RE: Orville Dyce, M.D. – Dissociation from South Carolina ENT, Allergy & Sleep
Medicine, P.A.
Patient Notification
BMSM File No. 15182.0000

Dear Ed:

I am in receipt of your mail of 4:55 this afternoon. Over my objection, South Carolina ENT, Allergy & Sleep Medicine, P.A. (the "Practice"), over the signature of its president, Dr. Robert Puchalski, has chosen to send a notification to patients of Dr. Orville Dyce informing recipients that Dr. Dyce is leaving the Practice (the "Notice"). We believe the Notice is inadequate.

We strongly disagree with your claim that we rushed the Practice to send the Notice. In fact, we have been asking for weeks to work with the Practice regarding the terms and timing of any departure and any notice which should be sent.

The Practice's Notice, a copy of which is enclosed, fails to comply with Ethical Opinion E-7.03 of the American Medical Association ("AMA") which, as you know, has been informally adopted by the South Carolina Board of Medical Examiners ("BME"). The purpose of AMA E-7.03 is to inform patients fully about their medical care and options for treatment so patients can make informed decisions about their care or treatment. Providing patients with the ability to make an informed decision about their medical care is of paramount importance.

As prepared by you, the Practice's Notice is insufficient and contrary to the best interests of the patients in receiving full information. The Notice informs recipients that Dr. Dyce is leaving the Practice. The Notice intentionally withholds vital information from Dr. Dyce's patients in order to encourage patients to remain with the Practice after his departure.

The goal of the Practice's Notice seems to be to keep Dr. Dyce's patients in the dark in order to better ensure they will stay with the Practice after he departs. This goal is self-serving and at odds with the underlying purpose of AMA E-7.03. The references in your most recent email to me to intentionally leaving out an address in order to attempt to enforce a non-competition provision (which we believe is unenforceable) eliminates any doubt that the inadequacy of the Notice is directly related to furthering Dr. Puchalski's business goals of trying to enforce non-competition and non-solicitation provisions of agreements regardless of the inadequacy of the Notice being given to patients. In essence, Dr. Puchalski and the Practice have placed business goals ahead of the BME's and the AMA's goals of allowing patients to choose their physician and their care.

Frankly, we do not care who the patient chooses to see so long as the patient himself is making a fully informed decision.

In response to your proposed Notice, I provided you with an alternate patient notification, a copy of which is also enclosed (the "Alternative Notice"). The Alternative Notice would inform patients with the ability to reach Dr. Dyce by telephone and that the location of Dr. Dyce's new practice would be announced soon. As you state in your email, the Practice and Dr. Puchalski have rejected this language, claiming that such language would just confuse patients. I fail to understand this logic. I asked if you would include an address located within the restricted territory of the Covenant Not to Compete contained in Dr. Dyce's Employment Agreement. You indicate that the Practice refused to include such an address because it would violate a Covenant Not to Compete which you believe is enforceable. I fail to understand how your position advances the goal of allowing patients to make fully informed decisions but do understand how your position would advance the business interests of Dr. Puchalski at the expense of providing patient with full information. A patient who has affirmatively received care from a physician should have the ability to contact that physician in order for the patient to decide how to best ensure her continued medical care.

My Alternative Notice also included a telephone number for the patient to reach Dr. Dyce after his departure. You refused to include a telephone number because you believe such inclusion would violate the Non-solicitation covenant contained in Dr. Dyce's Employment Agreement. I disagree. Our goal is to assist patients making a fully informed decision regardless of who provides the medical care. It is difficult to understand how the Practice and Dr. Puchalski can view the Alternative Notice as a "solicitation" when it is being signed by Dr. Puchalski himself. We would be more than happy to delete Dr. Dyce's signature to the Alternative Notice. We believe the sole reason for withholding a telephone number is to better ensure the patients will perceive that they have no option but to remain with the Practice.

You also rejected my proposed language that would assist the patients with the cumbersome process of transferring their charts to Dr. Dyce. You based your rejection on the

Non-Solicitation covenant and the Covenant Not to Compete contained in Dr. Dyce's Employment Agreement. Once again, Dr. Puchalski and the Practice are not trying to inform and assist patients in accordance with AMA E-7.03, but are instead doing all they can to protect their business interests regardless of the patients' interests.

Finally, your choice of definition of Dr. Dyce's patients is wholly inadequate and unsatisfactory. You state that you have only sent the notice to "patients on Dr. Dyce's schedule from April 26th through the end of his schedule." This is wholly inadequate and, again, designed to keep Dr. Dyce's patients in the dark. I asked you earlier to inform me as to how you would be able to assure that the Practice would be providing the Notice to all of Dr. Dyce's patients. In our conversation, you agreed that all of Dr. Dyce's patients should receive a notice but Dr. Puchalski seems to have decided otherwise. I urge you and Dr. Puchalski to reconsider. I believe that the Practice's practice management software could be used to identify Dr. Dyce's entire schedule with patient names. That would be a good start. Dr. Dyce has seen literally thousands of patients over the past two years alone. AMA E-7.03 clearly envisions the creation of a protocol to identify patients and to assure that they all receive the appropriate notice. Again, the only reason we can think of failing to agree to do this is to further the Practice's and Dr. Puchalski's business interests.

The patient Notice sent by the Practice withholds vital information from Dr. Dyce's patients. We believe that this is intentionally being done in order to prohibit patients from having sufficient information to make an informed decision about their care if that care might involve seeing physicians not affiliated with the Practice. I believe the patient Notice sent by the Practice is unethical and contrary to the terms and spirit of AMA E-7.03. To ensure that the best interests of patients are served, we would urge you to reconsider your email and send a proper notice to all of Dr. Dyce's patients with a satisfactory protocol in place ensuring that we can confirm that such a notice has been sent.

Sincerely,

The appraisal assignment was not based on a requested minimum valuation, a specific valuation, or the approval of a loan.

GENERAL ASSUMPTIONS

This appraisal report has been made with, and is subject to, the following General Assumptions:

- That title to the property is assumed to be good and marketable unless otherwise stated. No responsibility is assumed for the legal descriptions or for any legal matter.
- That the definition of value together with other definitions and assumptions on which our analyses are based is set forth in appropriate sections of this report and is a part of these General Assumptions as if included here in their entirety.
- That title to the property is assumed to be marketable. The property is considered to be under responsible ownership and management and free of all liens and encumbrances except as specifically discussed herein.
- That the facts, estimates and opinions furnished the appraisers by others and contained in this report are considered to be from reliable sources and where feasible have been verified. Any information obtained from private professionals or government documents or agencies is assumed to be correct. However, no responsibility is assumed for the accuracy of the information. We reserve the right to modify the value estimates should more reliable or accurate information become available subsequent to delivery of this report.
- All engineering and/or surveys are assumed to be correct. The sketches, plot plans and drawings included in the report are included only to assist the reader in visualizing the property.
- It is assumed that there are no hidden or other unapparent conditions in the soil, sub-soil, structures or property which would render them more or less valuable. The appraisers specifically accept no responsibility for damage by termites, wood borers or any other wood infesting insects. No responsibility is assumed for such conditions or for engineering or inspection which would be required to discover them.
- Unless otherwise stated in this report, the existence of hazardous material, which may or may not be present on or in the property, was not observed by the appraiser. The appraiser has no knowledge of the existence of such materials on or in the property. The appraiser, however, is not qualified to detect such substances. The presence of potentially dangerous or hazardous materials, gases or toxic substances may affect the value of the property and in this appraisal the value estimate is predicated on the assumption that there is no such element on or in the property that would cause a loss in value. No responsibility is assumed for any such conditions, or for any expertise or engineering knowledge required to discover them.
- Good structural and mechanical conditions are assumed to exist, and no opinion as to these matters is to be inferred or construed from the attached report.
- It is assumed that there is full compliance with all applicable federal, state and local environmental regulations and laws unless non-compliance is stated, defined and considered in the appraisal report.
- It is assumed that all applicable zoning and use regulations and restrictions have been

complied with, unless a non-conformity has been stated, defined and considered in the appraisal report.

