

The South Carolina Court of Appeals

Patrick B. Walker, Appellant,

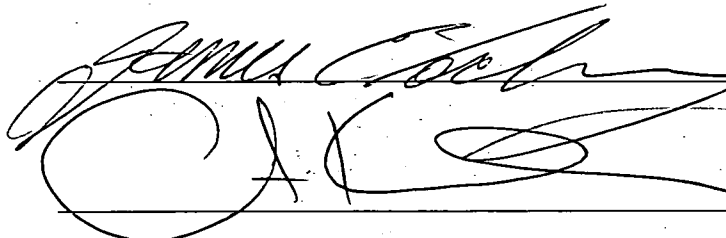

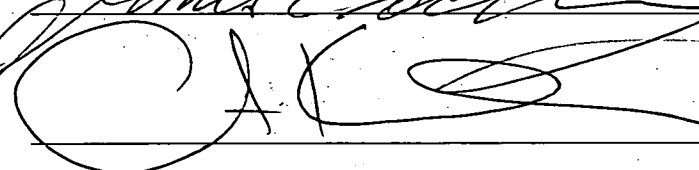

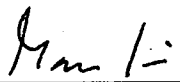

v.

The State of South Carolina, Respondent.

Appellate Case No. 2018-002136

ORDER

This court construes Appellant's filings together as a petition for rehearing of the dismissal of this appeal. After careful consideration of the petition for rehearing, the Court is unable to discover that any material fact or principle of law has been either overlooked or disregarded, and hence, there is no basis for granting a rehearing. Accordingly, the petition for rehearing is denied.
