Adrian Wilson, Appellant

Vs.

SC Employment and Workforce,
Wateree Community Action Inc., Respondents

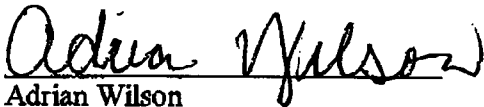

MOTION TO REQUEST REINSTATEMENT

I appellant Adrian Wilson am requesting that the appeal submitted be reinstated. I never received the notification that I was being allowed to proceed forma pauperis. I only learned that I was being allowed to do so when I received the motion to dismiss from the respondent (SCDEW). Additionally, I never inquired about the status of my motion to proceed forma pauperis as I was unclear on the timeframe it would take to make such a decision; consequently, I was simply awaiting a response regarding being able to proceed forma pauperis from the SC Court of Appeals.

I have been very responsive with request for information and following instructions as they are received. Again, I never received the notification stating that I had been granted permission to proceed forma pauperis or the instructions to serve and file the Appellant's brief and designation of matter.

I would like to request that the case be reinstated and if the case is approved to be reinstated I will need additional time to serve and file the brief and designation of the matter.

Respectfully Submitted,

Adrian Wilson