- It is assumed that all required licenses, certificates of occupancy, legislated or administrative consents from any local, state or national governmental or private entity or organization have been or can be obtained or renewed for any use on which the value estimate contained in this report is based.
- It is assumed that the utilization of the land and/or improvements is within the boundaries or property lines of the property described herein and that there is no encroachment or trespass unless noted within the report.

EXTRAORDINARY ASSUMPTIONS

An extraordinary assumption is defined as "an assumption, directly related to a specific assignment, which, if found to be false, could alter the appraiser's opinions or conclusions. Extraordinary assumptions presume as fact otherwise uncertain information about conditions external to the property such as market conditions or trends, or the integrity of data used in an analysis" (USPAP).

- It is assumed that there have been no significant changes to the property between the effective date of appraisal and the date of inspection.

GENERAL LIMITING CONDITIONS

This appraisal report has been made with, and is subject to, the following General Limiting Conditions:

- The liability of C. S. McCall & Co., LLC, its employees and independent contractors is limited to the client only and to the fee actually received by the appraiser. Further, there is no accountability, obligation, or liability to any third party. If this report is placed in the hands of anyone other than the client, the client shall make such party aware of all limiting conditions and assumptions of the assignment and related discussions. Further, notwithstanding, anything herein to the contrary, the client will forever indemnify and hold C. S. McCall & Co., LLC, and its officers and employees harmless from any claims by third party related in any way to the appraisal or study which is the subject hereof. Third parties shall include limited partners of client if client is a partnership and stock holders of client, if client is a corporation, and all lenders, tenants, past owners, successors, assigns, transferees and spouse of client. The appraiser is in no way to be responsible for any costs incurred to discover or correct any deficiencies of any type present in the property; physically, financially, and/or legally.
- The appraisers, by reason of this appraisal report, are not required to give further consultation, testimony or to be in attendance in court or at any governmental or other hearing with reference to the property without prior arrangements.
- The distribution, if any, of the total valuation in this report between land and improvements applies only under the stated program of utilization. The separated allocations for land and buildings, if any, must not be used in conjunction with any other appraisal and are invalid if so used.
- Use and disclosure of the contents of this report are governed by the bylaws and regulations of the Appraisal Institute. Neither all nor any part of the contents of this report (especially any conclusions as to value, the identity of the appraisers or the firm with which they are connected, or any reference to the Appraisal Institute or to the MAI or SRA designations) shall be disseminated to the general public through advertising or sales media, public relations media, news media, or other public means of communication without the prior written consent and approval of the appraiser(s).
- Possession of this report, or a copy thereof, does not carry with it the right of publication. It may not be used for any purpose by any person other than the party to whom it is addressed without the written consent of the appraiser, and in any event only with proper written qualification and only in its entirety.
- The party for whom this appraisal report was prepared may distribute copies of this appraisal report in its entirety, to such third parties as may be selected by the party for whom this appraisal report was prepared; however, portions of this appraisal report shall not be given to third parties without the prior written consent of the signatories of this appraisal report.

- Additional copies of this appraisal may be obtained for an appropriate fee only with the knowledge and consent of the client.
- The Americans with Disabilities Act (ADA) became effective January 26, 1992. We have not made a specific compliance survey and analysis of this property to determine whether or not it is in conformity with the various detailed requirements of the ADA. It is possible that a compliance survey of the property together with a detailed analysis of the requirements of the ADA could reveal that the property is not in compliance with one or more of the requirements of the act. If so, this fact could have a negative effect upon the value of the property. Since we have no direct evidence relating to this issue, we did not consider possible noncompliance with the requirements of ADA in estimating the value of the property.

HYPOTHETICAL CONDITIONS

A hypothetical condition is defined as "that which is contrary to what exists, but is supposed for the purpose of analysis. Hypothetical conditions assume conditions contrary to known facts about physical, legal, or economic characteristics of the subject property or about conditions external to the property, such as market conditions or trends, or the integrity of data used in an analysis" (USPAP).

- There are no hypothetical conditions.

MARKET VALUE DEFINITION

"The most probable price which a property should bring in a competitive and open market under all conditions requisite to a fair sale, the buyer and seller each acting prudently and knowledgeably, and assuming the price is not affected by undue stimulus. Implicit in this definition are the consummation of a sale as of a specified date and the passing of title from seller to buyer under conditions whereby:

- A. Buyer and Seller are typically motivated;
- B. Both parties are well informed or well advised, and each acting in what they consider their own best interests;
- C. A reasonable time is allowed for exposure in the open market;
- D. Payment is made in terms of cash in U.S. Dollars or in terms of financial arrangements comparable thereto; and
- E. The price represents the normal consideration for the property sold unaffected by special or creative financing or sales concessions granted by anyone associated with the sale".²

**MEDICAL OFFICE BUILDING SPACE LEASE
(HOSPITAL OR AFFILIATED COMPANY AS TENANT)**

1. AGREEMENT TO LEASE.

Landlord and Tenant agree that Tenant will lease the "Premises" (defined on the Lease Summary Page) from Landlord, upon the terms and conditions in this Lease. The parties agree that the Premises contain the Gross Rentable Square Feet set forth on the Lease Summary Page.

2. TERM.

The original term of this Lease ("Term") will begin on the "Lease Start Date" (defined on the Lease Summary Page) and end on the "Lease Expiration Date" (defined on the Lease Summary Page), subject to the right of Tenant to renew for two additional five year terms as set forth herein. The term "Lease Year" means each 365 consecutive day period throughout the Term, beginning on the Lease Start Date. This Lease will automatically terminate on the Lease Expiration Date unless Tenant gives at least ninety (90) days prior written notice of its intent to renew the Lease for an additional five-year term. Tenant may elect to renew for a second five year term by giving Landlord written notice at least ninety (90) days prior to expiration of the first five-year renewal term. Such renewals shall be on the same terms and conditions as stated in this Lease except that Base Rent shall be increased by five percent (5%) for each additional five year renewal term.

3. RENT.

3.1. Tenant shall pay Landlord the base rent set forth on the Lease Summary Page ("Base Rent"). The Base Rent and Additional Rent (defined Section 3.2) shall be payable in monthly installments in advance, with the first installment due on the Lease Start Date. If Tenant occupies the Premises for a fraction of a month at the beginning or the end of the Term, Tenant shall pay a proportionate part of the applicable monthly installment of the Base Rent. Notwithstanding the foregoing, Tenant agrees that rental payments due for the first year of the original Term shall be paid in total in advance of occupancy under this Lease.

3.2. Any amounts payable by Tenant to Landlord under any provisions of this Lease other than the Base Rent shall be payable as "Additional Rent".

