

The South Carolina Court of Appeals

Charles Tyson, #113360, Appellant,

v.

South Carolina Department of Probation, Parole and
Pardon Services, Respondent.

Appellate Case No. 2019-000532

The Honorable Harold W. Funderburk, Jr.
Trial Court Case No. 2018ALJ150030AP

ORDER

The appellant has filed a motion for an extension to file the appellant's initial brief and designation of matter. The appellant's motion is granted. The appellant's initial brief is considered filed as of May 2, 2019. The Court's records reflect there are deficiency corrections needed for the appellant's initial brief, due no later than May 17, 2019. Specifically, the initial brief did not include a designation of matter pursuant to Rule 209, SCACR, and the certificate of service was not signed nor did it state the date the initial brief was served upon the respondent. Failure to provide the appropriate corrections may result in this appeal being dismissed.
