Re: Theodore Wagner v. Designa Print
Appellate Case No. 2018-001125

Dear Counsel:

We received your motion to allow the late filing of the respondents' return to the appellant's motion to allow the late filing of the amended appellant's initial brief. The appellant's motion to allow the late filing of the appellant's initial brief and designation of matter was granted on February 7, 2019. Therefore, no action will be taken on your motion to allow the late filing of the respondents' return to the appellant's motion to allow the late filing of the amended appellant's initial brief.

Also, the order dated February 7, 2019 stated that the respondents' initial brief and designation of matter were due to be served and filed within thirty (30) days from the date of the order, making the due date March 11, 2019. This filing has been received untimely. Within ten (10) days from the date of this letter, you must provide a motion to allow the late filing of the respondents' initial brief and designation of matter. Your brief will not be considered by this Court if no motion is made within ten (10) days from the date of this letter.

Very truly yours,

V. Cline Allen, Deputy

CLERK
