

IN THE STATE OF SOUTH CAROLINA
In the Court of Appeals

RE: Johnny Knight, Appellant
v
Tracy Dandridge, Respondent

Appellate Case No.: 2019-000855
Common Plea No: 2017-CP-18-39

MOTION TO
DISMISS APPEAL:

Pursuant to the Seventh Amendment to the United States Constitution is part of the Bill of Rights. This amendment codifies the right to a jury trial in civil cases and inhibits courts from overturning a Jury's finding of facts. Statute of frauds also set forth Action on representation as to character will lie only where representation is in writing and signed. [History: 1962 code section 11102; 1952 code section 11102; 1942 code section 7049; 1932 code section 7049; Civ. C. '22 Section 5521; Civ. C. '12 Section 3742; Civ. C. '02 Section 2657; G. S. 2024; R. S. 2156.].

Also that (1) A judgement of the trial court is based on finding of fact which are not erroneous; (2) that the evidence of a jury verdict is not insufficient; (3) that the order of an administrative agency is supported by such quantum of evidence as prescribed by the statute or law under which judicial review is permitted; (4) THAT NO ERROR OF LAW APPEARS. [1962 code section 7428; 1952 code section 7428; 1942 code section 27; 1932 code section 27; Civ. P. '22 Section 27; Civ. P. '12 Section 12; Civ. P. '02 Section 12; 1896 (22) 7; 1904 (24) 389; 1976 Act No. 530].

The Appellate failed to give satisfactory contents for Grounds to Appeal.

The Appellate own actions written in contract form and responses in written form should not be ignored. The Preponderance of the evidence was decided by 12 independent jurors who followed due course and duties. I respectfully ask for Appellate Case # 2019-000855 be dismissed (Proof of above reference provided during common please court).
