be given to the intent manifested by the portion held invalid or inoperative.

§ 11.7 Entire agreement; supersedure

This Operating Agreement constitutes the entire agreement of the Managers, Members and their Affiliates relating to the Company and supersedes all prior contracts or agreements with respect to the Company, whether oral or written.

§ 11.8 Effect of waiver or consent

A waiver or consent, express or implied, to or of any breach or default by any Person in the performance by that Person of its obligations with respect to the Company is not a consent or waiver to or of any other breach or default in the performance by that Person of the same or any other obligations of that Person with respect to the Company. Failure on the part of a Person to complain of any act of any Person or to declare any Person in default with respect to the Company, irrespective of how long that failure continues, does not constitute a waiver by that Person of its rights with respect to that default until the applicable statute-of-limitations period has run.

§ 11.9 Binding effect

Subject to the restrictions on Dispositions set forth in this Operating Agreement, this Operating Agreement is binding on and inures to the benefit of the Managers, Members and their respective heirs, legal representatives, successors, and assigns.

§ 11.10 Governing law; severability

This operating agreement is governed by and shall be construed in accordance with the law of the State of South Carolina excluding any conflict-of-laws rule or principle that might refer the governance or the construction of this operating agreement to the law of another jurisdiction. In the event of a direct conflict between the provisions of this Operating Agreement and (a) a mandatory provision of the Articles, or (b) any mandatory provision of the Act, the applicable provision of the Articles or the Act shall control. If any provision of this Operating Agreement or the application thereof to any Person or circumstance is held invalid or unenforceable to any extent, the remainder of this Operating Agreement and the application of that provision to other Persons or circumstances is not affected thereby and that provision shall be enforced to the greatest extent permitted by law.

§ 11.11 Further assurances
