Re: Karl & Terri Hager v. McCabe, Trotter & Beverly, P.C.  
Appellate Case No. 2019-000413

Dear Counsel:

Our records reflect that the time for serving and filing the appellants' initial brief and designation of matter has expired. Within ten (10) days of the date of this letter, you must serve and file the appellants' initial brief and designation of matter, along with a motion requesting permission to serve and file the appellants' initial brief and designation of matter outside of the filing deadlines set by Rules 208 and 209 of the SCACR. Your appellants' initial brief and designation of matter will not be considered if no motion is made. Failure to comply with the Court's request within ten (10) days of the date of this letter will result in the dismissal of this appeal.

Respondent's motion for an extension of time to serve and file the respondent's initial brief and designation of matter will be acted on once the appellants' initial brief and designation of matter have been filed, and a motion to allow late filing of the appellants' initial brief and designation of matter has been acted on.

Very truly yours,

*V. Claire Allen, Deputy*