3.3. Rent and Additional Rent shall hereinafter be collectively referred to as "Rent."

4. USE OF PREMISES.

Tenant shall use and occupy the Premises as a medical office or for any other purpose reasonably related to the business operation of Tenant.

5. BUILDING SERVICES, EQUIPMENT AND FURNISHINGS.

- 5.1. All taxes, hazard insurance, and Major Maintenance (as defined in 5.3 below) for the Premises will be provided and paid for by Landlord. Landlord shall ensure the availability of water, heat and air-conditioning as required for Tenant's comfortable use and occupancy of the Premises; however, Tenant shall be solely responsible for the payment of any regularly assessed fees or charges associated with the use of utilities or services by Tenant, including electricity, water, telephone service, Internet, cable services, garbage collection, and electronic and/or manual security services.
- 5.2. The failure of Landlord to furnish any of the services for which Landlord is responsible under this Lease shall be deemed constructive eviction in which case Tenant shall either:
- 5.2.1. Be relieved from the performance of any of the obligations imposed upon Tenant by this Lease until such services are restored to the same condition as existed prior to such failure by Landlord; or
- 5.2.2. Terminate this Lease in which case neither party shall have any continuing liability or obligation to the other; or
- 5.2.3. Repair and/or restore such services, the cost of which Tenant may deduct from the next due payment of Rent.
- 5.3. Within 72 hours after written notice, Landlord shall, in a workmanlike manner, and at no cost or expense to Tenant, perform or cause to be performed all Major Maintenance to include repairs and/or replacements required to keep the Premises functional for the purposes for which the Premises was leased. "Major Maintenance" includes all structural and non-structural maintenance on the Premises such as repair, replacement, and maintenance of the heating, ventilation and air conditioning systems, security/fire protection systems, plumbing system, electrical system, sprinkler systems, sidewalks, roof, parking lot surfacing, and exterior doors, windows, glass replacement, sidewalks and exterior landscaping replacement. Landlord agrees to make all repairs that may become necessary by reason of fire, acts of war, insurrection or riot, earthquake, other elements including damage by termites, fungus growth or dry rot. Landlord shall be solely responsible for any damage to the Premises or Tenant's personal property resulting from Landlord's failure to perform the Major Maintenance; provided however, that the need for such repairs shall not have been caused by the carelessness or negligence of Tenant, its agents, employees, or servants, in which event Tenant shall pay to Landlord, as additional rent, the reasonable cost of such repairs.
- 5.4. Tenant shall be responsible for routine janitorial cleaning and minor maintenance to the Premises and for the routine upkeep and clearing of the

grounds and parking lot. Tenant shall also have the obligation for replacement of light bulbs on the Premises.

5.5. Landlord will provide the additional services, equipment and furnishings (if any) that are described on the Lease Summary Page.

6. ALTERATIONS.

Tenant may make changes, additions, alterations, improvements or additions to the Premises or attach or affix any articles thereto without Landlord's consent; except that any major structural changes such as building new, or removing existing, walls, closing or relocating entrances or exits, or creating new entrances or exits shall require the prior written approval of the Landlord, which approval shall not be unreasonably withheld. All alterations, additions or improvements which may be made upon the Premises by Landlord or Tenant (except unattached trade fixtures and office furniture and equipment owned by Tenant) shall not be removed by Tenant, but shall become and remain the property of Landlord unless Landlord otherwise requires the removal of same as hereinafter provided. All alterations, improvements and additions to the Premises may be done by Tenant or Tenant's contractors or agents at Tenant's expense. Any alterations shall be made in conformity with the applicable building codes utilized by Darlington County.

7. INSURANCE.

During the Term, Tenant shall, at Tenant's expense, maintain a policy of commercial general liability insurance or self-insurance with respect to Tenant's operations and use of the Premises, covering bodily injury, death and property damage, in the amount of at least One Million and no/100 Dollars (\$1,000,000.00) per occurrence and with at least a Two Million and no/100 Dollars (\$2,000,000.00) general aggregate limit. During the Term, Landlord shall, at Landlord's expense, maintain a policy of commercial general liability insurance with respect to Landlord's use and management of the Premises, covering bodily injury, death and property damage, in the amount of at least One Million and no/100 Dollars (\$1,000,000.00) per occurrence and with at least a Two Million and no/100 Dollars (\$2,000,000.00) general aggregate limit. Landlord shall also keep the Premises building insured against loss or damage under a Standard Cause of Loss-Special Form property insurance policy (except that Landlord need not carry earthquake and war risks insurance) in an amount equal to the full replacement cost of the building (exclusive of foundation and footings).

8. ASSIGNMENT AND SUBLETTING.

Tenant may assign this Lease, or sublet the Premises (or any part thereof), without the prior written consent of Landlord, provided that such assignment or subletting shall not relieve Tenant from its primary liability under the Lease and that sub-lessee or assignee shall provide medical related services.

9. DAMAGE OR DESTRUCTION.

- 9.1. If the Premises is damaged by fire or other casualty (collectively "Casualty"), the damage shall be immediately repaired by and at the sole expense of Landlord. Until such repairs are made, the Rent shall be abated in proportion to the part of the Premises that are unusable by Tenant as determined by Tenant.
- 9.2. If Landlord cannot complete said repairs within 30 days, then Tenant may, by written notice to Landlord:
- 9.2.1. Terminate this Lease as of the date of the Casualty, it being understood that a total destruction of the Building shall automatically terminate the Lease; or
- 9.2.2. Undertake such repairs on behalf of Landlord and deduct the cost thereof from the next due payment of Rent.

10. EMINENT DOMAIN.

If the whole of the Premises or so much thereof as to render the balance unusable by Tenant shall be taken under power of eminent domain, condemnation or by deed in lieu of foreclosure or otherwise, this Lease shall automatically terminate as of the date of such condemnation, together with any and all rights of Tenant existing or hereafter arising in or to the same or any part thereof, provided, however, that nothing contained herein shall be deemed to give Landlord any interest in or to require Tenant to assign to Landlord any award made to Tenant for: (1) the taking of personal property and trade fixtures belonging to Tenant; and (2) cost of relocation expenses incurred by Tenant. In the event of a partial taking that does not result in a termination of the Lease, the Rent shall be equitably apportioned according to the part of the Premises remaining usable by Tenant.

11. DEFAULTS.

- 11.1. The occurrence of any of the following shall constitute an event of default and a breach of this Lease:
- 11.1.1. A failure by Tenant to pay the Rent or to make any other payment required to be made by Tenant within ten (10) days after written demand therefor from Landlord.
- 11.1.2. A failure by Tenant or Landlord to observe and perform any provision of this Lease.
- 11.2. Tenant shall not be in default of any obligation provided for herein, except with reference to the payment of Rent, unless and until Tenant has failed to perform such obligation within 30 days after written notice by Landlord to Tenant of such default; provided that, if such default cannot be cured within

such 30 day period but Tenant commences such cure within such 30 day period and diligently pursues such cure thereafter, the 30 day period shall be extended for such period of time as may be reasonably necessary to complete such cure. In the event Tenant commits an act of default, Landlord may exercise one or more of the remedies described in Article 12.

- 11.3. Landlord shall not be deemed to be in default in the performance of any obligation required to be performed by it hereunder until it has failed to perform such obligation within 30 days after written notice by Tenant to Landlord specifying such default, unless however, such failure by Landlord renders any portion of the Premises unusable by Tenant in Tenant's sole discretion in which case Tenant may declare Landlord in default and exercise one or more of the remedies described in Articles 5, 9, and 12, in addition to all other rights and remedies at law or in equity whether or not stated in this Lease.

