

The South Carolina Court of Appeals

APX Alarm Security Solutions, Inc., Appellant,

v.

South Carolina Department of Labor, Licensing, and
Regulation, South Carolina Contractors Licensing Board,
Respondents.

Appellate Case No. 2012-213451

ORDER

After careful consideration, Respondents' motion to dismiss is granted because the underlying order in appeal is not immediately appealable. Appellant has not appealed from a final decision. Furthermore, a review of the final agency decision would provide an adequate remedy in this case. *See* S.C. Code Ann. § 1-23-380 (2005) ("A party who has exhausted all administrative remedies available within the agency and who is aggrieved by a final decision in a contested case is entitled to judicial review pursuant to this article and Article 1. . . . A preliminary, procedural, or intermediate agency action or ruling is immediately reviewable if review of the final agency decision would not provide an adequate remedy.").
