RE: 2018-000056 / 2018-000174 – Please do your job in a timely manner.

Judge Lochemy and Associate Justices.

First, you will note that I am not sending you another \$50.00 to tell you to do your job in a timely manner. I have already spent entirely too much money dealing with the issues the Court of Appeals has created for me, yourselves, and the SC Judicial System.

Having said that, you have had a motion to properly restore the appeals cases before you for four months by the time you receive this letter. Clearly Ms. Allen's letter dated 13 March 2019 was both silly and improper.

It can only be assumed at this point that the court of appeals continuing delay is for a less than proper purpose, which is obviously, and knowingly, creating a number of issues for me to pursue the proper remedies against the true malfeasants.

Clearly, none of this is actually going to get better with age, even though I think I may understand the court's hopes and dreams in that regard.

Please ensure you rule on the motion from January by the end of this week. I guess it wouldn't be that farfetched to think you could also rule on the "just do the right thing" motion from March too given it is related, but I won't pressure you on that at that moment for the sake of prompt action.

Best regards,

Alan Nix