12. **REMEDIES.**

- 12.1. Upon the occurrence of any event of default by Tenant, Landlord can continue this Lease in full force and effect and shall continue to have the ongoing right to collect Rent when due. Following a default by Tenant and Tenant's opportunity to cure such default, Landlord may re-enter the Premises by legal proceeding only. Landlord shall be responsible for all claims for damages by reason of such re-entry as well as any and all claims for damages by reason of any distress warrants or other proceedings that Landlord may employ to recover said rents. Tenant shall be responsible for all reasonable costs Landlord incurs in re-letting the Premises, including, without limitation, brokers' commissions, expenses of repairing and remodeling the Premises and other reasonable costs incurred by Landlord in connection with such re-letting or otherwise, including attorneys fees.
- 12.2. Upon Landlord's failure to timely cure any Landlord Default, Tenant shall be entitled, but not obligated, to either (i) cure such Default and deduct from the Rent the cost to cure such Default or (ii) terminate this Lease by written notice to Landlord and recover any actual damages incurred by Tenant as a result of the termination of the Lease and Landlord's Default.
- 12.3. Should any of these remedies not be permitted under the law, then such remedy or portion thereof shall be considered invalid and/or unenforceable, and the remaining remedies or portions thereof shall be and remain in full force and effect. Landlord or Tenant may avail itself of those remedies expressly set forth herein as well as any other remedies or damages allowed by law, in equity or otherwise. All rights, options and remedies of Landlord and Tenant stated herein or elsewhere by law or in equity shall be deemed cumulative and not exclusive of one another.

13. **RULES AND REGULATIONS.**

Tenant shall observe and comply substantially with the Rules and Regulations set forth on the final pages of this Lease and made a part hereof, and such other rules and regulations as Landlord may from time to time reasonably adopt for the safety, care and cleanliness of the Premises or the preservation of good order therein, provided such rules and regulations do no result in materially increased cost to Tenant or otherwise conflict with the spirit of the Lease. No such rule shall be intended to deprive Tenant of a substantial right or privilege delineated in the Lease.

14. **END OF TERM.**

14.1. At the termination of this Lease, Tenant shall surrender the Premises to Landlord in good condition and repair (ordinary wear and tear excepted) in as good a condition as provided on the Lease Start Date. If not then in default, Tenant shall have the right prior to said termination to remove any signage, equipment, furniture, trade fixtures or other personal property placed in the Premises by Tenant, provided that Tenant promptly repairs any damage to the Premises caused by such removal.

14.2. If Tenant shall fail to vacate the Premises upon the expiration or sooner termination of this Lease, Tenant shall be a month-to-month Tenant upon the same terms and subject to all laws of the state where the Premises is located. The Rent to be paid by Tenant to Landlord during such continued occupancy shall be the same being paid by Tenant as of the date of expiration or termination.

15. **MECHANIC'S LIENS.** Tenant shall see that all contractors, subcontractors, workman, laborers, suppliers and all others who may by law be permitted by statute or common law to place a mechanic's lien on the Tenant's Leasehold Interest or the property or any part thereof is paid in a timely fashion and that any lien placed on Tenant's Leasehold Interest or the property or any part thereof is paid or removed from the interest or property by Tenant's procurement of a bond within seven (7) days after notice from Landlord. The provisions in the lease agreement shall not create an agency relationship between Landlord and Tenant or constitute consent of the Landlord, or a person having authority from, or rightfully acting for, the Landlord as contemplated or required by Section 29-5-10 of the Code of Laws of South Carolina (1976, as Amended).

16. **SUBORDINATION TO MORTGAGE, ATTORNMENT AND NONDISTURBANCE.** This Lease Agreement and all rights of Tenant under this Lease Agreement shall be subject and subordinate to the lien of any all mortgages that may now or hereafter affect the Leased Premises, or any part of the Leased Premises, and to any and all renewals, modifications, or extensions of any such mortgages. Tenant shall on demand execute, acknowledge, and deliver to Landlord, any and all instruments that may be necessary

or proper to subordinate this Lease Agreement and all rights in this Lease Agreement to the lien of any such mortgage or mortgages. If a lender loaning money and recording a mortgage after the date of this Lease requires this Lease to be subordinate to such mortgage, this Lease shall be subordinate to said mortgage provided Landlord first obtains from the lender a written agreement that provides substantially the following: "As long as Tenant performs its obligations under this Lease, no foreclosure of, deed given in lieu of foreclosure of, or sale under the mortgage, and no steps or procedures taken under the mortgage, shall affect Tenant's rights under this Lease." If Landlord's interest is transferred to any person or entity by reason of foreclosure or other proceedings for enforcement of any mortgage, deed of trust or security interest, or by delivery of a deed in lieu of foreclosure or other proceedings, Tenant shall, upon delivery to Tenant by said transferee of a non-disturbance agreement, immediately and automatically attorn to such person or entity. In the event of such transfer, this Lease and Tenant's rights hereunder shall continue undisturbed so long as Tenant is not in default beyond any applicable notice and cure periods hereunder.

17. **NOTICES.** Any notice required or permitted to be given hereunder shall be given by (1) personal delivery and shall be deemed given on the date of delivery; (2) registered or certified mail and shall be deemed given the third day following the date of mailing; or (3) guaranteed overnight delivery and shall be deemed given the day following deposit with the overnight delivery company.

17.1. All notices to Landlord shall be addressed to the Landlord at the addresses set forth on the Lease Summary Page.

17.2. All notices to Tenant shall be addressed to the Tenant listed at the addresses set forth on the Lease Summary Page.

18. **LANDLORD'S ACCESS.**

Landlord (and its agents, employees, contractors and representatives) shall, upon reasonable prior notice to Tenant, have the right to enter the Premises upon not less than 48 hour advance written notice to Tenant (or at any time without prior notice in the event of an emergency) for the purposes of inspecting or making repairs to the same and Tenant agrees to make access available to the Premises at all reasonable times to any prospective or existing mortgagees, purchasers or tenants of all or any part of the Premises. Notwithstanding the foregoing, Tenant shall have the right to keep certain portions of the Premises locked for the purpose of protecting patient confidentiality or trade secrets of Tenant.

19. **SIGNAGE.**

Tenant shall have the option of placing signage on the Premises as desired except that neither the placement nor the removal of such signage shall cause permanent damage to the Premises.

