**RE: Pamela Cartee v. SCJD (Preston F. McDaniel)
Appellate Case No. 2018-001234**

Dear Ms. Allen:

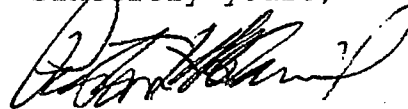

After receiving the decision of the Court, Counsel for the Respondent, Commission, and I entered into discussions trying to revolve the appeal through agreement and for various reasons the Commission was only able to give me a final answer as of late Thursday that we could not resolve it by agreement.

Counsel advised me today that they had no objection to me requesting an extension for the filing of our initial brief due to these circumstances. I would request that I be allowed to file my brief the last business day of June, June 28th.

Under these circumstances, would you please let me know if I need to file a formal motion and/or should I include a filing fee for the purposes of making this request.

I appreciate your direction and by copy of this letter, I am advising Harley Kirkland of the Attorney General's office of this communication notifying the Court of their agreement to the extension. A telephone call would do and be appreciated.

Sincerely yours,

Preston F. McDaniel
