Re: Ballard v. Roberson, Appellate Case No. 2017-000690

Notice of Settlement in Principal and Request for Continuance

Ms. Allen:

In follow-up to our conversation this afternoon, as directed, I am writing to notify the Court of Appeals that Appellant and Respondent have reached a settlement in principal to resolve the outstanding matters between them and dismiss this appeal. We are presently set for oral argument on June 4, 2019 at 12:00. In order to permit sufficient time to formalize the settlement among the parties, the parties hereby request that the oral argument be continued beyond the presently scheduled June 4 argument. I have consulted with Mr. Ballard's attorney Wallace Lightsey who is in agreement with this requested continuance. Please let me know if you need anything further.

With kind regards,

Joshua L. Howard