20. MISCELLANEOUS PROVISIONS.

- 20.1. Headings. The captions and headings contained in this Lease are for convenience only and shall not be considered in the construction or interpretation of any provision hereof.
- 20.2. Incorporation of Prior Agreements; Amendments. This Lease contains all of the agreements of the parties hereto with respect to any matter covered or mentioned in this Lease, and no prior agreement or understanding pertaining to any such matter shall be effective for any purpose. This Lease may not be modified, amended, supplemented or waived except by written agreement of the parties.
- 20.3. Waiver. No waiver by Landlord of any provision of this Lease shall be deemed to be a waiver of any other provision hereof or of any subsequent breach by Tenant of the same or any other provision. Landlord's consent to or approval of any act of Tenant which requires Landlord's consent or approval shall not be deemed to render unnecessary the obtaining of Landlord's consent to or approval of any subsequent act of Tenant, whether or not similar to the act so consented to or approved. No act by Landlord or Landlord's agents during the Term of this Lease shall be deemed an acceptance of a surrender of the Premises, and no agreement to accept such a surrender shall be valid unless in writing and signed by Landlord. The subsequent acceptance of Rent shall not be deemed a waiver of any preceding breach by Tenant of any term, covenant or condition of the Lease, other than the failure of Tenant to pay the particular Rent so accepted.
- 20.4. Quiet Enjoyment. Landlord agrees that Tenant, upon paying the Rent and other charges provided for herein and observing and keeping the covenants and conditions of this Lease, shall lawfully and quietly hold and enjoy the Premises during the Term without interference by Landlord.
- 20.5. Binding Effect. This Lease shall be binding upon, and inure to the benefit of the parties hereto and their respective heirs, successors, assigns, executors and administrators. However, nothing in this Section shall be deemed to amend the provisions of this Lease relating to assignment and subletting.
- 20.6. Compliance with Laws. It is the intention of the parties that the provisions of this Lease shall comply with all applicable federal and state statutes and regulations, including, but not limited to, the Federal Anti-kickback Law and the Federal Physician Self-Referral Law.
- 20.6.1. In the event that (1) changes in state or federal government statutes or regulations or third-party reimbursement policies or the interpretation thereof (collectively, the "Laws") cause any provision of this Lease to be in violation of any of the Laws (or cause the method

of operation or consideration to be adversely affected), or, (2) any federal or state governmental agency or court determines that any provision of this Lease violates any of the Laws, the parties agree to renegotiate the applicable provision or provisions in order to comply with the Laws and to preserve the economic viability of this Lease.

- 20.6.2. A party shall provide notice of its request for renegotiation pursuant to the preceding Subsection to the other party at any time during the Term. If the parties fail to agree to appropriate revisions to the Lease within 30 days following such notice, then either party may terminate this Lease effective immediately upon the expiration of the 30 days.
- 20.6.3. Each party agrees to promptly notify the other of any regulatory or other investigation that may lead to a determination that any provision of this Lease violates any of the Laws.
- 20.6.4. Landlord acknowledges that the Premises may constitute a place of public accommodation or a commercial facility under Title III of the Americans with Disabilities Act ("ADA") and that the ADA is applicable to both an owner and tenant of a place of public accommodation or commercial facility. Landlord represents that the Premises is currently ADA compliant. Landlord acknowledges that, under the ADA, any structural alteration to the Premises must comply with accessibility standards set forth in the rules promulgated by the Department of Justice, 28 C.F.R. 836.101 et seq. In the event Landlord makes any structural alteration to the Premises which would require compliance with Title III of the ADA and the accessibility standards promulgated by the Department of Justice, Landlord agrees to design and build such structural alterations so as to comply with the ADA and the accessibility standards. Landlord hereby agrees to indemnify and hold Tenant harmless from and against any and all liabilities, claims, demands, damages, expenses, fees, fines, penalties, suits, proceedings, actions and causes of action of any and every kind and nature arising or growing out of or in any way connected with any structural alteration of the Premises by Landlord.
- 20.6.5. In addition to Section 19.6.4 with respect to the ADA, Landlord warrants and represents that the Premises and the surrounding premises, as of the Lease Start Date, comply in all respects with current applicable Federal, State and Local codes and regulations. If during the Term, any governmental authority requires any portion of the common areas of the Building to be upgraded to meet revised regulations, such upgrade will be at Landlord's sole expense.

- 20.7. Access to Records. Subject to the legality and applicability of Section 952 of the Omnibus Reconciliation Act of 1980 and implementing regulations, the parties agree to, until the expiration of four years after the furnishing of the services provided under this Lease, make available to the Secretary, U.S. Department of Health and Human Services, the U.S. Comptroller General, and their representatives, this Lease and all books, documents and records necessary to certify the nature and extent of the costs of the services rendered under this Lease. If the duties of this Agreement are carried out through a subcontract worth \$10,000 or more over a 12-month period with a related organization, the subcontract will also contain an access provision to permit access by the Secretary, Comptroller General and their representatives to the related organization's books and records. This provision applies regardless of whether the party is designated elsewhere in this Lease as a contractor, subcontractor, vendor, and seller, landlord, tenant or otherwise.
- 20.8. Other Expenses. Any and all expenses not reserved herein to Tenant shall be the sole and absolute responsibility of Landlord and Landlord shall have no right to demand payment thereof by Tenant.
- 20.9. Landlord Equipment and Furnishings. Certain equipment and furnishings to be designated by Landlord prior to occupancy by the Tenant shall remain on the Premises with the understanding that Landlord shall remove such equipment and furnishings after Tenant's business hours by no later than Midnight, January 15, 2012. Effective 12:01 a.m., January 16, 2012 all such equipment and furnishings left behind by Landlord shall become the property of the Tenant.
- 20.10. Indemnity. GENERAL ASSUMPTIONS

This appraisal report has been made with, and is subject to, the following General Assumptions:

- That title to the property is assumed to be good and marketable unless otherwise stated. No responsibility is assumed for the legal descriptions or for any legal matter.
- That the definition of value together with other definitions and assumptions on which our analyses are based is set forth in appropriate sections of this report and is a part of these General Assumptions as if included here in their entirety.
- That title to the property is assumed to be marketable. The property is considered to be under responsible ownership and management and free of all liens and encumbrances except as specifically discussed herein.
- That the facts, estimates and opinions furnished the appraisers by others and contained in this report are considered to be from reliable sources and where feasible have been verified. Any information obtained from private professionals or government documents or agencies is assumed to be correct. However, no responsibility is assumed for the accuracy of the information. We reserve the right to modify the value estimates should more reliable or accurate information become available subsequent to delivery of this report.
- All engineering and/or surveys are assumed to be correct. The sketches, plot plans and drawings included in the report are included only to assist the reader in visualizing the property.
- It is assumed that there are no hidden or other unapparent conditions in the soil, sub-soil, structures or property which would render them more or less valuable. The appraisers specifically accept no responsibility for damage by termites, wood borers or any other wood infesting insects. No responsibility is assumed for such conditions or for engineering or inspection which would be required to discover them.
- Unless otherwise stated in this report, the existence of hazardous material, which may or may not be present on or in the property, was not observed by the appraiser. The appraiser has no knowledge of the existence of such materials on or in the property. The appraiser, however, is not qualified to detect such substances. The presence of potentially dangerous or hazardous materials, gases or toxic substances may affect the value of the property and in this appraisal the value estimate is predicated on the assumption that there is no such element on or in the property that would cause a loss in value. No responsibility is assumed for any such conditions, or for any expertise or engineering knowledge required to discover them.
- Good structural and mechanical conditions are assumed to exist, and no opinion as to these matters is to be inferred or construed from the attached report.
- It is assumed that there is full compliance with all applicable federal, state and local environmental regulations and laws unless non-compliance is stated, defined and considered in the appraisal report.
- It is assumed that all applicable zoning and use regulations and restrictions have been

complied with, unless a non-conformity has been stated, defined and considered in the appraisal report.

- It is assumed that all required licenses, certificates of occupancy, legislated or administrative consents from any local, state or national governmental or private entity or organization have been or can be obtained or renewed for any use on which the value estimate contained in this report is based.
- It is assumed that the utilization of the land and/or improvements is within the boundaries or property lines of the property described herein and that there is no encroachment or trespass unless noted within the report.

