Appellate Case No. 2018-001002

Forward to Chief Justice

In Concern of the matter: I'm writing in reference to an Order was transferred down by Supreme Court of South Carolina to the South Carolina Court of Appeals when my PCR was handed over to the Appellate Court pursuant to Rule 243(1),

I'ts my understanding that the state already use all three their extension up an the Respondent had 90 business days to file an answer to the Order issued on January 28, 2019 an they 90 business days is up and they still did not make no ruling on my case and I've failed to recieve a responce of the Order issued by your Court, I respectfully request the State to Concede to the failure to reply to the Order issued By your Court and ask the Court to Honor my request sentence Reduction Based on the violation of the Rules of the Appellate Court of South Carolina Code 1976 18-9-290
