Dear Mr. Grant:

Upon reviewing your notice of appeal, the following deficiencies have been noted under the South Carolina Appellate Court Rules (SCACR), and any deficiency must be corrected in its entirety within ten (10) days of the date of this letter or your appeal will not be considered:

- The notice of appeal is not accompanied by the order(s) and/or judgment(s) challenged on appeal.
- The required filing fee has not been submitted. The correct filing fee is \$250.00.
- A proof of service has not been provided. You must serve and file a proof of service on all respondents, in the format shown by Form 7 in Appendix C to part II of the SCACR.
- A proof of service showing that a copy has been served on the agency and/or the Administrative Law Court has not been provided as required by Rule 203(b)(6), SCACR.
- The document has not been timely filed. According to Rule 203(b)(6), SCACR, the notice of appeal shall be served on the agency, the administrative law court, and all parties of record within thirty (30) days

after receipt of decision. A motion to allow the late filing will have to be made.

- According to Rule 203, SCACR, a notice of appeal must include the name of the court from which the appeal is taken; the judge's name; the lower court docket number; the date of the order being appealed; a statement of when the appealing party received the decision from which the appeal was taken; the name of the appealing party; and the names, mailing addresses, and telephone numbers of all attorneys of record and the names of the party or parties represented by each.

Very truly yours,

V. Claire Allen, Deputy