EXTRAORDINARY ASSUMPTIONS

An extraordinary assumption is defined as "an assumption, directly related to a specific assignment, which, if found to be false, could alter the appraiser's opinions or conclusions. Extraordinary assumptions presume as fact otherwise uncertain information about conditions external to the property such as market conditions or trends, or the integrity of data used in an analysis" (USPAP).

- It is assumed that there have been no significant changes to the property between the effective date of appraisal and the date of inspection.

GENERAL LIMITING CONDITIONS

This appraisal report has been made with, and is subject to, the following General Limiting Conditions:

- The liability of C. S. McCall & Co., LLC, its employees and independent contractors is limited to the client only and to the fee actually received by the appraiser. Further, there is no accountability, obligation, or liability to any third party. If this report is placed in the hands of anyone other than the client, the client shall make such party aware of all limiting conditions and assumptions of the assignment and related discussions. Further, notwithstanding anything herein to the contrary, the client will forever indemnify and hold C. S. McCall & Co., LLC, and its officers and employees harmless from any claims by third party related in any way to the appraisal or study which is the subject hereof. Third parties shall include limited partners of client if client is a partnership and stock holders of client, if client is a corporation, and all lenders, tenants, past owners, successors, assigns, transferees and spouse of client. The appraiser is in no way to be responsible for any costs incurred to discover or correct any deficiencies of any type present in the property; physically, financially, and/or legally.
- The appraisers, by reason of this appraisal report, are not required to give further consultation, testimony or to be in attendance in court or at any governmental or other hearing with reference to the property without prior arrangements.
- The distribution, if any, of the total valuation in this report between land and improvements applies only under the stated program of utilization. The separated allocations for land and buildings, if any, must not be used in conjunction with any other appraisal and are invalid if so used.
- Use and disclosure of the contents of this report are governed by the bylaws and regulations of the Appraisal Institute. Neither all nor any part of the contents of this report (especially any conclusions as to value, the identity of the appraisers or the firm with which they are connected, or any reference to the Appraisal Institute or to the MAI or SRA designations) shall be disseminated to the general public through advertising or sales media, public relations media, news media, or other public means of communication without the prior written consent and approval of the appraiser(s).
- Possession of this report, or a copy thereof, does not carry with it the right of publication. It may not be used for any purpose by any person other than the party to whom it is addressed without the written consent of the appraiser, and in any event only with proper written qualification and only in its entirety.
- The party for whom this appraisal report was prepared may distribute copies of this appraisal report in its entirety, to such third parties as may be selected by the party for whom this appraisal report was prepared; however, portions of this appraisal report shall not be given to third parties without the prior written consent of the signatories of this appraisal report.

- Additional copies of this appraisal may be obtained for an appropriate fee only with the knowledge and consent of the client.
- The Americans with Disabilities Act (ADA) became effective January 26, 1992. We have not made a specific compliance survey and analysis of this property to determine whether or not it is in conformity with the various detailed requirements of the ADA. It is possible that a compliance survey of the property together with a detailed analysis of the requirements of the ADA could reveal that the property is not in compliance with one or more of the requirements of the act. If so, this fact could have a negative effect upon the value of the property. Since we have no direct evidence relating to this issue, we did not consider possible noncompliance with the requirements of ADA in estimating the value of the property.

HYPOTHETICAL CONDITIONS

A hypothetical condition is defined as "that which is contrary to what exists, but is supposed for the purpose of analysis. Hypothetical conditions assume conditions contrary to known facts about physical, legal, or economic characteristics of the subject property or about conditions external to the property, such as market conditions or trends, or the integrity of data used in an analysis" (USPAP).

- There are no hypothetical conditions.

- A. Buyer and Seller are typically motivated;
- B. Both parties are well informed or well advised, and each acting in what they consider their own best interests;
- C. A reasonable time is allowed for exposure in the open market;
- D. Payment is made in terms of cash in U.S. Dollars or in terms of financial arrangements comparable thereto; and
- E. The price represents the normal consideration for the property sold unaffected by special or creative financing or sales concessions granted by anyone associated with the sale".²

No responsibility is assumed for any such conditions, or for any expertise or engineering knowledge required to discover them.
- Good structural and mechanical conditions are assumed to exist, and no opinion as to these matters is to be inferred or construed from the attached report.

EXTRAORDINARY ASSUMPTIONS

An extraordinary assumption is defined as "an assumption, directly related to a specific assignment, which, if found to be false, could alter the appraiser's opinions or conclusions. Extraordinary assumptions presume as fact otherwise uncertain information about conditions external to the property such as market conditions or trends, or the integrity of data used in an analysis" (USPAP).

- It is assumed that there have been no significant changes to the property between the effective date of appraisal and the date of inspection.

GENERAL LIMITING CONDITIONS

This appraisal report has been made with, and is subject to, the following General Limiting Conditions:

- The liability of C. S. McCall & Co., LLC, its employees and independent contractors is limited to the client only and to the fee actually received by the appraiser. Further, there is no accountability, obligation, or liability to any third party. If this report is placed in the hands of anyone other than the client, the client shall make such party aware of all limiting conditions and assumptions of the assignment and related discussions. Further, not withstanding, anything herein to the contrary, the client will forever indemnify and hold C. S. McCall & Co., LLC, and its officers and employees harmless from any claims by third party related in any way to the appraisal or study which is the subject hereof. Third parties shall include limited partners of client if client is a partnership and stock holders of client, if client is a corporation, and all lenders, tenants, past owners, successors, assigns, transferees and spouse of client. The appraiser is in no way to be responsible for any costs incurred to discover or correct any deficiencies of any type present in the property; physically, financially, and/or legally.
- The appraisers, by reason of this appraisal report, are not required to give further consultation, testimony or to be in attendance in court or at any governmental or other hearing with reference to the property without prior arrangements.
- The distribution, if any, of the total valuation in this report between land and improvements applies only under the stated program of utilization. The separated allocations for land and buildings, if any, must not be used in conjunction with any other appraisal and are invalid if so used.
- Use and disclosure of the contents of this report are governed by the bylaws and regulations of the Appraisal Institute. Neither all nor any part of the contents of this report (especially any conclusions as to value, the identity of the appraisers or the firm with which they are connected, or any reference to the Appraisal Institute or to the MAI or SRA designations) shall be disseminated to the general public through advertising or sales media, public relations media, news media, or other public means of communication without the prior written consent and approval of the appraiser(s).
- Possession of this report, or a copy thereof, does not carry with it the right of publication. It may not be used for any purpose by any person other than the party to whom it is addressed without the written consent of the appraiser, and in any event only with proper written qualification and only in its entirety.
- The party for whom this appraisal report was prepared may distribute copies of this appraisal report in its entirety, to such third parties as may be selected by the party for whom this appraisal report was prepared; however, portions of this appraisal report shall not be given to third parties without the prior written consent of the signatories of this appraisal report.

C. S. MCCALL & CO., LLC

- Additional copies of this appraisal may be obtained for an appropriate fee only with the knowledge and consent of the client.
- The Americans with Disabilities Act (ADA) became effective January 26, 1992. We have not made a specific compliance survey and analysis of this property to determine whether or not it is in conformity with the various detailed requirements of the ADA. It is possible that a compliance survey of the property together with a detailed analysis of the requirements of the ADA could reveal that the property is not in compliance with one or more of the requirements of the act. If so, this fact could have a negative effect upon the value of the property. Since we have no direct evidence relating to this issue, we did not consider possible noncompliance with the requirements of ADA in estimating the value of the property.

