COMES NOW YOUR UNDERSIGNED, and does respectfully move this Honorable Court for an Order granting an extension of time of thirty days for Appellant to file his initial brief and designation of matters to be included in the record on appeal. The motion is based on cause. The undersigned is guardian for his fifty year old Down Syndrome brother who has advanced Alzheimer's / Dementia. Two months ago his progression advanced and he was hospitalized at MUSC. Among the things he was hospitalized for was forgetting how to walk and eat. For over a month the family had to take turns going up to MUSC every mealtime to feed him. He was readmitted to the hospital on 25 May 2019, discharged 28 May, and lastly readmitted 31 May. This time, there is concern that the condition is becoming terminal. The undersigned has been unable due to these circumstances to complete the initial brief with the degree of competence needed to file a timely brief on Monday. Accordingly, the undersign most respectfully requests the motion be granted.
