Re: Clara Brockington v. SCDEW  
Appellate Case No. 2018-001740

Dear Counsel:

Upon reviewing your initial brief of appellant and designation of matter, the following deficiency or deficiencies have been noted under the South Carolina Appellate Court Rules (SCACR), and any deficiency must be corrected within ten (10) days of the date of this letter:

- The proof of service indicates a different document was served instead of the appellant's initial brief and designation of matter
- A proof of service has not been provided showing service upon both attorneys for the respondent. You must serve and file a proof of service substantially in the format shown by Form 7 in Appendix C to part II of the SCACR.
- The initial brief contains documents that should be included in the designation of matter, later to be compiled into the record on appeal. An amended initial brief needs to be filed with the documents removed.

Very truly yours,

*V. Claire Allen, Deputy*