HYPOTHETICAL CONDITIONS

A hypothetical condition is defined as "that which is contrary to what exists, but is supposed for the purpose of analysis. Hypothetical conditions assume conditions contrary to known facts about physical, legal, or economic characteristics of the subject property or about conditions external to the property, such as market conditions or trends, or the integrity of data used in an analysis" (USPAP).

- There are no hypothetical conditions.

PURPOSE AND DATE OF APPRAISAL

The purpose of the appraisal is to estimate the Retrospective Market Value of the subject property. The property was inspected on April 5, 2012; however, the effective date of value is May 9, 2010. Therefore, the appraisal is based upon market data and economic factors available through that date. A definition of Market Value, as used above, may be found on the following page.

INTENDED USE OF THE APPRAISAL

The Intended Use of the appraisal is for the client's internal use, including but not limited to, providing a value to client for potential litigation support. The intended user of this report is Ms. Jana Baker, and/or her designees.

Should a copy of this report be provided to a third party by the client, that party does not become a recognized client by the appraiser, without written agreement in advance, nor does that third party have any rights of the client.

PROPERTY RIGHTS APPRAISED

The property rights appraised are the Fee Simple Interest, which is defined as "*absolute ownership unencumbered by any other interest or estate, subject only to the limitations imposed by the governmental powers of taxation, eminent domain, police power, and escheat*".¹

¹ Dictionary of Real Estate Appraisal, 5th Edition 2010, page 78.

MARKET VALUE DEFINITION

"The most probable price which a property should bring in a competitive and open market under all conditions requisite to a fair sale, the buyer and seller each acting prudently and knowledgeably, and assuming the price is not affected by undue stimulus. Implicit in this definition are the consummation of a sale as of a specified date and the passing of title from seller to buyer under conditions whereby:

- A. Buyer and Seller are typically motivated;
- B. Both parties are well informed or well advised, and each acting in what they consider their own best interests;
- C. A reasonable time is allowed for exposure in the open market;
- D. Payment is made in terms of cash in U.S. Dollars or in terms of financial arrangements comparable thereto; and
- E. The price represents the normal consideration for the property sold unaffected by special or creative financing or sales concessions granted by anyone associated with the sale".²

CLERK OF COURT
KERSHAW COUNTY, S.C.

The parties, pursuant to Rule 43 (k) of the S.C. Rules of Civ. - 1) Plaintiff admits that he is not and never was a shareholder of South Carolina ENT, Allergy and Sleep Medicine, PA (SCENT) or any of its subsidiaries or affiliates and

CG

consents to a finding of the Court to this effect.

- 2) Plaintiff does not contest the validity and enforceability of the Covenants Not to Compete contained within and attached to his 2008 Employment Agreement with SCENT, and does not contest findings by this Court that the Covenants are valid and enforceable.
- 3) Plaintiff admits that he did not give SCENT adequate and/or requisite notice as required by his 2008 Employment Agreement when he terminated his employment with SCENT.
- 4) Gunnlaugsson and or Southeastern Ear Nose Throat Allergy and Sleep Disorders Institute (Southeastern) or its subsidiaries, successors, affiliates, and or assigns agree to refrain from the sale of Southeastern or opening of new sites of Southeastern, its subsidiaries, successors and or assigns or any other practice for which Dr. Gunnlaugsson is an owner or employee for a period of 18 months from the date of settlement. Furthermore, Gunnlaugsson/and/or Southeastern its subsidiaries, affiliates, successors and/ or assigns agree to refrain from the hiring of a physician, physician assistant, and or nurse practitioner beyond Southeastern's current levels for a period of 18 months from the date of settlement. However, Gunnlaugsson or Southeastern may obtain a release from the provisions of this paragraph after six months upon a payment of \$350,000 to SCENT or after twelve months for a payment of \$175,000.
- 5) Gunnlaugsson agrees to produce an affidavit acknowledging he has read the Battista/Rabon Complaint in the United States District Court for the District of South Carolina, CA No. 3:11-CV-3360, and that 1) he is not aware of any billing

GT 2

irregularities other than those specifically outlined in the May 28, 2010 letter from Charles Thompson to Ed White and 2) that he has no knowledge of any incorrect billing being intentionally done. Gunnlaugsson also agrees that any testimony he may give in any cases related to any allegations of improper billing will be truthful.

- 6) Gunnlaugsson admits that he received confidential information of SCENT during the course of his employment with SCENT.
- 7) Gunnlaugsson and Southeastern, its subsidiaries, affiliates, successors, and assigns agree not to hire any employees of SCENT or its affiliates or subsidiaries in the future unless those employees have been departed from SCENT for a period of at least six months.
- 8) Gunnlaugsson and Southeastern and its affiliates, subsidiaries, successors, or assigns agree not to practice medicine or open a medical office of any type within the boundaries of Kershaw County for a period of three years. Furthermore, Gunnlaugsson agrees to relinquish his privileges at Kershaw County Health Hospital and its organizations for a period of three years from the date of settlement.
- 9) The parties agree not to disparage the other parties in their medical profession, personal characters, ability to practice medicine, businesses, or other similar manners or capacities.
- 10) The parties understand that a willful violation of this order may be enforceable by the Court's contempt powers or by the assessment of money damages.
- 11) SCENT agrees to dismiss its claims currently pending against Dr. Gunnlaugsson in a matter involving the parties in the federal district court of South Carolina with the case number of 3:11-CV-3360. This dismissal is without prejudice as to any parties'

rights for indemnification or contribution that may exist, if any.

12) By December 31, 2012, Plaintiff shall pay to Defendant SCENT the sum of \$10,000 in settlement of SCENT's second amended counterclaims asserted in this action and shall pay the additional sum of \$5,000 to SCENT for settlement of the pending appeal in this matter.

13) The parties consent that this matter be dismissed with prejudice and are bound by the provisions of Rule 43(k) of the South Carolina Rules of Civil Procedure and further agree to jointly make a motion for the dismissal and/or withdraw of the pending appeal and cross-appeal in this case.

Therefore, after hearing testimony and evidence in this case the Court finds;

Allergy & Sleep Medicine, P.A.'s, Amy Puchalski and Robert Puchalski's (collectively, the "Defendants") Request to Admit as follows:

GENERAL OBJECTIONS

Plaintiffs hereby states the following general objections to Defendants' Request to Admit, which are incorporated herein and made a part of each answer set forth.

1. To the extent that the Defendants' Request to Admit are inconsistent with or enlarge upon the South Carolina Rules of Civil Procedure, Plaintiffs object to such Request to Admit.
2. Plaintiffs objects to each Request to Admit that seeks the disclosure of the attorney/client privilege, the work product doctrine, or any other applicable privilege or doctrine that protects information.
3. Plaintiffs object to each Request to Admit to the extent that it requests information in the possession of persons or entities that are not under the control of the Plaintiffs.
4. Plaintiffs reserve the right to supplement or amend their answers.

1. Admit or deny that Orville Dyce practiced otolaryngology within 18 months of the date of termination of employment with SCENT.

ANSWER: Admit.

2. Admit or deny that Orville Dyce practiced otolaryngology within a 20 mile radius of a SCENT practice site within 18 months of the date of termination of his Employment with SCENT.

ANSWER: Admit.

