MOTION TO AMEND

EVIDENCE THAT SUPPORT ACTION

Case No. 2016-001201

RECEIVED

MAY 30 2019

SC Court of Appeals

I Harold Simmons Jr. apologize to the Court of Appeals for my negligence on my Designation of Matter. Between the time of the Respondent filing Stay Motion, to my father and mother taking ill, to defending myself of charges from The City of North Charleston, to my father passing away, then back to defending myself of the charges with North Charleston as well as me filing bankruptcy in order to save my property from being stolen from me, to receiving misleading information in preparing my Brief, I was not totally focused on my task before me. I do apologize, I'm submitting my evidence. Here is my evidence that was used in the lower Court and would have been used for the counterclaim. As you can see, it would not make good sense to move forward without evidence that was use in lower Court. All I want is for the truth to come out. And to amend additional transcript for August 6, 2018 and August 7, 2018 that shows that I was forced to pay an amount that I did not owe.