3. Admit or deny that Orville Dyce created emails and/or documents in 2009 that were adverse to South Carolina ENT and/or Dr. Puchalski prior to the date of termination of his Employment with SCENT.

ANSWER: Denied.

4. Admit or deny that Orville Dyce provided SCENT's confidential information to Chad Gunnlauggson prior to termination of Dyce's employment with SCENT.

ANSWER: Denied.

5. Admit or deny that Orville Dyce currently practices in the same office building that SCENT formerly practiced in while located in Hartsville.

ANSWER: Admit.

6. Admit or deny that Orville Dyce currently practices in the same medical plaza that SCENT formerly practiced in while located in Cheraw.

ANSWER: To the extent "medical plaza" means building, Plaintiffs deny this Request.

7. Admit or deny that Orville Dyce knew of emails from Dr. Chad Gunnlauggson that were detrimental to the interests of SCENT prior to Dr. Dyce's employment with SCENT being terminated.

ANSWER: Objection. Plaintiffs object to this Request on the grounds that it is vague and ambiguous as Plaintiffs do not know Defendants intended meaning of the term "detrimental." To the extent "detrimental" means harmful, Plaintiffs deny this Request.

8. Admit or deny that Dr. Chad Gunnlauggson shared documents or emails with

Orville Dyce that were detrimental to the interests of SCENT.

ANSWER: Objection. Plaintiffs object to this Request on the grounds that it is vague and ambiguous as Plaintiffs do not know Defendants intended meaning of the term "detrimental." To the extent "detrimental" means harmful, Plaintiffs deny this Request.

9. Admit or deny that Dr. Dyce shared copies of Shareholder Draft Agreements or provisions of draft Shareholder agreements with Dr. Gunnlauggson prior to Dr. Dyce's termination of employment with SCENT.

ANSWER: Denied.

10. Admit or deny that Dr. Dyce and Dr. Gunnlauggson discussed the possibility of coordinating a legal strategy adverse to SCENT prior to Dr. Dyce's termination of employment with SCENT.

ANSWER: Admit.

12. Admit or deny that Dr. Dyce gave to Dr. Gunnlauggson copies of insurance contracts obtained from SCENT.

ANSWER: Denied.

13. Admit or deny that Dr. Dyce through his legal counsel or directly was communicating with legal counsel of Dr. Gunnlauggson prior to Dr. Dyce's termination of

employment with SCENT.

ANSWER: Objection. Plaintiffs object to this Request on the grounds that it is vague and ambiguous and seeks information that is not relevant and not reasonably calculated to lead to the discovery of admissible evidence. Notwithstanding such objections, Plaintiffs deny this Request.

14. Admit or deny that an entity that Dr. Dyce is affiliated with hired three SCENT employees who Dr. Dyce supervises within 18 months of Dr. Dyce's departure from SCENT.

ANSWER: Denied.

15. Admit or deny that if Dr. Gunnlaugsson was not a shareholder of SCENT, Dr. Dyce owes the IRS taxes.

ANSWER: Objection. Plaintiffs object to this Request on the grounds that it is vague and ambiguous and asks a theoretical question. Notwithstanding said objections, if Dr. Gunnlaugsson was not a shareholder of SCENT, Dr. Dyce would be entitled to more Monthly Sweep Distributions and bi-weekly distributions and would be owed more money from SCENT. To the extent this would impact income taxes, this question is better directed to an accountant who is familiar with the tax consequences of this and who is familiar with the business practices of SCENT.

16. Admit or deny that Dr. Vidrine was a shareholder of SCENT prior to Dr. Dyce's termination from SCENT.

ANSWER: Plaintiffs made a reasonable inquiry to obtain such information and such information is not known or readily obtainable by Plaintiffs to enable them to admit or deny the information sought in this Request.

17. Admit or deny that if Dr. Gunnlauggson was a shareholder of SCENT then Dr. Dyce received more money from SCENT than he was entitled to.

ANSWER: Denied.

18. Admit or deny that you expressed concerns to Dr. Puchalski over whether Dr. Gunnlauggson was a good fit for joining the practice of SCENT as a shareholder.

ANSWER: Denied.

19. Admit or deny that Dr. Dyce called members of SCENT's staff after the termination of his employment to ask for and received information relating to procedural forms and protocols.

ANSWER: Denied.

TO: VINCENT A. SHEHEEN, ESQUIRE, ATTORNEYS FOR DEFENDANTS:

Pursuant to the South Carolina Rules of Civil Procedure Rule 36, Plaintiffs Dr. Orville Dyce and Jamie Curley (collectively, the “**Plaintiffs**”) hereby amend their responses to Defendants South Carolina ENT, Allergy & Sleep Medicine, P.A.’s, Amy Puchalski and Robert Puchalski’s (collectively, the “**Defendants**”) Request to Admit as follows:

1. Admit or deny that Orville Dyce practiced otolaryngology within 18 months of the date of termination of employment with SCENT.

ANSWER: Admit.

2. Admit or deny that Orville Dyce practiced otolaryngology within a 20 mile radius of a SCENT practice site within 18 months of the date of termination of his Employment with SCENT.

ANSWER: Admit.

3. Admit or deny that Orville Dyce created emails and/or documents in 2009 that were adverse to South Carolina ENT and/or Dr. Puchalski prior to the date of termination of his Employment with SCENT.

ANSWER: Denied.

4. Admit or deny that Orville Dyce provided SCENT's confidential information to Chad Gunnlauggson prior to termination of Dyce's employment with SCENT.

ANSWER: Denied.

5. Admit or deny that Orville Dyce currently practices in the same office building that SCENT formerly practiced in while located in Hartsville.

ANSWER: Admit.

6. Admit or deny that Orville Dyce currently practices in the same medical plaza that SCENT formerly practiced in while located in Cheraw.

ANSWER: Denied.

7. Admit or deny that Orville Dyce knew of emails from Dr. Chad Gunnlauggson that were detrimental to the interests of SCENT prior to Dr. Dyce's employment with SCENT being terminated.

ANSWER: Denied.

8. Admit or deny that Dr. Chad Gunnlauggson shared documents or emails with Orville Dyce that were detrimental to the interests of SCENT.

ANSWER: Denied.

9. Admit or deny that Dr. Dyce shared copies of Shareholder Draft Agreements or provisions of draft Shareholder agreements with Dr. Gunnlauggson prior to Dr. Dyce's termination of employment with SCENT.

15. Admit or deny that if Dr. Gunnlauggson was not a shareholder of SCENT, Dr. Dyce owes the IRS taxes.

ANSWER: Such information is not known or readily obtainable by Plaintiffs to enable them to admit or deny the information sought in this Request. Notwithstanding said objections, if Dr. Gunnlauggson was not a shareholder of SCENT, Dr. Dyce would be entitled to more Monthly Sweep Distributions and bi-weekly distributions and would be owed more money from SCENT. To the extent this would impact income taxes, this question is better directed to an accountant who is familiar with the tax consequences of this and who is familiar with the business practices of SCENT.

16. Admit or deny that Dr. Vidrine was a shareholder of SCENT prior to Dr. Dyce's termination from SCENT.

ANSWER: Dr. Dyce cannot state with legal certainty whether Dr. Vidrine was a shareholder of SCENT prior to his termination.

17. Admit or deny that if Dr. Gunnlauggson was a shareholder of SCENT then Dr. Dyce received more money from SCENT than he was entitled to.

ANSWER: Denied.

ANSWER: Denied.
